## NAUTILUS, INC.

## FORM 8-K/A

**ITEM 2.05 COSTS ASSOCIATED WITH EXIT OR DISPOSAL ACTIVITIES**

This Form 8-K/A amends and supplements the current report on Form 8-K filed by Nautilus, Inc, a Washington corporation (the Company), on September 29, 2009, to report the Company's commitment to a plan to divest itself of all of the assets, liabilities and ongoing operations of its commercial business, which plan was approved at a meeting of the Board of Directors held on September 25, 2009. This Form 8-K/A is being filed to disclose the estimates required by Item 2.05 of Form 8-K.

On December 29, 2009, the Company completed the sale of certain assets of its StairMaster™ and Schwinn™ Fitness product lines and, on February 19, 2010, the Company completed the sale of certain assets of its Nautilus™ commercial equipment product lines, all of which were consistent with its previously announced planned divestiture of its commercial division.

On March 2, 2010, the Company made a final determination of estimated disposal costs associated with divestiture of the commercial business. The Company further determined that it expects to incur total charges of \$13.5 million in connection with the divestiture of its commercial business and, of these charges, \$4.0 million are expected to be cash charges and \$9.5 million are expected to be non-cash charges.

The major types and timing of charges expected to be incurred are as follows:

DESCRIPTION	AMOUNT	TYPE	TIMING OF CHARGES	
			Q3 2009	Q4 2009
Asset disposal losses	\$ 9.5 million <sup>1</sup>	Non-cash	Q3 2009	Q4 2009
Lease terminations and other contract obligations	1.8 million <sup>2</sup>	Cash	Q1 2010	Q3 2010
Employee termination severance payments and other costs	2.2 million	Cash	Q4 2009	Q3 2010
<b>Total charges</b>	<b>\$ 13.5 million<sup>3</sup></b>			

<sup>1</sup> In light of management's decision in the fourth quarter of 2009 to dispose of the commercial business in multiple asset groups involving several buyers, rather than in a single disposal group as originally was planned, the estimated asset disposal loss of \$18.3 million recognized in the third quarter of 2009 (which was based on the information available to management at the time) was reduced by approximately \$8.8 million in the fourth quarter of 2009.

<sup>2</sup> Of this amount, approximately \$1.0 million consists of facility lease obligations, under which substantially equal monthly payments are due until 2014.

<sup>3</sup> Of this amount, approximately \$10.1 million was recognized in 2009, consisting of \$9.5 million for estimated asset disposal losses and \$0.6 million for employee termination severance payments.

Edgar Filing: NAUTILUS, INC. - Form 8-K/A

The Company expects to complete the divestiture of its commercial business in 2010. The following table shows the portions of the commercial business divestiture for which sales transactions have been completed, and the portions for which sales were not completed, as of March 5, 2010:
