PROXY STATEMENT

Information Concerning Voting and Solicitation

This Proxy Statement is being furnished to you in connection with the solicitation by the Board of Directors of PortalPlayer, Inc., a Delaware corporation (the Company), of proxies to be used at the 2005 Annual Meeting of Stockholders to be held at the Hilton Santa Clara Hotel located at 4949 Great America Parkway, Santa Clara, California 95054, at 8:00 a.m., Pacific Time, on Friday, June 10, 2005 and any adjournments or postponements thereof. This Proxy Statement and the accompanying form of proxy card are being mailed to stockholders on or about May 2, 2005.

Appointment of Proxy Holders

Your Board of Directors asks you to appoint Gary Johnson and Svend-Olav Carlsen as your proxy holders to vote your shares at the 2005 Annual Meeting of Stockholders. You make this appointment by voting the enclosed proxy card using one of the voting methods described below.

If appointed by you, the proxy holders will vote your shares as you direct on the matters described in this Proxy Statement. In the absence of your direction, they will vote your shares as recommended by your Board of Directors.

Unless you otherwise indicate on the proxy card, you also authorize your proxy holders to vote your shares on any matters not known by your Board of Directors at the time this Proxy Statement was printed and which, under our Bylaws, may be properly presented for action at the Annual Meeting.

Who Can Vote

Edgar Filing: PortalPlayer, Inc. - Form DEF 14A

Only stockholders who owned shares of our common stock at the close of business on April 22, 2005, the record date for the Annual Meeting, can vote at the Annual Meeting. As of the close of business on April 22, 2005, we had 23,244,236 shares of common stock outstanding and entitled to vote. Each holder of common stock is entitled to one vote for each share held as of April 22, 2005. There is no cumulative voting in the election of directors.

How You Can Vote

You may vote your shares at the Annual Meeting either in person or by mail as described below. Stockholders holding shares through a bank or broker should follow the voting instructions on the form of proxy card received.

Voting by Mail. You may vote by proxy by dating, signing and returning your proxy card in the enclosed postage-paid envelope. Giving a proxy will not affect your right to vote your shares if you attend the Annual Meeting and want to vote in person.

Voting at the Annual Meeting. Voting your proxy card by mail will not limit your right to vote at the Annual Meeting, if you decide to attend in person. Your Board recommends that you vote by mail as it is not practical for most stockholders to attend the Annual Meeting. If you hold shares through a bank or broker, you must obtain a proxy, executed in your favor, from the bank or broker to be able to vote at the Annual Meeting.

Table of Contents

If you submit your proxy, but do not mark your voting preference, the proxy holders will vote your shares **FOR** the election of the nominees for director and **FOR** the ratification of the appointment of our independent registered public accounting firm.

Revocation of Proxies

Stockholders can revoke their proxies at any time before they are exercised in any of three ways:

by voting in person at the Annual Meeting;

by submitting written notice of revocation to PortalPlayer's Secretary prior to the Annual Meeting; or

by submitting another proxy of a later date that is properly executed.

Required Vote

Directors are elected by a plurality vote, which means that the seven nominees receiving the most affirmative votes will be elected. All other matters submitted for stockholder approval require the affirmative vote of the majority of shares present in person or represented by proxy and entitled to vote.

A quorum, which is a majority of the outstanding shares as of April 22, 2005, must be present to hold the Annual Meeting. A quorum is calculated based on the number of shares represented by the stockholders attending in person and by their proxy holders. If you indicate an abstention as your voting preference, your shares will be counted toward a quorum but they will not be voted on the matter.

Abstentions on any matters are treated as shares present or represented and entitled to vote on that matter and have the same effect as a vote against such matter.

If a broker indicates on the enclosed proxy card or its substitute that such broker does not have discretionary authority to vote on a particular matter (broker non-votes), those shares will be considered as present for purposes of determining the presence of a quorum but will not be treated as shares entitled to vote on that matter.

Payment of Costs

Edgar Filing: PortalPlayer, Inc. - Form DEF 14A

PortalPlayer will pay the cost of printing and mailing proxy materials. In addition to the solicitation of proxies by mail, solicitation may be made by our directors, officers and other employees by personal interview, telephone or facsimile. No additional compensation will be paid to these persons for solicitation. We will reimburse brokerage firms and others for their reasonable expenses in forwarding solicitation materials to beneficial owners of our common stock.

