QUESTIONS AND ANSWERS ABOUT THE MERGER AND THE STERLING SPECIAL MEETING

The following are some questions that you may have regarding the merger and the Sterling special meeting, and brief answers to those questions. We urge you to read carefully the remainder of this proxy statement/prospectus because the information in this section does not provide all the information that might be important to you with respect to the merger and the Sterling special meeting. Additional important information is also contained in the documents incorporated by reference into this proxy statement/prospectus. See **Where You Can Find More Information** beginning on page [].

References in this proxy statement/prospectus to **Sterling** refer to Sterling Bancshares, Inc., a Texas corporation, and, unless the context otherwise requires, to its affiliates. References in this proxy statement/prospectus to **Comerica** refer to Comerica Incorporated, a Delaware corporation, and, unless the context otherwise requires, to its affiliates.

Q: What am I being asked to vote on at the Sterling special meeting?

A: Comerica and Sterling have entered into an Agreement and Plan of Merger, dated as of January 16, 2011, which is referred to as the merger agreement, pursuant to which Comerica has agreed to acquire Sterling. Under the terms of the merger agreement, Comerica Bayou Acquisition Corporation, a wholly owned direct subsidiary of Comerica, will merge with and into Sterling, with Sterling continuing as the surviving entity and a wholly owned subsidiary of Comerica, which is referred to as the merger. Sterling shareholders are being asked to approve the merger agreement and the transactions it contemplates, including the merger.

Sterling shareholders are also being asked to approve the adjournment of the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the approval of the merger agreement, which is referred to as the adjournment proposal.

Q: How does Sterling's board of directors recommend that I vote at the special meeting?

A: Sterling's board of directors unanimously recommends that you vote **FOR** the proposal to approve the merger agreement and **FOR** the adjournment proposal.

Q: When and where is the Sterling special meeting?

A: The Sterling special meeting will be held at [], Houston, Texas on [], 2011, at [] local time.

Q: What do I need to do now?

A: After you have carefully read this proxy statement/prospectus and have decided how you wish to vote your shares, please vote your shares promptly so that your shares are represented and voted at the special meeting. If you hold stock in your name as a shareholder of record, you must complete, sign, date and mail your proxy card in the enclosed postage-paid return envelope as soon as possible, or call the toll-free telephone number or use the Internet as described in the instructions included with your proxy card or voting instruction card. If you hold your stock in **street name** through a bank or broker, you must direct your bank or broker to vote in accordance with the instructions you have received from your bank or broker. **Street name** shareholders who wish to vote at the special meeting will need to obtain a proxy form from the institution that holds their shares.

If you are a participant in the Sterling Bancshares, Inc. Employee Savings Plan and you have employer matching contributions invested in Sterling common stock, you may give voting instructions by completing and returning the enclosed proxy card in the accompanying prepaid reply envelope prior to [], 2011. If a participant's proxy card is not received by [], 2011, or if such participant signs and returns his or her proxy card without instructions marked in the boxes, the trustee will vote the participant's shares of Sterling common stock in the same

Edgar Filing: COMERICA INC /NEW/ - Form S-4

proportion as other shares of Sterling common stock held in the plan for which the trustee received timely instructions. Participants in the plan must vote through the trustee and may not vote in person at the special meeting.

Table of Contents

Q: What constitutes a quorum for the special meeting?

A: The presence at the special meeting, in person or by proxy, of holders of a majority of the outstanding shares of Sterling common stock entitled to vote at the special meeting will constitute a quorum for the transaction of business. Abstentions and broker non-votes will be included in determining the number of shares present at the meeting for the purpose of determining the presence of a quorum. A broker non-vote occurs under stock exchange rules when a broker is not permitted to vote on a matter without instructions from the beneficial owner of the shares and no instruction is given.

Q: What is the vote required to approve each proposal at the Sterling special meeting?

A: Approval of the merger agreement requires the affirmative vote of the holders of two-thirds of the outstanding shares of Sterling common stock as of the close of business on [], 2011, the record date for the special meeting.

Approval of the adjournment proposal requires the affirmative vote of the holders of a majority of shares of Sterling common stock entitled to vote on, and voting for or against or expressly abstaining with respect to, such proposal at the special meeting, even if less than a quorum.

Q: Why is my vote important?

A: If you do not vote, it will be more difficult for us to obtain the necessary quorum to hold our special meeting. In addition, your failure to vote or failure to instruct your bank or broker how to vote will have the same effect as a vote against approval of the merger agreement. The merger agreement must be approved by the holders of two-thirds of the outstanding shares of Sterling common stock entitled to vote at the special meeting. Sterling's board of directors unanimously recommends that you vote to approve the merger agreement.

Q: If my shares of common stock are held in street name by my bank or broker, will my bank or broker automatically vote my shares for me?

A: No. Your bank or broker cannot vote your shares without instructions from you. You should instruct your bank or broker as to how to vote your shares in accordance with the instructions provided to you. Please check the voting form used by your bank or broker.

Q: What if I abstain from voting or fail to instruct my bank or broker?

A: If you fail to vote or mark **ABSTAIN** on your proxy, or fail to instruct your bank or broker with respect to the proposal to approve the merger agreement, it will have the same effect as a vote **AGAINST** the proposal.

If you mark **ABSTAIN** on your proxy with respect to the adjournment proposal, it will have the same effect as a vote **AGAINST** the proposal. The failure to vote or failure to instruct your bank or broker with respect to the adjournment proposal, however, will have no effect on the adjournment proposal.

Q: Can I attend the special meeting and vote my shares in person?

A: Yes. All shareholders, including shareholders of record and shareholders who hold their shares through banks, brokers, nominees or any other holder of record, are invited to attend the special meeting. Holders of record of Sterling common stock can vote in person at the

Edgar Filing: COMERICA INC /NEW/ - Form S-4

special meeting. If you are not a shareholder of record, you must obtain a proxy, executed in your favor, from the record holder of your shares, such as a broker, bank or other nominee, to be able to vote in person at the special meeting. If you plan to attend the special meeting, you must hold your shares in your own name or have a letter from the record holder of your shares confirming your ownership. In addition, you must bring a form of personal photo identification with you in order to be admitted. We reserve the right to refuse admittance to anyone without proper proof of share ownership or without proper photo identification. The use of cameras, sound recording equipment, communications devices or any similar equipment during the special meeting is prohibited without Sterling's express written consent.

Table of Contents

Q: Can I change my vote?

A: Yes. You may revoke any proxy at any time before it is voted by (1) signing and returning a proxy card with a later date, (2) delivering a written revocation letter to Sterling's corporate secretary, (3) voting again by telephone or the Internet or (4) attending the special meeting in person, notifying the corporate secretary and voting by ballot at the special meeting. Attendance at the special meeting will not automatically revoke your proxy. A revocation or later-dated proxy received by Sterling after the vote will not affect the vote. The Sterling corporate secretary's mailing address is Secretary, Sterling Bancshares, Inc., 2950 North Loop West, Suite 1200, Houston, Texas 77092. If you hold your stock in street name through a bank or broker, you should contact your bank or broker to revoke your proxy.

Q: Will Sterling be required to submit the proposal to approve the merger agreement to its shareholders even if the Sterling board of directors has withdrawn, modified or qualified its recommendation?

A: Yes. Unless the merger agreement is terminated before the Sterling special meeting, Sterling is required to submit the proposal to approve the merger agreement to its shareholders even if the Sterling board of directors has withdrawn, modified or qualified its recommendation.

Q: What are the U.S. federal income tax consequences of the merger to Sterling shareholders?

A: The merger is intended to qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended, and holders of Sterling common stock are not expected to recognize any gain or loss for United States federal income tax purposes on the exchange of shares of Sterling common stock for shares of Comerica common stock in the merger, except with respect to any cash received instead of fractional shares of Comerica common stock.

Q: Do I have appraisal rights in connection with the merger?

A: No. Under Texas law, holders of Sterling common stock are not entitled to any dissenters' rights of appraisal in connection with the merger. See the section entitled "The Merger: Sterling Shareholders Do Not Have Dissenters' Appraisal Rights in the Merger" beginning on page [].

Q: If I am a Sterling shareholder, should I send in my Sterling stock certificates now?

A: No. Please do not send in your Sterling stock certificates with your proxy. After the merger, an exchange agent designated by Comerica will send you instructions for exchanging Sterling stock certificates for the merger consideration. See "The Merger Agreement: Conversion of Shares; Exchange of Certificates" beginning on page [].

Q: What should I do if I hold my shares of Sterling common stock in book-entry form?

A: You are not required to take any specific actions if your shares of Sterling common stock are held in book-entry form. After the completion of the merger, shares of Sterling common stock held in book-entry form will automatically be exchanged for shares of Comerica common stock in book-entry form and cash to be paid instead of fractional shares of Comerica common stock.

Q: May I place my Sterling stock certificate(s) into book-entry form prior to the merger?

SUMMARY

This summary highlights selected information from this proxy statement/prospectus. It may not contain all of the information that is important to you. We urge you to carefully read the entire proxy statement/prospectus, including the appendices, and the other documents to which we refer in order to fully understand the merger. See **Where You Can Find More Information on page []. Each item in this summary refers to the page of this proxy statement/prospectus on which that subject is discussed in more detail.**

In the Merger, Sterling Shareholders Will Have a Right to Receive 0.2365 of a Share of Comerica Common Stock Per Share of Sterling Common Stock (page [])

We are proposing the merger of Comerica Bayou Acquisition Corporation, which is a wholly owned direct subsidiary of Comerica, with and into Sterling with Sterling continuing as the surviving entity and a wholly owned subsidiary of Comerica. If the merger is completed, you will have the right to receive 0.2365 of a share of Comerica common stock for each share of Sterling common stock you hold immediately prior to the merger. Comerica will not issue any fractional shares of Comerica common stock in the merger. Sterling shareholders who would otherwise be entitled to a fractional share of Comerica common stock will instead receive an amount in cash based on the closing sale price of Comerica common stock on the trading day immediately prior to the date on which the merger is completed.

Example: If you hold 100 shares of Sterling common stock, you will have a right to receive 23 shares of Comerica common stock and a cash payment instead of the 0.65 shares of Comerica common stock that you otherwise would have received (i.e., 100 shares x 0.2365 = 23.65 shares).

The merger agreement governs the merger. The merger agreement is included in this proxy statement/prospectus as Annex A. Please read the merger agreement carefully. All descriptions in this summary and elsewhere in this proxy statement/prospectus of the terms and conditions of the merger are qualified by reference to the merger agreement.

Sterling's Board of Directors Unanimously Recommends that Sterling Shareholders Vote FOR Approval of the Merger Agreement (page [])

Sterling's board of directors determined that the merger, the merger agreement and the transactions contemplated by the merger agreement are advisable and in the best interests of Sterling and its shareholders and has unanimously approved the merger and the merger agreement. Sterling's board of directors unanimously recommends that Sterling shareholders vote FOR approval of the merger agreement. For the factors considered by Sterling's board of directors in reaching its decision to approve the merger agreement, see the section entitled **The Merger** Sterling's Reasons for the Merger; Recommendation of the Sterling Board of Directors beginning on page [].

Morgan Stanley & Co. Incorporated Has Provided an Opinion to Sterling's Board of Directors Regarding the Merger Consideration (page [] and Annex B)

On January 16, 2011, Morgan Stanley & Co. Incorporated, or Morgan Stanley, Sterling's financial advisor in connection with the merger, rendered its oral opinion to Sterling's board of directors, subsequently confirmed in writing, that as of such date and based upon and subject to the assumptions, procedures, considerations, qualifications and limitations set forth in the written opinion, the exchange ratio pursuant to the merger agreement was fair, from a financial point of view, to the holders of shares of Sterling common stock.

The full text of Morgan Stanley's opinion, dated January 16, 2011, is attached as Annex B to this proxy statement/prospectus. You should read the opinion in its entirety for a discussion of the assumptions made,

procedures followed, factors considered and limitations upon the review undertaken by Morgan Stanley in rendering its opinion.

Morgan Stanley's opinion is directed to Sterling's board of directors, addresses only the fairness of the exchange ratio pursuant to the merger agreement from a financial point of view to the holders of shares of Sterling common stock, and does not address any other aspect of the merger or constitute a recommendation as to how any shareholders of Sterling should vote at any shareholder's meeting held in connection with the merger.

For further information, please see the discussion under the caption "The Merger" Opinion of Morgan Stanley & Co. Incorporated, commencing on Page [] .

What Holders of Sterling Stock Options and Other Equity-Based Awards Will Receive (page [])

Under the terms of the merger agreement, upon completion of the merger, the outstanding and unexercised stock options to acquire Sterling common stock will fully vest and will be converted into stock options to acquire Comerica common stock, adjusted to reflect the exchange ratio pursuant to the merger agreement.

With respect to Sterling phantom stock unit awards, under the terms of the merger agreement, upon completion of the merger, outstanding Sterling phantom unit awards will be converted into fully vested shares of Comerica common stock, adjusted to reflect the exchange ratio pursuant to the merger agreement. Except as otherwise agreed between Comerica and any individual award holder, phantom unit awards issued pursuant to Sterling's 2007 Long-Term Incentive Stock Performance Program will be payable at 100% of target (as defined in the applicable award agreement) and settled as described in the preceding sentence.

What Holders of Sterling Warrants Will Receive (page [])

Under the terms of the merger agreement, upon completion of the merger, outstanding and unexercised warrants to acquire Sterling common stock will be converted into warrants to acquire Comerica common stock, adjusted to reflect the exchange ratio pursuant to the merger agreement.

Sterling will Hold its Special Meeting on [], 2011 (page [])

The special meeting of Sterling shareholders will be held on [], 2011, at [] local time, at [] Houston, Texas. At the special meeting, Sterling shareholders will be asked to:

approve the merger agreement and the transactions it contemplates; and

approve the adjournment of the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the approval of the merger agreement, which we refer to as the adjournment proposal.

