I. INFORMATION ABOUT VOTING

Solicitation of Proxies. The Board of Directors (Board) of Crown Castle International Corp. (CCIC or the Company) is soliciting proxies for use at the 2006 Annual Meeting of Stockholders of CCIC (Annual Meeting) and any adjournments of the Annual Meeting. CCIC first sent this proxy statement, the accompanying form of proxy and the CCIC Annual Report on Form 10-K for the year ended December 31, 2005 to its stockholders on or about April 18, 2006.

Agenda Items. The agenda for the Annual Meeting is to:

1. Elect three class II directors for a term of three years;
2. Ratify the appointment of KPMG LLP (KPMG) as the Company s independent public accountants for fiscal year 2006; and
3. Transact such other business as may properly come before the Annual Meeting.

Who can Vote. You can vote at the Annual Meeting if you are a holder of record on the Record Date of CCIC s common stock, par value of \$0.01 per share (Common Stock). The record date for determining the stockholders entitled to notice of, and to vote at, the Annual Meeting is the close of business on March 31, 2006 (Record Date). Holders of Common Stock will have one vote for each share of Common Stock. As of the close of business on the Record Date, there were 216,011,277 shares of Common Stock outstanding.

How to Vote. You may vote in two ways:

You can come to the Annual Meeting and cast your vote there; or

You can cause your shares to be voted by signing and returning the enclosed proxy card (or contacting the internet or telephone voting service listed on your proxy card). If you do, the individuals named on the card will vote your shares in the manner you indicate (or if you fail to so indicate, in the manner described in Use of Proxies below).

Use of Proxies. Unless you mark the proxy card to vote differently, the individuals named in the proxy card will vote all shares represented by the signed and returned proxies **FOR** the Board nominees named herein (Proposal 1), and **FOR** the ratification of the appointment of KPMG LLP as the Company s independent public accountants for fiscal year 2006 (Proposal 2). The Company does not now know of any other matters to come before the Annual Meeting. If they do, the proxy holder will vote the shares represented by the proxies in his or her best judgment.

Table of Contents

Revoking a Proxy. You may revoke your proxy at any time before it is exercised. You can revoke a proxy by:

Sending a written notice of revocation to the Corporate Secretary of CCIC;

Delivering a properly executed, later-dated proxy; or

Attending the Annual Meeting and voting in person.

The Quorum Requirement. A quorum of stockholders is needed to hold a valid Annual Meeting. A quorum will exist to hold a valid Annual Meeting if the holders of at least a majority in voting power of the outstanding shares of Common Stock entitled to vote at the Annual Meeting attend the Annual Meeting in person or are represented by proxy. Abstentions and broker non-votes are counted as present for the purpose of establishing a quorum. A broker non-vote occurs when a broker votes on some matters on the proxy card but not on others because the broker has not received voting instructions from its customer or does not have the authority to do so.

Vote Required for Action. Directors are elected (Proposal 1) by a plurality vote of the holders of shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote on the election of directors. The ratification of KPMG LLP as CCIC's independent public accountants for fiscal year 2006 (Proposal 2) requires the affirmative vote of the holders of a majority of the voting power represented by the shares of Common Stock present in person or represented by proxy at the annual meeting and entitled to vote on such matter. Generally, all other actions which may come before the Annual Meeting require the affirmative vote of a majority of the voting power represented by shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote on such matters.

With respect to Proposal 1, abstentions and broker non-votes have no effect on determinations of plurality, except to the extent that they affect the total votes received by any particular candidate. Abstentions have the same effect as a vote against with respect to all proposals other than the election of directors. Shares represented by broker non-votes are not considered to be entitled to vote for purposes of Proposal 2; therefore, broker non-votes will have the practical effect of reducing the number of affirmative votes required to achieve a majority vote by reducing the total number of shares from which the majority is calculated.

II. PROPOSALS

1. The Election of Directors

CCIC has three classes of directors of as nearly equal size as possible. The term for each class is three years. Class terms expire on a rolling basis, so that one class of directors is elected each year. The term for current class II directors (Ari Q. Fitzgerald, John P. Kelly and Carl Ferenbach) expires at the Annual Meeting. Mr. Ferenbach will retire from the Board effective upon the election and qualification of his successor at the Annual Meeting. On February 23, 2006, the Board adopted a resolution reducing the number of directors to nine, effective as of the Annual Meeting, in anticipation of Mr. Ferenbach's retirement from the Board. To even out the classes, Mr. Garrison, who is currently serving as a class I director, will stand for election at the Annual Meeting as a class II director. Assuming all nominees for director are elected at the Annual Meeting, three directors will be serving in each of classes I, II and III. In the event that Mr. Garrison is not elected as a class II director, he will continue to serve the remainder of his current term as a class I director, the number of class I directors will remain at four and the total number of directors will remain at nine.

As such, the nominees for class II directors this year are: Ari Q. Fitzgerald, John P. Kelly and Robert E. Garrison II.

