For the Annual Meeting of Stockholders to be held on May 30, 2006

GENERAL INFORMATION

We are providing these proxy materials in connection with the solicitation by the Board of Directors of Endo Pharmaceuticals Holdings Inc. (Endo, the Company, we, or us), a Delaware corporation, of proxies to be voted at our 2006 Annual Meeting of Stockholders to be held on May 30, 2006, beginning at 2:00 p.m., Eastern Standard Time. The Meeting will be held at our corporate headquarters located at 100 Endo Boulevard, Chadds Ford, Pennsylvania 19317.

This Proxy Statement and the enclosed proxy card are being mailed to stockholders on or about April 28, 2006.

ANNUAL MEETING ADMISSION

A Stockholder Admission Ticket is attached to your proxy card if you hold shares directly in your name as a stockholder of record. If you plan to attend the Annual Meeting, please vote your proxy but keep the Stockholder Admission Ticket and bring it with you to the Annual Meeting.

If your shares are held beneficially in the name of a bank, broker or other holder of record and you plan to attend the Annual Meeting, you must present proof of your ownership of Endo stock, such as a bank or brokerage account statement, to be admitted to the Annual Meeting. If you would rather have a Stockholder Admission Ticket, you can obtain one in advance by mailing a written request, along with proof of your ownership of Endo stock, to:

Endo Investor Relations

100 Endo Boulevard

Chadds Ford, PA 19317

Stockholders also must present a form of personal identification in order to be admitted to the Annual Meeting.

No cameras, recording equipment, electronic devices, large bags, briefcases or packages will be permitted in the Meeting.

STOCKHOLDERS ENTITLED TO VOTE

Holders of shares of Endo common stock at the close of business on April 19, 2006 (the record date), are entitled to receive this notice and to vote their shares at the Annual Meeting. As of that date, there were 132,964,275 shares of Endo common stock outstanding and entitled to vote.

Each share of common stock is entitled to one vote on each matter properly brought before the Annual Meeting. Your proxy card indicates the number of votes you have.

HOW TO VOTE IF YOU ARE A STOCKHOLDER OF RECORD

Your vote is important. Stockholders of record can vote by mail or by attending the Annual Meeting and voting by ballot as described below.

Vote by Mail

If you choose to vote by mail, simply mark your proxy card, date and sign it, and return it in the postage-paid envelope provided.

Voting at the Annual Meeting

Voting by mail will not limit your right to vote at the Annual Meeting if you decide to attend in person. If your shares are held in the name of a bank, broker or other holder of record, you must obtain a proxy, executed in your favor, from the holder of record to be able to vote at the Annual Meeting.

All shares that have been properly voted and not revoked will be voted at the Annual Meeting. If you sign and return your proxy card but do not give voting instructions, the shares represented by that proxy will be voted as recommended by the Board of Directors.

GENERAL INFORMATION ON VOTING AND REQUIRED VOTE

You are entitled to cast one vote for each share of Endo common stock you own on the record date. Each proposal must be approved by a majority of shares entitled to vote and represented at the Annual Meeting in person or by proxy.

The presence of the holders of a majority of the outstanding shares of common stock entitled to vote at the Annual Meeting, present in person or represented by proxy, is necessary to constitute a quorum. Shares represented by a proxy marked `abstain` on any matter, or that provide that a vote be withheld with respect to the election of any one or more of the nominees for election as directors, will be considered present at the Annual Meeting for purposes of determining a quorum and for purposes of calculating the vote, but will not be considered to have voted in favor of the proposal or nominee. Therefore, any proxy marked `abstain` will have the effect of a vote against the proposal or nominee. Shares represented by a proxy as to which there is a `broker non-vote` (for example, where a broker does not have the discretionary authority to vote the shares), will be considered present for the Annual Meeting for purposes of determining a quorum, but will have no effect on the vote.

All shares of common stock that have been properly voted and not revoked, will be voted at the Annual Meeting in accordance with your instructions. If you sign the enclosed proxy card but do not give voting instructions, the shares of common stock represented by that proxy will be voted as recommended by the Board of Directors.

VOTING ON OTHER MATTERS

If other matters are properly presented at the Annual Meeting for consideration, the persons named in the enclosed proxy card will have the discretion to vote on those matters for you. At the date this Proxy Statement went to press, no other matters had been raised for consideration at the Annual Meeting.

HOW YOU MAY REVOKE OR CHANGE YOUR VOTE

You can revoke your proxy at any time before it is voted at the Annual Meeting by:

sending written notice of revocation to the Secretary of the Company;

timely delivering of a valid, later-dated proxy; or

attending the Annual Meeting and voting in person. If your shares are held in the name of a bank, broker or other holder of record, you must obtain a proxy, executed in your favor from the holder of record, to be able to vote at the meeting.

LIST OF STOCKHOLDERS

The names of stockholders of record entitled to vote at the Annual Meeting will be available at the Annual Meeting and for ten days prior to the Annual Meeting for any purpose germane to the meeting, between the hours of 8:45 a.m. and 4:30 p.m., at our principal executive offices at 100 Endo Boulevard, Chadds Ford, Pennsylvania, by contacting the Secretary of the Company.

COST OF PROXY SOLICITATION

The Company will pay for preparing, printing and mailing this Proxy Statement. We will pay the cost of soliciting proxies. Proxies may be solicited on our behalf by Directors, officers or employees in person or by telephone, electronic transmission and facsimile transmission. The Company will reimburse banks, brokers and other custodians, nominees and fiduciaries for their out-of-pocket costs of sending the proxy materials to our beneficial owners.

