Item 1.01. Entry Into a Material Definitive Agreement.

On June 27, 2008, our wholly-owned subsidiary ABD Holding Company, Inc., entered into a \$20,000,000 revolving line of credit facility with Blue Ridge Investments, L.L.C. to serve as a contingent financing facility. The credit facility is secured by a first priority security interest in our subsidiary's holdings in the Columbia Strategic Cash Portfolio. We have also guaranteed the obligations of our subsidiary pursuant to the terms of a continuing guaranty. Under the terms of the credit facility, any amounts borrowed bear interest at a per annum rate of LIBOR plus .25%. During the term of the credit facility, we will pay unused commitment fees of .25% on any difference between the total \$20,000,000 commitment and the amount of credit actually utilized, calculated on an annual basis and to be paid monthly. Assuming no amounts are borrowed during the full one-year term of the credit facility, the maximum unused annual commitment fees owed would be \$50,000, or \$12,500 per quarter. The credit facility is available until June 2009 and we can cancel the facility at any time, at which point we would not be obligated to pay future unused commitment fees. A copy of the pledge agreement, letter agreement and promissory note and continuing guaranty are filed as exhibits 10.1, 10.2 and 10.3 to this current report on form 8-K and incorporated by reference herein.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

Under the revolving credit facility described above in Item 1.01, we may from time to time incur direct financial obligations that are material in amount, up to a maximum of \$20,000,000. The description set forth in item 1.01 above is incorporated by reference into this Item 2.03.

Item 9.01. Financial Statements and Exhibits.