Only holders of record at the close of business on [], 2011, will be entitled to vote at the special meeting. Each share of Sterling common stock is entitled to one vote on each proposal to be considered at the Sterling special meeting. As of the record date, there were [] shares of Sterling common stock entitled to vote at the special meeting. As of the record date, directors and executive officers of Sterling and their affiliates owned and were entitled to vote [] shares of Sterling common stock, representing approximately []% of the shares of Sterling common stock outstanding on that date. Sterling currently expects that its directors and executive officers will vote their shares in favor of the merger agreement proposal and the adjournment proposal, although none of them has entered into any agreements obligating them to do so. As of the record date, Comerica beneficially held [] shares of Sterling common stock, representing approximately []% of the shares of Sterling common stock outstanding on that date, and Comerica's directors and executive officers or their affiliates held approximately [] shares (or []% of the outstanding shares) of Sterling common stock.

Table of Contents

To approve the merger agreement, holders of two-thirds of the outstanding shares of Sterling common stock entitled to vote at the special meeting must vote in favor of approving the merger agreement. Because approval is based on the affirmative vote of two-thirds of the shares outstanding, your failure to vote, failure to instruct your bank or broker with respect to the proposal to approve the merger agreement, or abstention will have the same effect as a vote against approval of the merger agreement.

Approval of the adjournment proposal requires the affirmative vote of the holders of a majority of shares of Sterling common stock entitled to vote on, and voting for or against or expressly abstaining with respect to, such proposal at the special meeting, even if less than a quorum. Because approval of the adjournment proposal is based on the affirmative vote of a majority of shares voting or expressly abstaining at the special meeting, abstentions will have the same effect as a vote against this proposal. The failure to vote or failure to instruct your bank or broker with respect to the adjournment proposal, however, will have no effect on the adjournment proposal.

The Merger Is Intended to Be Tax-Free to Holders of Sterling Common Stock as to the Shares of Comerica Common Stock They Receive (page [])

The merger is intended to be treated as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended, and it is a condition to the respective obligations of Comerica and Sterling to complete the merger that each of Comerica and Sterling receive a legal opinion to that effect. Accordingly, the merger generally will be tax-free to a holder of Sterling common stock for United States federal income tax purposes as to the shares of Comerica common stock he or she receives in the merger, except for any gain or loss that may result from the receipt of cash instead of fractional shares of Comerica common stock that such holder of Sterling common stock would otherwise be entitled to receive.

The United States federal income tax consequences described above may not apply to all holders of Sterling common stock. Your tax consequences will depend on your individual situation. Accordingly, we strongly urge you to consult your tax advisor for a full understanding of the particular tax consequences of the merger to you.

Sterling's Officers and Directors Have Financial Interests in the Merger That Differ From Your Interests (page [])

Sterling shareholders should be aware that some of Sterling's directors and executive officers may have interests in the merger and have arrangements that may be different from, or in addition to, those of Sterling shareholders generally. These interests and arrangements may create potential conflicts of interest. The Sterling board of directors was aware of these interests and considered these interests, among other matters, when making its decision to approve the merger agreement and the merger, and in recommending that Sterling's shareholders vote in favor of adoption of the merger agreement.

For a more complete description of these interests, see "The Merger - Interests of Sterling's Directors and Executive Officers in the Merger" beginning on page [].

Sterling's Shareholders Do Not Have Dissenters' Appraisal Rights in the Merger (page [])

Appraisal rights are statutory rights that, if applicable under law, enable shareholders to dissent from a fundamental business transaction, such as a merger, and demand that the corporation pay the fair value for their shares as determined by a court in a judicial proceeding instead of receiving the consideration offered to shareholders in connection with the fundamental business transaction. Appraisal rights are not available in all circumstances, and exceptions to these rights are provided under the Texas Business Organizations Code, or TBOC. As a result of one of these exceptions, the holders of Sterling common stock are not entitled to dissenters' appraisal rights in the merger.

Table of Contents

Conditions That Must Be Satisfied or Waived for the Merger to Occur (page [])

Currently, we expect to complete the merger by mid-year 2011. As more fully described in this proxy statement/prospectus and in the merger agreement, the completion of the merger depends on a number of conditions being satisfied or, where legally permissible, waived. These conditions include, among others, approval of the merger agreement by Sterling's shareholders and the receipt of certain required regulatory approvals.

We cannot be certain when, or if, the conditions to the merger will be satisfied or waived, or that the merger will be completed.

Termination of the Merger Agreement (page [])

We may mutually agree in writing to terminate the merger agreement before completing the merger, even after receiving shareholder approval.

In addition, either of us may decide to terminate the merger agreement, even after receiving shareholder approval, if:

any regulatory authority which must grant a required regulatory approval has denied approval of the merger and this denial has become final and nonappealable or a regulatory authority has issued a final nonappealable law or order prohibiting the consummation of the merger, if the party seeking to terminate the merger agreement has used its reasonable best efforts to contest and change such denial, law or order;

the merger has not been completed by November 30, 2011, if the failure to complete the merger by that date is not caused by the terminating party's breach of the merger agreement;

the other party breaches the merger agreement in a way that would grant the party seeking to terminate the agreement the right not to consummate the merger, unless the breach is capable of being cured (and is cured) within 45 days following receipt of written notice of such breach (provided that the terminating party is not then in breach, in any material respect, of any of its material covenants or agreements contained in the merger agreement); or

the Sterling shareholders fail to approve the merger agreement at the special meeting.

In addition, Comerica may terminate the merger agreement, even after receiving shareholder approval, if Sterling's board of directors:

fails to recommend to shareholders that they approve the merger agreement;

withdraws, qualifies or modifies in a manner adverse to Comerica its recommendation of the merger (or publicly proposes to do so) or takes any action or makes any public statement inconsistent with that recommendation; or

knowingly and materially breaches (1) its non-solicitation obligations or obligations with respect to other acquisition proposals set forth in the merger agreement or (2) its obligations to call a shareholder meeting or to use reasonable best efforts to obtain the approval of its shareholders.

Termination Fee (page [])

If the merger agreement is terminated under certain circumstances, including circumstances involving a change in recommendation by Sterling's board of directors, Sterling may be required to reimburse Comerica's expenses, up to a maximum of \$3 million, or to pay Comerica a termination fee of \$40 million. The termination fee could discourage other companies from seeking to acquire or merge with Sterling.

Table of Contents

Regulatory Approvals Required for the Merger (page [])

We have agreed to use our reasonable best efforts to obtain all regulatory approvals required to complete the transactions contemplated by the merger agreement. These approvals include approval from the Board of Governors of the Federal Reserve, or the Federal Reserve Board, among others. Comerica and Sterling have filed, or are in the process of filing, applications and notifications to obtain the required regulatory approvals.

Although we do not know of any reason why we cannot obtain these regulatory approvals in a timely manner, we cannot be certain when or if we will obtain them.

Board of Directors and Executive Officers of Comerica following Completion of the Merger (page [])

The directors of Sterling and its subsidiaries will resign as of the effective time of the merger. The composition of Comerica's board of directors and executive officers is not anticipated to change in connection with the completion of the merger.

The Rights of Sterling Shareholders will Change as a Result of the Merger (page [])

The rights of Sterling shareholders will change as a result of the merger due to differences in Comerica's and Sterling's governing documents. The rights of Sterling shareholders are governed by Texas law, and by Sterling's restated and amended articles of incorporation and amended and restated bylaws, each as amended to date (which we refer to as Sterling's articles of incorporation and bylaws, respectively). Upon the completion of the merger, the rights of Sterling shareholders will be governed by Delaware law, Comerica's restated certificate of incorporation and amended and restated bylaws (which we refer to as Comerica's certificate of incorporation and bylaws, respectively).

This proxy statement/prospectus contains descriptions of the material differences in shareholder rights under each of the Comerica and Sterling governing documents.

Litigation Relating to the Merger (page [])

Sterling and certain of Sterling's directors and executive officers are named as defendants in two lawsuits that are pending in connection with the merger. Comerica is also named as a defendant in these lawsuits. See "The Merger Litigation Relating to the Merger" beginning on page [] for more information.

Table of Contents**COMPARATIVE PER SHARE DATA****(Unaudited)**

Presented below for Comerica and Sterling is historical, unaudited pro forma combined and pro forma equivalent per share financial data for the year ended 2009 and the nine months ended September 30, 2010. The information presented below should be read together with the historical consolidated financial statements of Comerica and Sterling, including the related notes, filed by each of them with the SEC and incorporated by reference into this proxy statement/prospectus, and with the consolidated historical financial data for Comerica and Sterling appearing elsewhere in this proxy statement/prospectus. See [Where You Can Find More Information](#) on page []. See also [Recent Developments](#) on page [].

The pro forma and pro forma per equivalent share information give effect to the merger as if the merger had been effective on the dates presented in the case of the book value data, and as if the merger had been effective as of January 1, 2009 in the case of the earnings per share and the cash dividends data. The pro forma data combine the historical results of Sterling into Comerica's consolidated statement of income and, while certain adjustments were made for the estimated impact of certain fair valuation adjustments and other acquisition-related activity, they are not indicative of what could have occurred had the acquisition taken place on January 1, 2009.

In addition, the pro forma data includes adjustments, which are preliminary and may be revised. The pro forma data, while helpful in illustrating the financial characteristics of the combined company under one set of assumptions, does not reflect the impact of factors that may result as a consequence of the merger or consider any potential impacts of current market conditions or the merger on revenues, expense efficiencies, asset dispositions, and share repurchases, among other factors, nor the impact of possible business model changes. As a result, pro forma data is presented for illustrative purposes only and does not represent an attempt to predict or suggest future results.

- (1) Diluted Income (Loss) from Continuing Operations excludes the potential dilution from Sterling's stock options, nonvested share awards and warrants as a result of the merger. Estimated restructuring charges resulting directly from the merger of \$78 million, net of tax, were excluded from CMA Pro Forma Combined Income (Loss) from Continuing Operations.
- (2) The SBIB unaudited pro forma equivalent per share financial information is computed by multiplying the CMA unaudited pro forma combined amounts by the exchange ratio (0.2365 shares of Comerica common stock for each share of Sterling common stock) so that the per share amounts are equated to the respective values for one share of Sterling common stock.
- (3) CMA Pro Forma Combined cash dividend amounts are the same as historical because no change in dividend policy is expected as a result of the merger.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

Some of the statements contained or incorporated by reference in this proxy statement/prospectus contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, including, but not limited to, statements about the financial condition, results of operations, earnings outlook and prospects of Comerica, Sterling and the combined company following the proposed transaction and statements for the period following the completion of the merger. Words such as anticipates, believes, feels, expects, estimates, seeks, plans, intends, outlook, forecast, position, target, mission, assume, achievable, potential, strategy, goal, aspiration, maintain, trend, objective and variations of such words and similar expressions, or future or conditional verbs such as will, would, should, might, can, may or similar expressions, as they relate to Comerica, Sterling, the proposed transaction or the combined company following the transaction often identify forward-looking statements.

These forward-looking statements are predicated on the beliefs and assumptions of management based on information known to management as of the date of this proxy statement/prospectus and do not purport to speak as of any other date. Forward-looking statements may include descriptions of the expected benefits and costs of the transaction; forecasts of revenue, earnings or other measures of economic performance, including statements of profitability, business segments and subsidiaries; management plans relating to the transaction; the expected timing of the completion of the transaction; the ability to complete the transaction; the ability to obtain any required regulatory, shareholder or other approvals; any statements of the plans and objectives of management for future or past operations, products or services, including the execution of integration plans; any statements of expectation or belief; and any statements of assumptions underlying any of the foregoing.

The forward-looking statements contained or incorporated by reference in this proxy statement/prospectus reflect the view of management as of this date with respect to future events and are subject to risks and uncertainties. Should one or more of these risks materialize or should underlying beliefs or assumptions prove incorrect, actual results could differ materially from those anticipated by the forward-looking statements or historical results. Factors that could cause or contribute to such differences include, but are not limited to, (1) the matters set forth under Risk Factors beginning on page []; (2) the possibility that expected benefits may not materialize in the timeframe expected or at all, or may be more costly to achieve; (3) that the transaction may not be timely completed, if at all; (4) that prior to the completion of the transaction or thereafter, Comerica's and Sterling's respective businesses may not perform as expected due to transaction-related uncertainty or other factors; (5) that the parties are unable to successfully implement integration strategies; (6) that required regulatory, shareholder or other approvals are not obtained or other closing conditions are not satisfied in a timely manner or at all; (7) reputational risks and the reaction of the companies' customers to the transaction; (8) diversion of management time on merger-related issues; and (9) those factors referenced in Comerica's and Sterling's filings with the SEC.

For any forward-looking statements made in this proxy statement/prospectus or in any documents incorporated by reference into this proxy statement/prospectus, Comerica and Sterling claim the protection of the safe harbor for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995. You are cautioned not to place undue reliance on these statements, which speak only as of the date of this proxy statement/prospectus or the date of any document incorporated by reference in this proxy statement/prospectus. Comerica and Sterling do not undertake to update forward-looking statements to reflect facts, circumstances, assumptions or events that occur after the date the forward-looking statements are made. All subsequent written and oral forward-looking statements concerning the merger or other matters addressed in this proxy statement/prospectus and attributable to Comerica, Sterling or any person acting on their behalf are expressly qualified in their entirety by the cautionary statements contained or referred to in this proxy statement/prospectus.

RISK FACTORS

In addition to general investment risks and the other information contained in or incorporated by reference into this proxy statement/prospectus, including the matters addressed under the heading "Cautionary Statement Regarding Forward-Looking Statements" commencing on page [] and the matters discussed under the caption "Risk Factors" in the Annual Reports on Forms 10-K filed by Comerica and Sterling, respectively, for the year ended December 31, 2009, as updated by subsequently filed Forms 10-Q and other reports filed with the SEC, you should carefully consider the following risk factors in deciding how to vote on approval of the merger agreement.

Because the exchange ratio is fixed and market price of Comerica common stock will fluctuate, Sterling shareholders cannot be sure of the market value of the merger consideration they will receive.

Upon completion of the merger, each share of Sterling common stock will be converted into 0.2365 of a share of Comerica common stock, plus cash in lieu of any fractional shares. Because the exchange ratio is fixed, the value of the shares of Comerica common stock that will be issued to you in the merger will depend on the market price of Comerica common stock at the time the shares are issued. There will be no adjustment to the fixed number of shares of Comerica common stock that will be issued to you based upon changes in the market price of Comerica common stock or Sterling common stock prior to the closing. Neither Comerica nor Sterling is permitted to terminate the merger agreement or resolicit the vote of Sterling shareholders solely because of changes in the market prices of either company's stock.