ITEM 1

ELECTION OF DIRECTORS

The Board of Directors

The Amended and Restated Certificate of Incorporation of the Company provides that the number of directors of the Company shall be not less than seven nor more than eleven as shall be fixed by the By-laws of the Company. On April 19, 2006, the Board of Directors fixed the number of directors at eight.

Directors need not be stockholders of the Company or residents of the State of Delaware. Directors are elected for a one-year term and generally hold office until the next directors have been duly elected and qualified. Directors may receive compensation for their services as determined by the Board of Directors. See 2005 Compensation of Directors. A vacancy on the Board, or a newly created directorship resulting from any increase in the authorized number of directors, may be filled by a majority of the directors then in office, even though less than a quorum remains. A director appointed to fill a vacancy remains a director until his or her successor is elected by the stockholders at the next annual meeting or until his or her successor is duly elected and qualified, or until his or her earlier death, resignation or removal.

Currently the Board of Directors consists of eight members. Currently serving as directors are Carol A. Ammon, John J. Delucca, Michel de Rosen, Michael Hyatt, Roger H. Kimmel, Peter A. Lankau, Clive A. Meanwell, M.D., Ph.D. and Joseph T. O'Donnell, Jr. The Board of Directors has affirmatively determined that six of its eight members are independent directors under the NASDAQ rules and regulations. The six independent directors under the NASDAQ rules and regulations are Messrs. Delucca, de Rosen, Hyatt, Kimmel, O'Donnell and Dr. Meanwell.

On April 20, 2006, Endo announced the appointment of Michel de Rosen to its Board of Directors. An independent, outside director, Mr. de Rosen is also a member of the Nominating Committee of the Board of Directors. Mr. de Rosen was appointed following the resignations of Brian T. Clingen, Michael B. Goldberg, Michael W. Mitchell and David I. Wahrhaftig effective March 15, 2006. Mr. Clingen was the chair of the Audit Committee of the Board of Directors; Mr. Wahrhaftig was a member of the Compensation Committee of the Board of Directors; and Messrs. Clingen, Goldberg, Mitchell and Wahrhaftig were each members of the Nominating Committee of the Board of Directors.

On January 6, 2006, Endo announced the appointment of John J. Delucca to its Board of Directors. An independent, outside director, Mr. Delucca is also the chair of the Audit Committee of the Board of Directors. Mr. Delucca replaced Frank J. Loverro, a partner of Kelso & Company, who had been a member of the Board since July 2000 and who resigned effective January 6, 2006. Mr. Loverro was also a member of the Compensation and Nominating Committees of the Board of Directors.

In March 2005, Endo announced the appointment of Peter A. Lankau to the Board of Directors. With effect from May 20, 2005, Mr. Lankau has served as the Company's President and Chief Executive Officer.

As of the date of this Proxy Statement, there are no material proceedings to which any director or executive officer of the Company, or any associate thereof, is a party that are adverse to the Company or any of its subsidiaries.

Between January 1, 2005 and December 31, 2005, the Board of Directors as a whole met 14 times and acted by written consent on two occasions. All members of the Board of Directors attended more than 75% of the aggregate of all meetings of the Board of Directors and of the Committees of the Board of Directors on which they served in 2005.

Nominees

The following table sets forth the age and position currently held with the Company of persons nominated by the Board of Directors of the Company for the election as directors of the Company:

Name	Age (as of May 30, 2006)	Position Currently Held with the Company

Peter A. Lankau	53	President and Chief Executive Officer and Director
Clive A. Meanwell, M.D., Ph.D.	49	Director
Joseph T. O'Donnell, Jr.	58	Director

The proposed nominees for election as directors are willing to be reelected as directors of the Company. If, as a result of circumstances not now known or foreseen, a nominee shall be unavailable or unwilling to serve as a director, an alternate nominee shall be designated by the present Board of Directors to fill the vacancy, unless the Board chooses to reduce the number of directors serving on the Board.

If elected, all nominees are expected to serve until the 2007 Annual Meeting of Stockholders of the Company or until their successors are duly elected and qualified or until his or her earlier death, resignation or removal.

Committees of the Board of Directors and Related Reports

The Board of Directors has a standing Audit Committee, Compensation Committee and Nominating Committee, the respective members and functions of which are described below.

Audit Committee

The Audit Committee is responsible for overseeing the Company's financial reporting process on behalf of the Board of Directors. In addition, the Audit Committee reviews, acts on and reports to the Board of Directors with respect to various auditing and accounting matters, including the selection of the Company's independent registered public accounting firm, the scope of the annual audits, fees to be paid to the independent registered public accounting firm, the performance of the Company's independent registered public accounting firm and the accounting practices of the Company and the Company's internal controls and legal compliance functions. The Audit Committee operates pursuant to a written charter adopted by the Board of Directors, which is available on the Company's website at www.endo.com, under Investors-Corporate Governance. In addition, a copy of the Audit Committee Charter is included as Exhibit A to this Proxy Statement. The charter describes the nature and scope of responsibilities of the Audit Committee.

Management of the Company has the primary responsibility for the Company's financial reporting process, principles and internal controls as well as preparation of its financial statements. The Company's independent registered public accounting firm is responsible for performing an independent audit of the Company's financial statements and expressing an opinion as to the conformity of such financial statements with accounting principles generally accepted in the United States.

On January 6, 2006, Mr. Delucca was appointed as a member of the Audit Committee. Messrs. Delucca, Kimmel and O'Donnell currently serve as members of the Audit Committee. Between January 1, 2005 and December 31, 2005, the Audit Committee met six times, including periodic meetings held separately with management, the Company's internal auditors and the independent registered public accounting firm. The Board has elected Mr. Delucca as chair of the Audit Committee. The Board has determined that Mr. Delucca is a financial expert, as defined by the U.S. Securities and Exchange Commission (the "SEC") regulations, and he has the related financial management expertise within the meaning of the NASDAQ rules. The Board of Directors has determined that Messrs. Delucca, Kimmel and O'Donnell are independent and financially literate in accordance with the criteria established by the SEC and the NASDAQ.