IMPORTANT

Please promptly vote and submit your proxy by signing, dating and returning the enclosed proxy card in the postage-prepaid return envelope so that your shares can be voted. This will not limit your rights to attend or vote at the Annual Meeting.

Proposal 1

Election of Directors

Directors and Nominees

Our Bylaws currently provide for a Board of Directors consisting of not less than five nor more than nine members. We currently have authorized seven directors. The Nominating and Corporate Governance Committee of the Board of Directors has nominated, and the Board of Directors has designated, the seven persons listed below for election at the Annual Meeting. The proxies given to the proxy holders will be voted or not voted as directed and, if no direction is given, will be voted FOR these seven nominees. Your Board of Directors knows of no reason why any of these nominees should be unable or unwilling to serve. However, if for any reason any nominee should be unable or unwilling to serve, the proxies will be voted for any nominee designated to fill the vacancy by your Board of Directors, taking into account the recommendations of the Nominating and Corporate Governance Committee.

All directors attended at least 75% of the aggregate number of meetings of the Board of Directors held during the period for which such directors served on our Board of Directors and of the committees on which such director served. We did not hold an annual meeting of stockholders in 2004. We have a policy that requires the attendance of Board committee chairpersons, and encourages all other directors' attendance, at the Annual Meeting.

Committees of the Board of Directors

Edgar Filing: PortalPlayer, Inc. - Form DEF 14A

Our Board of Directors has appointed an Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee. The Board of Directors has determined that each director who serves on these committees is independent, as that term is defined by applicable listing standards of The Nasdaq Stock Market and rules of the Securities and Exchange Commission, except that Mr. Sanquini is not independent under the applicable listing standards of The Nasdaq Stock Market. However, under those standards Mr. Sanquini may remain on the Compensation Committee for up to one year from the date of our initial public offering. The Board of Directors has adopted written charters for each of these committees. Copies of these charters are available on our investors' relations website (www.portalplayer.com). A copy of the Audit Committee Charter is also attached as Appendix A to this Proxy Statement.

Nominating and Corporate Governance Committee

Number of Members: 3

Current Members: T. Raj Singh, Chairman

Shahan D. Soghikian

James L. Whims

Number of Meetings in 2004: The Nominating and Corporate Governance Committee was established in 2004 and did not hold any meetings in that year.

Functions: The Nominating and Corporate Governance Committee's primary functions are to seek, evaluate and select nominees for election to our Board of Directors and to oversee matters of corporate governance. Other specific duties and responsibilities of the Nominating and Corporate Governance Committee are to make recommendations regarding the size of the Board of Directors, review on an annual basis the functioning and effectiveness of the Board of Directors, and consider and make recommendations on matters related to the practices, policies and procedures of the Board of Directors.

Director Nominations

The Board of Directors nominates directors for election at each annual meeting of stockholders and elects new directors to fill vacancies when they arise. The Nominating and Corporate Governance Committee has the responsibility to identify, evaluate, recruit and recommend qualified candidates to the Board of Directors for nomination or election.

The Board of Directors has as an objective that its membership be composed of experienced and dedicated individuals with diversity of backgrounds, perspectives and skills. The Nominating and Corporate Governance Committee will select candidates for director based on their character, judgment, diversity of experience, business acumen, and ability to act on behalf of all stockholders. The Nominating and Corporate Governance Committee believes that nominees for director should have experience, such as experience in management or accounting and finance, or industry and technology knowledge, that may be useful to PortalPlayer and the Board of Directors, high personal and professional ethics, and the willingness and ability to devote sufficient time to effectively carry out his or her duties as a director. The Nominating and Corporate Governance Committee believes it appropriate for at least one, and, preferably, multiple, members of the Board of Directors to meet the criteria for an audit committee financial expert as defined by rules of the Securities and Exchange Commission, and for a majority of the members of the Board of Directors to meet the definition of independent director under the rules of The Nasdaq Stock Market. The Nominating and Corporate Governance Committee also believes it appropriate for certain key members of our management to participate as members of the Board of Directors.

