PROXY STATEMENT

ANNUAL MEETING OF UNITHOLDERS

April 26, 2007

GENERAL INFORMATION

Unless otherwise indicated, the terms Valero, we, our and us are used in this proxy statement to refer to Valero GP Holdings, LLC, to one or more of our consolidated subsidiaries or to all of them taken as a whole. The term Board means our board of directors.

This proxy statement is being mailed to holders of our common units, beginning on or about March 26, 2007, in connection with the solicitation of proxies by the Board to be voted at the 2007 Annual Meeting of Unitholders on April 26, 2007 (Annual Meeting). The accompanying notice describes the time, place and purposes of the Annual Meeting.

Holders of record of Valero's common units at the close of business on March 7, 2007 are entitled to vote on the matters presented at the Annual Meeting. On the record date, 42,500,000 Common Units were issued and outstanding and entitled to one vote per unit.

Action may be taken at the Annual Meeting on April 26, 2007 or on any date or dates to which the meeting may be adjourned. Holders of common units representing a majority of the voting power, present in person or represented by properly executed proxy, shall constitute a quorum. If instructions to the contrary are not given, units will be voted as indicated on the proxy card. A unitholder may revoke a proxy at any time before it is voted by submitting a written revocation to Valero, returning a subsequently dated proxy to Valero or by voting in person at the Annual Meeting.

Brokers holding units must vote according to specific instructions they receive from the beneficial owners. If specific instructions are not received, brokers may generally vote these units in their discretion. However, the New York Unit Exchange (NYSE) precludes brokers from exercising voting discretion on certain proposals without specific instructions from the beneficial owner. This results in a broker non-vote on such a proposal. A broker non-vote is treated as present for purposes of determining the existence of a quorum, has the effect of a negative vote when a majority of the voting power of the issued and outstanding units is required for approval of a particular proposal and has no effect when a majority of the voting power of the units present in person or by proxy and entitled to vote or a plurality or majority of the votes cast is required for approval. Pursuant to NYSE rules, brokers will have discretion to vote on the items scheduled to be presented at the Annual Meeting.

Valero pays for the cost of soliciting proxies and the Annual Meeting. In addition to the solicitation of proxies by mail, proxies may be solicited by personal interview, telephone and similar means by directors, officers or employees of Valero, none of whom will be specially compensated for such activities. Valero also intends to request that brokers, banks and other nominees solicit proxies from their principals and will pay such brokers, banks and other nominees certain expenses incurred by them for such activities.

INFORMATION REGARDING THE BOARD OF DIRECTORS

Valero's business is managed under the direction of its board of directors. Our Board conducts its business through meetings of its members and its committees. Our initial public offering was completed on July 19, 2006. During the remainder of 2006, our Board held two meetings and the standing committees held three meetings in the aggregate. No member of the Board attended less than 75% of the meetings of the Board and committees of which he was a member. All Board members are expected to attend the annual unitholders meeting.

Valero's Second Amended and Restated Limited Liability Company Agreement requires the Board to be divided into Class I, Class II and Class III directors, with each class serving a staggered three-year term.

INDEPENDENT DIRECTORS

The Board has one member of management, Curtis V. Anastasio, President and Chief Executive Officer, and four non-management directors. The Board determined that three of four of its non-management directors who served at any time during 2006 met the independence requirements of the NYSE listing standards as set forth in the NYSE Listed Company Manual. Those independent directors were: William B. Burnett, James F. Clingman, Jr. and Stan L. McLelland.

William E. Greehey, Chairman of the Board, retired as CEO of Valero Energy Corporation at the end of 2005. He remained Chairman of Valero Energy Corporation's board of directors until January 2007. Valero Energy Corporation is a customer of Valero L.P., accounting for 23% of total revenues for the year ended December 31, 2006. Mr. Greehey also serves as the Chairman of the Valero GP, LLC board of directors.

Curtis V. Anastasio was elected President and Chief Executive Officer of Valero in 2006, and he has served as a director and the President of Valero GP, LLC since 1999. He has also been the Chief Executive Officer since 2000. As a member of management, Mr. Anastasio is not an independent director under the NYSE's listing standards.

The Board's Audit, Compensation and Nominating/Governance Committees are composed entirely of directors who meet the independence requirements of the NYSE listing standards. Each member of the Audit Committee also meets the additional independence standards for Audit Committee members set forth in the regulations of the Securities and Exchange Commission (SEC).

Independence Determinations

Under the NYSE's listing standards, no director qualifies as independent unless the board of directors affirmatively determines that the director has no material relationship with Valero. Based upon information requested from and provided by each director concerning their background, employment and affiliations, including commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships, the board of directors has determined that, other than being a director and/or unitholder of Valero, each of the independent directors named above has either no relationship with Valero, either directly or as a partner, unitholder or officer of an organization that has a relationship with Valero, or has only immaterial relationships with Valero, and is therefore independent under the NYSE's listing standards.

As provided for under the NYSE listing standards, the board of directors has adopted categorical standards or guidelines to assist the Board in making its independence determinations with respect to each director. These standards are published in Article I of Valero's *Corporate Governance Guidelines* and are available on our website at www.valerogp Holdings.com (under the Corporate Governance tab in the Investor Relations

section). Under the NYSE listing standards, immaterial relationships that fall within the guidelines are not required to be disclosed in this proxy statement.

A relationship falls within the guidelines adopted by the Board if it:

is not a relationship that would preclude a determination of independence under Section 303A.02(b) of the NYSE Listed Company Manual;

consists of charitable contributions by the Company to an organization where a director is an executive officer and does not exceed the greater of \$1 million or 2% of the organization's gross revenue in any of the last three years;

consists of charitable contributions to any organization with which a director, or any member of a director's immediate family, is affiliated as an officer, director or trustee pursuant to a matching gift program of the Company and made on terms applicable to employees and directors; or is in amounts that do not exceed \$250,000 per year; and

is not required to be, and it is not otherwise, disclosed in this proxy statement.

COMMITTEES OF THE BOARD

The Board has standing Audit, Compensation and Nominating/Governance Committees. Each committee has a written charter. These charters are published on our website at www.valerogp Holdings.com (under the Corporate Governance tab in the Investor Relations section). The committees of the Board and the number of meetings held by each committee in 2006 are described below.

AUDIT COMMITTEE

The Audit Committee reviews and reports to the Board on various auditing and accounting matters, including the quality, objectivity and performance of our internal and external accountants and auditors, the adequacy of its financial controls and the reliability of financial information reported to the public. The Audit Committee also monitors our efforts to comply with environmental laws and regulations. Members of the Audit Committee during 2006 were William B. Burnett (Chairman), James F. Clingman, Jr. and Stan L. McLelland. The Audit Committee met three times in 2006. The *Report of the Audit Committee for Fiscal Year 2006* appears below within the disclosures related to Proposal 2.

The Board has determined that a member of the Audit Committee, namely Mr. Burnett, is an audit committee financial expert (as defined by the SEC), and that he is independent as independence for audit committee members is defined in the NYSE Listing Standards. For further information regarding Mr. Burnett's relevant experience, see *Information Concerning Nominees and Other Directors* below.

COMPENSATION COMMITTEE

The Compensation Committee reviews and reports to the Board on matters related to compensation strategies, policies and programs, including certain personnel policies and policy controls, management development, management succession and benefit programs. The Compensation Committee also approves and administers our equity compensation plans. The Compensation Committee has for administrative convenience delegated authority to the Company's Chief Executive Officer to make non-material amendments to the Company's plans. See *Report of the Compensation Committee of the Board on Executive Compensation* below.

Members of the Compensation Committee during 2006 were Stan L. McLelland (Chairman), William B. Burnett and James F. Clingman, Jr. The Compensation Committee met one time in 2006.

The *Compensation Committee Report* for fiscal year 2006 appears below within the disclosures related to Executive Compensation.

Compensation Committee Interlocks and Insider Participation

There are no compensation committee interlocks. None of the members of the Compensation Committee listed above has ever served as an officer or employee of Valero or had any relationship requiring disclosure by Valero under any paragraph of Item 404 of SEC's Regulation S-K. Except for compensation arrangements disclosed in this proxy statement, Valero has not participated in any contracts, loans, fees, awards or financial interests, direct or indirect, with any Compensation Committee member, nor is Valero aware of any means, directly or indirectly, by which a Compensation Committee member could receive a material benefit from Valero.

NOMINATING/GOVERNANCE COMMITTEE

The Nominating/Governance Committee evaluates policies on the size and composition of the Board and criteria and procedures for director nominations, and considers and recommends candidates for election to the Board. The committee also evaluates, recommends and monitors corporate governance guidelines, policies and procedures, including our codes of business conduct and ethics. Members of the Nominating/Governance Committee during 2006 were Stan L. McLelland (Chairman), William B. Burnett and James F. Clingman, Jr. The Nominating/Governance Committee met for the first time in February 2007.

In addition to recommending William E. Greehey and Stan L. McLelland as the director nominees for election as Class I directors at the 2007 Annual Meeting, the committee considered and recommended the appointment of a presiding director to preside at meetings of the independent directors without management, and recommended assignments for the committees of the Board. The full Board approved the recommendations of the Nominating/Governance Committee and adopted resolutions approving the slate of director nominees to stand for election at the 2007 Annual Meeting, the appointment of a presiding director, and assignments for the committees of the Board.

Selection of Director Nominees

The Nominating/Governance Committee solicits recommendations for potential Board candidates from a number of sources including members of the Board, Valero's officers, individuals personally known to the members of the Board and third-party research. In addition, the committee will consider candidates submitted by unitholders. Any submissions by a unitholder must be in writing and include the candidate's name, qualifications for Board membership, and sufficient biographical and other relevant information such

that an informed judgment as to the proposed nominee's qualifications can be made. Submissions must be directed to Valero's Corporate Secretary at the address indicated on the cover page of this proxy statement. The level of consideration that the committee will give to a unitholder's candidate will be commensurate with the quality and quantity of information about the candidate that the nominating unitholder makes available to the committee. The committee will consider all candidates identified through the processes described above and will evaluate each of them on the same basis. In addition, in order to nominate a person for election as a director at an annual unitholders meeting, our bylaws require unitholders to follow certain procedures, including providing timely notice, as described under *Notice Required for Unitholder Nominations and Proposals* below.

Evaluation of Director Candidates

The Nominating/Governance Committee is responsible for assessing the skills and characteristics that candidates for election to the Board should possess, as well as the composition of the Board as a whole. The assessments include qualifications under applicable independence standards and other standards applicable to the Board and its committees, as well as consideration of skills and experience in the context of the needs of the Board. Each candidate must meet certain minimum qualifications, including:

independence of thought and judgment;

the ability to dedicate sufficient time, energy and attention to the performance of her or his duties, taking into consideration the nominee's service on other public company boards; and

skills and expertise complementary to the existing Board members' skills; in this regard, the Board will consider its need for operational, managerial, financial, governmental affairs or other relevant expertise.

The Nominating/Governance Committee may also consider the ability of a prospective candidate to work with the then-existing interpersonal dynamics of the Board and the candidate's ability to contribute to the collaborative culture among Board members.

Based on this initial evaluation, the committee will determine whether to interview the candidate, and if warranted, will recommend that one or more of its members, other members of the Board or senior management, as appropriate, interview the candidate in person or by telephone. After completing this evaluation and interview process, the committee ultimately determines its list of nominees and submits it to the full Board for consideration and approval.