The market price of Comerica common stock at the time the merger is completed may vary from the price of Comerica common stock on the date the merger agreement was executed, on the date of this proxy statement/prospectus and on the date of the Sterling special meeting as a result of various factors that are beyond the control of Comerica and Sterling, including but not limited to general market and economic conditions, changes in our respective businesses, operations and prospects, and regulatory considerations. In addition to the approval of the merger agreement by Sterling shareholders, completion of the merger is subject to receipt of required regulatory approvals and satisfaction of other conditions that may not occur until after the Sterling special meeting. Therefore, at the time of the Sterling special meeting you will not know the precise value of the consideration you will receive at the effective time of the merger. You should obtain current market quotations for shares of Comerica common stock and for shares of Sterling common stock.

The market price of Comerica common stock after the merger may be affected by factors different from those affecting the shares of Sterling or Comerica currently.

Upon completion of the merger, holders of Sterling common stock will become holders of Comerica common stock. Comerica's business differs from that of Sterling, and, accordingly, the results of operations of the combined company and the market price of the combined company's shares of common stock may be affected by factors different from those currently affecting the independent results of operations of each of Comerica and Sterling. For a discussion of the businesses of Comerica and Sterling and of certain factors to consider in connection with those businesses, see the documents incorporated by reference in this proxy statement/prospectus and referred to under "Where You Can Find More Information" beginning on page [].

Regulatory approvals may not be received, may take longer than expected or impose conditions that are not presently anticipated.

Before the merger may be completed, we must obtain various approvals or consents from the Federal Reserve Board and various bank regulatory and other authorities. These regulators may impose conditions on the completion of the merger or require changes to the terms of the merger. Although Comerica and Sterling do not currently expect that any such conditions or changes would be imposed, there can be no assurance that they will not be, and such conditions or changes could have the effect of delaying completion of the merger or imposing

Table of Contents

additional costs on or limiting the revenues of Comerica following the merger. There can be no assurance as to whether the regulatory approvals will be received, the timing of those approvals, or whether any conditions will be imposed. See *The Merger Regulatory Approvals Required for the Merger* beginning on page [].

Combining the two companies may be more difficult, costly or time-consuming than expected.

Comerica and Sterling have operated and, until the completion of the merger, will continue to operate, independently. The success of the merger will depend, in part, on our ability to successfully combine the businesses of Comerica and Sterling. To realize these anticipated benefits, after the completion of the merger, Comerica expects to integrate Sterling's business into its own. It is possible that the integration process could result in the loss of key employees, the disruption of each company's ongoing businesses or inconsistencies in standards, controls, procedures and policies that adversely affect the combined company's ability to maintain relationships with clients, customers, depositors and employees or to achieve the anticipated benefits of the merger. The loss of key employees could adversely affect Comerica's ability to successfully conduct its business in the markets in which Sterling now operates, which could have an adverse effect on Comerica's financial results and the value of its common stock. If Comerica experiences difficulties with the integration process, the anticipated benefits of the merger may not be realized fully or at all, or may take longer to realize than expected. As with any merger of financial institutions, there also may be business disruptions that cause Sterling to lose customers or cause customers to remove their accounts from Sterling and move their business to competing financial institutions. Integration efforts between the two companies will also divert management attention and resources. These integration matters could have an adverse effect on each of Sterling and Comerica during this transition period and for an undetermined period after consummation of the merger.

Comerica may fail to realize the cost savings estimated for the merger.

Comerica estimates that it will achieve cost savings from the merger when the two companies have been fully integrated. While Comerica continues to be comfortable with these expectations as of the date of this proxy statement/prospectus, it is possible that the estimates of the potential cost savings could turn out to be incorrect. The cost savings estimates also assume Comerica's ability to combine the businesses of Comerica and Sterling in a manner that permits those cost savings to be realized. If the estimates turn out to be incorrect or Comerica is not able to combine successfully the two companies, the anticipated cost savings may not be fully realized or realized at all, or may take longer to realize than expected.

The fairness opinion obtained by Sterling from its financial advisor will not reflect changes in circumstances between signing the merger agreement and the completion of the merger.

Sterling has not obtained an updated fairness opinion as of the date of this proxy statement/prospectus from Morgan Stanley, Sterling's financial advisor. Changes in the operations and prospects of Sterling or Comerica, general market and economic conditions and other factors that may be beyond the control of Sterling and Comerica, and on which the fairness opinion was based, may alter the value of Sterling or Comerica or the prices of shares of Sterling common stock or Comerica common stock by the time the merger is completed. The opinion does not speak as of the time the merger will be completed or as of any date other than the date of such opinion. Because Sterling does not anticipate asking its financial advisor to update its opinion, the January 16, 2011 opinion does not address the fairness of the merger consideration, from a financial point of view, at the time the merger is completed. The opinion is included as Annex B to this proxy statement/prospectus. For a description of the opinion that Sterling received from its financial advisor, please refer to *The Merger Opinion of Morgan Stanley & Co. Incorporated* on page []. For a description of the other factors considered by Sterling's board of directors in determining to approve the merger, please refer to *The Merger Sterling's Reasons for the Merger; Recommendation of the Sterling Board of Directors* on page [].

Table of Contents

Some of the directors and executive officers of Sterling may have interests and arrangements that may have influenced their decisions to support or recommend that you approve the merger agreement.

The interests of some of the directors and executive officers of Sterling may be different from those of Sterling common shareholders, and directors and officers of Sterling may be participants in arrangements that are different from, or in addition to, those of Sterling common shareholders. These interests are described in more detail in the section of this proxy statement/prospectus entitled "The Merger Interests of Sterling's Directors and Executive Officers in the Merger" beginning on page [].

The shares of Comerica common stock to be received by Sterling shareholders as a result of the merger will have different rights from the shares of Sterling common stock they currently hold.

Following completion of the merger, holders of Sterling common stock will no longer be shareholders of Sterling, a Texas corporation, but will instead be shareholders of Comerica, a Delaware corporation. The rights associated with Sterling common stock are different from the rights associated with Comerica. See the section of this proxy statement/prospectus entitled "Comparison of Shareholders' Rights" beginning on page [].

Sterling shareholders will have a reduced ownership and voting interest after the merger and will exercise less influence over management.

Sterling shareholders currently have the right to vote in the election of the Sterling board of directors and on other matters affecting Sterling. When the merger occurs, each Sterling shareholder that receives shares of Comerica common stock will become a shareholder of Comerica with a percentage ownership of the combined organization that is much smaller than the shareholder's percentage ownership of Sterling. Because of this, Sterling shareholders will have less influence on the management and policies of Comerica than they now have on the management and policies of Sterling.

Termination of the merger agreement could negatively impact Sterling.

If the merger agreement is terminated, there may be various consequences. For example, Sterling's businesses may have been impacted adversely by the failure to pursue other beneficial opportunities due to the focus of management on the merger, without realizing any of the anticipated benefits of completing the merger, or the market price of Sterling common stock could decline to the extent that the current market price reflects a market assumption that the merger will be completed. In addition, termination of the merger agreement would increase the possibility of downgrades by Sterling's credit rating agencies or adverse regulatory actions which could adversely affect Sterling's businesses. If the merger agreement is terminated and Sterling's board of directors seeks another merger or business combination, Sterling shareholders cannot be certain that Sterling will be able to find a party willing to pay the equivalent or greater consideration than that which Comerica has agreed to pay in the merger. In addition, if the merger agreement is terminated under certain circumstances, including circumstances involving a change in recommendation by Sterling's board of directors, Sterling may be required to reimburse Comerica's expenses, up to a maximum of \$3 million, or to pay Comerica a termination fee of \$40 million.

Pending litigation against Sterling, certain of Sterling's directors and executive officers, and Comerica could result in an injunction preventing completion of the merger, the payment of damages in the event the merger is completed and/or may adversely affect the combined company's business, financial condition or results of operations following the merger.

In connection with the merger, purported shareholders of Sterling filed lawsuits against Sterling, certain of Sterling's directors and executive officers, and Comerica. Among other relief, the plaintiffs seek to enjoin the merger. One of the conditions to the closing of the merger is that no law or order by any court or governmental or regulatory authority is in effect that prohibits the completion of the merger. If any of the plaintiffs are successful

Table of Contents

in obtaining an injunction prohibiting the defendants from completing the merger, then such injunction may prevent the merger from becoming effective, or from becoming effective within the expected time frame. If completion of the merger is prevented or delayed, it could result in substantial costs to Comerica and Sterling. In addition, Comerica and Sterling could incur costs associated with the indemnification of their respective directors and officers. See *The Merger Litigation Relating to the Merger* beginning on page [].

Recent legislation regarding the financial services industry may have a significant adverse effect on Comerica's operations.

On July 21, 2010, the Dodd-Frank Wall Street Reform and Consumer Protection Act, which we refer to as the Dodd-Frank Act, was signed into law. The Dodd-Frank Act implements a variety of far-reaching changes and has been called the most sweeping reform of the financial services industry since the 1930s. Many of the provisions of the Dodd-Frank Act will directly affect Comerica's ability to conduct its business, including, but not limited to:

Creation of a financial stability oversight council that may recommend to the Federal Reserve Board increasingly strict rules for capital, leverage, liquidity, risk management and other requirements as companies grow in size and complexity;

Application of the same leverage and risk-based capital requirements that apply to insured depository institutions to most bank holding companies, such as Comerica, which, among other things, will, after a three-year phase-in period which begins January 1, 2013, remove trust preferred securities as a permitted component of a holding company's Tier 1 capital;

Increase in the Federal Deposit Insurance Corporation, or FDIC, assessment for depository institutions with assets of \$10 billion or more, such as Comerica Bank, and increases the minimum reserve ratio for the FDIC's Deposit Insurance Fund from 1.15% to 1.35%;

Repeal of the federal prohibitions on the payment of interest on demand deposits, thereby permitting depository institutions to pay interest on business transaction and other accounts;

Establishment of a consumer financial protection bureau with broad authority to implement new consumer protection regulations and, for bank holding companies with \$10 billion or more in assets, to examine and enforce compliance with federal consumer laws; and

Amendment of the Electronic Fund Transfer Act (EFTA) to, among other things, give the Federal Reserve Board the authority to issue rules which are expected to limit debit-card interchange fees.

Many provisions in the Dodd-Frank Act remain subject to regulatory rule-making and implementation, the effects of which are not yet known. The provisions of the Dodd-Frank Act and any rules adopted to implement those provisions as well as any additional legislative or regulatory changes may impact the profitability of Comerica's business activities, may require that Comerica change certain of its business practices, may materially affect its business model or affect retention of key personnel, may require Comerica to raise additional capital and could expose Comerica to additional costs (including increased compliance costs). These and other changes may also require Comerica to invest significant management attention and resources to make any necessary changes and may adversely affect Comerica's ability to conduct its business as previously conducted or its results of operations or financial condition.

Comerica may be subject to more stringent capital and liquidity requirements.

As discussed above, the Dodd-Frank Act creates a financial stability oversight council that may recommend to the Federal Reserve increasingly strict rules for capital requirements as companies grow in size and complexity and applies the same leverage and risk-based capital requirements that apply to insured depository institutions to most bank holding companies, which, among other things, will, after a three-year phase-in period

Table of Contents

which begins January 1, 2013, remove trust preferred securities as a permitted component of a holding company's Tier 1 capital. These requirements, and any other new regulations, could adversely affect Comerica's ability to pay dividends, or could require Comerica to reduce business levels or to raise capital, including in ways that may adversely affect its results of operations or financial condition.

In addition, on September 12, 2010, the Group of Governors and Heads of Supervision, the oversight body of the Basel Committee on Banking Supervision, announced agreement on the calibration and phase-in arrangements for a strengthened set of capital requirements, known as Basel III. When fully phased in, Basel III will introduce a minimum Tier 1 common equity ratio of 4.5%, net of regulatory deductions, and establish a capital conservation buffer of an additional 2.5% of common equity to risk-weighted assets above the regulatory minimum capital requirement, establishing a minimum common equity ratio plus capital conservation buffer at 7%. This capital conservation buffer will impose capital distribution constraints when the Tier 1 capital ratio falls under 8.5% and the total capital ratio falls under 10.5%. In addition, Basel III introduces a countercyclical capital buffer of up to 2.5% of common equity or other loss absorbing capital above the regulatory capital minimum plus the capital conservation buffer for periods of excess credit growth. Basel III also introduces a non-risk adjusted Tier 1 leverage ratio based on a measure of total exposure rather than total assets, and new liquidity standards. The Basel III capital and liquidity standards will be phased in over a period of several years. The text of the final Basel III capital and liquidity rules was published on December 16, 2010, and is now subject to individual adoption by member nations, including the United States.

Banking regulators could implement changes to the capital adequacy standards applicable to Comerica and Comerica Bank in light of Basel III. The ultimate impact of the new capital and liquidity standards cannot be determined at this time and will depend on a number of factors, including treatment and implementation by the U.S. banking regulators.

Sterling shareholders do not have dissenters' appraisal rights in the merger.

Appraisal rights are statutory rights that, if applicable under law, enable shareholders to dissent from an extraordinary transaction, such as a merger, and to demand that the corporation pay the fair value for their shares as determined by a court in a judicial proceeding instead of receiving the consideration offered to shareholders in connection with the extraordinary transaction. Appraisal rights are not available in all circumstances, and exceptions to these rights are provided under the TBOC. In this circumstance, because Comerica's common stock is listed on the NYSE and Sterling's common stock is listed on the NASDAQ, Sterling's shareholders do not have dissenters' appraisal rights in the merger with respect to their shares of Sterling common stock. See the sections of this proxy statement/prospectus entitled "The Merger: Sterling Shareholders Do Not Have Dissenters' Appraisal Rights in the Merger" beginning on page [] and "Comparison of Shareholders' Rights: Rights of Dissenting Shareholders" beginning on page [].

Sterling will be subject to business uncertainties and contractual restrictions while the merger is pending.