Prior to each annual meeting of stockholders, the Nominating and Corporate Governance Committee identifies nominees first by evaluating the current directors whose term will expire at the annual meeting and who are willing to continue in service. These candidates are evaluated based on the criteria described above, including as demonstrated by the candidate's prior service as a director, and the needs of the Board of Directors with respect to the particular talents and experience of its directors. In the event that a director does not wish to continue in service, the Nominating and Corporate Governance Committee determines not to re-nominate the director, or a vacancy is created on the Board of Directors as a result of a resignation, an increase in the size of the board or other event, the Committee will consider various candidates for Board membership, including those suggested by the Committee members, by other Board of Directors members, by any executive search firm engaged by the Committee or by stockholders. A stockholder who wishes to suggest a prospective nominee for the Board of Directors should notify PortalPlayer's Secretary or any member of the Committee in writing with any supporting material the stockholder considers appropriate.

Table of Contents

In addition, our Bylaws contain provisions that address the process by which a stockholder may nominate an individual to stand for election to the Board of Directors at our annual meeting of stockholders. In order to nominate a candidate for director, a stockholder must give timely notice in writing to PortalPlayer's Secretary and otherwise comply with the provisions of our Bylaws. To be timely, our Bylaws provide that we must have received the stockholder's notice not less than 90 days nor more than 120 days in advance of the date the Proxy Statement was released to the stockholders in connection with the previous year's annual meeting of stockholders; however, if we have not held an annual meeting in the previous year or the date of the annual meeting is changed by more than 30 days from the prior year, we must have received the stockholder's notice not later than the close of business on the later of the 90th day prior to the annual meeting or the 7th day following the first public announcement of the annual meeting date. Information required by the Bylaws to be in the notice includes the name and contact information for the candidate and the person making the nomination and other information about the nominee that must be disclosed in proxy solicitations under Section 14 of the Securities Exchange Act of 1934 and the related rules and regulations under that Section.

Stockholder nominations must be made in accordance with the procedures outlined in, and include the information required by, our Bylaws and must be addressed to: Secretary, PortalPlayer, Inc., 3255 Scott Boulevard, Bldg. 1, Santa Clara, California 95054. You can obtain a copy of our Bylaws by writing to the Secretary at this address.

Stockholder Communications with the Board of Directors

If you wish to communicate with the Board of Directors, you may send your communication in writing to: Secretary, PortalPlayer, Inc., 3255 Scott Boulevard, Bldg. 1, Santa Clara, California 95054. Subsequent to June 1, 2005, your written communication may be sent to Secretary, PortalPlayer, Inc., 70 Plumeria Drive, San Jose, California 95134. You must include your name and address in the written communication and indicate whether you are a stockholder of PortalPlayer. The Secretary will review any communication received from a stockholder, and all material communications from stockholders will be forwarded to the appropriate director or directors or committee of the Board of Directors based on the subject matter.

Director Compensation

We reimburse our directors for reasonable expenses in connection with attendance at board and committee meetings. Our non-employee, or outside, directors receive annual compensation of \$10,000 and compensation of \$2,000 for each board meeting attended in person and \$1,000 for each board or committee meeting attended via teleconference. The chairperson of our audit committee receives annual compensation of \$40,000. Each committee member other than a committee chairperson receives compensation of \$1,000 for each committee meeting attended in person or via teleconference and the chairpersons of our Compensation Committee and Nominating and Corporate Governance Committee each receive compensation of \$2,000 for each committee meeting attended in person or via teleconference.

Directors also are eligible to receive and have received stock options under our 2004 Stock Incentive Plan. The exercise price of stock options to directors is based on the fair market value of our common stock on the date of grant. Outside directors receive nondiscretionary, automatic grants of nonstatutory stock options under our 2004 stock incentive plan. An outside director is automatically granted an initial option to purchase 41,666 shares upon first becoming a member of our Board of Directors. The initial option vests and becomes exercisable over four years, with the first 25% of the shares subject to the initial option vesting on the first anniversary of the date of grant and the remainder vesting monthly thereafter. Immediately after each of our regularly scheduled annual meetings of stockholders, each outside director is automatically granted a nonstatutory option to purchase 9,166 shares of our common stock, provided the director has served on our Board or Directors for at least six months. These options vest and become exercisable on the first anniversary of the date of grant or immediately prior to our next annual meeting of stockholders, if earlier. The options granted to outside directors have a per share exercise price equal to 100% of the fair market value of the underlying shares on the date of grant, and become fully vested if we are subject to a change of control.