PRESIDING DIRECTOR/MEETINGS OF NON-MANAGEMENT DIRECTORS

Pursuant to the recommendation of the Nominating/Governance Committee, the Board designated Stan L. McLelland to serve as the Presiding Director for meetings of the non-management Board members outside the presence of management. The non-management Board members regularly meet outside the presence of management.

UNITHOLDER COMMUNICATIONS

Unitholders and other interested parties may communicate with the Board, its non-management directors or the Presiding Director by sending a written communication in an envelope addressed to Board of Directors, Non-Management Directors, or Presiding Director in care of Valero's Corporate Secretary at the address indicated on the cover page of this proxy statement. Additional requirements for certain types of communications are stated below under the caption *Notice Required for Unitholder Nominations and Proposals*.

CODE OF ETHICS FOR SENIOR FINANCIAL OFFICERS

We have adopted a *Code of Ethics for Senior Financial Officers* that applies to our principal executive officer, principal financial officer, and controller. This code charges these senior financial officers with responsibilities regarding honest and ethical conduct, the preparation and quality of the disclosures in documents and reports we file with the SEC and compliance with applicable laws, rules and regulations.

GOVERNANCE DOCUMENTS

We posted our *Corporate Governance Guidelines*, *Code of Business Conduct and Ethics* (which applies to our employees and directors), *Code of Ethics for Senior Financial Officers*, the charters of the committees of the Board, and other governance documents on our website at <http://www.valerogp.com> (in the Investor Relations section). Our governance documents are available in print to any unitholder. Requests must be in writing and directed to Valero's Corporate Secretary at the address indicated on the cover page of this proxy statement.

PROPOSAL NO. 1 ELECTION OF DIRECTORS**(Item 1 on the Proxy Card)**

Our Board is divided into three classes for purposes of election. Two Class I directors will be elected at the 2007 Annual Meeting to serve a three-year term that will expire at the 2010 Annual Meeting. Nominees for Class I directors are William E. Greehey and Stan L. McLelland.

The persons named in the enclosed proxy card intend to vote for the election of each of the nominees, unless you indicate on the proxy card that your vote should be withheld from any or all of such nominees.

The board of directors recommends that unitholders vote FOR ALL nominees.

Directors are elected by a plurality of the votes cast by the holders of the Common Units represented at the Annual Meeting and entitled to vote. The nominees for Class I directors receiving the greatest number of votes, whether or not these votes represent a majority of the votes of the holders of the common units present and voting at the Annual Meeting, will be elected as directors. Votes withheld from a nominee will not count against the election of the nominee.

If any nominee is unavailable as a candidate at the time of the Annual Meeting, either the number of directors constituting the full Board will be reduced to eliminate the vacancy, or the persons named as proxies will use their best judgment in voting for any available nominee. The Board has no reason to believe that any current nominee will be unable to serve.

INFORMATION CONCERNING NOMINEES AND OTHER DIRECTORS

The following table describes (i) each nominee for election as a director at the 2007 Annual Meeting, and (ii) the other members of the Board whose terms expire in 2008 and 2009. The information provided is based partly on data furnished by the directors and partly on Valero's records. - (2) Mr. Anastasio is not compensated for his service as a director of Valero.
- (3) Represents dollar amounts recognized by Valero L.P. for financial statement reporting purposes for the fiscal year ended December 31, 2006 in accordance with SFAS 123R, which requires companies to expense the costs of equity awards over the period in which an employee is required to provide service in exchange for the awards.
No unit options have been granted to Valero directors.

As of December 31, 2006, each director holds the following aggregate number of restricted unit and option awards:

Name	Aggregate # of Restricted Units	Aggregate # of Unit Options
William E. Greehey	962	
Curtis V. Anastasio	0	
William B. Burnett	962	
James F. Clingman, Jr.	0	
Stan L. McLelland	962	

- (4) We do not have pension or deferred compensation plans.
- (5) Mr. Anastasio is not compensated for his service as a director of Valero GP Holdings. He was not elected to the board until January 2007.
- (6) Mr. Clingman was not elected to the board until December 22, 2006. He received no fees or other grants in connection with his service in 2006.