Uncertainty about the effect of the merger on employees and customers may have an adverse effect on Sterling. These uncertainties may impair Sterling's ability to attract, retain and motivate key personnel until the merger is completed, and could cause customers and others that deal with Sterling to seek to change existing business relationships with Sterling. Retention of certain employees by Sterling may be challenging while the merger is pending, as certain employees may experience uncertainty about their future roles with Sterling. If key employees depart because of issues relating to the uncertainty and difficulty of integration or a desire not to remain with Sterling, Sterling's business following the merger could be harmed. In addition, subject to certain exceptions, Sterling has agreed to operate its business in the ordinary course prior to closing. See the section entitled "The Merger Agreement: Covenants and Agreements" beginning on page [] of this proxy statement/prospectus for a description of the restrictive covenants applicable to Sterling.

THE STERLING SPECIAL MEETING

This section contains information for Sterling shareholders about the special meeting that Sterling has called to allow its shareholders to consider and approve the merger agreement. We are mailing this proxy statement/prospectus to you, as a Sterling shareholder, on or about []. Together with this proxy statement/prospectus, we are also sending to you a notice of the special meeting of Sterling shareholders and a form of proxy card that Sterling's board of directors is soliciting for use at the special meeting and at any adjournments or postponements of the special meeting.

This proxy statement/prospectus is also being furnished by Comerica to Sterling shareholders as a prospectus in connection with the issuance of shares of Comerica common stock upon completion of the merger.

Date, Time and Place of Meeting

The special meeting will be held at [], Houston, Texas on [], 2011, at [] local time.

Matters to Be Considered

At the special meeting of shareholders, you will be asked to consider and vote upon the following matters:

a proposal to approve the merger agreement and the transactions it contemplates; and

a proposal to approve the adjournment of the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the approval of the merger agreement, which we refer to as the adjournment proposal.

Recommendation of the Sterling Board of Directors

Sterling's board of directors determined that the merger, the merger agreement and the transactions contemplated by the merger agreement are advisable and in the best interests of Sterling and its shareholders and has unanimously approved the merger and the merger agreement. Sterling's board of directors unanimously recommends that Sterling shareholders vote **FOR** approval of the merger agreement and **FOR** the adjournment proposal. See *The Merger* Sterling's Reasons for the Merger; Recommendation of the Sterling Board of Directors on page [] for a more detailed discussion of the Sterling board of directors' recommendation.

Record Date and Quorum

Sterling's board of directors has fixed the close of business on [], 2011, as the record date for determining the holders of Sterling common stock entitled to receive notice of and to vote at the Sterling special meeting.

As of the record date, there were [] shares of Sterling common stock outstanding and entitled to vote at the Sterling special meeting held by approximately [] holders of record. Each share of Sterling common stock entitles the holder to one vote at the Sterling special meeting on each proposal to be considered at the Sterling special meeting.

The presence at the special meeting, in person or by proxy, of holders of a majority of the outstanding shares of Sterling common stock entitled to vote at the special meeting will constitute a quorum for the transaction of business. All shares of Sterling common stock, whether present in person or represented by proxy, including abstentions and broker non-votes, will be treated as present for purposes of determining the presence or absence of a quorum for all matters voted on at the Sterling special meeting. A broker non-vote occurs under stock

Table of Contents

exchange rules when a broker is not permitted to vote on a matter without instructions from the beneficial owner of the shares and no instruction is given.

Vote Required; Treatment of Abstentions and Failure to Vote

Approval of the merger agreement requires the affirmative vote of the holders of two-thirds of the outstanding shares of Sterling common stock entitled to vote at the special meeting. You are entitled to one vote for each share of Sterling common stock you held as of the record date. Because approval is based on the affirmative vote of two-thirds of shares outstanding, your failure to vote, failure to instruct your bank or broker with respect to the proposal to approve the merger agreement, or an abstention will have the same effect as a vote against approval of the merger agreement.

Approval of the adjournment proposal requires the affirmative vote of the holders of a majority of shares of Sterling common stock entitled to vote on, and voting for or against or expressly abstaining with respect to, such proposal at the special meeting, even if less than a quorum. Because approval of the adjournment proposal is based on the affirmative vote of a majority of shares voting or expressly abstaining at the special meeting, abstentions will have the same effect as a vote against this proposal. The failure to vote or failure to instruct your bank or broker with respect to the adjournment proposal, however, will have no effect on the adjournment proposal.

Shares Held by Officers and Directors

As of the record date, directors and executive officers of Sterling and their affiliates owned and were entitled to vote [] shares of Sterling common stock, representing approximately []% of the shares of Sterling common stock outstanding on that date. Sterling currently expects that its directors and executive officers will vote their shares in favor of the merger agreement proposal and the adjournment proposal, although none of them has entered into any agreements obligating them to do so. As of the record date, Comerica beneficially held [] shares of Sterling s common stock, representing approximately []% of the shares of Sterling common stock outstanding on that date, and Comerica s directors and executive officers or their affiliates held approximately [] shares (or []% of the outstanding shares) of Sterling common stock. See The Merger Interests of Sterling s Directors and Executive Officers in the Merger beginning on page [].

Voting of Proxies; Incomplete Proxies

Each copy of this proxy statement/prospectus mailed to holders of Sterling common stock is accompanied by a form of proxy with instructions for voting. If you hold stock in your name as a shareholder of record, you should complete and return the proxy card accompanying this proxy statement/prospectus, or call the toll-free telephone number or use the Internet as described in the instructions included with your proxy card or voting instruction card, regardless of whether you plan to attend the special meeting.

If you hold your stock in street name through a bank or broker, you must direct your bank or broker to vote in accordance with the instructions you have received from your bank or broker.

Sterling shareholders should **not** send Sterling stock certificates with their proxy cards. After the merger is completed, holders of Sterling common stock will be mailed a transmittal form with instructions on how to exchange their Sterling stock certificates for the merger consideration.

All shares represented by valid proxies (including those given by telephone or the Internet) that we receive through this solicitation, and that are not revoked, will be voted in accordance with your instructions on the proxy card. If you make no specification on your proxy card as to how you want your shares voted before signing and returning it, your proxy will be voted **FOR** approval of the merger agreement and **FOR** approval of the adjournment proposal. No matters other than the matters described in this proxy statement/prospectus are

Table of Contents

anticipated to be presented for action at the special meeting or at any adjournment or postponement of the special meeting.

Shares Held in Street Name; Broker Non-Votes

Under stock exchange rules, banks, brokers and other nominees who hold shares of Sterling common stock in street name for a beneficial owner of those shares typically have the authority to vote in their discretion on routine proposals when they have not received instructions from beneficial owners. However, banks, brokers and other nominees are not allowed to exercise their voting discretion with respect to the approval of matters determined to be non-routine, such as approval of the merger agreement proposal, without specific instructions from the beneficial owner. Broker non-votes are shares held by a broker, bank or other nominee that are represented at the Sterling special meeting, but with respect to which the broker or nominee is not instructed by the beneficial owner of such shares to vote on the particular proposal and the broker does not have discretionary voting power on such proposal. It is expected that brokers, banks and other nominees will not have discretionary authority to vote on either proposal and, as a result, Sterling anticipates that there will not be any broker non-votes cast in connection with either proposal. Therefore, if your broker, bank or other nominee holds your shares of Sterling common stock in street name, your broker, bank or other nominee will vote your shares of Sterling common stock only if you provide instructions on how to vote by filling out the voter instruction form sent to you by your broker, bank or other nominee with this proxy statement/prospectus.

Revocability of Proxies and Changes to a Sterling Shareholder's Vote

If you hold stock in your name as a shareholder of record, you may revoke any proxy at any time before it is voted by (1) signing and returning a proxy card with a later date, (2) delivering a written revocation letter to Sterling's corporate secretary, (3) voting again by telephone or the Internet, or (4) attending the special meeting in person, notifying the corporate secretary, and voting by ballot at the special meeting.

Any shareholder entitled to vote in person at the special meeting may vote in person regardless of whether a proxy has been previously given, but the mere presence (without notifying Sterling's corporate secretary) of a shareholder at the special meeting will not constitute revocation of a previously given proxy.

Written notices of revocation and other communications about revoking your proxy should be addressed to:

Sterling Bancshares, Inc.

2950 North Loop West, Suite 1200

Houston, Texas 77092

Attention: Secretary

If your shares are held in street name by a bank or broker, you should follow the instructions of your bank or broker regarding the revocation of proxies.

Participants in Sterling Employee Savings Plan

If you hold shares of Sterling common stock through the Sterling Bancshares, Inc. Employee Savings Plan, you may give voting instructions by completing and returning the enclosed proxy card in the accompanying prepaid reply envelope prior to [], 2011. If a participant's proxy card is not received by [], 2011 or if such participant signs and returns his or her proxy card without instructions marked in the boxes, the trustee will vote the participant's shares of Sterling common stock in the same proportion as other shares of Sterling common stock held in the plan for which the trustee received timely instructions. Participants in the plan must vote through the trustee and may not vote in person at the special meeting.

With respect to shares of Sterling common stock held by the Sterling Bancshares, Inc. Employee Savings Plan, Charles Schwab Trust Company, the plan's trustee, is responsible for ensuring that procedures are in place

Table of Contents

to safeguard the confidentiality of your proxy directions to the trustee and that those procedures are being followed.

Solicitation of Proxies

Sterling will bear the entire cost of soliciting proxies from you. In addition to solicitation of proxies by mail, Sterling will request that banks, brokers, and other record holders send proxies and proxy material to the beneficial owners of Sterling common stock and secure their voting instructions. Sterling will reimburse the record holders for their reasonable expenses in taking those actions. THE MERGER

The following discussion contains material information about the merger. The discussion is subject, and qualified in its entirety by reference, to the merger agreement included as Annex A to this proxy statement/prospectus. We urge you to read carefully this entire proxy statement/prospectus, including the merger agreement included as Annex A, for a more complete understanding of the merger.

Terms of the Merger

Comerica's and Sterling's boards of directors have approved the merger agreement. The merger agreement provides for the acquisition of Sterling by Comerica through the merger of Comerica Bayou Acquisition Corporation, a wholly owned direct subsidiary of Comerica, with and into Sterling, with Sterling continuing as the surviving entity and a wholly owned subsidiary of Comerica. In the merger, each share of Sterling common stock, par value \$1.00 per share, issued and outstanding immediately prior to the completion of the merger, except for specified shares of Sterling common stock held by Sterling or Comerica, will be converted into the right to receive 0.2365 of a share of Comerica common stock. No fractional shares of Comerica common stock will be issued in connection with the merger, and holders of Sterling common stock will be entitled to receive cash in lieu thereof.

Sterling shareholders are being asked to approve the merger agreement. See the section entitled "The Merger Agreement" beginning on page [] for additional and more detailed information regarding the legal documents that govern the merger, including information about the conditions to the completion of the merger and the provisions for terminating or amending the merger agreement.

Background of the Merger

The board of directors and management of Sterling periodically review the company's long term strategy.

On November 4, 2010, TAC Capital LLC publicly announced its intention to nominate five directors to Sterling's board of directors. Following this announcement, Sterling was contacted by certain entities expressing interest in Sterling.

The board believed that TAC Capital LLC's announcement warranted discussion and consideration. Thus, in connection with such announcement, and in view of general developments in the banking industry, including compression of net interest margins, competition, and the increased publicly-expressed interest by a number of banking firms in expansion in Texas, the board met for a preliminary discussion of its alternatives on November 9, 2010. The meeting was attended by all directors, certain members of management and the company's in-house and outside counsel. At this meeting, the directors reviewed the company's situation and discussed the various inquiries that the company had received from certain entities following TAC Capital LLC's announcement, the implications of such announcement, and possible responses.

On November 29, 2010, the board met for an extended discussion, attended by all directors, certain members of management and the company's in-house and outside counsel. Management provided an update on the company's business and prospects. The board of directors discussed in detail the implications of TAC Capital LLC's announcement and considered its alternatives, including remaining independent or engaging in a strategic transaction.

To facilitate its review of these alternatives, the board formed two special committees on November 29, 2010. One special committee was authorized to retain an investment banking firm, and to explore the possibility of entering into a strategic transaction. The strategic transaction committee was comprised of the following directors: Bernard Harris, David Hatcher, Joe Koshkin, Bruce LaBoon, and Dan Tutcher. The second special committee was authorized to evaluate the advisability of Sterling remaining independent. The strategic review committee was comprised of the following directors: Ed Bardgett, George Beatty, Anat Bird, David Hatcher and Raimundo Riojas.

Table of Contents

The strategic transaction committee held its initial meeting on November 30, 2010, and discussed alternatives for hiring a financial advisor. At the end of the meeting, the strategic transaction committee authorized the company to formally retain Morgan Stanley in this capacity.

The strategic transaction committee met on December 1, 2010. At this meeting, Morgan Stanley discussed with the committee the company's strategic options, including remaining independent or exploring a strategic transaction. The strategic transaction committee decided to explore the possibility of a merger with a larger banking organization, and discussed with Morgan Stanley such a process while maintaining the option of remaining as an independent entity. The committee discussed with Morgan Stanley a number of potential merger partners, including those that Morgan Stanley viewed as having sufficient financial strength to consummate a strategic transaction, those that had expressed a desire to expand their presence in the state of Texas, and those institutions that had expressed interest in Sterling following TAC Capital LLC's publicly-stated intention to nominate directors to the board. After extensive discussion of the financial institutions that the committee believed would potentially be interested in a combination with Sterling, would be able to complete and integrate an acquisition, and would likely provide the best possible price for Sterling, the strategic transaction committee authorized Morgan Stanley to contact five banking institutions and one other entity that the committee believed may have an interest in a strategic transaction with Sterling. Shortly thereafter, five entities, including Comerica, signed confidentiality agreements with Sterling to commence preliminary due diligence with respect to Sterling, and one institution indicated it had no interest in a potential transaction at that time.

During the following week, Morgan Stanley was contacted on an unsolicited basis by a banking institution that was not among the initial six parties contacted by Morgan Stanley with respect to a potential strategic transaction involving Sterling. This banking institution expressed an interest in Sterling and, after Sterling's consultation with the strategic transaction committee, entered into a confidentiality agreement with Sterling and commenced a preliminary due diligence review of Sterling.

