Section 2 Financial Information

Item 2.02. Results of Operations and Financial Condition

On May 1, 2006, Lydall, Inc. (the Company) issued a press release setting forth the Company s financial results for the first quarter ended March 31, 2006. A copy of the Company s press release is attached hereto as Exhibit 99.1 and is hereby incorporated by reference.

Item 8.01. Other Events

On April 27, 2006, the Board of Directors of the Company approved the redesign of its retirement program for all U.S. employees not covered by a collective bargaining agreement. Two defined benefit plans, Lydall Pension Plan No. 1A and Lydall Pension Plan No. 1B (plans), will be amended, effective June 30, 2006, to freeze the plans with respect to all participants as of that date, so that no further benefits will accrue for participants after that date. All participants will be vested in their accrued benefit as of June 30, 2006, as long as such participants remain actively employed through that date.

Concurrently, the Board of Directors approved amendments to the Lydall 401(k) plan, effective July 1, 2006, to: (i) increase the Company matching contribution to 100 percent of employee pretax contributions up to six percent of compensation; (ii) discontinue the Company stock matching contribution; and (iii) provide for automatic enrollment of eligible non-union employees who were hired before April 1, 2006 and who are not participating in the Lydall 401(k) plan.

On May 1, 2006, the Company issued a press release announcing these changes to its retirement program. A copy of the Company s press release is attached hereto as Exhibit 99.2 and is hereby incorporated by reference.
