The consolidated statement of cash flows for the fiscal year ended March 31, 2009 was restated to adjust misstatements of various line items among activities (operating, investing and financing).

Please refer to the page 5 Restatement of Consolidated Statement of Cash Flows regarding the amounts previously reported and the amounts restated.

This report is an excerpt of certain highlights from our consolidated financial information under U.S. GAAP that is included in the company's annual report on Form 20-F (the "Form 20-F") to be submitted to the U.S. Securities and Exchange Commission. This excerpt report does not contain all of the information that may be important to you. In addition to the items highlighted in this report, the Form 20-F includes material disclosure about Mitsubishi UFJ Financial Group, Inc., including its business and other detailed U.S. GAAP financial information. You should read the entire Form 20-F carefully to obtain a comprehensive understanding of the company's business and U.S. GAAP financial data and related issues.

This report contains forward-looking statements regarding estimation, forecast, target and plan in relation to the results of operations, financial condition and other general management of the company and/or the group as a whole (the "forward-looking statements"). The forward-looking statements are made based upon, among other things, the company's current estimations, perceptions and evaluations. In addition, in order for the company to adopt such estimation, forecast, target and plan regarding future events, certain assumptions have been made, which assumptions are inherently subjective and uncertain. The forward-looking statements should not be viewed as guarantees of future performance as actual results may be significantly different. For instance, the statements regarding realizability of the deferred tax assets or provision for credit losses are based on estimation and other assumptions such as economic factors, our business plan and other factors, and exemplify such situation as above. There exist a number of factors that might lead to uncertainties and risks, including, but not limited to, the deterioration of the Japanese and global economy and changes in the regulatory environment. For the key factors that should be considered, please see the financial highlight, the Annual Securities Report, Disclosure Book, Annual Report, Form 20-F and other current disclosures that the company has publicly released.

(US GAAP)