Each nominee has consented to be nominated and has expressed his intention to serve if elected. The Board expects that each of the nominees for class II directors will be able and willing to serve as a director. If any nominee is not available, the proxies may be voted for another person nominated by the current Board to fill the vacancy, or the size of the Board may be reduced. Information about the nominees, the continuing directors and the Board is contained in the next section of this proxy statement (see III. Board of Directors).

The Board of Directors recommends a vote FOR the election of Ari Q. Fitzgerald, John P. Kelly and Robert E. Garrison II as class II directors.

Table of Contents**2. Ratification of Appointment of Independent Public Accountants**

The Audit Committee of the Board has appointed KPMG LLP to continue to serve as CCIC's independent public accountants for fiscal year 2006. KPMG LLP has served as CCIC's independent public accountants since 1995. In the event the stockholders do not ratify the appointment, the appointment will be reconsidered by the Audit Committee. Approval of the resolution will in no way limit the Audit Committee's authority to terminate or otherwise change the engagement of KPMG LLP for fiscal year 2006.

The Company expects a representative of KPMG LLP to attend the Annual Meeting. The representative will have an opportunity to make a statement if he or she desires and also will be available to respond to appropriate questions.

In connection with the audit of the Company's 2005 financial statements and internal control over financial reporting, the Company entered into an agreement with KPMG LLP which sets forth the terms by which KPMG LLP will perform audit services for the Company. That agreement is subject to alternative dispute resolution procedures, an exclusion of punitive damages and various other provisions.

The Company was billed for professional services provided with respect to fiscal years 2004 and 2005 by KPMG LLP in the amounts set forth in the following table.

Services Provided	2004	2005
Audit Fees (a)	\$ 2,147,000	\$ 2,842,000
Audit-Related Fees (b)	110,000	28,000
Tax Fees (c)	1,122,000	892,000
All Other Fees (d)		
Total	\$ 3,379,000	\$ 3,762,000

(a) Represents the aggregate fees billed for professional services rendered by KPMG LLP for the audit of the Company's annual financial statements, review of financial statements included in the Company's quarterly reports on Form 10-Q, services related to the audit of internal control over financial reporting, and other services normally provided by KPMG LLP in connection with statutory and regulatory filings or engagements.

(b) Represents the aggregate fees billed for assurance and related services by KPMG LLP that are reasonably related to the performance of the audit or review of the Company's financial statements not reported as Audit Fees. Audit-related fees for 2005 include services relating to audits of employee benefit plans. Audit-related fees for 2004 include services relating to potential transactions, the sale of Crown Castle UK Limited, and audits of employee benefit plans.

(c) Represents the aggregate fees billed for professional services rendered by KPMG LLP for tax compliance, tax advice and tax planning. Tax fees for 2005 consist of (1) tax compliance, planning and preparation services of \$410,000 and (2) tax consulting and advisory services of \$482,000. Tax fees for 2004 consist of (1) tax compliance, planning and preparation services of \$437,000 and (2) tax consulting and advisory services of \$685,000.

(d) No products or services were provided to the Company by KPMG LLP other than those reported as audit, audit-related or tax fees.

The Board of Directors recommends a vote FOR ratification of the appointment of KPMG LLP as the Company's independent public accountants for fiscal year 2006.

IV. INFORMATION ABOUT THE BOARD OF DIRECTORS

Meetings

During 2005, the Board held five regular meetings and seven special meetings. Each incumbent director attended at least 75% of the aggregate of (1) the total number of meetings of the Board during the period which he was a director and (2) the total number of meetings of all Board committees (Committees) on which he served during the period which he was a director.

The Company's Corporate Governance Guidelines provide that, while the Board understands that scheduling conflicts may arise resulting in absences, the Board strongly encourages each director to attend the Company's annual meeting of stockholders. Of the 11 directors who were serving on the Board at the time of the Company's 2005 annual meeting of stockholders, all 10 of the current directors attended such annual meeting of stockholders.

The non-management members of the Board generally meet in executive session at each regularly scheduled meeting of the Board (typically five times per year). The Company's Corporate Governance Guidelines provide that if the Chairman of the Board is a non-management director, the Chairman of the Board shall preside at such meetings, and if the Chairman of the Board is a member of management, the non-management directors may elect a chairman to preside at such executive sessions.

Committees

The Board has four standing Committees: Audit Committee, Compensation Committee, Nominating & Corporate Governance Committee (NCG Committee) and Strategy Committee. Copies of the Committee charters of each of the Audit Committee, Compensation Committee and the NCG Committee, together with certain other corporate governance materials, including the Financial Code of Ethics, can be found under the Investor Relations section of the Company's website at <http://investor.crowncastle.com>. The Audit Committee Charter is set forth on *Appendix A* hereto. A summary of each Committee's function is set forth below.

the Company's systems of internal controls and internal audit function;

Audit Committee Financial Expert: The Board has determined that the Audit Committee has at least one audit committee financial expert pursuant to applicable SEC rules and that Robert E. Garrison II meets the requirements of an audit committee financial expert pursuant to such SEC rules. For information regarding Mr. Garrison's business experience, see III. Board of Directors.