Table of Contents

In January 2004, Richard Sanquini, was issued an option to purchase 133,333 shares with an exercise price of \$0.45 per share in connection with his services to us as our Acting Chief Executive Officer for the period from December 2002 to April 2003. At the time of grant, 100,000 of the shares subject to the option were fully vested and the remainder vested over 11 months. In April 2003, we entered into a consulting arrangement with Mr. Sanquini, pursuant to which he provided management consulting services for consideration in the amount of \$5,000 per month, receiving a total of \$35,000 in 2004. Mr. Sanquini no longer provides management services to us and accordingly we do not have any arrangements to compensate Mr. Sanquini for any services other than as a director as described above. In 2001, the Company negotiated and later amended in 2002 a consulting arrangement with Tom Spiegel. In 2002, Mr. Spiegel became a director of the Company. In 2004, the consulting agreement, as amended, was terminated and the Company paid Mr. Spiegel approximately \$1,600,000, representing payment in full of all remaining amounts owed under this agreement.

Compensation Committee Interlocks and Insider Participation

During 2004, Messrs. Whims, Sanquini and Singh served as members of our Compensation Committee. Mr. Sanquini served as our Acting Chief Executive Officer for the period from December 2002 to April 2003. No interlocking relationship exists between our Board of Directors or Compensation Committee and the board of directors or compensation committee of any other entity, nor has any interlocking relationship existed in the past.

Table of Contents**Grant of Stock Options**

The following table sets forth information on grants of options to purchase shares of our common stock in 2004 to the Named Executive Officers.

Name	Individual Grants				Potential Realizable Value at Assumed Annual Rates of Stock Price Appreciation for Option Term(3)	
	Number of Shares Underlying Options Granted	% of Total Options Granted to Employees in 2004	Exercise Price Per Share(1)	Expiration Date(2)	5%	10%
Gary Johnson (4)	85,730	7.2%	\$ 0.45	5/19/14	\$ 2,335,382	\$ 3,741,564
Sanjeev Kumar						
Michael J. Maia	6,666	0.6	2.40	6/9/14	168,591	277,929
Scott W. Tandy	84,000	7.1	0.45	3/3/14	2,288,255	3,666,061
Svend-Olav Carlsen	179,166	15.1	2.40	6/9/14	4,531,311	7,470,072

- (1) The exercise price for each grant is equal to 100% of the fair market value of our common stock on the date of grant, as determined by our Board of Directors.
- (2) The options have a term of 10 years, subject to earlier termination in certain events related to termination of employment.
- (3) Potential realizable values are calculated by:

multiplying the number of shares of our common stock subject to a given option by \$17.00 per share, which was the price we offered our common stock to the public in our initial public offering effected in November 2004 (initial public offering price);

assuming that the aggregate stock value derived from that calculation compounds at the annual 5% or 10% rates shown in the table for the entire 10-year term of the option; and

subtracting from that result the total option exercise price.

The 5% and 10% assumed rates of appreciation are suggested by the rules of the Securities and Exchange Commission and do not represent our estimate or projection of the future common stock price. There can be no assurance that any of the values reflected in the table will be achieved.

- (4) Excludes a warrant to purchase 41,067 shares of common stock granted to Mr. Johnson at an exercise price of \$4.50 per share, which expires on November 17, 2014. The potential realizable value at the 5% and 10% rates would be \$952,390 and \$1,625,990, respectively.

Employment, Severance and Change of Control Arrangements

On March 14, 2003, Mr. Johnson entered into an offer letter with us to serve as our President and Chief Executive Officer. Under the terms of the offer letter, Mr. Johnson is entitled to receive an annual salary of \$300,000 subject to annual review by our Board of Directors and subject to certain conditions related to our performance and financial situation. In connection with this agreement, we granted Mr. Johnson an option to purchase 1,028,768 shares of common stock at an exercise price of \$0.45 per share. This option vests monthly over four years. Mr. Johnson is also eligible to receive an option to purchase an additional 85,730 shares annually up to four years based on our performance and if we exceed our business objectives for each calendar year. These options, if granted, would vest immediately and would have an exercise price equal to the then fair market value per share of our common stock. The offer letter further provides that Mr. Johnson's employment relationship with us may be terminated at any time by Mr. Johnson or us. If we terminate Mr. Johnson's employment without cause, Mr. Johnson was entitled to receive monthly payments after his termination equal to 12 months base salary. The offer letter also provides that upon a change of control, Mr. Johnson's options will vest immediately and he will be eligible for our management retention plan. Our management retention plan provides that if net proceeds, as defined in the stock option grant, from a change in control are greater than \$43.3 million, then Mr. Johnson will be eligible to receive the greater of (a) one-third interest in the management retention plan's bonus pool or (b) the value of Mr. Johnson's vested options. Mr. Johnson is also entitled to a bonus for the period from January 1, 2004 through June 30, 2004 due to the achievement of specified performance criteria. The bonus consisted of a cash award of \$150,000, which has been paid, and an additional bonus amount payable upon the closing of an acquisition of us or our initial public offering. In connection with the closing of our initial public offering, this additional bonus amount was paid in the form of a warrant to purchase up to 41,067 shares of our common stock at an exercise price of \$4.50 per share.

