Item 7.01 Regulation FD Disclosure

On October 5, 2010, Humana Military Healthcare Services, Inc. (HMHS), a wholly-owned subsidiary of Humana Inc. (Humana or the Company) was notified by the United States Department of Defense TRICARE Management Activity (TMA) that the TMA intends to negotiate with HMHS for an extension of HMHS 's administration of the TRICARE program in TMA 's South Region (the TRICARE Contract), comprising of a one year option period from April 1, 2011 through March 31, 2012.

Discussions are still at a preliminary stage, but Humana no longer anticipates incurring the previously expected expenses of between \$0.19 and \$0.28 per diluted common share during the year ending December 31, 2010 (FY 2010) related to the previously anticipated loss of the TRICARE Contract on March 31, 2011 and therefore the Company 's previously issued FY 2010 financial guidance should no longer be relied upon. Such expenses may, however, be incurred in future periods, depending on the ultimate disposition of future contract awards, as previously disclosed. The Company anticipates updating its FY 2010 financial guidance for this and other material developments, if any, on November 1, 2010 in connection with its release of financial results for the quarter ended September 30, 2010. Further, financial guidance for the year ending December 31, 2011 is expected to be issued in conjunction with Humana 's biennial Investor Meeting to be held November 18, 2010.

HMHS provides health benefits support and services to approximately 3.0 million active duty and retired military and their eligible family members in the ten-state South Region.