Audit Committee Report

The Audit Committee has reviewed and discussed the Company's audited consolidated financial statements as of and for the year ended December 31, 2005 with the management of the Company and Deloitte & Touche LLP, the Company's independent registered public accounting firm. Further, the Audit Committee has discussed with Deloitte & Touche LLP the matters required to be discussed under auditing standards generally accepted in the United States, including those matters set forth in the Statement of Auditing Standards No. 61, as amended, other standards of the Public Company Accounting Oversight Board (United States), rules of the SEC, and other applicable regulations, relating to the firm's judgment about the quality, not just the acceptability, of the Company's accounting principles, the reasonableness of significant judgments and estimates, and the clarity of disclosures in the consolidated financial statements.

The Audit Committee also has received the written disclosures and the letter from Deloitte & Touche LLP required by Independence Standards Board Standard No. 1 (*Independence Discussions with Audit Committees*), as currently in effect, that relate to Deloitte & Touche LLP's independence from the Company, and has discussed with Deloitte & Touche LLP their independence from the Company. The Audit Committee has also considered whether the independent registered public accounting firm's provision of non-audit services to the Company is compatible with maintaining the firm's independence. The Audit Committee has concluded that the independent registered public accounting firm is independent from the Company and its management. The Audit Committee has also discussed with management of the Company and Deloitte & Touche LLP such other matters and received such assurances from them as it has deemed appropriate.

The Committee also reviewed management's report on its assessment of the effectiveness of the Company's internal control over financial reporting and the independent registered public accounting firm's report on management's assessment and the effectiveness of the Company's internal control over financial reporting. In addition, the Audit Committee reviewed key initiatives and programs aimed at strengthening the effectiveness of the Company's internal and disclosure control structure. As part of this process, the Audit Committee continued to monitor the scope and adequacy of the Company's internal auditing program.

Based on the reviews, reports and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board approved, that the Company's audited consolidated financial statements for the year ended December 31, 2005 and management's assessment of the effectiveness of the Company's internal control over financial reporting be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2005, for filing with the SEC. The Audit Committee has selected, and the Board of Directors has ratified, subject to stockholder approval, the selection of the Company's independent registered public accounting firm for the year ended December 31, 2006.

The above Audit Committee Report does not constitute soliciting material, and shall not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates the Audit Committee Report by reference therein.

Compensation Committee

The Compensation Committee of the Board of Directors determines the salaries and incentive compensation of the executive officers of the Company and provides recommendations for the salaries and incentive compensation of the other employees and consultants of the Company. The Compensation Committee also reviews and acts on any recommendations of the Company's management for awards granted under the Endo Pharmaceuticals Holdings Inc. 2000 Stock Incentive Plan and the Endo Pharmaceuticals Holdings Inc. 2004 Stock Incentive Plan. The current members of the Compensation Committee are Messrs. Hyatt, Delucca and O'Donnell, each of whom is independent in accordance with the criteria established by the SEC and NASDAQ. Messrs. Loverro and Wahrhaftig were members of the Compensation Committee until their resignations from the Company's Board of Directors on January 6, 2006 and March 15, 2006, respectively. Between January 1, 2005 and December 31, 2005, the Compensation Committee met two times. A report of the Compensation Committee appears in this Proxy Statement under EXECUTIVE COMPENSATION Compensation Committee Report on Executive Compensation.

Nominating Committee

Until February 9, 2005, the Board of Directors did not have a Nominating Committee because the Board of Directors as a whole functioned in such capacity. The Board of Directors believed that the full Board of Directors best represented the interests of all of the Company's stockholders and that it was appropriate for all matters that would be considered by a Nominating Committee to be considered and acted upon by the full Board of Directors.

When Endo Pharma LLC (an affiliate of Kelso & Company in which certain members of management have an interest) sold some of its shares of Endo common stock in November 2004, its ownership in the Company fell below 50%, thus causing the Company to no longer be considered a controlled company under the NASDAQ rules. Accordingly, the Board of Directors determined that a Nominating Committee comprised of independent directors would be beneficial to the Company, and chartered such committee on February 9, 2005. The Nominating Committee of the Board of Directors identifies and recommends to the Board individuals qualified to serve as directors of the Company, recommends to the Board directors to serve on committees of the Board and advises the Board with respect to matters of Board composition and procedures.

The Nominating Committee will consider director candidates recommended by stockholders. In considering candidates submitted by stockholders, the Nominating Committee will take into consideration the needs of the Board and the qualifications of the candidate. The Nominating Committee may also take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held. To have a candidate considered by the Nominating Committee, a stockholder must submit the recommendation in writing and must include the following information:

The name of the stockholder and evidence of the person's ownership of Company stock, including the number of shares owned and the length of time of ownership; and

The name of the candidate, the candidate's resume or a listing of his or her qualifications to be a director of the Company and the person's consent to be named as a director if selected by the Nominating Committee and nominated by the Board.

The stockholder recommendation and information described above must be sent to the Secretary at Endo Pharmaceutical Holdings Inc., 100 Endo Boulevard, Chadds Ford, PA 19317, and must be received by the Secretary not less than 120 days prior to the anniversary date of the Company's most recent annual meeting of shareholders.

