Item 1.01 Entry into a Material Agreement.

Underwriting Agreement

On November 10, 2010, DCP Midstream Partners, LP (the "Partnership") and certain of its affiliates (collectively, the "Partnership Parties") entered into an Underwriting Agreement (the "Underwriting Agreement") with Citigroup Global Markets Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated, Barclays Capital Inc. and Wells Fargo Securities, LLC as joint book running managers (the "Underwriters"), providing for the issuance and sale by the Partnership, and the purchase by the Underwriters, of 2,500,000 common units representing limited partner interests in the Partnership ("Common Units") at a price to the public of \$34.96 per Common Unit (the "Offering"). The Common Units sold in the Offering were registered under the Securities Act of 1933, as amended, pursuant to the Partnership's effective Shelf Registration Statement on Form S-3 (File No. 333-167108). Pursuant to the Underwriting Agreement, the Partnership granted the Underwriters a 30-day option to purchase up to an additional 375,000 Common Units to cover over-allotments, if any, on the same terms as those relating to the Common Units sold by the Partnership in the Offering. The closing of the Offering is scheduled for November 16, 2010.

Pursuant to the Underwriting Agreement, the Partnership Parties agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act of 1933, as amended, or to contribute to payments the Underwriters may be required to make because of any of those liabilities. A copy of the Underwriting Agreement is attached hereto as Exhibit 1.1 and is incorporated by reference herein. The foregoing description of the terms of the Underwriting Agreement is qualified in its entirety by reference to this exhibit.

The Partnership intends to use the net proceeds from the Offering and from the Underwriters' exercise of their overallotment option, if applicable, to fund its acquisition of a 33.33% interest in a joint venture with DCP Midstream, LLC that will own a fully integrated midstream business in southeast Texas. Pending the closing of the acquisition, which is expected to take place in January 2011, the Partnership will use the net proceeds to repay funds borrowed under the revolver portion of its \$850 million credit facility.

Certain of the Underwriters and their affiliates have performed investment banking, commercial banking and advisory services for the Partnership and its affiliates from time to time for which they have received customary fees and expenses. The Underwriters and their affiliates may, from time to time in the future, engage in transactions with and perform services for the Partnership and its affiliates in the ordinary course of their business. Affiliates of the Underwriters are lenders under the Partnership's credit facility and receive customary fees for such services. Additionally, because the Partnership intends to repay borrowings under its credit facility with proceeds from the Offering, such affiliates will receive a substantial portion of the proceeds from the Offering upon the repayment of such borrowings by the Partnership.

Item 7.01 Regulation FD Disclosure.

On November 10, 2010, the Partnership issued a press release announcing that it had priced the Offering described in Item 1.01 of this Current Report on Form 8-K. A copy of the press release is furnished as Exhibit 99.1 hereto.

In accordance with General Instruction B.2 of Form 8-K, Exhibit 99.1 is deemed to be furnished and shall not be deemed filed for the purpose of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section, nor shall such Exhibit be deemed incorporated by reference into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, each as amended.
