Item 1.01 Entry Into a Material Definitive Agreement

Employment of Steven D. Stringer as Chief Financial Officer

On March 21, 2006, our board of directors approved the appointment of Mr. Steven D. Stringer as our Chief Financial Officer, effective April 3, 2006. Mr. Stringer's employment is terminable at-will by us or by Mr. Stringer for any reason, with or without notice. Mr. Stringer's annual salary is \$195,000, and he participates in bonus, benefit and other incentives at the discretion of the compensation committee of our board of directors. Mr. Stringer will be granted a stock option exercisable for 100,000 shares of our common stock pursuant to our 2005 Equity Incentive Plan on his start date. The option will vest quarterly over four years and have a five-year term, subject to continued service and other conditions. More information about Mr. Stringer is set forth in Item 5.02 below under the heading "Appointment of Chief Financial Officer" and is incorporated into this Item 1.01.

Bonus Payments to Executive Officers

A discretionary bonus in the amount of \$7,500 to Mr. Alan J. Ballard, Vice President, Government and Military Division, was paid on January 31, 2006, and a discretionary bonus in the amount of \$7,500 was paid to Ms. Rose Tomich-Litz, Vice President, Operations, on March 16, 2006.

Commercial Group Commission Plan

On March 21, 2006, upon recommendation of our compensation committee, our board of directors ratified a new commission plan for our Commercial Group. In connection with this plan, upon recommendation of our compensation committee, our board approved a revision of the compensation for Mr. Bruce Gray, our Vice President of the Commercial Products Group. Mr. Gray's commission plan was restated effective for the second quarter of fiscal 2006 to revise the quarterly revenue targets and the commission formula. A portion of the commission is paid based on direct sales by Mr. Gray based on personal revenue targets, and a portion is paid as an override based on revenue targets for the group supervised by Mr. Gray. The portion payable as override is payable only if revenue targets are achieved, and is capped at 50% of Mr. Gray's base salary. The revised plan provides for an aggregate target commission of approximately \$66,000 for the last three quarters of fiscal 2006, but commissions could exceed such amount if Mr. Gray's direct sales or group sales exceed revenue targets. In connection with entry into the revised plan, Mr. Gray's base salary was adjusted to \$180,000 per year effective March 16, 2006.

Item 1.02 Termination of Material Definitive Agreement

On March 21, 2006, upon recommendation of our compensation committee, our board of directors forwardly terminated the Government Group commission plan. Under this plan, executive officers in charge of the Government Group participated in a broad-based commission arrangement where commissions were awarded to certain individuals in the Government Group based on revenue or billings within the segment. The Government Group plan, approved by our board in June 2004 for 2004 and 2005, and clarified in September 2005, contained no commission rates for the 2006 fiscal year or any future years, and no commissions were paid under such plan for the 2006 fiscal year.