The strategic transaction committee met again telephonically on December 10, 2010. At the meeting, representatives of Morgan Stanley provided an update on the strategic process and their expectations regarding preliminary proposals.

On December 15, 2010, five banking institutions, including Comerica, submitted written preliminary proposals. One of the institutions that had signed a confidentiality agreement chose not to submit a preliminary proposal. The proposals received were based on publicly available information and certain nonpublic information that had been made available by Sterling.

On December 17, 2010, the strategic transaction committee met to consider the five preliminary proposals. The committee analyzed the consideration to shareholders reflected in the preliminary proposals, the pricing structure, Sterling's financial status, Sterling's stock price performance, and certain financial information relating to the potential partners in a strategic transaction, among other factors. The committee decided that it should continue to pursue the possibility of a strategic transaction while continuing to consider the merits of remaining independent. The committee further decided that it would present to the full board its analysis of the proposals which it believed were worthy of further consideration.

Separately, from November 30, 2010 through December 19, 2010, the strategic review committee held several telephonic meetings. During these deliberations the committee analyzed the advisability of Sterling remaining independent. The committee considered certain actions that could be taken to potentially improve performance, including modifications to Sterling's strategic plan, changes in management and cost cutting measures.

On December 20, 2010, the board of directors met and received an extensive update on Sterling's strategic process from the strategic transaction committee and Morgan Stanley. The board also received the report of the strategic review committee, and discussed extensively the prospect of staying independent and undertaking

certain business changes to enhance Sterling's value. Morgan Stanley gave a financial review of the proposals discussed by both committees.

After discussion, the board determined, based on the values implied by the initial proposals, to permit Comerica and two other institutions to continue to pursue a potential strategic transaction, while maintaining the possibility of remaining independent if the three proposals were to be revised downward materially. The board then authorized each of the three remaining banking institutions to conduct additional due diligence on Sterling in order to facilitate the submission of final proposals in January. In addition, each of the three institutions was provided with a draft merger agreement and asked to submit, at the time of its final proposal, a marked copy of the merger agreement indicating the form in which it would be prepared to execute a definitive merger agreement.

From December 27, 2010, through January 12, 2011, the three institutions conducted extensive on-site due diligence and interviews with management of Sterling. They also submitted comments to the draft of the merger agreement initially provided by Sterling and had some discussions with Sterling's outside counsel prior to January 12, 2011. Also during this time, Sterling undertook its due diligence of the potential partners based on publicly available information.

On January 12, 2011, all three institutions submitted to Morgan Stanley and Sterling final proposals and revised drafts of the merger agreement. Under the terms of Comerica's proposal, Comerica would acquire Sterling in a merger transaction with each outstanding share of Sterling common stock receiving 0.2365 shares of Comerica common stock (valued at a price per share of approximately \$10.00 based on the closing price of Comerica common stock on the NYSE on January 14, 2011). Based on the then current trading prices, Comerica's offer price was higher than the values proposed by the other two banking institutions.

On January 13, 2011, the strategic transaction committee met to review the final proposals. At this meeting, the strategic transaction committee received presentations from, and engaged in discussions with, its legal and financial advisors. With respect to each proposal, the strategic transaction committee considered the offer price, the form of consideration, the liquidity of the consideration to be paid to Sterling shareholders, the financial condition of the banking institutions submitting offers, conditions to closing, and other relevant factors. Following extended discussion, the strategic transaction committee determined that it was in the best interests of Sterling's shareholders to pursue a transaction with Comerica, and determined to recommend this course of action to the full board of directors.

Prior to the meeting of the board of directors on January 14, 2011, Locke Lord Bissell & Liddell LLP and Shearman & Sterling LLP, Sterling's legal counsel, worked with Wachtell, Lipton, Rosen & Katz, Comerica's legal counsel, towards finalizing the draft merger agreement submitted by Comerica.

On January 14, 2011, the board of directors met to review the final proposals. At this meeting, the board engaged in discussions with its legal and financial advisors. With respect to each proposal, the board considered the offer price, the form of consideration, the liquidity of the consideration to be paid to Sterling shareholders, the financial condition of the banking institutions submitting offers, conditions to closing, and other relevant factors. After extended discussion, the board of directors concluded that the final proposal from Comerica was superior to the other proposals, would deliver compelling shareholder value, and represented a superior alternative to a strategy of independence, and the board authorized management to work towards finalizing a merger agreement with Comerica. The meeting was recessed until Sunday night, January 16.

Following the meeting, on January 14, 2011, Sterling entered into a confidentiality agreement with Comerica so that Sterling could continue its due diligence review of Comerica based on nonpublic information provided by Comerica. From January 14th through the early evening of January 16th, Sterling and its legal advisors engaged in discussions with Comerica and its legal advisors to finalize the terms of the definitive transaction documentation, and to complete Sterling's due diligence review of Comerica.

Table of Contents

On the evening of January 16, 2011, the board of directors continued its meeting from January 14, to consider further the Comerica proposal and the material terms and conditions of the proposed merger agreement. Morgan Stanley reviewed for the board of directors the financial considerations relating to the potential merger, including valuations of Sterling common stock, comparisons to other comparable transactions in the banking sector, and a summary of the financial condition of Comerica. In addition, Morgan Stanley delivered its oral opinion (subsequently confirmed in writing), as described under "Opinion of Morgan Stanley & Co. Incorporated," that as of such date and based upon and subject to the assumptions, procedures, considerations, qualifications and limitations to be set forth in its written opinion, the exchange ratio pursuant to the merger agreement was fair, from a financial point of view, to the holders of shares of Sterling common stock. The board also received a report regarding due diligence on Comerica from management and a brief overview of the integration process. The board also engaged in discussion with its legal advisors as to certain legal and contractual issues related to the proposed transaction. Following extensive discussion, the board decided, by unanimous vote, to proceed with the Comerica merger proposal rather than pursue a continued strategy of independence. After considering the foregoing and the proposed terms of the transaction documents, and taking into consideration the factors described under

"Sterling's Reasons for the Merger; Recommendation of the Sterling Board of Directors," the board of directors, having determined that the terms of Comerica's proposal, the related merger agreement and the transactions contemplated thereby, including the merger, were fair to and in the best interests of Sterling and its shareholders, unanimously approved and declared advisable the merger agreement and the transactions contemplated thereby, including the merger, directed that the merger agreement be submitted to its shareholders for approval, and recommended that shareholders vote in favor of the approval of the merger agreement and the transactions contemplated thereby, including the merger.

The merger agreement between Sterling and Comerica was executed by the parties later that evening on January 16, 2011.

The transaction was announced on the morning of Tuesday, January 18, 2011, the first business day following the execution of the merger agreement, by a press release issued jointly by Sterling and Comerica.

Sterling's Reasons for the Merger; Recommendation of the Sterling Board of Directors

After careful consideration, at its meetings on January 14, 2011 and January 16, 2011, Sterling's board determined that the plan of merger contained in the merger agreement is in the best interests of Sterling and its shareholders and that the consideration to be received in the merger is fair to the common shareholders of Sterling. Accordingly, Sterling's board, by a unanimous vote, adopted the merger agreement and the plan of merger and unanimously recommends that Sterling shareholders vote FOR approval of the plan of merger.

In reaching its decision to adopt and approve the plan of merger and recommend the merger to its shareholders, Sterling's board of directors consulted with Sterling's management, as well as its legal and financial advisors, and considered a number of factors, including:

Its knowledge of Sterling's business, operations, financial condition, earnings and prospects and of Comerica's business, operations, financial condition, earnings and prospects, taking into account the results of Sterling's due diligence review of Comerica.

Its knowledge of the current environment in the financial services industry, including national and regional economic conditions, continued consolidation, increased regulatory burdens, evolving trends in technology and increasing nationwide and global competition, the current financial market conditions and the likely effects of these factors on the companies' potential growth, development, productivity, profitability and strategic options, and the historical market prices of Sterling's common stock.

The careful review undertaken by Sterling's board of directors and management, with the assistance of Sterling's legal and financial advisors, with respect to the strategic alternatives available to Sterling.

The respective presentations by Sterling management and its financial advisors concerning the operations, financial condition and prospects of Sterling and the expected financial impact of the merger on the combined company, including pro forma assets, earnings and deposits.

The oral opinion delivered to Sterling by Morgan Stanley on January 16, 2011, which was subsequently confirmed in a written opinion delivered to Sterling by Morgan Stanley, to the effect that, as of January 16, 2011, and based upon and subject to the assumptions, procedures, considerations, qualifications and limitations set forth in the opinion, the exchange ratio pursuant to the merger agreement was fair, from a financial point of view, to the holders of shares of Sterling common stock.

The financial terms of the merger, including the fact that, based on the closing price of Comerica common stock on the NYSE as of market close on the trading day prior to the public announcement of the merger, the implied value of the per share merger consideration represented an approximate 48% premium to the closing price of Sterling common stock on the NASDAQ on January 7, 2011 (the last trading day prior to market rumors regarding a transaction involving Sterling), and an approximate 84% premium to the closing price of Sterling common stock on the NASDAQ on November 4, 2010 (the last trading day prior to the announcement by Sterling's shareholder TAC Capital LLC that it was seeking seats on Sterling's board of directors); and the fact that any increase in the market price of Comerica common stock prior to the completion of the merger will increase the value of the merger consideration that Sterling shareholders will receive upon completion of the merger.

The fact that the other two bidders who submitted final proposals to Sterling on January 12, 2011, were given the opportunity to exceed Comerica's offer price, and declined to do so.

The potential risk of diverting management focus and resources from other strategic opportunities and from operational matters while working to implement the merger.

The provisions of the merger restricting Sterling's solicitation of third party acquisition proposals, requiring Sterling to hold a special meeting of its shareholders to vote on approval of the merger agreement and providing for the payment of a termination fee of \$40 million in certain events, which Sterling's board of directors understood, while potentially limiting the willingness of a third party to propose a competing business combination transaction with Sterling, were a condition to Comerica's willingness to enter into the merger agreement.

The fact that some of Sterling's directors and executive officers have other interests in the merger that are different from, or in addition to, their interests as Sterling shareholders. See **Interests of Sterling Directors and Executive Officers in the Merger** beginning on page [] of this proxy statement/prospectus.

The factors listed above under **Background of the Merger** relating to the other merger proposals that Sterling had received. The foregoing discussion of the factors considered by Sterling's board is not intended to be exhaustive, but is believed to include all material factors considered by Sterling's board. In view of the wide variety of the factors considered in connection with its evaluation of the merger and the complexity of these matters, Sterling's board of directors did not find it useful, and did not attempt, to quantify, rank or otherwise assign relative weights to these factors. In considering the factors described above, the individual members of Sterling's board may have given different weight to different factors. Sterling's board of directors conducted an overall analysis of the factors described above including thorough discussions with, and questioning of, Sterling management and Sterling's legal and financial advisors, and considered the factors overall to be favorable to, and to support, its determination.

It should be noted that this explanation of Sterling's board of directors' reasoning and all other information presented in this section is forward-looking in nature and, therefore, should be read in light of the factors discussed under the heading **Cautionary Statement Concerning Forward-Looking Statements** on page [].

Introduction

The following is a summary of the material financial analyses performed by Morgan Stanley in connection with preparing its oral opinion and its written opinion letter, dated January 16, 2011, to Sterling's board of directors. The various analyses summarized below were based on closing prices for Sterling common stock and Comerica common stock as of January 14, 2011, the last full trading day preceding the day of the meeting of the Sterling board of directors to consider and authorize the merger agreement. Some of these summaries of financial analyses include information presented in tabular format. In order to understand fully the financial analyses used by Morgan Stanley, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses.

Relative Stock Price and Valuation Performance

Morgan Stanley reviewed the relative historic stock price performance of Sterling common stock, Comerica common stock, the common stock of certain publicly traded companies that share certain characteristics with Sterling, and the common stock of certain publicly traded companies that share certain characteristics with Comerica. The group of certain publicly traded companies identified by Morgan Stanley that share certain characteristics with Sterling was the KRX Index of 50 largest regional banks, which we refer to as the Sterling Peer Group. The group of certain publicly traded companies identified by Morgan Stanley that share certain characteristics with Comerica was the BKX Index of 21 largest banks (excluding State Street Corp., Bank of New York Mellon Corp. and Northern Trust Corp.), which we refer to as the Comerica Peer Group. During the 5-year period commencing January 14, 2006 and ending on January 14, 2011, Morgan Stanley noted that the price of Sterling common stock decreased 27%, the price of Comerica common stock decreased 27%, the price of the common stock of the Sterling Peer Group decreased 43%, and the price of the common stock of the Comerica Peer Group decreased 48%.

In addition, Morgan Stanley reviewed the relative historic price performance of Sterling common stock, Comerica common stock, the common stock of the Sterling Peer Group, and the common stock of the Comerica

Peer Group during the period commencing on November 4, 2010 (the last trading day prior to the announcement by Sterling's shareholder TAC Capital LLC that it was seeking seats on Sterling's board of directors) and ending on January 14, 2011. Comparable Public Companies Analysis

Morgan Stanley reviewed and compared certain publicly available information, ratios and market multiples of Sterling to corresponding financial data of the Sterling Peer Group and of Comerica to corresponding financial data of the Comerica Peer Group to derive an implied valuation range for each company. Based on publicly available financial data as of September 30, 2010 (with respect to the Sterling Peer Group and the Comerica Peer Group) and unannounced fourth quarter results of Sterling and Comerica, Morgan Stanley calculated, among other things:

multiple of price to 2012 estimated earnings per share; and

multiple of price to tangible book value per share.

The results of this comparison are set forth below:

	Sterling	Comerica	Sterling Peer Group (median)	Comerica Peer Group (median)
Price/estimated 2012 earnings per share	23.8x	14.6x	13.7x	12.0x
Price/tangible book value per share	1.8x	1.3x	1.6x	1.6x

Based on the financial information reviewed above, and based on Wall Street consensus estimates of Sterling's 2012 earnings per share of \$0.32 and Sterling's tangible book value of \$4.31 per share as of December 31, 2010, Morgan Stanley derived a range of implied equity values per share of Sterling common stock.