For additional information regarding the Audit Committee, see VIII. Audit Committee Matters.

advise the Board about appropriate composition of the Board and its Committees;

advise the Board about and recommend to the Board appropriate corporate governance practices and assist the Board in implementing those practices; and

oversee the periodic evaluation of the Board and its Committees.

Consideration of Director Nominees: The NCG Committee has the authority to recommend nominees for election as directors to the Board. In considering candidates for the Board, the NCG Committee considers the entirety of each candidate's credentials and currently does not maintain any specific minimum qualifications that must be met by an NCG Committee recommended nominee.

While the NCG Committee does not maintain a formal list of qualifications, in making its evaluation and recommendation of candidates, the NCG Committee will generally consider, among other factors, whether prospective nominees are able to read and understand basic financial statements, have relevant business experience, have industry or other specialized expertise and have high moral character. The NCG Committee may attribute greater or lesser significance to different factors at particular times depending upon the needs of the Board, its composition, or the NCG Committee's perception about future issues and needs.

Board Independence, Compensation and Relationships

- **Independence.** To assist in its determination of the independence of members of the Board, the Board has adopted certain categorical standards, as set forth on *Appendix B* hereto. The Board has affirmatively determined, taking into account such categorical standards, that each member of the Board, except Mr. Kelly (CCIC's President and CEO), has no material relationship with CCIC and is an independent director, as defined under NYSE listing standards.
- **Compensation Plan.** The Board maintains a compensation arrangement for non-employee directors of CCIC as described below.
- **Retainer and Fees.** Each non-employee director of CCIC receives an annual retainer of \$20,000 (plus an additional \$10,000 for the Audit Committee chairman and an additional \$5,000 for each other Committee chairman) paid quarterly and reimbursement of reasonable incidental expenses. Each non-employee director also receives \$1,500 for attendance at each Board meeting held in person and \$1,000 for attendance at each Board meeting held by conference call. Table of Contents

- **Equity Compensation.** At the first regularly scheduled Board meeting of each year, CCIC typically grants each non-employee director an equity-based award as a component of compensation for service on the Board. In connection with the equity award for both 2005 and 2006, the Board retained the services of an independent executive compensation consulting firm to conduct research regarding equity compensation standards and trends for non-employee directors. Following receipt and review of the compensation consultant's analysis with respect to the 2005 award, and upon recommendation from the NCG Committee, the Board approved a policy of granting, at the Board's first regularly scheduled meeting of each year, shares of Common Stock to each non-employee director having a valuation equal to \$55,000, priced at the per share closing price of the Common Stock as of the date of such first Board meeting. Pursuant to such policy, the Board granted pursuant to the 2001 Stock Incentive Plan (1) 3,395 shares of Common Stock (priced at \$16.20 per share, the closing price of the Common Stock on February 24, 2005) to each non-employee director of the Board other than J. Landis Martin and (2) 8,490 shares of Common Stock to J. Landis Martin for service as non-employee Chairman of the Board.

Following receipt and review of the compensation consultant's analysis with respect to the 2006 award, and upon recommendation from the NCG Committee, the Board amended its policy such that, at the Board's first regularly scheduled meeting of each year, shares of Common Stock would be granted to each non-employee director having a valuation equal to \$85,000, priced at the per share closing price of the Common Stock as of the date of such first Board meeting. Pursuant to such policy, the Board granted pursuant to the 2004 Stock Incentive Plan (1) 2,752 shares of Common Stock (priced at \$30.89 per share, the closing price of the Common Stock on February 23, 2006) to each non-employee director of the Board other than J. Landis Martin and Carl Ferenbach. The Board granted 4,856 shares of Common Stock to J. Landis Martin for service as non-employee Chairman of the Board. Mr. Ferenbach waived receipt of any non-employee director equity grant as a result of his decision not to stand for re-election to the Board at the Annual Meeting.

- **Other Compensation.** Each non-employee director is eligible to participate, at such director's election, in the Company's medical and dental plans at the same cost such plans are made available by the Company to its employees. A director who is also an employee of the Company receives no additional compensation for services as a director.
- **Compensation Committee Interlocks and Insider Participation.** During 2005, none of the Company's executive officers served on the compensation committee or board of directors of another company, one of whose executive officers served on the Company's Board or Compensation Committee. During 2005 and the first quarter of 2006, the Company retained the law firm of Hogan & Hartson L.L.P. to provide certain regulatory legal counsel, including with respect to the spectrum license acquired in FCC Auction 46 in 2003. Fidelity carries out the voting of the shares under written guidelines established by the funds' boards of trustees.

Members of the E.C. Johnson family are the predominant owners, directly or through trusts, of Series B shares of common stock of FMR, representing approximately 49% of the voting power of FMR. The Johnson family group and all other Series B shareholders have entered into a shareholders' voting agreement under which all Series B shares will be voted in accordance with the majority vote of Series B shares. Accordingly, through their ownership of voting common stock and the execution of the shareholders' voting agreement, members of the Johnson family may be deemed, under the Investment Company Act of 1940, to form a controlling group with respect to FMR.

