(unaudited)

The unaudited Pro Forma Condensed Consolidated Balance Sheet as of March 31, 2006, and the unaudited Pro Forma Condensed Consolidated Statements of Earnings from Continuing Operations for the quarter ended March 31, 2006, and for the year ended December 31, 2005, are based on the historical financial statements of the Company.

The unaudited Pro Forma Condensed Consolidated Balance Sheet as of March 31, 2006, is presented as if the following transactions occurred on March 31, 2006: (i) disposition of the DC Office Buildings including the buyer's assumption of the related mortgage payable, and (ii) the repayment of the Company's credit facility with the proceeds from the disposition of the DC Office Buildings.

The historical balance sheet includes the 87 Investment Properties which were acquired between December 2005 and January 2006 for approximately \$173 million, including closing costs. In addition, the historical amounts include the 21 Inventory Properties which were acquired in December 2005 for approximately \$31 million, including closing costs.

The unaudited Pro Forma Condensed Consolidated Statements of Earnings from Continuing Operations for the quarter ended March 31, 2006, and for the year ended December 31, 2005, are presented as if the following transactions occurred on January 1, 2005 (i) the disposition of the DC Office Buildings, including the buyer's assumption of the related mortgage payable, (ii) the acquisition of 87 Investment Properties and 21 Inventory Properties financed with the proceeds from the credit facility, and (iii) the repayment of the Company's credit facility with the proceeds from the disposition of the DC Office Buildings. The unaudited pro forma information should be read in conjunction with the historical financial statements and notes related thereto appearing in the Company's Form 10-K for the year ended December 31, 2005 and the Form 10-Q for the quarter ended March 31, 2006.

Preparation of the pro forma information was based on assumptions considered appropriate by the Company's management. The pro forma financial information is unaudited and is not necessarily indicative of the results which would have occurred if the transactions described above had been consummated on January 1, 2005 for the Pro Forma Condensed Consolidated Statements of Earnings from Continuing Operations and on March 31, 2006 for the Pro Forma Condensed Consolidated Balance Sheet, nor does it purport to represent the future financial position and the results of operations for future periods. In management's opinion, all adjustments necessary to reflect the effects of the transactions have been made.