During 2006, non-employee directors received a retainer fee of \$30,000 per year, plus \$1,000 for each Board and committee meeting attended in person and \$500 for each Board and committee meeting attended telephonically. Directors who serve as chairperson of the Audit Committee receive an additional \$10,000 annually, and directors who serve as chairperson of either the Compensation or the Nominating/Governance Committee receive an additional \$5,000 annually. Each director is also reimbursed for expenses of meeting attendance. Directors who are employees of Valero GP, LLC receive no compensation (other than reimbursement of expenses) for serving as directors. The Chairman of the Board receives an additional retainer fee of \$30,000 per year. The Chairman of the Board receives no fees for attending committee meetings.

Valero GP, LLC supplements the compensation paid to non-employee directors with an annual grant of restricted units valued at \$20,000 that vests in equal annual installments over a three-year period. We believe this annual grant of restricted units increases the non-employee directors identification with the interests of Valero GP Holdings, LLC's unitholders through ownership of Valero GP Holdings' common units. Upon a non-employee director's initial election to the Board, the director will receive a grant of restricted units equal to the pro-rated amount of the annual grant of restricted units from the time of his election through the next annual grant of restricted units.

In the event of a Change of Control as defined in the LTIP, all unvested restricted units and unit options previously granted immediately become vested or exercisable. Each plan also contains anti-dilution provisions providing for an adjustment in the number of restricted units or unit options, respectively, that have been granted to prevent dilution of benefits in the event any change in our capital structure that affects our common units.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**TRANSACTIONS WITH MANAGEMENT AND OTHERS**

In January 2007, our Board adopted a written related person transaction policy that codifies our prior practice. The policy requires that any transaction between Valero and: (i) any vice president, Section 16 officer or director, (ii) any 5% or greater unitholder of Valero L.P. or Valero GP Holdings, LLC, (iii) any immediate family member of any officer or director or (iv) any entity controlled by any of (i), (ii) or (iii) (or in which any of (i), (ii) or (iii) owns more than 5%) must be approved by the disinterested members of the Board. In addition, the policy requires that the officers and directors have an affirmative obligation to inform our Corporate Secretary of his or her immediate family members, as well as any entities he or she controls or owns more than 5%.

On July 19, 2006, wholly owned subsidiaries of Valero Energy sold 17,250,000 Valero GP Holdings units representing limited liability company interests to the public at \$22.00 per unit in an initial public offering (IPO). Certain of our executive officers and directors purchased units of Valero GP Holdings in a directed unit in connection with the IPO in the amounts stated below at the price paid by the public per unit (\$22.00):

Name	Number of Units (#)	Aggregate Purchase Amount (\$)
Curtis V. Anastasio	17,400	382,800
Steven A. Blank	15,000	330,000
Bradley C. Barron	2,000	44,000
William E. Greehey	455,000	10,010,000
William B. Burnett	1,000	22,000
Stan L. McLelland	10,000	220,000
Thomas R. Shoaf	2,000	44,000

On December 22, 2006, simultaneously with the closing a secondary public offering by subsidiaries of Valero Energy of 20,550,000 Valero GP Holdings units at \$21.62 per unit, the Valero Energy subsidiaries also sold an additional 4,700,000 unregistered units to Mr. Greehey at \$21.62 per unit, for an aggregate purchase price paid by Mr. Greehey of \$101,614,000.

As a result of the IPO, the secondary public offering and the sale to Mr. Greehey, Valero Energy's indirect ownership interest in Valero GP Holdings was reduced to zero. For a description of the related person transactions between Valero Energy and us prior to this separation, please see Note 14 of Notes to Consolidated Financial Statements in Item 8. Financial Statements and Supplementary Data for additional information.

