PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Community Bankers Trust Corporation (the "Company") has received comments from the Securities and Exchange Commission (the "Commission") with respect to the disclosures in certain of its periodic reports, including its Annual Report on Form 10-K for the year ended December 31, 2008 and its Quarterly Report on Form 10-Q for each of the quarters ended March 31, 2009, June 30, 2009 and September 30, 2009. The most significant comments relate to the Commission's request that the Company amend these filings to include financial statements and related information with respect to each of the Company's predecessors (TransCommunity Financial Corporation and BOE Financial Services of Virginia, Inc.), as the Company was a special purpose acquisition company with nominal results prior to the acquisition of each of these entities on May 31, 2008. The Commission's comments also include requested revisions to these filings to enhance disclosure relating to goodwill and intangible assets, fair value measurements, FDIC-covered assets and asset quality. None of these comments require the Company to restate any of the financial information in the identified filings, and the Company is in the process of completing responses to the Commission's comments and making appropriate revisions to these filings.

The amended Form 10-Q filings will also include an expanded presentation of financial information relating to the Company's acquisition of the operations of Suburban Federal Savings Bank in January 2009, due primarily to the post-transaction application of accounting rules with respect to the fair value of loans covered by FDIC shared-loss agreements and the FDIC indemnification asset.

As a result, the Company's financial reporting staff requires additional time to finalize the amended filings described above and related disclosures that will appear in its Annual Report on Form 10-K for the year ended December 31, 2009 (the "2009 Form 10-K"). Because of the additional time required to complete these disclosures, the Company could not file the 2009 Form 10-K by the prescribed due date without unreasonable effort and expense.

Edgar Filing: Community Bankers Trust Corp - Form NT 10-K

The Company is working diligently on addressing the Commission's comments with respect to prior filings as expeditiously as possible and completing all disclosures for the 2009 Form 10-K. The Company expects to complete its amended filings as soon as practicable, and the Company expects to file the 2009 Form 10-K as soon as practicable, and no later than March 31, 2010.

(Telephone Number)

- (2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If the answer is no, identify report(s). ☒ Yes ☐ No

- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? ☒ Yes ☐ No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Company, which is the holding company for Essex Bank (the Bank), is currently unable to make a reasonable estimate of any change in its results of operations from the year ended December 31, 2008 to the year ended December 31, 2009, for the reasons set forth in Part III above.

The Company, however, notes the following significant items:

Because the Company was a special purpose acquisition company with nominal operations prior to May 31, 2008, the results of operations for the year ended December 31, 2008 will reflect only seven months of meaningful banking operations.

In November 2008, the Bank acquired certain assets and assumed all deposit liabilities of The Community Bank. The results of operations arising from these assets and liabilities will be reflected for less than two months in the Company's 2008 results, but for the entire year in the Company's 2009 results.

In January 2009, the Bank acquired certain assets and assumed all deposit liabilities of Suburban Federal Savings Bank. The results of operations arising from these assets and liabilities will not be reflected in the Company's 2008 results, but will be reflected for 11 months in the Company's 2009 results.

The Company recognized an after-tax gain of net assets acquired in connection with the Bank's acquisition of the operations of Suburban Federal Savings Bank of \$12.9 million in the first quarter of 2009.

For the nine month period ended September 30, 2009, net loss available to common stockholders was \$16.7 million, which represented \$0.78 per share on a fully diluted basis. Net loss for the first three quarters of 2009 was primarily driven by a goodwill impairment charge of \$24.0 million taken during the second quarter of 2009 and year-to-date loan loss provisions of \$11.3 million.

The Company recorded an income tax expense of \$3.0 million through the first three quarters of 2009. The goodwill impairment charge in the second quarter of 2009 was not tax deductible, and thus no tax benefit was permitted under current tax regulations.