Among the qualifications considered in the selection of nominees, the Nominating Committee looks at the following attributes and criteria of nominees: experience, skills, expertise, diversity, personal and professional integrity, character, business judgment, time availability in light of other commitments, dedication, conflicts of interest and such other relevant factors that the Nominating Committee considers appropriate in the context of the needs of the Board of Directors. The Nominating Committee identifies potential nominees by asking current directors and executive officers to notify the Nominating Committee if they become aware of persons meeting the criteria described above, who have had a change in circumstances that might make them available to serve on the Board—for example, retirement as a CEO or CFO of a public company or exiting government or military service. The Nominating Committee also, from time to time, may engage firms that specialize in identifying director candidates. As described above, the Nominating Committee will also consider candidates recommended by stockholders.

Once a person has been identified by the Nominating Committee as a potential candidate, the Nominating Committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating Committee determines that the candidate warrants further consideration, the chairman or another member of the Nominating Committee contacts the person. Generally, if the person expresses a willingness to be considered and to serve on the Board, the Nominating Committee requests information from the candidate, reviews the person's accomplishments and qualifications, including in light of any other candidates that the Nominating Committee might be considering, and conducts one or more interviews with the candidate. In certain instances, Nominating Committee members may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. The Nominating Committee's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder, although, as stated above, the Board may take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held.

The current members of the Nominating Committee are Messrs. Delucca, de Rosen, Hyatt, Kimmel, O'Donnell and Dr. Meanwell. The Board of Directors has determined that all of the members of the Nominating Committee are independent in accordance with the criteria established by the SEC and NASDAQ. The Charter of the Nominating Committee has been posted on the Company's website at www.endo.com, under Investors-Corporate Governance.

ITEM 2

RATIFICATION OF APPOINTMENT OF

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has selected Deloitte & Touche LLP, an independent registered accounting firm, to audit the books and financial records of the Company for the year ending December 31, 2006. The Company is asking its stockholders to ratify the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm for fiscal 2006.

It is not expected that a representative from Deloitte & Touche LLP will be present at the Annual Meeting.

Vote Required

The affirmative vote of a majority of the outstanding shares of common stock entitled to vote and represented in person or by proxy is required for the approval of this item.

The Audit Committee and the Board of Directors recommend a vote FOR the ratification of the Board's appointment of Deloitte & Touche LLP as the independent registered public accounting firm for the fiscal year ending December 31, 2006.

Fees Paid to the Independent Registered Public Accounting Firm

Deloitte & Touche LLP, the member firms of Deloitte, Touche Tohmatsu, and their respective affiliates (collectively, the Deloitte Entities) served as the Company's independent registered public accounting firm for the fiscal year ended December 31, 2005. The following table summarizes the aggregate fees for services the Deloitte Entities provided during fiscal years 2005 and 2004:

	2005	2004
Audit Fees(a)	\$ 1,038,745	\$ 1,294,707
Audit-Related Fees(b)	18,275	15,800
Tax Fees(c)	146,500	154,980
All Other Fees	0	0
Total	\$ 1,203,520	\$ 1,465,487

(a) Fees for audit services billed in 2005 and 2004 consisted of:

Audit of the Company's annual financial statements

Evaluate and report on the effectiveness of the Company's internal controls over financial reporting

Reviews of the Company's quarterly financial statements

Comfort letters, consents and other services related to SEC matters

(b) Fees for audit-related services billed in 2005 and 2004 consisted of:

Employee benefit plan audits

(c) Fees for tax services billed in 2005 and 2004 consisted of tax compliance and tax planning and advice:

Tax compliance services are services rendered based upon facts already in existence or transactions that have already occurred to document, compute, and obtain government approval for amounts to be included in tax filings and consisted of:

i. Federal, state and local income tax return assistance

- ii. Sales and use, property and other tax return assistance

- iii. Assistance with tax return filings in certain foreign jurisdictions

The Company generally does not engage the Deloitte Entities for other services. In considering the nature of the services provided by the Deloitte Entities, the Audit Committee determined that such services are compatible with the provision of independent audit services. The Audit Committee discussed these services with the Deloitte Entities and Company management to determine that they are permitted under the rules and regulations concerning auditor independence promulgated by the SEC to implement the Sarbanes-Oxley Act of 2002, as well as the American Institute of Certified Public Accountants.

Pre-Approval Policy

Consistent with SEC policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent registered public accounting firm. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm.

Prior to the engagement of the independent registered public accounting firm for the next year's audit, management will submit a list of services and related fees expected to be rendered during that year within each of the four categories of services to the Audit Committee for approval.

1. *Audit services* include audit work performed on the financial statements and related to the evaluation and reporting on the effectiveness of the Company's internal control over financial reporting, as well as work that generally only the independent registered public accounting firm can reasonably be expected to provide, including comfort letters, consents and other services related to SEC matters, and discussion surrounding the proper application of financial accounting and/or reporting standards.
2. *Audit-Related services* are for assurance and related services that are traditionally performed by the independent registered public accounting firm, including due diligence related to mergers and acquisitions and employee benefit plan audits.
3. *Tax services* include all services, except those services specifically related to the audit of the financial statements, performed by the independent registered public accounting firm's tax personnel, including tax analysis; assisting with the coordination of execution of tax related activities, primarily in the area of corporate developments; supporting other tax related regulatory requirements; and tax compliance and reporting.
4. *Other Fees* are those associated with services not captured in the other categories. The Company generally does not request such services from the independent registered public accounting firm.