Fidelity Management Trust Company (FMT), a wholly-owned subsidiary of FMR and a bank as defined in Section 3(a)(6) of the 1934 Act, is the beneficial owner of 36,800 shares of the Common Stock as a result of its serving as investment manager of the institutional accounts. E.C. Johnson and FMR, through its control of FMT, each has sole dispositive power over such 36,800 shares and sole power to vote or to direct the voting of the 36,800 shares owned by such institutional accounts.

Strategic Advisors, Inc., a wholly-owned subsidiary of FMR and an investment adviser registered under Section 203 of the Investment Advisers Act of 1940, provides investment services to individuals. As such, FMR's beneficial ownership includes 125 shares of the Common Stock beneficially owned through Strategic Advisors, Inc.

Fidelity International Limited (FIL), and various foreign-based subsidiaries provide investment advisory and management services to a number of non-U.S. investment companies and certain institutional investors. FIL is the beneficial owner of 132,000 shares of the Common Stock.

A partnership controlled predominantly by members of the family of E.C. Johnson, Chairman of FMR and FIL, or trusts for their benefit, owns shares of FIL voting stock with the right to cast approximately 38% of the total votes which may be cast by all holders of FIL voting stock. FMR and FIL are separate and independent corporate entities, and their boards of directors are generally composed of different individuals.

FMR and FIL are of the view that they are not acting as a group for purposes of Section 13(d) under the 1934 Act and that they are not otherwise required to attribute to each other the beneficial ownership of securities beneficially owned by the other corporation within the meaning of Rule 13d-3 promulgated under the 1934 Act. Therefore, they are of the view that the shares held by the other corporation need not be aggregated for purposes of Section 13(d). However, FMR has filed the Schedule 13G amendment on a voluntary basis as if all of the shares are beneficially owned by FMR and FIL on a joint basis.

- (f) Pursuant to a Schedule 13G filed with the SEC on February 14, 2006, each of AXA Financial, Inc., AXA Assurances I.A.R.D. Mutuelle, AXA Assurances Vie Mutuelle, AXA Courtage Assurance Mutuelle and AXA has (1) sole voting power over 7,332,087 of such shares, (2) shared voting power over 978,487 of such shares,

(3) sole dispositive power over 12,015,212 of such shares, and (4) shared dispositive power over 21,176 of such shares of Common Stock. The Schedule 13G states that a majority of the shares reported therein are held by unaffiliated third-party client accounts managed by Alliance Capital Management L.P. (a majority-owned subsidiary of AXA Financial, Inc.), as investment adviser. The Schedule 13G also provides that each of AXA Assurances I.A.R.D. Mutuelle, AXA Assurances Vie Mutuelle and AXA Courtage Assurance Mutuelle, as a group, and AXA expressly declares that the filing of such Schedule 13G shall not be construed as an admission that it is, for purposes of Section 13(d) of the Exchange Act, the beneficial owner of any securities covered by the Schedule 13G.

(g) Based on a Schedule 13G filed with the SEC on February 15, 2006, Morgan Stanley has (1) sole voting power and sole dispositive power over 11,916,917 of such shares of Common Stock and (2) shared voting power and shared dispositive power over 8,505 of such shares of Common Stock. The Schedule 13G states that Morgan Stanley is filing the Schedule 13G solely in its capacity as the parent company of, and indirect beneficial owner of securities held by, one of its business units.

Employment, Termination and Change of Control Arrangements

- **Severance Agreements.** CCIC has entered into severance agreements containing non-compete, non-solicitation and minimum stock ownership provisions with each Named Executive Officer (see VII. Executive Compensation Summary Compensation Table above) and certain other senior officers of the Company (Severance Agreements). Pursuant to each Severance Agreement, CCIC is required to provide severance benefits to the officer if such officer is terminated without cause (as defined in the severance agreement) or such officer terminates his or her employment with good reason (as defined in the severance agreement) (collectively, a qualifying termination). The Severance Agreements provide for enhanced severance benefits if the officer incurs a qualifying termination within two years following a change in control (as defined in the severance agreements). Upon a qualifying termination that does not occur during a change in control period, the officer is entitled to:

a lump sum payment equal to the sum of the officer's base salary and annual bonus (as defined in the Severance Agreement), multiplied by either two (for Messrs. Kelly, Moreland, Hawk and Schueppert) or one (for all other officers covered by a Severance Agreement),

a prorated cash amount equal to the officer's annual bonus for the year of termination,

continued coverage under specified welfare benefit programs for either two years (for Messrs. Kelly, Moreland, Hawk and Schueppert) or one year (for all other officers covered by a Severance Agreement), and

with respect to any outstanding RSAs and options (which remain exercisable for two years following employment or service as a director, if applicable) held by the officer, either (1) immediate vesting of such RSAs and options (for Messrs. Kelly, Moreland, Hawk and Schueppert) or (2) continued vesting of such RSAs and options for two years after termination (for all other officers covered by a Severance Agreement); provided that, the 2006 Retention RSAs described in Compensation Committee 2005 Report below are generally not subject to such accelerated or continued vesting provisions, other than in the case of death or disability.