On January 13, 2003, Mr. Kumar entered into a letter agreement with us to receive a special bonus of \$60,000 paid in 12 monthly installments and an option to purchase 163,333 shares of common stock at an exercise price of \$0.45. This option vested as to 63,000 shares on December 19, 2003 and the remaining 100,333 shares on December 19, 2004.

We also have offer letters with Svend-Olav Carlsen, our Vice President and Chief Financial Officer, Michael J. Maia, our Vice President of Sales and Marketing and Scott W. Tandy, our Vice President of Strategic Marketing. Under the terms of Mr. Carlsen's offer letter, he is entitled to receive an annual salary of \$190,000. We also granted Mr. Carlsen an option to purchase 179,166 shares of common stock at an exercise price of \$2.40. This option vests as to 25% after one year and monthly thereafter. The stock options granted to Mr. Carlsen will immediately vest as to 50% of the then outstanding unvested shares in the event of a change of control. We also granted to Mr. Maia 592 shares of common stock at a price of \$0.0225 and an option to purchase 555 shares of common stock at an exercise price of \$2.25. **Report of the Compensation Committee
of the Board of Directors on Executive Compensation**

The following report of the Compensation Committee does not constitute solicitation material, and shall not be deemed filed or incorporated by reference into any other filing by PortalPlayer under the Securities Act of 1933, or the Securities Exchange Act of 1934.

The Compensation Committee is comprised of three non-employee directors. The Compensation Committee is responsible for setting and administering the policies governing annual compensation of executive officers, considers their performance and establishes and approves their compensation. A subcommittee consisting of Mr. Singh and Mr. Whims has been formed for the purpose of granting options to individuals who are subject to Section 16 of the Securities Exchange Act of 1934 and whose compensation is covered by Section 162(m) of the Internal Revenue Code. The Compensation Committee expects, pursuant to its charter, to periodically review the approach to executive compensation and make changes as competitive conditions and other circumstances warrant and will seek to ensure PortalPlayer's compensation philosophy is consistent with its best interests and is properly implemented.

The Compensation Committee met in January 2005 and approved 2004 cash and in-kind bonus payments to executive officers, and the Board of Directors concurred.

Compensation Philosophy and Objectives

The Compensation Committee believes that compensation of PortalPlayer's executive officers should encourage creation of stockholder value and achievement of strategic corporate objectives. It is the Compensation Committee's philosophy to align the interests of PortalPlayer's stockholders and management by integrating compensation with the PortalPlayer's annual and long-term corporate and financial objectives. In order to attract and retain the most qualified personnel, PortalPlayer intends to offer a total compensation package competitive with companies in the semiconductor industry, taking into account relative company size, performance and geographic location as well as individual responsibilities and performance. The components of executive officer compensation consist of base salary, bonus and stock options, which are discussed separately below.

PortalPlayer generally intends to qualify executive compensation for deductibility without limitation under section 162(m) of the Internal Revenue Code. Section 162(m) provides that, for purposes of the regular income tax and the alternative minimum tax, the otherwise allowable deduction for compensation paid or accrued with respect to a covered employee of a publicly-held corporation (other than certain exempt performance-based compensation) is limited to no more than \$1 million per year. None of the non-exempt compensation paid by PortalPlayer to any of its executive officers for 2004 as calculated for purposes of section 162(m) exceeded the \$1 million limit.

Executive Officer Base Salary

The Compensation Committee reviews salaries recommended by the Chief Executive Officer for executive officers other than the Chief Executive Officer. The Compensation Committee sets the salary level of each executive officer on a case by case basis, taking into account the individual's level of responsibilities and performance. The Compensation Committee also considers market information and the base salaries and other incentives paid to executive officers of other similarly sized companies within its industry. The Chief Executive Officer is involved in final

decisions on base salary adjustments for executives other than the Chief Executive Officer.