Prior to engagement, the Audit Committee pre-approves the independent registered public accounting firm's services within each category. The fees are budgeted and the Audit Committee requires the independent registered public accounting firm and management to report actual fees versus budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent registered public accounting firm for additional services not contemplated in the original pre-approval categories. In those instances, the Audit Committee requires specific pre-approval before engaging the independent registered public accounting firm.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

EXECUTIVE COMPENSATION

Compensation Committee Report on Executive Compensation

The Board of Directors of the Company traditionally performed the functions of a compensation committee, including the review and approval of compensation and terms of employment for all officers of the Company and its subsidiaries. In August 2000, a Compensation Committee, consisting of Messrs. Hyatt, Loverro (until his resignation from the Endo Board of Directors on January 6, 2006) and Wahrhaftig (until his resignation from the Endo Board of Directors on March 15, 2006), was formed to perform these functions. The Compensation Committee is currently comprised of Messrs. Hyatt, Delucca and O'Donnell. The disinterested members of the Board of Managers of Endo Pharma LLC, namely Messrs. Goldberg and Wahrhaftig, review and act on any recommendations of the Company's management for awards granted under the Endo Pharma LLC stock option plans.

The Company's executive compensation is intended to attract high-caliber executives and to reward, retain and motivate management based on corporate and individual annual and long-term business performance. The primary component of compensation is base salary; however, all of the employees of the Company participate in

the Company's incentive compensation program, which provides cash bonuses in the event that (i) the Company achieves one or more targets based on the Company's Consolidated EBITDA (earnings before interest, taxes, depreciation and amortization) as defined by the Company's credit facility and (ii) the individual achieves specified goals. The Company also awards stock options to certain Named Executive Officers and other employees pursuant to the Company's 2000 Stock Incentive Plan (the "2000 Option Plan") and the Company's 2004 Stock Incentive Plan (the "2004 Option Plan"). Such awards are designed to provide incentives to participating employees that are linked directly to increases in stockholder value and that will therefore inure to the benefit of all stockholders of the Company. The Compensation Committee believes that the Company's executive compensation arrangements are reasonable in light of the Company's needs, competitive compensation levels, the Company's retention goals and management motivation. In determining salary and other compensation levels for executive officers, primary consideration is given to each executive's level of responsibility and individual performance.

Prior to the beginning of each fiscal year, the Compensation Committee reviews the Company's near- and long-term strategies and objectives with the Company's Chief Executive Officer. Such review forms the basis for adopting or modifying the corporate annual financial goals recommended by the Company's Chief Executive Officer. Based on this review, the Company's total compensation structure for fiscal year 2005, including the elements and level of compensation opportunities and the variable portion of "at risk" pay for performance and equity participation was established. Consideration was given to, among other matters, marketplace pay levels and practices, as well as the Company's need to continue to attract, retain and motivate employees. The Company's Chief Executive Officer reviewed such compensation structure with the Compensation Committee and asked it to ratify base salary amounts and bonuses for the Company's executive officers.

At fiscal 2005 year-end, the Compensation Committee, in consultation with the Chief Executive Officer, assessed results achieved and strategic progress relative to previously approved goals, taking into consideration the Company's Consolidated EBITDA (earnings before interest, taxes, depreciation and amortization) as defined by the Company's credit facility, prevailing economic and business conditions and opportunities, performance by comparable organizations' Chief Executive Officers, and stockholder value. No particular weightings were assigned to any such factors.

Ms. Ammon, Chief Executive Officer of the Company until May 20, 2005, received a pro-rated base salary of \$258,939 in fiscal 2005. Determination of Ms. Ammon's overall compensation in fiscal 2005 was based upon the performance criteria established by the Board of Directors of the Company at the beginning of fiscal 2005. The Compensation Committee believes that Ms. Ammon's overall compensation was competitive with that of Chief Executive Officers of comparable companies and deemed such compensation to be fair and appropriate. Mr. Lankau, Chief Executive Officer of the Company beginning on May 20, 2005, received a base salary of \$477,243 in fiscal 2005 and was awarded a cash bonus for fiscal 2005 of \$275,000. Determination of Mr. Lankau's overall compensation in fiscal 2005 was based upon the performance criteria established by the Board of Directors of the Company at the beginning of fiscal 2005. The Compensation Committee believes that Mr. Lankau's overall compensation is competitive with that of Chief Executive Officers of comparable companies and deems such compensation to be fair and appropriate.

The federal income tax laws limit the deductibility of certain compensation paid to the Chief Executive Officers and the four most highly compensated executives (the "covered employees") in excess of the statutory maximum of \$1 million per covered employee. The Committee's general policy is, where feasible, to structure compensation paid to the covered employees so as to maximize the deductibility of such compensation for federal income tax purposes; however, there may be circumstances where portions of such compensation will not be deductible.

Submitted by the Compensation Committee of the Company's Board of Directors.

Members of the Compensation Committee:

Michael Hyatt

John J. Delucca (from April 19, 2006)

Joseph T. O'Donnell, Jr. (from April 19, 2006)

- (3) Mr. Lankau was the Company's Senior Vice President, U.S. Business, until April 8, 2003, at which time he was appointed to President and Chief Operating Officer, a role in which he served until May 20, 2005, when he was appointed to President and Chief Executive Officer.

Stock Option/SAR Grants in Last Fiscal Year

The following table sets forth all individual grants of stock options made to the Named Executive Officers during the fiscal year ended December 31, 2005. No SARs were granted by the Company in fiscal 2005.

Name	Individual Grants Percent of Total				Potential Realizable Value At Assumed Annual Rates of Stock Price Appreciation for Option Term(1)

- (1) Based upon the exercise price and the market price of the common stock on the date of grant of \$20.22 annual appreciation at the assumed rates stated on such price through the expiration date of the options. Amounts shown represent hypothetical gains that could be achieved for the options if exercised at the end of the term. These amounts have been determined on the basis of assumed rates of appreciation mandated by the SEC and do not represent the Company's estimate or projection of the future stock price. Actual gains, if any, are contingent upon the continued employment of Mr. Lankau through the expiration date, achievement of the defined vesting thresholds as well as being dependent upon the general performance of the common stock. The potential realizable values have not taken into account amounts required to be paid for federal income taxes.

