**Item 1.01 Entry into a Material Definitive Agreement.**

On April 27, 2007, Kindred Healthcare, Inc. (the Company) and Ventas, Inc. and certain of its affiliates (Ventas) entered into certain Agreements for Sale of Real Estate pursuant to which the Company will purchase for resale 22 under-performing facilities currently leased from Ventas for an aggregate purchase price of \$171.5 million (the Facilities Acquisitions). The Company will also pay a lease termination fee to Ventas of \$3.5 million. The Facilities Acquisitions are subject to certain approvals and other customary conditions to closing. The Company's failure to satisfy certain closing conditions could result in forfeiture to Ventas of the Company's purchase money deposit of \$10 million.

On April 27, 2007, the Company and Ventas also amended and restated the Master Lease Agreements between the parties (the Amended Master Leases) to include, among other things, the following amendments:

The Company has an ongoing right to de-license 35% of the hospital beds in any hospital and 10% of the hospital beds in any Amended Master Lease for the development of sub-acute units.

The Company is permitted to de-license 912 beds in 70 nursing centers, which will allow the Company to reduce multiple bed wards and enhance the quality of life for its residents and improve the marketability of these facilities.

Insurance provisions have been modified to expand the list of third-party insurers that are permitted to insure the Company's professional liability exposure and to provide a one-time right for the Company to commute its current insurance policies.

Two lease renewal bundles contained in the Amended Master Lease No. 3 have been combined.

Ventas has enhanced reporting and inspections rights.

In connection with the Facilities Acquisitions and the Amended Master Leases, the Company has renewed the Master Lease Agreements for an additional five years for 49 nursing centers and eight long-term acute care hospitals. In addition, Ventas has agreed that it will not contest the Company's proposed spin-off of its pharmacy division.

On April 27, 2007, the Company entered into a consent and waiver (the Consent) pursuant to its \$400 million Amended and Restated Credit Agreement dated as of June 28, 2004 among the Company, the Lenders party thereto, and JPMorgan Chase Bank, N.A. (formerly known as JPMorgan Chase Bank), as Administrative Agent and Collateral Agent.

The Consent addresses the Facilities Acquisitions and the Amended Master Leases to, among other things, permit the Amended Master Leases and waive compliance with certain asset sale, acquisition and other requirements otherwise applicable to the Facilities Acquisitions.