Upon a qualifying termination during a change in control period, the officer is entitled to:

a lump sum payment equal to the sum of the officer's base salary and annual bonus (as defined in the Severance Agreement), multiplied by either three (for Messrs. Kelly, Moreland, Hawk and Schueppert) or two (for all other officers covered by a Severance Agreement),

a prorated cash amount equal to the officer's annual bonus for the year of termination,

continued coverage under specified welfare benefit programs for either three years (for Messrs. Kelly, Moreland, Hawk and Schueppert) or two years (for all other officers covered by a Severance Agreement), and

immediate vesting of any outstanding RSAs and options (which remain exercisable for two years following employment or service as a director, if applicable) held by the officer.

Each of the Severance Agreements also has provisions that generally prohibit the officer, for a period of 12 months following the termination of such officer's employment with CCIC, from (1) engaging in business activities relating to wireless communication or broadcast towers which compete with CCIC or its affiliates in the United States or Australia and (2) soliciting employees of CCIC and its affiliates. Further, the Severance Agreements contain provisions requiring each of the officers to own and hold at all times during his or her employment with CCIC, a specified number of shares of Common Stock, which number does not include unvested RSAs which remain subject to transfer and forfeiture restrictions. The number of shares of Common Stock required to be held by the Named Executive Officers is as follows:

Name	Title	Minimum Share Holdings
John P. Kelly	President & Chief Executive Officer	85,000
W. Benjamin Moreland	Executive Vice President & Chief Financial Officer	43,000
E. Blake Hawk	Executive Vice President & General Counsel	47,000
James D. Cordes	Senior Vice President Corporate Development & Strategy	6,000(a)
Michael T. Schueppert	Senior Vice President of CCIC and President Modeo	32,000

- (a) Mr. Cordes' Severance Agreement provides that such number of shares of Common Stock must be owned and held at all times during his employment after October 3, 2008.

Compensation Committee 2005 Report

On behalf of the Board, the Compensation Committee (as used in this report, Committee) of the Board reviews, evaluates and recommends the compensation levels of CCIC's senior officers (the CEO and the officers reporting directly to the CEO currently nine persons including the CEO) and administers CCIC's equity-based and other compensatory plans. The current members of the Committee are Lee W. Hogan (Chairman), Carl Ferenbach and Ari Q. Fitzgerald. The following report presents the Committee's summary of CCIC's compensation programs and policies and describes the bases for compensation of CCIC's executive officers.

- **Goals.** The principal goals of CCIC's executive compensation policy are to provide competitive compensation opportunities to attract and retain qualified and productive executive employees; to motivate executives to meet and exceed corporate financial and operational goals; and to create meaningful links between corporate performance, individual performance and rewards. It has been CCIC's executive compensation policy that a significant portion of the compensation paid to the executive officers should be based on CCIC's results of operations and the growth in value of its equity. CCIC's executive officer compensation program is designed to align executive officer compensation with stockholder interests. Specifically, the program seeks to:

motivate executive officers to make sound business decisions that improve stockholder value and reward such decisions,

balance its components so that the accomplishment of short-term and long-term operating and strategic objectives is encouraged and recognized,

encourage achieving objectives within a team environment, and

attract, motivate and retain the type of high-quality executive officers necessary for the long-term success of CCIC.

- **Compensation Program.** For 2005, as in prior years, the Committee reviewed the compensation programs of similar-sized companies and certain competitors and peers in similar industries. All of the companies used by the Committee for evaluating CCIC's executive officer compensation offer base salary, annual performance-based bonuses and long-term equity-based compensation.

The Committee believes that using long-term equity-based compensation and annual performance-based bonuses as components of overall compensation helps align executive officers' interests with those of the stockholders. The value of equity-based compensation to an executive officer increases as the market price of CCIC's stock increases. Therefore, CCIC's operating goals and individual incentives are targeted towards those activities that increase stockholder value. If CCIC does not perform or does not meet its objectives, the equity-based compensation and annual performance-based bonuses are of less value.

Table of Contents

In the Committee's assessment of compensation levels, the Committee takes into consideration the financial performance of CCIC relative to its goals, the executive officers' performance relative to their individual responsibilities, as well as internal equity. The Committee also considers the competitiveness of the entire executive compensation package and each of its individual components. The Committee reviews CCIC's overall performance and each executive officer individually to determine annual salary adjustments and to determine annual performance-based bonuses and equity-based awards.

- **Salaries.** The Committee reviews and recommends the annual salaries for all executive officers of CCIC. The Committee reviews proposals made by the CEO with regard to salary adjustments for executive officers other than himself, and then either recommends or amends these proposed salary adjustments for consideration by the Board. The Committee independently reviews the performance of the CEO and determines an appropriate salary, to be recommended to the independent directors of the Board for their consideration, based on the criteria set forth above, as well as input from outside compensation consultants and other sources. With respect to salaries for 2005, the Committee retained the services of an independent executive compensation consulting firm to review CCIC's overall compensation packages for executive officers. For 2005, the executive officers received market competitive adjustments to their base salaries.
- **Annual Performance-Based Bonuses.** Each year, the Committee considers annual performance-based bonuses for the executive officers of CCIC using methodologies similar to those employed in evaluating salaries for the executive officers. For 2005, as in prior years, achievement of certain performance goals was used by the Committee in awarding bonuses pursuant to the CCIC 2005 EMT Annual Incentive Plan. The performance goals may be based on one or more business criteria, or any combination thereof, including but not limited to:

Adjusted EBITDA¹,

free cash flow¹,

other measures of financial performance,

¹ Free Cash Flow is defined as net cash provided by operating activities less capital expenditures. Adjusted EBITDA is defined as net income (loss) plus cumulative effect of change in accounting principle, income from discontinued operations, minority interests, provision for income taxes, interest expense, amortization of deferred financing costs, interest and other income (expense), depreciation, amortization and accretion, operating non-cash compensation charges, asset write-down charges and restructuring charges (credits).

individual performance measures specific to each executive officer, and

additional components at the Committee's discretion.

Under the CCIC 2005 EMT Annual Incentive Plan, the CEO is eligible for a target annual performance-based bonus equal to 100% of his or her base salary, and each of the other executive officers generally is eligible for a target annual performance-based bonus equal to 55% or 75% of his or her base salary (other than Mr. Schueppert who is eligible for 25% of his base salary). Depending upon the level at which the performance goals are met, (1) the CEO and each of the other corporate and business unit operating executive officers is eligible to earn between 0 to 175% of his or her target annual performance-based bonus and (2) each of the functional executive officers is eligible to earn between 0 to 150% of his or her target annual performance-based bonus. Based on the actual 2005 financial performance results and individual performance, executive officers' 2005 annual performance-based bonuses ranged from 119% to 165% of their target bonus levels.

- **Equity-Based Compensation.** During the first quarter of 2005, as a component of long-term equity-based compensation, the Committee authorized the grant of approximately 694,714 shares of restricted stock (2005 RSAs) to over 275 of CCIC's employees, including the grant of 317,005 shares of 2005 RSAs to the CEO and five other CCIC senior officers. The terms of the 2005 RSAs issued to the CEO and the senior officers provide that (1) if the Common Stock closes at or above per share prices equal to each of 115% of the base price (\$18.63), 132% of the base price (\$21.42), and 152% of the base price (\$24.64) for any 20 consecutive trading days which include any date on or before February 24, 2009 (the fourth anniversary of the grant date), one-third of the 2005 RSAs vests (i.e., the transfer and forfeiture restrictions terminate) upon reaching each such price target (Performance Vesting) and (2) any remaining unvested 2005 RSAs vest on February 24, 2009 if the Common Stock closes at or above \$19.44 per share for any 20 consecutive trading days which include any date on or before February 24, 2009. The base price is equal to the closing price per share of Common Stock on the date the Board approved the restricted stock award (RSA) grant. The terms of the 2005 RSAs issued to all other employees provide for (1) vesting over time (Time Vesting) at 10%, 20%, 30% and 40%, respectively, on each February 24 for the years 2006 through 2009 and (2) Performance Vesting at the same price targets as the 2005 RSAs issued to the CEO and the senior officers. Following the grant of the 2005 RSAs, on each of July 19, 2005, August 30, 2005 and November 29, 2005, one third of the 2005 RSAs vested as a result of the applicable Performance Vesting targets being met on such dates.

In the first quarter of 2006, as a component of long-term equity-based compensation, the Committee authorized the grant of approximately 613,470 shares of RSAs (2006

Table of Contents

Performance RSAs) to over 270 of CCIC s employees, including the grant of 349,043 shares of 2006 Performance RSAs to the CEO and seven other CCIC senior officers. The terms of the 2006 Performance RSAs issued to the CEO and the senior officers provide (1) for Performance Vesting of one-third of the 2006 Performance RSAs if and when the Stock closes at or above per share prices equal to each of 115% of the base price (\$35.52), 132% of the base price (\$40.85), and 152% of the base price (\$46.98) for any 20 consecutive trading days which include any date on or before February 23, 2010 (the fourth anniversary of the grant date) and (2) that any remaining unvested 2006 Performance RSAs vest on February 23, 2010 if the Common Stock closes at or above \$37.07 per share for any 20 consecutive trading days which include any date on or before February 23, 2010. The terms of the 2006 Performance RSAs issued to all other employees provide for (1) Time Vesting at 10%, 20%, 30% and 40%, respectively, on each February 23 for the years 2007 through 2010 and (2) Performance Vesting at the same price targets as the 2006 Performance RSAs issued to the CEO and the senior officers.

In the first quarter of 2006, as a component of long-term equity-based compensation, the Committee also authorized the grant of approximately 523,191 shares of RSAs (2006 Retention RSAs) to certain of CCIC s key employees, including the grant of 416,248 shares of 2006 Retention RSAs to the CEO and seven other CCIC senior officers. The terms of the 2006 Retention RSAs issued to the CEO and the senior officers provide for vesting of 100% of the 2006 Retention RSAs on February 23, 2009 (the third anniversary of the grant date) provided the Common Stock closes at or above \$42.50 per share for any 20 consecutive trading days which include any date on or between September 22, 2008 and February 23, 2009. Any shares of 2006 Retention RSAs granted to the CEO and the other CCIC senior officers that have not otherwise vested will be forfeited as of February 23, 2009. The terms of the 2006 Retention RSAs issued to all other employees provide for Time Vesting of 100% of the 2006 Retention RSAs on February 23, 2009.

