PROXY STATEMENT

ANNUAL MEETING

The Board of Directors (the Board) of Surrey Bancorp (the Company), hereby solicits your appointment of proxy, in the form enclosed with this statement, for use at the Annual Meeting of Shareholders (Annual Meeting) to be held:

Thursday, April 27, 2006

10:00 a.m., local time

Cross Creek Country Club
1129 Greenhill Road, Mount Airy, Surry County, North Carolina

or at any adjournment thereof, for the purposes stated in the accompanying Notice of Annual Meeting of Shareholders. The Board has fixed the close of business on March 15, 2006, as the record date for determining the shareholders entitled to notice of and to vote at the Annual Meeting. Included with these proxy materials is the Company's 2005 Annual Report to Shareholders. The Company anticipated mailing this Proxy Statement on or about March 31, 2006.

You are invited to attend the Annual Meeting. Even if you plan to attend the Annual Meeting, you are requested to vote on the proposal described in this Proxy Statement by returning the enclosed appointment of proxy.

VOTING OF APPOINTMENTS OF PROXY

Your vote is important. Your shares can be voted at the annual meeting only if you attend the meeting or complete the enclosed appointment of proxy. You do not have to attend the meeting to vote. As an alternative, you may vote by executing and returning the enclosed appointment of proxy. The Board has named Pedro A. Pequeno and Mark H. Towe (the Proxies) as management proxies in the enclosed appointment of proxy. When appointments of proxy in the enclosed form are properly executed and returned in time for the annual meeting, the shares they represent will be voted at the meeting in accordance with the directions given. If no directions are given on how to vote your shares, your appointment of proxy will be voted FOR the eight nominees for director named in Proposal 1 described below. If, at or before the time of the Annual Meeting, any nominee named in Proposal 1 has become unavailable for any reason, the Proxies will have the discretion to vote for a substitute nominee. If you return the appointment of proxy and do not indicate otherwise, the Proxies will be authorized to vote your shares in accordance with their best judgment on some matters not described in this Proxy Statement. These matters include approval of the minutes of the 2005 annual meeting; consideration of a motion to adjourn the annual meeting to another time or place, and matters for which the Company did not receive notice by February 21, 2006. As of the date the Company printed this Proxy Statement, the Company did not anticipate any other matters would be raised at the annual meeting.

Record Holders. If you hold shares in your own name, you are a record shareholder. Record shareholders may complete and sign the accompanying appointment of proxy and mail it in the business return envelope provided or deliver it in person to the Company.

Street Name Holders. If you hold shares through a broker or other nominee, you are a street name shareholder. Street name shareholders who wish to vote at an annual meeting need to obtain the proxy materials from the institution that holds their shares and follow the voting instructions on that form.

REVOCATION OF APPOINTMENT OF PROXY

If you give an appointment of proxy in the accompanying form, you may revoke that appointment at any time before the actual voting. To revoke the proxy, notify the Company's Secretary in writing, or execute another appointment of proxy bearing a later date and file it with the Secretary, or vote in person at the meeting as described below. The address of the Secretary is:

Brenda Harding, Secretary

Surrey Bancorp

P.O. Box 1227

145 North Renfro Street

Mount Airy, North Carolina 27030

If you return the appointment of proxy, you may still attend the meeting and vote in person. When you arrive at the meeting, first notify the Secretary of your desire to vote in person. You will then be given a ballot to vote in person, and, provided you do vote in person or otherwise validly revoke your prior appointment of proxy as described above, your prior appointment of proxy will be disregarded.

If you attend the meeting in person, you may vote your shares without returning the enclosed appointment of proxy. However, if your plans change and you are not able to attend, your shares will not be voted. Even if you plan to attend the meeting, the best way to ensure that your shares will be voted is to return the enclosed appointment of proxy and, when you get to the meeting, notify the Secretary that you wish to vote in person.