Options exercised pursuant to the Endo Pharma LLC 1997 Stock Option Plan do not result in the issuance of additional shares in the Company. These stock options are exercisable solely into shares of Company common stock that is held by Endo Pharma LLC (an affiliate of Kelso & Company in which certain members of management have an interest). As a result, the exercise of these options will not result in the issuance of additional shares of Company common stock and will not dilute the ownership of our other public stockholders.

Stock options granted under the Endo Pharma LLC 1997 Stock Option Plan expire no later than August 26, 2007. The shares of common stock that are received upon exercise of stock options pursuant to the Endo Pharma LLC 1997 Stock Option Plan are currently held by Endo Pharma LLC.

Employment Agreements, Termination of Employment and Change-in-Control Arrangements*Employment Agreements with Named Executive Officers*

On September 1, 2001, Endo entered into amended and restated employment agreements with each of Ms. Ammon, Mr. Black, Dr. Lee and Ms. Manogue, and on December 20, 2005, Endo entered into an amended and restated employment agreement with Mr. Lankau. Ms. Ammon's employment agreement was terminated on May 19, 2005 in connection with her retirement from the position of Chief Executive Officer. Each of these remaining employment agreements currently expires on December 31, 2006. Each of these agreements is renewable by the parties for additional one-year periods. On April 19, 2006, Mr. Black announced his intention to retire effective in August 2006.

Each of the employment agreements provides that the executive will be entitled to basic compensation as well as additional incentive compensation. For each fiscal year or part thereof during the employment period, the Company will pay an executive's incentive compensation in cash in an amount equal to a percentage of this executive's salary if Endo meets the performance targets set by the board of directors for a particular fiscal year. Ms. Ammon's additional incentive compensation was equal to 50% of her base salary. Mr. Lankau's additional incentive compensation is equal to 50% of his base salary. Dr. Lee's, Mr. Black's and Ms. Manogue's additional compensation is equal to 40% of their respective base salary. Under these employment agreements, the Company may terminate each executive (1) for cause, (2) for good reason, or (3) upon the executive's disability, incapacity or death. If the Company terminates an executive for cause, he or she will be entitled to receive his or her salary and incentive compensation prorated through the effective date of termination.

In addition, if an executive elects to renew his or her employment agreement but Endo does not and Endo's election not to renew is not for cause, then the executive will be entitled to receive his or her salary for the remainder of the calendar month in which this termination is effective and for eighteen consecutive calendar months thereafter, and Endo will continue to provide the executive with benefits for eighteen consecutive calendar months after such termination. If an executive terminates his or her employment agreement for good reason, the Company will:

pay:

monthly to the executive his or her salary for the remainder of the employment period or eighteen months (whichever is longer) and

the executive's incentive compensation for the fiscal year during which the termination is effective, prorated through the effective date of termination, if this incentive compensation is payable and

continue to provide the executive with benefits for the remainder of the employment period or eighteen months (whichever is longer). Under the terms of each of these employment agreements, good reason means any of the following:

Endo Pharmaceuticals' material breach of the provisions in the employment agreement relating to the director's and officer's liability coverage and compensation or Endo Pharmaceuticals' obligations under the stockholders agreement for the benefit of the executive, or

the assignment of the executive, without the executive's consent, to a position, responsibilities, or duties of a materially lesser status or degree of responsibility.

Under the terms of Mr. Lankau's employment agreement, if he is terminated within twelve (12) months of a sale of all or substantially all of the assets of Endo, the sale of all or substantially all of the stock of Endo, the merger of Endo with one or more other related or unrelated entities, or other similar transaction vesting control of Endo with a third party or parties, the Company must:

pay:

a lump sum payment equal to the Mr. Lankau's salary for the remainder of the employment period plus eighteen months, and

a lump sum payment with respect to Mr. Lankau's incentive compensation for the fiscal year during which the termination is effective, provided that this incentive compensation is payable, and

continue to provide Mr. Lankau with benefits for the remainder of the employment period plus eighteen months.

Performance Graph

The following graph provides a comparison of the cumulative total return on the Company's common stock with that of the cumulative total return on the NASDAQ Stock Market Index (U.S.) and the NASDAQ Pharmaceutical Index commencing on December 31, 2000 and ending December 31, 2005. The graph assumes \$100 invested on December 31, 2000 in the Company's common stock, in the NASDAQ Stock Market (U.S.) Index, or the NASDAQ Pharmaceutical Index, and that all dividends are reinvested.

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933 or the Securities Exchange Act of 1934, as amended, that might incorporate future filings, including this Proxy Statement, in whole or in part, the following report and the Performance Graph that follows shall not be deemed to be incorporated by reference into any such filings.

NO DISSENTERS RIGHTS

The corporate action described in this Proxy Statement will not afford stockholders the opportunity to dissent from the actions described herein or to receive an agreed or judicially appraised value for their shares.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In connection with the Company's acquisition of Algos Pharmaceutical Corporation, affiliates and designees of Kelso & Company contributed all of their shares of Endo common stock to Endo Pharma LLC. This contribution represented approximately 86% of the Endo common stock originally contributed to Endo Pharma LLC, and these contributors continue to own an approximately 86% interest in Endo Pharma LLC. Endo Pharma LLC currently owns less than 1% of all of the issued and outstanding Endo common stock. Currently, Ms. Ammon serves as a member of the Board of Managers of Endo Pharma LLC.