PROPOSAL NO. 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

(Item 2 on the Proxy Card)

The Audit Committee of the board of directors determined on February 28, 2007 to engage KPMG LLP (KPMG) to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2007. KPMG also served as the Company's independent registered public accounting firm for the fiscal year ended December 31, 2006 since the Company became a publicly traded company in July 2006.

The Board requests unitholder approval of the following resolution adopted by the Audit Committee and the board of directors.

RESOLVED, that the appointment of the firm of KPMG LLP as the independent registered public accounting firm for the Company for the purpose of conducting an audit of the consolidated financial statements and internal control over financial reporting of Valero and its subsidiaries for the fiscal year ending December 31, 2007 is hereby approved and ratified.

The Board recommends that the unitholders vote FOR the proposal to ratify the appointment of KPMG LLP as the Company's independent registered public accounting firm for 2007.

The affirmative vote of a majority of the voting power of the units present in person or by proxy and entitled to vote is required for adoption of this proposal. If the appointment is not approved, the adverse vote will be considered as an indication to the Board that it should select another independent registered public accounting firm for the following year. Because of the difficulty and expense of making any substitution of public accountants so long after the beginning of the current year, it is contemplated that the appointment for 2006 will be permitted to stand unless the Audit Committee finds other good reason for making a change.

Representatives of KPMG are expected to be present at the Annual Meeting to respond to appropriate questions raised at the Annual Meeting or submitted to them in writing prior to the Annual Meeting. The representatives may also make a statement if they desire to do so.

KPMG LLP FEES FOR FISCAL YEAR 2006

Audit Fees. The aggregate fees for the fiscal year 2006 for professional services rendered by KPMG for the audit of the annual financial statements for the year ended December 31, 2006 included in Valero's Form 10-K, review of Valero's interim financial statements included in Valero's 2006 Forms 10-Q, and services that are normally provided by the principal auditor (*e.g.*, comfort letters, statutory audits, attest services, consents and assistance with and review of documents filed with the SEC) were \$122,738. These fees do not include fees paid by Valero Energy Corporation in connection with Valero's initial public offering or secondary offering.

Audit-Related Fees. The aggregate fees for the fiscal year 2006 for assurance and related services rendered by KPMG that are reasonably related to the performance of the audit or review of Valero's financial statements and not reported under the preceding caption were \$0.

Tax Fees. The aggregate fees for the fiscal year 2006 for professional services rendered by KPMG for tax compliance, tax advice and tax planning were \$0.

All Other Fees. The aggregate fees for the fiscal year 2006 for services provided by KPMG, other than the services reported under the preceding captions, were \$0.

AUDIT COMMITTEE PRE-APPROVAL POLICY

The Audit Committee has adopted a pre-approval policy to address the approval of services rendered to Valero by its independent auditors. The text of that policy appears in Exhibit 99.01 to the Company's report on Form 10-K for the fiscal year ended December 31, 2006.

None of the services (described above) for 2006 provided by KPMG were approved by the Audit Committee pursuant to paragraph (c)(7)(i)(C) of Rule 2-01 of Regulation S-X.

REPORT OF THE AUDIT COMMITTEE FOR FISCAL YEAR 2006 *

Management is responsible for the Company's internal controls and the financial reporting process. KPMG LLP, the Company's independent registered public accounting firm for the fiscal year ended December 31, 2006, is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (PCAOB) and generally accepted auditing standards, and an audit of the Company's internal control over financial reporting in accordance with the standards of the PCAOB, and to issue their reports thereon. The committee monitors and oversees these processes. The committee approves the selection and appointment of the Company's independent registered public accounting firm and recommends the ratification of such selection and appointment to the board of directors.

The committee has reviewed and discussed the Company's audited financial statements with management and the independent registered public accounting firm. The committee has discussed with KPMG the matters required to be discussed by Statement on Auditing Standards No. 61 (*Communications with Audit Committees*). The committee has received written confirmation from KPMG of its independence, and has discussed with KPMG that firm's independence.

