Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer or Listing.

On July 27, 2006, Primus Telecommunications Group, Incorporated (the Company or PRIMUS), received a letter from the Nasdaq Stock Market (Nasdaq) stating that the Listing Qualifications Panel had denied the Company's Motion for Reconsideration of the Panel's determination of the prior day to delist the Company's common stock due to the Company's failure to meet the \$1 minimum bid price requirement, even though the Company meets all other Nasdaq continued listing requirements. As a result, the Company's common stock will no longer be listed on Nasdaq as of the open of business on Friday, July 28, 2006.

The Company was advised that a NASD member firm has filed the requisite Form 211 with the Over-the-Counter Bulletin Board (OTCBB) and that such application has been approved. Accordingly, PRIMUS Common Stock will trade as of the open of business on Friday, July 28, 2006 on the OTCBB under the symbol PRTL. The Company's securities also continue to be traded on the NASD Pink Sheets under the symbol PRTL.

Item 5.03. Amendments to the Articles of Incorporation or Bylaws; Change in Financial Year.

On July 27, 2006, the Board of Directors of the Company approved an increase in the number of authorized shares of the Company's Common Stock from 150,000,000 to 300,000,000. The increase had been approved previously by the Company's stockholders at the 2006 annual meeting. At the annual meeting, the shareholders had also approved an alternative proposal for a reverse stock split. The shareholder approval of these two alternative proposals reserved to the Board of Directors the right, in its sole discretion, to implement either proposal as it determined was in the best interests of the Company and its stockholders. The Board concluded that, under the circumstances, a reverse stock split would not be in the best interests of the Company or its stockholders at this time and that the Company should implement the increase in authorized shares.
