**(c) Retirement Incentive Payments for James P. Dollive**

In our Current Report on Form 8-K filed with the SEC on September 4, 2007, we reported that James P. Dollive, Executive Vice President and Chief Financial Officer, was retiring and that his compensation would continue unchanged during the period prior to his retirement.

We are filing this Amendment No. 1 to the Form 8-K filed on September 4, 2007, to report that on October 4, 2007, our Compensation Committee of the Board of Directors (the Committee) approved additional benefits to Mr. Dollive following his retirement on February 29, 2008. We do not typically provide additional benefits to similarly situated retiring employees. The additional benefits are consideration for Mr. Dollive's agreement to the following restrictive covenants until February 28, 2009: (i) that he will not, without our prior written approval, work for, provide services, directly or indirectly, to specified competitors; and (ii) that he will not solicit our employees to work for another entity. On November 19, 2007, we executed an Agreement Upon Retirement and General Release (the Agreement) under which Mr. Dollive agreed to the terms of the restrictive covenants and to the additional benefits proposed by the Compensation Committee. Under the terms of the Kraft Foods Inc. Incentive Compensation Plan of 2005, Mr. Dollive's unvested restricted stock awards, which were granted in 2006 and 2007, will be forfeited upon his retirement. However, if Mr. Dollive complies with all of the restricted covenants in the Agreement, the forfeited restricted stock awards will be replaced with the equivalent value of deferred stock award units that vest in accordance with the vesting schedule of the forfeited restricted stock awards.

In addition, at the October 4, 2007, meeting, the Committee completed an initial assessment of Mr. Dollive's performance for the 2007 performance year and discussed his individual performance relative to goals set at the beginning of 2007. The Committee assigned a personal performance rating of 150% of target in recognition of Mr. Dollive's exceptional work in managing the financial transformation associated with our March 2007 spin-off from Altria Group, Inc. The personal rating will be applied to the business rating that will be determined later this year for purposes of calculating the payment that will be made to Mr. Dollive under the Kraft Management Incentive Plan for 2007.

The forgoing description of the Agreement is qualified in its entirety by reference to the complete terms and conditions of the Agreement, which is filed as Exhibit 99.1 to this amended Current Report on Form 8-K/A.