The following table reflects the results of this analysis:

	Selected range		Range indicated by Sterling financial data (rounded to nearest \$.25)
Price/estimated 2012 earnings per share	11x	13x	\$3.50 - \$4.25

Edgar Filing: COMERICA INC /NEW/ - Form S-4

Price/tangible book value per share 1.2x 1.5x \$5.25 - \$6.50

In addition, based on the financial information reviewed above, and based on Wall Street consensus estimates of Comerica's earnings per share of \$2.90 and Comerica's tangible book value of \$31.97 per share as of December 31, 2010, Morgan Stanley derived a range of implied equity values per share of Comerica common stock.

The following table reflects the results of this analysis:

	<u>Range indicated by Comerica financial data</u>	
	Selected range	(rounded to nearest \$.25)
Price/estimated 2012 earnings per share	11x - 13x	\$32.00 - \$37.75
Price/tangible book value per share	1.2x - 1.8x	\$38.25 - \$57.50

No company utilized in the comparable public company analysis is identical to Sterling or Comerica. In evaluating comparable companies, Morgan Stanley made judgments and assumptions with regard to industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond the control of Sterling or Comerica, such as the impact of competition on the businesses of Sterling or Comerica and the industry generally, industry growth and the absence of any adverse material change in the financial condition and prospects of Sterling, Comerica or the industry or in the financial markets in general. Mathematical analysis (such as determining the average or median) is not in itself a meaningful method of using comparable company data.

Sterling Dividend Discount Analysis

Morgan Stanley performed a dividend discount analysis to determine a range of implied present values of Sterling common stock, both on a standalone basis and including certain potential cost savings and related expenses projected by management to result from the merger. The range was determined by adding:

the present value of an estimated future dividend stream for Sterling over the 5-year period from 2011 to 2015; and

the present value of an estimated terminal value of Sterling common stock at the end of the year 2015.

In performing its analysis, Morgan Stanley utilized the following assumptions:

annual net income for 2011 to 2012 based on Wall Street consensus estimates;

annual return on average assets for 2013 to 2015 of 0.70%, 0.85% and 1.00%, respectively;

annual asset reduction of 3.5% in 2011, and annual asset growth of 3.0% in 2012 and 5.0% in 2013 to 2015;

a 7.0% target tangible common equity ratio;

a valuation date of December 31, 2010;

a terminal value of Sterling common stock based on a price to earnings multiple range of 11.0x to 13.0x; and

discount rates from 9.0% to 11.0% to calculate the present value of the dividend stream and the terminal values. Based on the above assumptions, this analysis implied a fully diluted equity value of \$5.25 to \$6.50 (rounded to the nearest \$0.25) per share of Sterling common stock.

To calculate certain potential cost savings and related expenses projected by management to result from the merger, Morgan Stanley utilized the following additional assumptions:

pre-tax cost savings of 15% to 35% of Sterling's non-interest operating expenses (approximately \$24 million to \$56 million annually);
and

one-time merger costs of \$80 million after-tax.

Table of Contents

The following table reflects the results of this analysis:

	Range (rounded to nearest \$0.25)
Per share value with 50% of synergies	\$5.50 - \$8.00
Per share value with 100% of synergies	\$6.00 - \$9.25

Comerica Dividend Discount Analysis

Morgan Stanley performed a dividend discount analysis to determine a range of implied present values of Comerica common stock. The range was determined by adding:

the present value of an estimated future dividend stream for Comerica over the 5-year period from 2011 to 2015; and

the present value of an estimated terminal value of Comerica common stock at the end of the year 2015.

In performing its analysis, Morgan Stanley utilized the following assumptions:

annual net income for 2011 to 2012 based on Wall Street consensus estimates and annual earnings growth of 7.1% in 2013 to 2015;

annual asset growth of 6.0%;

a 7.0% target tangible common equity ratio;

a valuation date of December 31, 2010;

a terminal value of Comerica common stock based on a price to earnings multiple range of 11.0x to 13.0x; and

discount rates from 9.0% to 11.0% to calculate the present value of the dividend stream and the terminal values.

Based on the above assumptions, this analysis implied a fully diluted equity value of \$39.00 to \$46.00 (rounded to the nearest \$0.25) per share of Comerica common stock.

Precedent Transactions Analysis

Morgan Stanley performed an analysis of precedent transactions announced since January 1, 2010 with transaction values of over \$95 million involving U.S. bank or thrift target companies, excluding mergers of equals. The ten transactions constituting the precedent transactions were:

Acquiror	Target
TD Bank Financial Group	The South Financial Group
Eastern Bank Corp.	Wainwright Bank & Trust Co.

Edgar Filing: COMERICA INC /NEW/ - Form S-4

People's United Financial, Inc.
First Niagara Financial Group Inc.

Berkshire Hills Bancorp, Inc.

LSB Corporation
NewAlliance Bancshares Inc.
The Wilber Corporation
Wilmington Trust Corp.
Centra Financial Holdings Inc.
Marshall & Ilsley Corporation
Whitney Holding Corporation
Legacy Bancorp, Inc.

Table of Contents

For each of these transactions, Morgan Stanley derived and compared, among other things:

the premium to the market price thirty days prior to announcement (Sterling/Comerica merger based on Sterling's closing stock price on November 4, 2010, prior to the announcement by Sterling shareholder TAC Capital LLC that it was seeking seats on Sterling's board of directors) (which we refer to in the below table as Market premium); and

price as a multiple to the target company's tangible book value per share.

The following table reflects the results of the analysis:

	Low/High Range	Median	Sterling/Comerica merger
Market premium	(68)% - 107%	58%	84%
Price/tangible book value per share	0.2x - 2.0x	1.4x	2.3x

Based on the financial information reviewed above, and based on Sterling's closing stock price on November 4, 2010 of \$5.44 and Sterling's tangible book value of \$4.31 per share as of December 31, 2010, Morgan Stanley derived a range of implied equity values per share of Sterling common stock. The following table reflects the results of this analysis:

	Selected range	Range indicated by Sterling financial data (rounded to nearest \$.25)
Market premium	25% - 40%	\$7.00 - \$8.50
Price/tangible book value per share	1.4x - 1.7x	\$6.00 - \$7.25

Based on Comerica's closing stock price on January 14, 2011 of \$42.25 and the exchange ratio of 0.2365 in the merger, Morgan Stanley calculated an implied value of the merger consideration of approximately \$9.99 per share of Sterling common stock.

Because market conditions, transaction rationale and circumstances surrounding each of the selected comparable transactions were specific to each transaction, and because of the inherent differences between the businesses, operations and prospects of Comerica and Sterling and the businesses, operations and prospects of the target companies included in the precedent transaction analysis, Morgan Stanley believed that it was inappropriate to, and therefore did not, rely solely on the quantitative results of the precedent transactions analysis and accordingly made qualitative judgments concerning differences between the financial and operating characteristics and prospects of Comerica, Sterling and the target companies included in the precedent transactions analysis that would affect the transaction value of each.

No company or transaction utilized in the precedent transaction analyses is identical to Sterling, Comerica or the merger. In evaluating the precedent transactions, Morgan Stanley made judgments and assumptions with regard to general business, market and financial conditions and other matters, which are beyond the control of Sterling and Comerica, such as the impact of competition on the business of Sterling, Comerica or the industry generally, industry growth and the absence of any adverse material change in the financial condition of Sterling, Comerica or the industry or in the financial markets in general, which could affect the public trading value of the companies and the aggregate value of the transactions to which they are being compared.

In connection with the review of the merger by Sterling's board of directors, Morgan Stanley performed a variety of financial and comparative analyses for purposes of rendering its opinion. The preparation of a financial opinion is a complex process and is not necessarily susceptible to a partial analysis or summary description. In arriving at its opinion, Morgan Stanley considered the results of all of its analyses as a whole and did not attribute any particular weight to any analysis or factor it considered. Morgan Stanley believes that selecting any portion of its analyses, without considering all analyses as a whole, would create an incomplete view of the process underlying its analyses and opinion. In addition, Morgan Stanley may have given various analyses and

Table of Contents

factors more or less weight than other analyses and factors, and may have deemed various assumptions more or less probable than other assumptions. As a result, the ranges of valuations resulting from any particular analysis described above should not be taken to be Morgan Stanley's view of the actual value of Comerica common stock or Sterling common stock.

In performing its analyses, Morgan Stanley made numerous assumptions with respect to industry performance, general business and economic conditions and other matters, many of which are beyond the control of Sterling or Comerica. Any estimates contained in Morgan Stanley's analyses are not necessarily indicative of future results or actual values, which may be significantly more or less favorable than those suggested by such estimates. The analyses performed were performed solely as part of Morgan Stanley's analysis of the fairness of the exchange ratio pursuant to the merger agreement from a financial point of view to holders of shares of Sterling common stock and were conducted in connection with the delivery of Morgan Stanley's opinion dated January 16, 2011 to the Sterling board of directors. The analyses do not purport to be appraisals or to reflect the prices at which Sterling common stock or Comerica common stock might actually trade. The exchange ratio under the merger agreement and other terms of the merger agreement were determined through arm's length negotiations between Sterling and Comerica and approved by the Sterling board of directors. Morgan Stanley provided advice to Sterling during these negotiations, but did not, however, recommend any specific merger consideration to Sterling, or that any specific merger consideration constituted the only appropriate merger consideration for the transaction.

Morgan Stanley's opinion and its presentation to Sterling's board of directors was one of many factors taken into consideration by Sterling's board of directors in deciding to approve the merger agreement. Consequently, the analyses as described above should not be viewed as determinative of the view of Sterling's board of directors with respect to the exchange ratio or of whether Sterling's board of directors would have been willing to agree to a different exchange ratio. See the section entitled "Sterling's Reasons for the Merger; Recommendation of Sterling's Board of Directors" beginning on page []. Morgan Stanley's opinion was approved by a committee of Morgan Stanley investment banking and other professionals in accordance with its customary practice.

Morgan Stanley acted as financial advisor to the board of directors of Sterling in connection with the merger and will receive a fee for its services, a significant portion of which is contingent upon the closing of the merger. In the two years prior to the date of its opinion, Morgan Stanley provided financial advisory and financing services for each of Sterling and Comerica and has received fees in connection with such services. Morgan Stanley may also seek to provide such services to Comerica in the future and expects to receive fees for the rendering of these services.

Morgan Stanley is a global financial services firm engaged in the securities, investment management and individual wealth management businesses. Its securities business is engaged in securities underwriting, trading and brokerage activities, foreign exchange, commodities and derivatives trading, prime brokerage, as well as providing investment banking, financing and financial advisory services. Morgan Stanley, its affiliates, directors and officers may at any time invest on a principal basis or manage funds that invest, hold long or short positions, finance positions, and may trade or otherwise structure and effect transactions, for their own account or the accounts of its customers, in debt or equity securities or loans of Comerica, Sterling, or any other company, or any currency or commodity, that may be involved in this transaction, or any related derivative instrument.

In addition to the fee that Morgan Stanley is entitled to receive for its services pursuant to the engagement letter, Sterling agreed to reimburse Morgan Stanley for expenses incurred by Morgan Stanley in performing its services. In addition, Sterling also has agreed to indemnify Morgan Stanley and its affiliates, their respective directors, officers, agents and employees and each person, if any, controlling Morgan Stanley or any of its affiliates against certain liabilities and expenses, including liabilities under the federal securities laws, related to or arising out of Morgan Stanley's engagement and any related transactions.

Comerica's Reasons for the Merger

Comerica believes that the acquisition of Sterling will complement Comerica's footprint and its strategy of growth and balance. In particular, Comerica believes it will accelerate Comerica's growth in Texas, as the acquisition of Sterling's branch network will increase Comerica's presence in Houston, provide an entry into the San Antonio market, and complement Comerica's current Dallas-Fort Worth network. The board of directors of Comerica approved the merger agreement after Comerica's senior management discussed with the board of directors a number of factors, including those described above and the business, assets, liabilities, results of operations, financial performance, strategic direction and prospects of Sterling. Comerica's board of directors did not consider it practicable to, and did not attempt to, quantify or otherwise assign relative weights to the specific factors it considered in reaching its determination. Comerica's board of directors viewed its position as being based on all the information and the factors presented to and considered by it. In addition, individual directors may have given different weights to different information and factors.

Management and Board of Directors of Comerica After the Merger

Upon completion of the merger, the current directors and officers of Comerica are expected to continue in their current positions. In addition, upon completion of the merger, J. Downey Bridgwater, who is currently Chairman, President and CEO of Sterling, is expected to become Comerica Bank's Houston market president. Information about the current Comerica directors and executive officers can be found in the documents listed under "Where You Can Find More Information" beginning on page [].

Interests of Sterling's Directors and Executive Officers in the Merger

When considering the recommendation of Sterling's board of directors that Sterling shareholders vote for the adoption of the merger agreement, Sterling shareholders should be aware that some of Sterling's directors and executive officers may have interests in the merger and have arrangements that may be different from, or in addition to, those of Sterling shareholders generally. These interests and arrangements may create potential conflicts of interest. Sterling's board of directors was aware of these interests and considered them, among other matters, when making its decision to approve the merger agreement and the merger and recommend that Sterling shareholders vote in favor of adoption of the merger agreement. For purposes of all of the Sterling agreements and plans described below, the completion of the transactions contemplated by the merger agreement will constitute a change of control.

Awards under Sterling's Amended and Restated 2003 Stock Incentive and Compensation Plan

The merger agreement provides that all unvested outstanding Sterling stock options will fully vest at the effective time of the merger and, at that time, all outstanding Sterling stock options granted under Sterling's stock incentive plans will be converted into the right to purchase shares of Comerica common stock (with the number of shares and the per share exercise price appropriately adjusted based on the merger exchange ratio), as discussed in more detail in the section entitled "The Merger Agreement Treatment of Sterling Stock Options and Other Equity-Based Awards."

The merger agreement also provides that all unvested outstanding Sterling phantom units will fully vest at the effective time of the merger, with performance based Sterling phantom units vesting at 100% of target (as defined in the applicable award agreements), and, at that time, all outstanding phantom units will be converted into the right to receive shares of Comerica common stock (with the number of shares appropriately adjusted based on the merger exchange ratio), as discussed in more detail in the section entitled "The Merger Agreement Treatment of Sterling Stock Options and Other Equity-Based Awards."