Tax Sharing Agreement. On July 14, 2000, Endo Pharma LLC was formed in connection with the Algos merger to ensure that the stock options granted pursuant to the Endo Pharma LLC Stock Option Plans diluted only the Endo common stock held by persons and entities that held such shares prior to our merger with Algos. Endo Pharma LLC is a limited liability company that held approximately 15% of our common stock at December 31, 2005, in which affiliates of Kelso & Company and certain members of management have an interest. Upon the exercise of these stock options, only currently outstanding shares of our common stock held by Endo Pharma LLC have been and will be delivered. Because Endo Pharma LLC, and not us, has been and will provide the shares upon the exercise of these options, we have entered into a tax sharing agreement with Endo Pharma LLC under which we are required to pay to Endo Pharma LLC the amount of the tax benefits usable by us as a result of the exercise of these stock options into shares of our common stock held by Endo Pharma LLC. As of December 31, 2005, approximately 32.7 million of these stock options had been exercised into shares of our common stock held by Endo Pharma LLC. Upon exercise of any of these Endo Pharma LLC stock options, we generally will be permitted to deduct as a compensation charge, for federal income tax purposes, an amount equal to the difference between the market price of our common stock and the exercise price paid upon exercise of these options (as of December 31, 2005, approximately \$669 million), which is estimated to result in a tax benefit amount of approximately \$257 million. Under the tax sharing agreement, we are required to pay this \$257 million, \$56 million of which has already been paid as of December 31, 2005, to Endo Pharma LLC to the extent that a compensation charge deduction is usable by us to reduce our taxes and based upon the assumption that all other deductions of Endo are used prior thereto. Additionally, as part of the tax sharing agreement, Endo Pharma LLC will reimburse us for the after-tax employer payroll taxes paid by us as a result of the exercise of the 32.7 million options discussed above. We have paid approximately \$9.9 million in employer payroll taxes, of which Endo Pharma LLC will reimburse us for approximately \$6.1 million, which represents the after-tax employer payroll tax expensed by us for the periods from 2001 through 2005.

On April 30, 2004, the tax sharing agreement was amended to provide for a specific schedule upon which payments currently contemplated by the tax sharing agreement would be made. The amended tax sharing agreement provides that the amount of the tax benefits usable by us in each such year will be paid to Endo Pharma LLC in two installments: (i) 50% of the estimated amount shall be paid within 15 business days of our receipt from our independent registered public accounting firm of an opinion on our final audited financial statements, and (ii) the remaining amount shall be paid within 30 business days of the filing of our federal income tax return.

In 2004, we paid \$13.5 million to Endo Pharma LLC to satisfy the tax sharing obligations attributable to 2001, 2002 and 2003. Since 6.6 million shares underlying stock options granted under the Endo Pharma LLC stock option plans were exercised into common stock and sold in the offerings on August 9, 2004 and November 29, 2004, at prices of \$17.46 and \$20.02, respectively, with a weighted average exercise price of \$2.44, and an assumed tax rate of 38.7%, we were obligated to pay Endo Pharma LLC a tax benefit of

approximately \$41 million. Fifty percent of the tax benefit amount attributable to these two 2004 offerings and other Endo Pharma LLC stock option exercises in 2004, aggregating \$21.4 million, was due and was paid within 15 business days of the date we received an opinion on our audited 2004 financial statements from our independent registered public accounting firm and the remaining fifty percent of the tax benefit amount attributable to 2004 was due within 30 business days of the date on which we filed our 2004 tax return with the Internal Revenue Service (which occurred in September 2005) and approximately \$21.4 million was paid in October 2005 to satisfy the tax sharing obligations attributable to 2004. As of December 31, 2005, approximately \$200.9 million is payable to Endo Pharma LLC related to estimated tax sharing payments that we are obligated to pay which are attributable to 2005. This amount will be offset by the \$6.1 million after-tax employer payroll amount discussed above. All payments made and accrued pursuant to the tax sharing agreement have been reflected as a reduction of stockholders' equity in the accompanying financial statements. The estimated tax benefit amount payment to Endo Pharma LLC attributable to Endo Pharma LLC stock options exercised may increase if certain holders of Endo Pharma LLC stock options exercise additional stock options in the future.

On April 30, 2004, we filed a shelf registration statement on Form S-3, as amended on June 10, June 14 and June 25, 2004, providing for the sale by Endo Pharma LLC and certain other selling stockholders named therein, including certain of our directors and officers, from time to time, of up to 30 million currently issued and outstanding shares of our common stock. The shelf registration statement was declared effective by the Securities and Exchange Commission on June 28, 2004. After the closing of the August 9, 2004 and November 29, 2004 offerings, which totaled 19 million shares, up to 11 million shares remained eligible for sale by Endo Pharma LLC under this shelf registration statement. On September 2, 2005, we filed another registration statement on Form S-3, which was declared effective by the Securities and Exchange Commission on September 26, 2005. This shelf registration statement, as amended, effectively increased the shares available for sale by Endo Pharma LLC from 11 million shares to up to 33.35 million currently issued and outstanding shares of our common stock. All of the shares available under this registration statement were sold pursuant to an offering on October 12, 2005, as discussed below. Endo Pharma LLC has informed us that, subject to a variety of factors, including market conditions and stock price levels, it may initiate additional secondary offerings of our common stock in the future.