DEFINITION OF A QUORUM

The Company's Bylaws provide that the holders of a majority of the Company's outstanding Shares, represented in person or by proxy, shall constitute a quorum at the Annual Meeting. The Bylaws also provide that if there is no quorum present at the opening of the Meeting, the Annual Meeting may be adjourned from time to time by the vote of a majority of the Shares voting on the motion to adjourn. Abstentions and broker non-votes will be counted as present and entitled to vote for purposes of determining whether a quorum is present at the Annual Meeting. A broker non-vote occurs when an institution holding shares as a nominee does not have discretionary voting authority with respect to a proposal and has not received voting instructions from the beneficial owner of the shares.

HOW VOTES WILL BE COUNTED

Each Share is entitled to one vote for each matter submitted for a vote, and, in the election of directors, for each director to be elected. The appointments of proxy will be tabulated by one or more inspectors of election designated by the Board.

Proposal 1 Election of directors. In the election of directors under Proposal 1, the eight nominees receiving the highest number of votes will be elected. Shares not voted (including abstentions and broker non-votes) will have no effect. Shareholders are not authorized to cumulate their votes for directors.

EXPENSES OF SOLICITATION

We will pay the cost of this proxy solicitation. In addition to solicitation by mail, the Company's directors, officers and regular employees may solicit appointments of proxy in person or by telephone. None of these employees will receive any additional or special compensation for this solicitation. We will, on request, reimburse brokerage houses and other nominees their reasonable expenses for sending these proxy soliciting materials to the beneficial owners of the Company's stock held of record by such persons.

Board size and membership. Under the Company's Charter and Bylaws, the number of directors shall be the number the Board determines from time to time prior to each annual meeting of shareholders at which directors are to be elected. That number cannot be less than five or more than twelve. The Board, by resolution, has fixed the number of directors for 2006 at eight. Other than the Company's President and Chief Executive Officer, Mr. Edward C. How votes will be counted. Management currently has no reason to anticipate that any of the nominees will become unavailable.

Director relationships

Board relationships. No director or principal officer is related to another director or principal officer.

Other directorships: No director is a director of any company with a class of securities registered pursuant to Section 12 of the Securities Exchange Act of 1934, as amended.

Director Nominations

Nominations for election to the Board are made by a vote of all the members of the Board other than the Company's President and Chief Executive Officer, Mr. Edward C. Ashby, III, who is not independent within the meaning of the rules of The Nasdaq Stock Market, Inc. The Company does not have a Nominating Committee or a Nominating Committee charter. No nominations are contemplated for the foreseeable future in view of the current size of the Board unless there is a vacancy in the Board. The Company's bylaws currently require that nominations for election to the Board shall be made by the Board. At such time as there is a need for nominations to the Board, the Board will consider amending the bylaws to create a Nominating Committee and it is anticipated that all the members of that Nominating Committee will satisfy the independence requirements stated in the rules of The Nasdaq Stock Market, Inc. All members of the Board are also directors of the subsidiary bank of the Company. The banking laws of the state of North Carolina require directors of a bank to own Shares having at least \$1,000 in book value. The nomination of any person for election to the Board may be made by a shareholder entitled to vote on such election. See HOW TO SUBMIT SHAREHOLDER PROPOSALS - Nominations of directors in this proxy statement for further details.

Board Attendance and Fees

The Board held 12 meetings in 2005. All directors attended at least seventy-five percent of all Board meetings. In 2005, the directors received fees in the amount of \$500 per board meeting and \$200 per committee meeting. Directors are expected to receive fees in the amount of \$625 per board meeting and \$250 per committee meeting in 2006. It is the policy of the Board that all Directors attend shareholder meetings. All of the Directors attended the 2005 Annual Meeting.

During 2005, the Company adopted a deferred compensation plan under which directors may elect to defer their fees. Participating directors receive an additional 30% matching contribution and will be paid an annual benefit for a specified number of years after retirement, generally beginning at age 65. The maximum payout period is ten years. Deferred directors' fees are held in a rabbi trust.