The following table sets forth with respect to each Sterling named executive officer as well as the other six executive officers as a group, as of February [], 2011, assuming completion of the merger on June 30, 2011, (1) the number of shares of Sterling common stock underlying outstanding Sterling unvested stock options,

Sterling previously entered into an employment contract with J. Downey Bridgwater and severance/non-compete agreements with nine of Sterling's other executive officers that, among other things, provide for certain payments and benefits upon a qualifying termination of employment, including in connection with a change of control transaction. In connection with entering into the merger agreement, Mr. Bridgwater entered into a letter agreement with Comerica that, subject to the completion of the merger, substantially supersedes his Sterling employment contract and provides for his continued employment with Comerica Bank. It is possible that some of Sterling's other executive officers could be presented with proposed terms for continuing employment with Comerica in a similar or different capacity following the effective time of the merger and terminating his or her severance/non-compete agreement. It is also possible that certain of Sterling's executive officers may have the right to elect to terminate their employment in connection with completion of the merger, and if any such executive officer elects to terminate employment upon completion of the merger, the right to severance payments and benefits under his or her severance/non-compete agreements may be triggered.

Employment Contract between J. Downey Bridgwater and Sterling

The following is a summary of the material terms of Mr. Bridgwater's existing employment contract with Sterling. Mr. Bridgwater's employment contract with Sterling became effective on July 1, 2010 and has a three-year term. The contract provides for a base salary of at least \$610,500 per year, subject to annual review, and the opportunity to receive an annual performance bonus, payable in cash, equity, or a combination thereof, upon the achievement of certain performance results. Under the contract, in July 2010, Mr. Bridgwater was awarded 187,500 performance vesting restricted share units which will vest based on Sterling's performance compared to its peers for the period July 1, 2010 through June 30, 2013, or, if earlier, upon a change of control of Sterling.

Under the employment contract, if, following a change of control, Mr. Bridgwater's employment is terminated without cause or Mr. Bridgwater voluntarily resigns for good reason (each as defined in the contract), Mr. Bridgwater would be entitled to receive the following payments and benefits: (1) a lump sum cash payment equal to the product of three times his base salary plus the average of the annual performance bonuses paid to him during the term of the employment contract; (2) continued health, welfare and life insurance benefits, car allowance, club dues and banking services for the greater of the remainder of the employment term or three years after the change of control; and (3) payment of up to \$50,000 in job placement fees. In addition, the 187,500 performance restricted share units will automatically accelerate upon a change of control and be settled.

in shares of common stock. The employment contract prohibits Mr. Bridgwater from competing within a defined territory or soliciting customers and/or employees from Sterling, in each case while Mr. Bridgwater is employed and for a period of two years after the termination of his employment for any reason, and contains a perpetual confidentiality covenant.

Letter Agreement between J. Downey Bridgwater and Comerica

On January 17, 2011, Mr. Bridgwater entered into a letter agreement with Comerica whereby Mr. Bridgwater agreed to accept at will employment with Comerica Bank effective on the closing date of the merger. Mr. Bridgwater's letter agreement provides that, during his employment with Comerica, he will serve as a senior officer of Comerica Bank, receive a base salary of at least \$620,000 per year, subject to annual review, and be eligible to receive employee benefits comparable to those received by similarly situated senior officers of Comerica Bank. In addition, Mr. Bridgwater will be eligible to participate in Comerica's management incentive plan and to be awarded stock awards under Comerica's long term incentive plan.

The letter agreement further provides that, in full satisfaction of the cash severance obligations under Mr. Bridgwater's employment contract with Sterling, Comerica will credit \$1,831,500 to a fully vested and non-forfeitable account in his name under one of Comerica's deferred compensation plans immediately following the closing date of the merger. This amount will be paid to Mr. Bridgwater when he terminates employment with Comerica upon execution of a mutual release agreement. Further, the letter agreement provides that Mr. Bridgwater will receive the continuation of certain benefits set forth in his employment contract with Sterling during the 36-month period following the closing date of the merger.

Under the letter agreement, Mr. Bridgwater waives his right to any tax gross-up payments with respect to taxes under Section 4999 of the Internal Revenue Code, as provided under Sterling's stock incentive plans.

The letter agreement with Comerica will supersede Mr. Bridgwater's employment contract with Sterling, effective on the closing date of the merger, except with respect to the survival of certain specified terms of the employment contract, including the restrictive covenants summarized above in the description of Mr. Bridgwater's employment contract. If the merger agreement is terminated prior to the consummation of the merger for any reason, the letter agreement with Comerica will not become effective, and Mr. Bridgwater will have no rights thereunder.

Severance and Non-Compete Agreements

Sterling also is a party to individual severance and non-compete agreements with certain named executive officers not otherwise party to an employment agreement, including Zach L. Wasson, James W. Goolsby, Jr. and Robert S. Smith (and the six other executive officers Allen D. Brown, Wanda S. Dalton, Deborah A. Dinsmore, Travis L. Jagers, Michelle Mahfouz and Graham B. Painter), which we refer to herein as severance agreements. In general, the severance agreements prohibit the executive officers from working for a competitor within a defined territory or soliciting customers and/or employees from Sterling, in each case while the executive officer is employed and for a period of 12 months after leaving the employment of Sterling, and bind the executive officers to protect Sterling's confidential information in perpetuity.

Under the severance agreements, the executive officer will be entitled to severance benefits only if either (a) the officer's employment is involuntarily terminated for any reason other than cause (as defined in the severance agreements), disability or death, or (b) within two years after a change of control, the officer elects to terminate his or her employment for good reason (as defined in the severance agreements). The severance agreements provide for the following severance payments and benefits upon a termination of employment following a change of control: (1) up to two years' depending on the date of termination of employment (but not less than one year's) base pay payable in equal installments in accordance with Sterling's regular pay periods; (2) an annual bonus for up to two years depending on the date of termination of employment (but not less than one year) in an amount equal to the highest annual bonus paid to the respective officer during the three years

preceding termination or change of control; (3) continued eligibility for Sterling perquisites, welfare and life insurance benefit plans, to the extent permitted by law and the terms of the plan; (4) payment of up to \$20,000 in job placement fees; and (5) to the extent permitted by law or the applicable plan, accelerated vesting and termination of all forfeiture provisions under all benefit plans, options, stock grants or other similar awards. The severance payments and benefits under the severance agreements, the transition/retention agreements described below and other compensatory arrangements will be limited to the maximum amount payable without resulting in a loss of deductions under Section 280G of the Internal Revenue Service Code.

The following table summarizes the estimated payout to Sterling's named executive officers and the six other executive officers as a group in the context of an involuntary termination of employment immediately following a change of control transaction (excluding the effects of full vesting of Sterling stock options and phantom units discussed above and the transition/retention bonuses described below, and without taking into account the limit to the maximum amount payable without resulting in a loss of deductions under Section 280G of the Code).

Sterling Transition/Retention Agreements

On January 17, 2011, Sterling entered into transition/retention incentive agreements, which we refer to herein as the transition agreements, with each of its named executive officers, among other executive officers, to provide an incentive for the executive officers to remain employed with Sterling for a certain period of time following the announcement of the merger.

The transition agreements provide for the payment of cash bonuses if the executive officers remain employed with Sterling for a period commencing on the effective date of the transition agreement and ending on the earlier of: (1) 30 days after the merger-related system conversion has been completed, (2) six months after the date of closing of the merger, or (3) the date such officer is terminated from employment without cause (as defined in the transition agreement). Under the transition agreements, Sterling agreed to pay each executive officer an amount equal to 50% of his or her respective base salary payable one-half upon the closing date of the merger and one-half upon conclusion of the aforementioned transition period.

The amount of cash bonus payable to each named executive officer in accordance with their respective transition agreement is as follows: \$305,250 to Mr. Bridgwater, \$178,063 to Mr. Wasson, \$139,907 to Mr. Goolsby, and \$137,500 to Mr. Smith. An aggregate of \$692,462 is payable to the other six executive officers.

Director and Officer Indemnification and Insurance

For a period of six years after closing of the merger, to the fullest extent permitted by applicable law and Sterling's governing documents, Comerica will indemnify and advance expenses to each present and former director and officer of Sterling against liabilities arising out of that person's services for Sterling whether occurring before or after the effective time of the merger. Comerica will use its reasonable best efforts to maintain Sterling's directors' and officers' liability insurance for a period of six years after closing of the merger or substitute policies of at least the same coverage and amounts containing terms and conditions which are substantially no less advantageous with respect to claims arising from facts or events which occurred prior to the effective time and covering persons who are currently covered by such insurance. In lieu of the insurance

Table of Contents

described in the preceding sentence, prior to the completion of the merger, Comerica, or Sterling, with Comerica's consent, may obtain a six-year tail prepaid policy providing coverage equivalent to such insurance. See The Merger Agreement Covenants and Agreements D&O Indemnification and Insurance.

Public Trading Markets

Comerica common stock is listed and traded on the NYSE under the symbol CMA. Sterling common stock is listed and traded on the NASDAQ Global Select Market, which we refer to as the NASDAQ, under the symbol SBIB. Upon completion of the merger, the Sterling common stock will be delisted from the NASDAQ and deregistered under the Securities Exchange Act of 1934, as amended, which we refer to as the Exchange Act. The newly issued Comerica common stock issuable pursuant to the merger agreement will be listed on the NYSE and freely transferable under the Securities Act of 1933, as amended, which we refer to as the Securities Act.

The Sterling Warrants are listed and traded on the NASDAQ under the symbol SBIBW. Under the terms of the merger agreement, upon completion of the merger, the Sterling warrants will be converted into warrants to acquire Comerica common stock, adjusted to reflect the exchange ratio pursuant to the merger agreement, which we expect to be listed on the NYSE upon completion of the merger under a new name and will be traded under a new symbol.

Comerica's Dividend Policy

Comerica's common stock dividend policy reflects Comerica's earnings outlook, desired dividend payout ratios, need to maintain an adequate capital level, alternative investment opportunities, legal and regulatory considerations and other factors. In the fourth quarter of 2010, Comerica's board of directors increased the quarterly dividend on its common stock to \$0.10 per share. Comerica's board of directors may change this dividend policy at any time, and the payment of dividends by financial holding companies is generally subject to legal and regulatory limitations.

Sterling Shareholders Do Not Have Dissenters Appraisal Rights in the Merger

Appraisal rights are statutory rights that, if applicable under law, enable shareholders to dissent from an extraordinary transaction, such as a merger, and to demand that the corporation pay the fair value for their shares as determined by a court in a judicial proceeding instead of receiving the consideration offered to shareholders in connection with the extraordinary transaction. Appraisal rights are not available in all circumstances, and exceptions to these rights are provided under the TBOC.

Under the TBOC, a shareholder generally has the right to dissent from any merger to which the corporation is a party, from any sale of all or substantially all assets of the corporation, or from any plan of exchange and to receive fair value for his or her shares. However, rights of dissent and appraisal are not available with respect to a plan of merger in which there is a single surviving corporation, or with respect to any plan of exchange, if: (1) the shares held by the shareholder are part of a class or series that are, on the record date set for purposes of determining which owners are entitled to vote on the plan of merger or exchange, (a) listed on a national securities exchange, (b) designated as a national market security on an interdealer quotation system by the National Association of Securities Dealers, Inc. or (c) held of record by not less than 2,000 holders on the record date fixed to determine the shareholders entitled to vote on the plan of merger or the plan of exchange; (2) the shareholder is not required by the terms of the plan of merger or plan of exchange to accept for the shareholder's shares any consideration that is different than the consideration (other than cash in lieu of fractional shares) to be provided to any other holder of shares of the same class or series held by such shareholder; and (3) the shareholder is not required by the terms of the plan of merger or plan of exchange to accept for his or her shares any consideration other than (a) shares of a corporation that, immediately after the effective time of the merger or

Table of Contents

exchange, will be part of a class or series of shares that are (i) listed, or authorized for listing upon official notice of issuance, on a national securities exchange, (ii) approved for quotation as a national market security on an interdealer quotation system by the National Association of Securities Dealers, Inc., or (iii) held of record by not less than 2,000 holders and (b) cash in lieu of fractional shares otherwise entitled to be received.

Consequently, because Comerica's common stock is listed on the NYSE and Sterling's common stock is listed on the NASDAQ, Sterling's shareholders do not have dissenters' appraisal rights in the merger with respect to their shares of Sterling common stock.

Regulatory Approvals Required for the Merger

Comerica and Sterling have agreed to use their reasonable best efforts to obtain all regulatory approvals required to complete the transactions contemplated by the merger agreement. These approvals include approval from the Federal Reserve Board, among others. Comerica and Sterling have filed, or are in the process of filing, applications and notifications to obtain the required regulatory approvals.

Federal Reserve Board. The transactions contemplated by the merger agreement are subject to approval by the Federal Reserve Board pursuant to Section 3 of the Bank Holding Company Act of 1956, as amended.

Additional Regulatory Approvals and Notices. A copy of the application submitted to the Federal Reserve Board in connection with the merger must be submitted to the Texas Department of Banking. Notifications and/or applications requesting approval may be submitted to various other federal and state regulatory authorities and self-regulatory organizations.

Timing. We cannot assure you that all of the regulatory approvals described above will be obtained and, if obtained, we cannot assure you as to the timing of any such approvals, our ability to obtain the approvals on satisfactory terms or the absence of any litigation challenging such approvals. We also cannot assure you that any third party will not attempt to challenge the merger on antitrust grounds, and, if such a challenge is made, we cannot assure you as to its result.

Comerica and Sterling believe that the merger does not raise substantial antitrust or other significant regulatory concerns and that we will be able to obtain all requisite regulatory approvals on a timely basis without the imposition of any condition that would have a material adverse effect on Comerica or Sterling. The parties' obligation to complete the merger is conditioned upon the receipt of all required regulatory approvals.

We are not aware of any material governmental approvals or actions that are required for completion of the merger other than those described above. It is presently contemplated that if any such additional governmental approvals or actions are required, those approvals or actions will be sought. There can be no assurance, however, that any additional approvals or actions will be obtained.

