**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

(b) On June 28, 2007, Steven A. Prue, President of Noble International, Ltd. (the Company), informed the Company that he has decided to resign due to personal reasons. Mr. Prue's resignation will be effective as of September 1, 2007.

(e) The Named Executive Officers (as defined herein) identified below, which include the principal executive officer and principal financial officer of Noble International, Ltd. (the Company), were granted restricted stock awards under the Noble International, Ltd. 2001 Stock Incentive Plan, effective as of June 29, 2007. For purposes of this Current Report on Form 8-K, Named Executive Officers refers to those executive officers of the Company who were identified as the Company's named executive officers for fiscal 2006 in the Company's amended Annual Report on Form 10-K/A, for the fiscal year ended December 31, 2006, filed on April 30, 2007.

The restricted stock awards were granted under the Noble International, Ltd. 2001 Stock Incentive Plan (the Plan). In connection with the restricted stock awards, each of the Named Executive Officers identified below has entered into a Restricted Stock Award Agreement with the Company. Each Restricted Stock Award Agreement, in addition to certain other provisions, provides that the Named Executive Officer receives one share of common stock (the Matched Shares) for every two shares of common stock that the Named Executive Officer purchases under the Plan (the Purchased Shares). The maximum number of Matched Shares that each Named Executive Officer may receive is identified below, along with the maximum number of Purchased Shares that each Named Executive Officer may purchase under the Plan. The maximum number of Matched Shares was determined by dividing the grant amount (either \$125,000 or \$50,000) by the seven (7) day average of the closing price of the common stock of the Company, as listed on the NASDAQ, preceding the date of grant (the Fair Market Value). The actual number of Purchased Shares and Matched Shares will vary based upon each person's level of participation.

The Matched Shares are subject to a two-year vesting period, which among other things, requires that the Named Executive Officer remain employed by the Company. In the event of a change in control of the Company (as defined in the Plan), any unvested shares will immediately vest in the recipient.

The foregoing discussion of the restricted stock awards does not purport to be complete and is qualified in its entirety by reference to the attached copy of the Plan and the form of Restricted Stock Award Agreement, which are incorporated by reference into this Item 5.02.