Committees of the Board of Directors

The Board has established the following committees on which all members of the Board serve, with the exception of the Audit Committee, which is composed of all members of the Board other than the President and Chief Executive Officer, Mr. Ashby, and the Compensation Committee, which is described below.

Executive Committee. The Executive Committee establishes and monitors all policies of the Company and compliance therewith. The Executive Committee did not meet in 2005. The chair of the Executive Committee is Director Moody.

Compensation Committee. The Compensation Committee establishes the annual compensation, including salary, stock option plans, incentive compensation and other benefits, for senior management and provides oversight for the employee benefit plans for the other Company employees. The Committee is responsible for the Incentive Stock Option Plan and the Non-Employee Directors' Stock Option Plan of the Company. The Compensation Committee met twice in 2005. The Compensation Committee consists of Directors Rees (chair), Moody, Webb and Wright.

Audit Committee. The Audit Committee recommends to the Board the engagement of the Company's independent auditors, determines the scope of the annual audit and any special audit of the Company, oversees the administrative, operational and internal controls of the Company, reviews compliance with accounting policies and procedures and establishes and oversees an internal audit program. The Audit Committee met four times in 2005. The chair of the Audit Committee is Director Lovill. All of the members of the Audit Committee satisfy the audit committee independence requirements stated in the rules of The Nasdaq Stock Market, Inc. William A. Johnson has been appointed as the audit committee financial expert. His qualifications to serve as the audit committee financial expert are listed under Nominees above.

Other standing committees. The Board has approved one additional standing committee, the Loan Committee, to which certain responsibilities have been delegated.

Report of the Audit Committee

In accordance with its written Charter (attached as Exhibit A), the Audit Committee supervises the quality and integrity of the accounting, auditing and financial reporting practices of the Company on behalf of the Board. Management has the primary responsibility for preparing the financial statements and managing the reporting process, including the system of internal controls. As required by the Audit Charter, each Audit Committee member satisfies the independence and financial literacy requirements for serving on the Audit Committee, and at least one member has accounting or related financial management expertise, all as stated in the rules of The Nasdaq Stock Market, Inc. In fulfilling its oversight responsibilities, the Audit Committee discussed and reviewed the audited financial statements in the Annual Report with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements of the Company.

The Audit Committee discussed and reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of the audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee by Statement on Auditing Standards No. 61, as amended by Statement on Auditing Principles No.90 (Communication with Audit Committees).

In discharging its responsibility for the audit process, the Audit Committee obtained from the independent auditors a letter describing all relationships between the auditors and the Company that might bear on the auditors' independence required by Independence Standards Board Standard No.1 (Independence Discussions with Audit Committees). The Audit Committee also discussed with the auditors any relationships that might impact their objectivity and independence and satisfied itself as to the auditors' independence, and considered the compatibility of nonaudit services with the auditor's independence.

The Audit Committee reviewed with both the independent and the internal auditors their audit plans, audit scope, and identification of audit risks. The Audit Committee met with the internal auditors and the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, the overall quality of the Company's financial reporting, and the internal audit function's organization, responsibilities, budget and staffing. The Audit Committee also discussed the interim financial information contained in earnings announcements with the independent auditors prior to the public release of each such announcement.

Based on the above-mentioned review and discussions with management and the independent auditors, the Audit Committee recommended to the Board (and the Board has approved) that the Company's audited financial statements be included in its Annual Report on Form 10KSB for the fiscal year ended December 31, 2005, for filing with the Securities and Exchange Commission. The Audit Committee also approved the reappointment of the independent auditors.

This report is submitted by the Audit Committee: Directors Elizabeth Johnson Lovill (chair), William A. Johnson, Robert H. Moody, F. Eugene Rees, Tom G. Webb, Buddy E. Williams and Hylton Wright.

Shareholder Communications with Directors

The Company encourages all shareholders who wish to communicate with any of the Directors to send such inquiries by mail, telephone or email to the Company. The Company will forward all communications to the named Director or, if no particular Director is named, to the appropriate committee of the Board for consideration.