If an RSA holder s employment with the Company is terminated, any remaining, unvested RSAs which such individual holds are generally forfeited and surrendered to CCIC, subject to the provisions of any severance arrangements between such individual and CCIC. The Restricted Stock Agreements relating to the 2006 Retention RSAs provide that the vesting of the 2006 Retention RSAs will generally not be accelerated pursuant to severance agreements entered into with the senior officers upon a qualifying termination of employment that does not occur during a change in control period, but instead will be forfeited in the event of such a termination.

In addition, in the first quarter of 2006, the Board, upon recommendation from the Committee, authorized CCIC to develop a phantom equity option plan (Modeo Plan), pursuant to which an amount equal to approximately 5% of the outstanding common

Table of Contents

equity interests (on a fully diluted basis) of Modeo LLC, a subsidiary of the Company, may be available for grant as phantom option awards to employees of Modeo LLC. The Board, upon recommendation of the Committee, authorized the grant of Modeo phantom option awards to Mr. Schueppert pursuant to the proposed Modeo Plan relating to approximately a 1.245% equity interest in Modeo LLC.

- **Compensation of the Chief Executive Officer.** For 2005, the Committee recommended, and CCIC's independent directors approved, Mr. Kelly's base salary as President and CEO of CCIC at \$464,400. Mr. Kelly also received a bonus of \$731,600 (or 158% of his base salary) for his service during 2005. In addition, in 2005 and 2006, the Company granted Mr. Kelly 129,532 shares of 2005 RSAs, 108,664 shares of 2006 Performance RSAs and 145,533 shares of 2006 Retention RSAs, subject to the vesting terms described above under "Equity-Based Compensation". In determining the level of Mr. Kelly's salary, bonus and RSAs, the Committee considered the market in which CCIC competes, the compensation of similarly situated officers at similar-sized companies and certain competitors and "peers" in similar industries, CCIC's performance in 2004 and 2005, and Mr. Kelly's contributions to corporate performance. In addition, in establishing Mr. Kelly's compensation for 2005, the Committee also considered the market analysis prepared by an independent executive compensation consulting firm.
- **Deductibility of Compensation.** Section 162(m) of the Internal Revenue Code includes potential limitations on the deductibility of compensation in excess of \$1 million paid to the CEO and each of the other four highest compensated executive officers. It is the Committee's intent to adopt policies to obtain maximum tax deductibility of executive compensation consistent with providing motivational and competitive compensation, which is truly performance-based. However, it is also the Committee's intent to balance the effectiveness of its plans and compensation policies against the materiality of any possible lost deductions.

Respectfully submitted by the Compensation Committee of the Board of Directors of Crown Castle International Corp.

VIII. AUDIT COMMITTEE MATTERS

The Board has established an Audit Committee comprised entirely of independent directors, as defined in the rules and regulations of the NYSE and SEC. Upon the recommendation of the Audit Committee and in compliance with the regulations of the NYSE, the Board has adopted an Audit Committee Charter setting forth the requirements for the composition of the Audit Committee, the qualifications of its members and the responsibilities of the Audit Committee. The Audit Committee Charter is set forth on *Appendix A* to this proxy statement.

The Audit Committee has adopted certain procedures under which audit and non-audit services to be rendered by the Company's independent public accountants are pre-approved. Such procedures provide that between the regularly scheduled meetings of the Audit Committee, each member of the Audit Committee (with preference given to the Chairman of the Audit Committee, if available) is authorized to pre-approve fees presented by an officer of the Company relating to audit and permitted non-audit related engagements of the Company's independent auditors, up to an aggregate of \$100,000 of such fees not previously approved or ratified by the Audit Committee; provided, however, that any fees so approved regarding engagements or services relating to securities offerings of the Company are not subject to or included in the calculation of such \$100,000 limit. At each regularly scheduled meeting of the Audit Committee, the officers of the Company present to the Audit Committee a schedule detailing any fees and engagements approved pursuant to the foregoing procedures by a member of the Audit Committee since the last regularly scheduled meeting of the Audit Committee.

No services were provided by the independent public accountants in 2005 that were approved by the Audit Committee under Securities and Exchange Commission Regulation S-X Section 2-01(c)(7)(i)(C) (which addresses certain services considered de minimis approved by the Audit Committee after such services have been performed).

In addition, in accordance with regulations promulgated by the SEC, the Audit Committee has issued the following report.

Audit Committee 2005 Report

To our Stockholders:

On behalf of the Board of Directors, the Audit Committee,

Table of Contents

among other functions, performs an oversight role relating to the Company's financial statements and accounting practices, systems of internal control, the independence and the performance of the independent accountants, and the performance of the internal audit function.

In this context, the Audit Committee hereby reports as follows:

The Audit Committee has reviewed and discussed the audited financial statements with the Company's management.

The Audit Committee has discussed with KPMG the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU 380), as modified or supplemented.