Profit Sharing Plan

The Compensation Committee believes that a portion of executive officer compensation should be contingent upon PortalPlayer's performance and an individual's contribution to its success in meeting corporate

Table of Contents

and financial objectives. The pool available for bonuses to all employees pursuant to the Company's profit sharing plan was based on the Company's achievement of a certain net operating profit as a percentage of total revenue. A bonus percentage applicable to all Company employees was determined by dividing the amount allocated to the bonus pool by the aggregate amount of all salaries paid to Company employees in 2004. Individual bonus amounts, including those paid to the Company's executive officers, were determined by applying the bonus percentage to each employee's 2004 salary.

Equity Compensation

The Compensation Committee administers PortalPlayer's 2004 Stock Incentive Plan for executive officers, employees, consultants and outside directors, under which it grants options to purchase PortalPlayer's common stock with an exercise price equal to the fair market value of a share of the common stock on the date of grant. A subcommittee consisting of Mr. Singh and Mr. Whims has been formed for the purpose of granting options to individuals who are subject to Section 16 of the Securities Exchange Act of 1934 and whose compensation is covered by Section 162(m) of the Internal Revenue Code.

The Compensation Committee believes that providing executive officers who have responsibility for PortalPlayer's management and growth with an opportunity to increase their ownership of PortalPlayer stock aligns the interests of the executive officers with those of the stockholders. Accordingly, the Compensation Committee and the subcommittee, when reviewing executive officer compensation, also consider stock option grants as appropriate. At its discretion, from time to time the subcommittee may also grant options based on individual and corporate achievements. The subcommittee determines the number of shares underlying each stock option grant based upon the executive officer's and PortalPlayer's performance, the executive officer's role and responsibilities, the executive officer's base salary and comparison with comparable awards to individuals in similar positions in the industry.

In addition, PortalPlayer's employees generally are able to participate in the 2004 Employee Stock Purchase Plan. Under the Employee Stock Purchase Plan, each executive officer may purchase up to 833 shares of our common stock in a six month period at a discount to the market price. The number of shares that may be purchased by each participant is limited by applicable tax laws.

Chief Executive Officer Compensation

The Compensation Committee determines the compensation of the Chief Executive Officer using the same criteria as for the other executive officers. As determined by the Compensation Committee, with the Board of Directors concurring, Mr. Johnson received an annual base salary in the amount of \$300,000, a cash and in-kind bonus payment of \$135,400, and a bonus for the period from January 1, 2004 through June 30, 2004, consisting of a cash award of \$150,000 and an additional bonus in the form of an immediately exercisable warrant to purchase up to 41,067 shares of our common stock at an exercise price of \$4.50 per share. The Compensation Committee determined Mr. Johnson's compensation pursuant to objective data synthesized to competitive ranges following statistical analysis and subjective policies and practices, including assessment of his achievements, and a review of compensation paid to presidents and chief executive officers of comparable companies.

Except as indicated by the footnotes below, we believe, based on the information furnished to us, that the persons and entities named in the table below have sole voting and investment power with respect to all shares of common stock that they beneficially own, subject to applicable community property laws.

The percentage of common stock beneficially owned is based on 23,244,236 shares outstanding as of March 31, 2005. In computing the number of shares of common stock beneficially owned by a person and the percentage ownership of that person, we deemed outstanding shares of common stock subject to options held by that person that are currently exercisable or exercisable within 60 days after March 31, 2005. We did not deem these shares outstanding, however, for the purpose of computing the percentage ownership of any other person.

In 2001, the Company negotiated a consulting arrangement with Mr. Spiegel and, in 2002, Mr. Spiegel became a director of the Company. In 2002, the Company issued 1,056,105 shares of Series D at \$1.515 per share to Mr. Spiegel in exchange for a non-recourse promissory note of \$1,600,000. Of this amount, \$120,000 was paid immediately and the remaining \$1,480,000 was due in four equal installments on January 31, 2005, February 28, 2005, March 31, 2005 and April 30, 2005. Interest on the promissory note was payable on April 30, 2005 and accrued at the rate of 2.03% per year. Report of the Audit Committee

The following report of the Audit Committee does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any other filing by PortalPlayer under the Securities Act of 1933 or the Securities Exchange Act of 1934.

