Enclosure 2

3 November 2014

BT GROUP PLC

TRANSACTIONS IN OWN SHARES

BT Group plc (the "Company") announces that it has instructed commencement of a non-discretionary programme to purchase up to £26 million worth of ordinary shares to be held as treasury shares, during the period beginning on 10 November 2014 and ending on or before 19 December 2014. This forms part of the previously announced £300m annual share buyback programme over two years and extended for one year to the 2015/16 financial year, which will partly counteract the dilutive effect of all-employee share option plans maturing over that time.

This buyback programme will be managed by Merrill Lynch International, who are an independent third party that the Company has duly authorised to make trading decisions independently of, and uninfluenced by, the Company.

Any acquisitions will be effected within certain pre-set parameters, and in accordance with both the Company's general authority to repurchase shares and Chapter 12 of the Listing Rules which requires that the maximum price paid be limited to no more than 5 per cent above the average market value for the shares as derived from the London Stock Exchange Daily Official List for the five business days immediately prior to such purchase.

RESPONSE TO RECENT PRESS SPECULATION

BT Group plc (BT) notes the recent press speculation relating to a potential transaction involving Telefónica UK (O2) in the UK.

We continue to develop our own plans for providing enhanced mobile services to business and consumer customers, in line with our previous announcements. We remain confident of delivering on these plans and have also been exploring ways of accelerating them, including assessing the merits of an acquisition of a mobile network operator in the UK.

We have received expressions of interest from shareholders in two UK mobile network operators, of which one is O2, about a possible transaction in which BT would acquire their UK mobile business. All discussions are at a highly preliminary stage and there can be no certainty that any transaction will occur.

A further announcement will be made if and when appropriate.