The Audit Committee has received the written disclosures and the letter from KPMG required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committee) and has discussed with KPMG its independence.

Based on its review of the Company's audited financial statements and the discussions with management and KPMG referred to above, the Audit Committee recommended to the Board the inclusion of the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2005.

IX. OTHER MATTERS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires CCIC's directors and executive officers, and persons who own more than 10% of a registered class of CCIC's equity securities, to file with the SEC and the NYSE reports of ownership and changes in ownership of Common Stock and other equity securities of CCIC. Executive officers, directors and greater than 10% stockholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

Based on the review of copies of such reports furnished to the Company and written representations that no other reports were required, the Company believes that, during the 2005 fiscal year, CCIC's executive officers, directors and greater than 10% beneficial owners complied with all Section 16(a) filing requirements applicable to them, except that on January 24, 2006 Mr. Garrison filed an amendment to a Form 3 originally filed June 2, 2005 to report 2,000 shares held by his spouse.

Additional information may be requested from the nominee or the stockholder by the NCG Committee from time to time. As and if determined by the NCG Committee, potential candidates must also make themselves available to be interviewed by the NCG Committee, the Board and members of the Company's executive management.

The NCG Committee reserves the right not to have any communications with the recommending stockholder or the candidate regarding the evaluation process of the candidate or the NCG Committee's conclusions regarding such evaluation.

Stockholder Proposals for 2007 Annual Meeting

Stockholders wishing to have a proposal included in the Board's 2007 proxy statement must submit the proposal so that CCIC's Corporate Secretary receives it at the Company's principal executive offices no later than December 13, 2006. If the 2007 Annual Meeting is advanced by more than 30 days, or delayed by more than 90 days, from the date of the 2006 Annual Meeting, the nomination or proposal must be delivered not earlier than the 120th day prior to the 2007 Annual Meeting and not later than the later of the 90th day prior to the 2007 Annual Meeting or the 10th day following the announcement of the change in the 2007 Annual Meeting date. The notice of nominations for the election of directors must set forth certain information concerning the stockholder giving the notice and each nominee. A copy of the applicable bylaw provision may be obtained, without charge, upon written request to the Company's Corporate Secretary.

If the date of the 2007 Annual Meeting is advanced or delayed by more than 30 calendar days from the date of the 2006 Annual Meeting, the Company shall, in a timely manner, inform stockholders of such change, by including a notice, under Item 5, in its earliest possible quarterly report on Form 10-Q. The notice will include the new deadline for submitting proposals to be included in the Board's 2007 proxy statement and the new date for determining whether the Company has received timely notice of a nomination or proposal.

Independence Categorical Standards

(February 24, 2005)

The board of directors (Board) of Crown Castle International Corp. (Company) has established the following guidelines to assist it in determining whether a director of the Company (Director) has a material relationship with the Company and is independent . Each of the relationships described below is not a material relationship by itself and therefore will not prevent a Director from being independent :

Certain Relationships. Directorship more than three years after: (i) the Director was employed by the Company; (ii) an immediate family member of the Director (Family Member) was employed by the Company as an executive officer; (iii) the Director or a Family Member (in a professional capacity) was a partner with or employed by the Company s internal or external auditor (Auditor) and personally worked on the Company s audit; or (iv) a present executive officer of the Company served on the compensation committee of a company which employed at the same time the Director or a Family Member as an executive officer.

Current Employment. A Family Member is employed by the Company in a non-officer position or is employed by, but is not a partner with, the Auditor and does not participate in the Auditor s audit, assurance or tax compliance practice.

Compensation. A Director or a Family Member receives or has received less than \$100,000 during any 12-month period in direct compensation from the Company, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service).

Business Relationships. A Director or a Family Member is or was a partner, greater than 10% shareholder, director, officer or employee of a company that has made payments to, or received payments from, the Company for property or services in an amount which, in any of the last three fiscal years, does not exceed the greater of (a) \$1 million, or (b) two percent (2%) of such other company s consolidated gross revenues.

Indebtedness. A Director or a Family Member is a partner, greater than 10% shareholder, director, officer or employee of a company that is indebted to the Company or to which the Company is indebted, and the total amount of each company s indebtedness to the other is less than two percent (2%) of the total consolidated assets of such other company.

Charitable Contributions. A Director is a trustee, fiduciary, director, officer or employee of a tax-exempt organization to which the Company contributes, and the

Table of Contents

Company's contributions in any single fiscal year to the organization does not exceed the greater of (a) \$500,000, or (b) one percent (1%) of that organization's total annual receipts.

Stock Ownership. Direct or indirect ownership by a Director of a significant amount of Company stock (including securities convertible into Company stock).

An immediate family member is a Director's spouse, parents, children, siblings, mother- and father-in-law, sons- and daughters-in-law, brothers- and sisters-in-law, and anyone (other than domestic employees) who shares such Director's home.

If a Director has a significant relationship with the Company that is not described above, or is outside of the parameters above, and the Board determines that the Director is independent, the Board will disclose the basis for such determination in the Company's annual proxy statement. In addition, members of the Audit Committee are subject to additional standards relating to their independence.