The Audit Committee operates under a written charter adopted by the Board of Directors, a copy of which is attached as Appendix A to this Proxy Statement. A link to a copy of the Audit Committee Charter is also available on PortalPlayer's website at www.portalplayer.com. All members of the Audit Committee meet the independence standards established by The Nasdaq Stock Market.

The Audit Committee assists the Board in fulfilling its responsibility to oversee management's implementation of PortalPlayer's financial reporting process. It is not the duty of the Audit Committee to plan or conduct audits or to determine that the financial statements are complete and accurate and are in accordance with generally accepted accounting principles. Management is responsible for the financial statements and the reporting process, including the system of internal controls and disclosure controls. The independent registered public accounting firm is responsible for expressing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States.

In discharging its oversight role, the Audit Committee reviewed and discussed the audited financial statements contained in the 2004 Annual Report with PortalPlayer's management and the independent registered public accounting firm.

The Audit Committee met privately with the independent registered public accounting firm, and discussed issues deemed significant by the independent registered public accounting firm, including those required by Statements on Auditing Standards No. 61 and No. 90 (Audit Committee Communications), as amended. In addition, the Audit Committee discussed with the independent registered public accounting firm the firm's independence from PortalPlayer and its management, including the matters in the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and considered whether the provision of nonaudit services was compatible with maintaining the independent registered public accounting firm's independence.

The Audit Committee has discussed with PortalPlayer's independent registered public accounting firm, with and without management present, their evaluations of PortalPlayer's internal accounting controls and the overall quality of PortalPlayer's financial reporting.

In reliance on the reviews and discussion with management and the independent registered public accounting firm referred to above, the Audit Committee recommended to the Board of Directors, and the Board approved, the inclusion of the audited financial statements in PortalPlayer's Annual Report on Form 10-K for the year ended December 31, 2004, for filing with the Securities and Exchange Commission. The Audit Committee has appointed Deloitte & Touche LLP PortalPlayer's independent registered public accounting firm.

They will have an opportunity to make a statement, if they desire to do so, and will be available to respond to appropriate questions. Principal Accountant Fees and Services

On December 4, 2003, our board of directors dismissed PricewaterhouseCoopers LLP (PWC) as our independent registered public accounting firm and subsequently appointed Deloitte & Touche LLP as our independent registered public accounting firm. There were no disagreements with PWC in connection with the audit for the year ended December 31, 2002 or during the subsequent interim period preceding their replacement on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to PWC's satisfaction, would have caused them to make reference to the subject matter of the disagreement in connection with their report. The report of PWC on the financial statements for the year ended December 31, 2002 contained no adverse opinion or disclaimer of opinion and was unqualified and not modified as to uncertainty, audit scope or accounting principle, except that the report included an explanatory paragraph indicating that there was substantial doubt about our ability to continue as a going concern. We did not consult with Deloitte & Touche LLP on any accounting or financial reporting matters in the periods prior to their appointment.

Aggregate fees for professional services rendered for us by Deloitte & Touche LLP for the years ended December 31, 2004 and 2003, were as follows:

Services Provided	2004	2003

Audit-Related		
Tax	48,490	\$ 19,945

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee has implemented pre-approval policies and procedures related to the provision of audit and non-audit services. Under these procedures, the Audit Committee pre-approves both the type of services to be provided by Deloitte & Touche LLP and the estimated fees related to these services.

During the approval process, the Audit Committee considers the impact of the types of services and the related fees on the independence of the independent registered public accounting firm. The services and fees must be deemed compatible with the maintenance of the auditor's independence, including compliance with rules and regulations of the Securities and Exchange Commission.

Throughout the year, the Audit Committee will review any revisions to the estimates of audit and non-audit fees initially approved.

Required Vote

Ratification of the appointment of Deloitte & Touche LLP requires the affirmative vote of a majority of the shares present and voting at the Annual Meeting in person or by proxy. Unless marked to the contrary, proxies received will be voted FOR ratification of the appointment. In the event ratification is not obtained, the Audit Committee will review its future selection of our independent registered public accounting firm but will not be required to select a different independent registered public accounting firm.

Your Board of Directors recommends a vote FOR ratification of Deloitte & Touche LLP as our independent registered public accounting firm.