Based on the foregoing review and discussions and such other matters the committee deemed relevant and appropriate, the committee recommended to the board of directors that the audited financial statements of the Company be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2006.

Members of the Audit Committee:*

William B. Burnett (Chairman)

James F. Clingman, Jr.

OTHER BUSINESS

If any matters not referred to in this proxy statement properly come before the Annual Meeting or any adjournments or postponements thereof, the enclosed proxies will be deemed to confer discretionary authority on the individuals named as proxies to vote the units represented by proxy in accordance with their best judgments. The Board is not currently aware of any other matters that may be presented for action at the Annual Meeting.

ADDITIONAL INFORMATION - ADVANCE NOTICE REQUIRED FOR UNITHOLDER NOMINATIONS AND PROPOSALS

Under our limited liability company agreement, unitholders intending to bring any business before an annual meeting of unitholders, including nominations of persons for election as directors, must give prior written notice to the Corporate Secretary regarding the business to be presented or persons to be nominated. The notice must be received at the principal executive office of Valero at the address shown on the cover page within the specified period and must be accompanied by the information and documents specified in the limited liability company agreement. A copy of the limited liability company agreement may be obtained by writing to the Corporate Secretary of Valero at the address shown on the cover page.

Recommendations by unitholders for directors to be nominated at the 2008 annual meeting of unitholders must be in writing and include sufficient biographical and other relevant information such that an informed judgment as to the proposed nominee's qualifications can be made. Recommendations must be accompanied by a notarized statement executed by the proposed nominee consenting to be named in the proxy statement, if nominated, and to serve as a director, if elected. Notice and the accompanying information must be received at the principal executive office of Valero at the address shown on the cover page not less than 90 days or more than 120 days prior to the first anniversary of the preceding year's annual meeting.

The limited liability company agreement does not affect any unitholder's right to request inclusion of proposals in Valero's proxy statement pursuant to Rule 14a-8 under the Exchange Act. Rule 14a-8 specifies what constitutes timely submission for a unitholder proposal to be included in Valero's proxy statement. If a unitholder wishes to bring business before the meeting that is not the subject of a proposal timely submitted for inclusion in the proxy statement, the unitholder must follow procedures outlined in our limited liability company agreement. A copy of these procedures is available upon request from Valero's Corporate Secretary at the address shown on the cover page. One of the procedural requirements in our limited liability company agreement is timely notice in writing of the business the unitholder proposes to bring before the meeting. Notice must be received at our principal executive offices at the address shown on the cover page not less than 90 days or more than 120 days prior to the first anniversary of the preceding year's annual meeting. These limited liability company agreement procedures govern proper submission of business to be put before a unitholder vote, but do not preclude discussion by any unitholder of any business properly brought before the annual meeting. Under the SEC's proxy solicitation rules, to be considered for inclusion in the proxy materials for the 2008 annual meeting of unitholders, unitholder proposals must be received by Valero's Corporate Secretary at our principal offices in San Antonio, Texas by November 26, 2007. Unitholders are urged to review all applicable rules and consult legal counsel before submitting a nomination or proposal to Valero.

MISCELLANEOUS

Financial Statements/Annual Report

Consolidated financial statements and related information for Valero, including audited financial statements for the fiscal year ended December 31, 2006, are contained in Valero's Annual Report on Form 10-K, which is being distributed to unitholders with this proxy statement.

Householding

The SEC's rules allow companies to send a single copy of annual reports, proxy statements, prospectuses and other disclosure documents to two or more unitholders sharing the same address, subject to certain conditions. These householding rules are intended to provide greater convenience for unitholders, and cost savings for companies, by reducing the number of duplicate documents that unitholders receive. If your units are held by an intermediary broker, dealer or bank in street name, your consent to householding may be sought, or may already have been sought, by or on behalf of the intermediary. If you wish to revoke a consent to householding obtained by a broker, dealer or bank which holds units for your account, you may do so by calling toll free at (800) 542-1061, or you may contact your broker.