The Class C Endo Pharma LLC stock options (all of which were vested) became exercisable at the earlier of an exit event, as defined, or January 1, 2006. If the Class C stock options were not exercised by January 1, 2006, they would have terminated. Although the Company had considered extending the term of the Class C stock options, following enactment of the 2004 American Jobs Creation Act, an extension of the term of the stock options would result in adverse tax consequences for the option holders. As a result, the Company and Endo Pharma LLC decided to accelerate the exercisability of the Class C stock options to allow approximately 22 million Class C stock options to be exercised before their expiration on January 1, 2006. The exercise of the Class C stock options is expected to generate a significant tax deduction for the Company and create a significant tax sharing payment obligation to Endo Pharma LLC pursuant to the tax sharing agreement. Upon exercise, option holders will receive shares of Company common stock currently owned by Endo Pharma LLC. Accordingly, no shares of Company common stock will be issued upon exercise of the Class C stock options.

On October 12, 2005, as part of the sale of 33,350,000 shares of our common stock, approximately 19.5 million shares underlying stock options granted under the Endo Pharma LLC stock option plans were exercised at a market price of \$26.04, with a weighted average exercise price of \$2.72, and an assumed tax rate of 38.4%. Since the attributable compensation charge deductions are usable to reduce our taxes in 2005, we are obligated, under our amended tax sharing agreement, to pay to Endo Pharma LLC an additional tax benefit amount of approximately \$175 million. Fifty percent of the estimated tax benefit amount attributable to the October 12, 2005 offering and any additional tax benefits attributable to the exercise of stock options granted under the Endo Pharma LLC stock option plans in 2005 will be due within 15 business days of the date we receive an opinion on our final audited 2005 financial statements from our independent registered public accounting firm and the remaining tax benefit amount attributable to 2005 is due within 30 business days of the date on which we file our 2005 tax return with the Internal Revenue Service. Additionally, since approximately

2.7 million additional stock options granted under the Endo Pharma LLC stock option plans were exercised during the year ended December 31, 2005, and since the attributable compensation charge deductions are usable to reduce our taxes in 2005, we will be obligated, under our amended tax sharing agreement, to pay to Endo Pharma LLC an additional tax benefit amount of approximately \$26 million in 2006. As a result of the significant tax deductions expected to be generated in 2005 from the exercise of the 22.2 million stock options discussed above, we have incurred a net operating loss in 2005 for tax purposes which will permit us to obtain a tax refund of a portion of prior years' payments during 2006. All payments that have been, or will be, made or accrued pursuant to the tax sharing agreement have been, or will be, reflected as a reduction of stockholders' equity in our consolidated financial statements. As of December 31, 2005, there are approximately 2.8 million stock options remaining to be exercised under the Endo Pharma LLC stock option plans. Using a weighted average exercise price of \$2.42 per share and an assumed tax rate of 38.4%, if all of these remaining stock options under the Endo Pharma LLC stock option plans were vested and exercised, and assuming the price of our common stock was \$30.26 per share, the closing price on December 30, 2005, we would generally be able to deduct, for income tax purposes, compensation of approximately \$78 million, which could result in a tax benefit amount of approximately \$30 million payable to Endo Pharma LLC in 2007 and beyond.

Settlement of Contingent Obligation. During the year ended December 31, 2005, the Company reached an agreement with an individual to compensate him a total of \$2 million for past services rendered to the Company. This agreement was finalized in May 2005, and the \$2 million has been recorded in selling, general and administrative expenses during the year ended December 31, 2005. Endo Pharma LLC made these payments totaling \$2 million on behalf of the Company, and they have been treated as a capital contribution by Endo Pharma LLC.

2006 Compensation. In March 2006, Endo Pharma LLC advised our board of directors that it intended to pay a one-time cash bonus to each of Mr. Lankau and Ms. Manogue in the amount of \$3 million and \$6 million, respectively, in recognition of their significant contributions to our success. These bonus payments will be recorded as compensation charges in our 2006 financial statements. In addition, a portion of these bonus payments to Mr. Lankau and Ms. Manogue may, subject to IRS regulations, be permitted to be deducted for income tax purposes. We are not required to pay nor will we pay to Endo Pharma LLC the amount of any of the tax benefits related to these bonus payments pursuant to the Tax Sharing Agreement between us and Endo Pharma LLC. These bonuses to Mr. Lankau and Ms. Manogue will be funded entirely by Endo Pharma LLC, with no contribution by us.

Endo Pharma LLC has also informed us that, in connection with its eventual winding up, it expects to pay Mr. Black \$10 million and make a special allocation to Ms. Ammon of approximately \$22 million, with all or a portion of Ms. Ammon's payment being satisfied by granting to her the remaining unallocated Endo Pharma LLC stock options of approximately 0.8 million shares under the Endo Pharma LLC stock option plans. This grant of options to Ms. Ammon is currently expected to be made in the last quarter of 2006, as determined by Endo Pharma LLC. These awards will be recorded as compensation charges in our 2006 financial statements. The exercise of these stock options (assuming they are granted and exercised) will result in compensation charges which we will be permitted to deduct for income tax purposes. Under the terms of the Tax Sharing Agreement, we are required to pay to Endo Pharma LLC the amount of the tax benefit usable by us as a result of the exercise of these stock options into shares of our common stock held by Endo Pharma LLC. Upon the exercise of the stock options granted under the Endo Pharma LLC stock option plans, only currently outstanding shares of our common stock held by Endo Pharma LLC will be received by holders of such options upon exercise. The exercise of stock options pursuant to Endo Pharma LLC stock option plans does not increase the number of our shares outstanding, and only dilutes the equity holdings of the members of Endo Pharma LLC and not the equity holdings of our other stockholders.

Mr. Hyatt, a director of the Company, is a Senior Managing Director of Bear, Stearns & Co., Inc., an investment bank that performs services for the Company from time to time. However, no payment therefore was due to, or received by, Bear, Stearns & Co., Inc. in fiscal 2005 for these services.