The Company has adopted a Code of Ethics for Senior Officers to resolve ethical issues in an increasingly complex business environment. The Code of Ethics applies to all senior officers, including the Chief Executive Officer, the Chief Financial Officer, the Controller and any other employee with any responsibility for the preparation and filing of documents with the Securities and Exchange Commission. The Code of Ethics covers topics including, but not limited to, conflicts of interest, confidentiality of information, and compliance with laws and regulations. The Code of Ethics is available on the website at <http://www.surreybank.com>. The Company may post amendments to or waivers of the provisions of the Code of Ethics, if any, made with respect to any of our executive officers on that website.

Transactions with Directors and Officers

As the operating subsidiary of the Company, the Bank has had, and expects to have in the future, banking transactions in the ordinary course of the Bank's business with directors, principal officers and their associates. All transactions with directors, principal officers and their associates were made in the ordinary course of the Bank's business, on substantially the same terms, including (in the case of loans) interest rates, collateral and repayment terms, as those prevailing at the same time for other comparable transactions, and have not involved more than normal risks of collectibility or presented other unfavorable features.

Reports of Changes in Beneficial Ownership

Pequeno II, Senior Vice President of the Company, and Mark H. Towe, Senior Vice President and Chief Financial Officer of the Company (the Agreements). The term of the Agreements is three years. On each anniversary of the effective date of the Agreements, the term of each Agreement is automatically extended for an additional one-year period beyond the then-effective expiration date unless written notice from the Bank or the officer is received 90 days prior to the anniversary date, advising the other that the Agreement shall not be further extended. No such notice has been given by either party. In addition, the officers have the option to terminate the contract upon sixty days written notice to the Bank. While each officer is employed by the Bank and for one year following termination of employment, the Agreements prohibit each officer from competing with the Bank.

Under the Agreements, each officer receives an annual cash salary, with annual adjustments and discretionary bonuses as determined by the Board. For 2006, Mr. Ashby's compensation has been established at \$144,900, Mr. Pequeno's compensation has been established at \$109,265, and Mr. Towe's compensation has been established at \$93,172. Under the Agreements, each officer is entitled to all fringe benefits generally provided by the Bank for its employees.

Change of control provisions. The Agreements provides for certain payments to the officers upon any change of control of the Bank. Control is defined, under the Agreement, to mean any of the following events:

- (i) After the effective date of the Agreement, any person (as such term is defined in Section 7(j)(8)(A) of the Change in Bank Control Act of 1978), directly or indirectly, acquires beneficial ownership of voting stock, or acquires irrevocable proxies or any combination of voting stock and irrevocable proxies, representing twenty-five percent (25%) or more of any class of voting securities of the Bank, or acquires control of, in any manner, the election of a majority of the directors of the Bank; or
- (ii) The Bank consolidates or merges with or into another corporation, association or entity, or is otherwise reorganized, where the Bank is not the surviving corporation in such transaction; or
- (iii) All or substantially all of the assets of the Bank are sold, or otherwise transferred to, or are acquired by any other corporation, association or other person, entity, or group.

Upon any such change in control, each officer has the right to terminate his employment if he determines, in his sole discretion, that within 24 months after such change in control, that he has not been assigned duties, responsibilities, and status commensurate with his duties prior to such change of control, his salary has been reduced below the amount he would have received under his Agreement, his benefits have been reduced or eliminated, or he has been transferred to a location which is an unreasonable distance from his then current principal work location.

Upon his termination of employment following a change in control, whether voluntary or involuntary, the Bank has agreed to pay each officer an amount equal to 2.99 times his base amount as defined in Section 280G(b)(3) of the Internal Revenue Code. This compensation is payable, at the officer's option, either by lump sum or in 36 equal monthly installments. The Bank has the right, under the Agreements, to reduce any such payments as necessary under the Internal Revenue Code to avoid the imposition of excise taxes on the officers or the disallowance of a deduction to the Bank.