Litigation Relating to the Merger

On January 18, 2011, a purported shareholder of Sterling filed a putative class action complaint relating to the merger in the District Court of Harris County, Texas, captioned *Bailey v. Sterling Bancshares, Inc. et al.*, Cause No. 201103205. On February 2, 2011, a purported shareholder of Sterling filed a derivative complaint on behalf of Sterling in the same court captioned *Stockton v. Bird et al.*, Cause No. 201107148. Both complaints name as defendants Sterling, certain of its directors and officers, and Comerica. The complaints allege that the director and officer defendants breached their fiduciary duties to Sterling shareholders and that Sterling and Comerica aided and abetted those alleged breaches. Both complaints generally seek, among other relief, to enjoin the consummation of the merger and an award of costs and attorneys' fees. In addition, the *Bailey* complaint seeks a constructive trust over any benefits improperly received by defendants, and the *Stockton* complaint seeks an accounting for damages resulting from the alleged fiduciary breaches.

Each of the defendants believes the claims asserted are without merit and intends to vigorously defend against these lawsuits.

THE MERGER AGREEMENT

The following describes certain aspects of the merger, including certain material provisions of the merger agreement. The following description of the merger agreement is subject to, and qualified in its entirety by reference to, the merger agreement, which is attached to this proxy statement/prospectus as Annex A and is incorporated by reference into this proxy statement/prospectus. We urge you to read the merger agreement carefully and in its entirety, as it is the legal document governing this merger.

Structure of the Merger

Each of the Sterling board of directors and the Comerica board of directors has approved the merger agreement, which provides for the merger of Comerica Bayou Acquisition Corporation, a wholly owned direct subsidiary of Comerica, with and into Sterling. Sterling will be the surviving entity in the merger and will remain as a wholly owned subsidiary of Comerica.

Merger Consideration

Each share of Sterling common stock issued and outstanding immediately prior to the completion of the merger, except for specified shares of Sterling common stock held by Sterling, Comerica or Comerica Bayou Acquisition Corporation, will be converted into the right to receive 0.2365 of a share of Comerica common stock. If the number of shares of common stock of Comerica changes before the merger is completed as a result of a stock split, stock dividend, or similar recapitalization with respect to such stock, and the record or effective date with respect to such change is prior to the completion of the merger, then the exchange ratio will be proportionately adjusted.

Fractional Shares

Comerica will not issue any fractional shares of Comerica common stock in the merger. Instead, a Sterling shareholder who otherwise would have received a fraction of a share of Comerica common stock will receive an amount in cash rounded to the nearest cent. This cash amount will be determined by multiplying the fraction of a share of Comerica common stock to which the holder would otherwise be entitled by the closing price of Comerica common stock on the NYSE on the last trading day prior to the date on which the merger is completed.

Surviving Corporation, Governing Documents and Directors

At the effective time of the merger, Comerica Bayou Acquisition Corporation's certificate of formation and bylaws in effect immediately prior to the effective time will be the articles of incorporation and bylaws of the surviving corporation after completion of the merger until thereafter amended in accordance with their respective terms and applicable law. At the effective time of the merger, the board of directors of Comerica Bayou Acquisition Corporation immediately prior to the effective time of the merger will be the board of directors of Sterling as the surviving corporation of the merger.

Treatment of Sterling Stock Options and Other Equity-Based Awards

Options

At the effective time of the merger, each outstanding option to acquire Sterling common stock granted under Sterling's stock incentive plans will be converted automatically into an option to purchase a number of shares of Comerica common stock equal to the product (rounded down to the nearest whole share) of (1) the number of shares of Sterling common stock subject to the option and (2) the exchange ratio of 0.2365. Each converted stock option will be subject to the same terms and conditions (including expiration date and exercise provisions) as were applicable immediately prior to the effective time of the merger, including vesting in full at the effective time. The per share exercise price for each converted stock option will equal the quotient (rounded up to the nearest whole cent) of (x) the per share exercise price of the option in effect immediately prior to the effective time of the merger and (y) the exchange ratio of 0.2365.

Table of Contents

Comerica has agreed to file a registration statement with the SEC on an appropriate form to the extent necessary to register Comerica common stock subject to the converted stock options.

Phantom Stock Unit Awards

At the effective time of the merger, each Sterling phantom stock unit award outstanding under Sterling's stock incentive plans will be assumed by Comerica and converted into a number of fully vested shares of Comerica common stock equal to the product (rounded down to the nearest whole share) of (1) the number of shares of Sterling common stock underlying or subject to the Sterling phantom stock unit award and (2) the exchange ratio of 0.2365.

Except as otherwise agreed between Comerica and any individual award holder, phantom unit awards issued pursuant to Sterling's 2007 Long-Term Incentive Stock Performance Program shall be payable at 100% of target (as defined in the applicable award agreement) and settled in the same manner as described in the prior paragraph.

Employee Stock Purchase Plan

Sterling will terminate its Employee Stock Purchase Plan immediately prior to the effective time of the merger.

Treatment of Sterling Warrants

At the effective time of the merger, the warrants issued by Sterling pursuant to the Warrant Agreement, dated June 9, 2010, between Sterling and American Stock Transfer & Trust Company, LLC, or Sterling Warrants, shall be converted automatically into warrants to purchase Comerica common stock, which we refer to as the New Comerica Warrants (and cash in lieu of any fractional shares). The New Comerica Warrants will be subject to the same terms and conditions as were applicable to the Sterling Warrants immediately prior to the effective time, except that:

the number of shares of Comerica common stock purchasable upon exercise of each New Comerica Warrant will equal the product of (1) the number of shares of Sterling common stock that were purchasable under such Sterling Warrant immediately prior to the effective time of the merger and (2) the exchange ratio of 0.2365 (rounded to the nearest one-hundredth of a share); and

the per share exercise price for each New Comerica Warrant will equal the quotient of (1) the per share exercise price of the Sterling Warrant immediately prior to the effective time of the merger and (2) the exchange ratio of 0.2365 (rounded to the nearest one-tenth of a cent).

Closing and Effective Time of the Merger

The merger will be completed only if all conditions to the merger discussed in this proxy statement/prospectus and set forth in the merger agreement are either satisfied or waived. See "Conditions to Complete the Merger" beginning on page [].

The merger will become effective when the certificate of merger is filed with the Secretary of State of the State of Texas. However, we may agree to a later time for completion of the merger and specify that time in accordance with Texas law. In the merger agreement, we have agreed to cause the completion of the merger to occur no later than the fifth business day following the satisfaction or waiver of the last of the conditions specified in the merger agreement, or on another mutually agreed date. It currently is anticipated that the completion of the merger will occur by mid-year 2011, subject to the receipt of regulatory approvals and other customary closing conditions, but we cannot guarantee when or if the merger will be completed.

Table of Contents

Conversion of Shares; Exchange of Certificates

The conversion of Sterling common stock into the right to receive the merger consideration will occur automatically at the effective time of the merger. Promptly after completion of the merger, the exchange agent will exchange certificates or book-entry shares representing shares of Sterling common stock for the merger consideration to be received pursuant to the terms of the merger agreement.

Letter of Transmittal

Promptly after the completion of the merger, the exchange agent will mail appropriate transmittal materials and instructions to those persons who were holders of Sterling common stock immediately prior to the completion of the merger. These materials will contain instructions on how to surrender shares of Sterling common stock in exchange for the merger consideration the holder is entitled to receive under the merger agreement.

If a certificate for Sterling common stock has been lost, stolen, mislaid or destroyed, the exchange agent will issue the consideration properly payable under the merger agreement upon receipt of (1) an affidavit of that fact by the claimant, (2) such bond, security or indemnification as Comerica and the exchange agent may reasonably require, and (3) any other documents necessary to evidence and effect the exchange.

After completion of the merger, there will be no further transfers on the stock transfer books of Sterling.

Withholding

Comerica, the surviving corporation and the exchange agent will be entitled to deduct and withhold from the consideration otherwise payable to any Sterling shareholder the amounts it is required to deduct and withhold under any applicable federal, state, local or foreign tax law. If any such amounts are withheld, these amounts will be treated for all purposes of the merger agreement as having been paid to the shareholders from whom they were withheld.

Dividends and Distributions

Whenever a dividend or other distribution is declared by Comerica on Comerica common stock, the record date for which is at or after the effective time of the merger, the declaration will include dividends or other distributions on all shares of Comerica common stock issuable pursuant to the merger agreement, but such dividends or other distributions will not be paid to the holder thereof until such holder has duly surrendered its Sterling stock certificates or book-entry shares.

Prior to the effective time of the merger, neither Sterling nor its subsidiaries may, except with Comerica's prior written consent, declare or pay any dividend or distribution on its capital stock or repurchase any shares of its capital stock, other than regular quarterly dividends on Sterling common stock at a rate no greater than \$0.015 per share. The declaration and payment of the last quarterly dividend by Sterling prior to the effective time of the merger must be coordinated with Comerica so that holders of Sterling common stock do not receive dividends on both, or fail to receive a dividend on either, Sterling common stock and the Comerica common stock received in the merger in such quarter.

Representations and Warranties

The merger agreement contains representations and warranties of Sterling and Comerica relating to their respective businesses. With the exception of (i) certain representations that must be true and correct in all material respects, (ii) representations concerning the absence of a material adverse effect and of undisclosed liabilities reasonably likely to have a material adverse effect, which must be true and correct in all respects and (iii) certain of Sterling's representations concerning capitalization, which must be true and correct in all respects except for inaccuracies that are de minimis in amount, no representation or warranty will be deemed untrue or

incorrect, and no party will be deemed to have breached a representation or warranty as a consequence of the existence or absence of any fact, circumstance, change or event unless that fact, circumstance, change or event, individually or when taken together with all other facts, circumstances, changes or events inconsistent with any representation, has had or is reasonably likely to have a material adverse effect.

For the purposes of the merger agreement, a material adverse effect with respect to Comerica or Sterling, as the case may be, means any fact, circumstance, event, change, effect, development or occurrence that, individually or in the aggregate, together with all other facts, circumstances, events, changes, effects, developments or occurrences, directly or indirectly has had or would reasonably be expected to result in a material adverse effect on the financial condition, results of operations or business of such party and its subsidiaries taken as a whole, other than to the extent resulting from:

changes after the date of the merger agreement in U.S. generally accepted accounting principles, or GAAP, or regulatory accounting requirements;

changes after the date of the merger agreement in laws, regulations or rules of general applicability to companies in the financial services industry;

changes after the date of the merger agreement in global, national or regional political conditions or general economic or market conditions in the United States or any state or territory thereof, including changes in prevailing interest rates, credit availability and liquidity, currency exchange rates, and price levels or trading volumes in the United States or foreign securities markets affecting other companies in the financial services industry;

after the date of the merger agreement, general changes in the credit markets or general downgrades in the credit markets; or

any outbreak or escalation of hostilities, declared or undeclared acts of war or terrorism; except, in each case listed above, to the extent that the effects of such change disproportionately affect such party and its subsidiaries, taken as a whole, as compared to other companies in the industry in which such party and its subsidiaries operate; or

the public disclosure of the merger agreement and the impact thereof on relationships with customers or employees; or

actions or omissions taken with the prior written consent of the other party or expressly required by the merger agreement; or

failure, in and of itself, to meet earnings projections or internal financial forecasts, but not including any underlying causes thereof unless separately excluded by one of the preceding clauses, or changes in the trading price of a party's common stock, in and of itself, but not including any underlying causes unless separately excluded by one of the preceding clauses.

The representations and warranties in the merger agreement do not survive the effective time of the merger and, as described below under Effect of Termination, if the merger agreement is validly terminated, there will be no liability under the representations and warranties of the parties, or otherwise under the merger agreement (except with respect to designated provisions of the merger agreement, including those related to payment of fees and expenses and the confidential treatment of information), unless a party knowingly breached the merger agreement.

The merger agreement contains representations and warranties made by Sterling to Comerica relating to a number of matters, including the following:

Comerica has agreed to a more limited set of restrictions on its business prior to the completion of the merger. Specifically, Comerica has agreed that prior to the effective time of the merger, except as expressly contemplated or permitted by the merger agreement, it will, and will cause its subsidiaries to, operate their respective businesses, only in the usual, regular and ordinary course and use reasonable best efforts to preserve intact its business organization and assets and maintain its rights and franchises, except that Comerica and its subsidiaries are not prevented from discontinuing or disposing of assets or business if such action is, in Comerica's judgment, desirable in the conduct of its and its subsidiaries business. Additionally, Comerica has agreed that, except as expressly contemplated by the merger agreement, with certain exceptions and except with the prior written consent of Sterling, Comerica will not, and will not permit any of its subsidiaries to, among other things, undertake the following actions:

amend any governing documents in a manner that would adversely affect Sterling or its shareholders; or

enter into an agreement to acquire or invest in, or make any acquisition of or investment in, any person, or all or any portion of the assets, business, deposits or properties (other than in a fiduciary or similar capacity in the ordinary course of business consistent with past practice) of any other entity (other than a wholly owned Comerica subsidiary), if such acquisition or investment is reasonably likely to result in any of the conditions to the completion of the merger not being satisfied or materially impair its ability to perform its obligations under the merger agreement.

Regulatory Matters. Comerica and Sterling have also agreed to cooperate and to use reasonable best efforts to prepare and file all documents, to obtain all permits, consents, approvals and authorizations of regulatory authorities necessary to consummate the merger. Comerica has agreed to use its reasonable best efforts to resolve

any objections asserted with respect to the merger under any applicable law, regulation or decree, including agreeing to divest any assets, deposits, lines of business or branches. Each party will consult with the other party with respect to obtaining all material permits, consents, approvals and authorizations of any regulatory authority necessary or advisable to complete the merger, and will keep such other party apprised of the status of material matters relating to completion of the merger, including certain communications from regulatory authorities.

Tax Matters. Comerica and Sterling have agreed to use their respective reasonable best efforts to cause the merger to qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended, and to take no action that could reasonably be expected to prevent the merger from so qualifying.

Employee Matters. The merger agreement provides that, after the completion of the merger, Comerica will provide to officers and employees of Sterling who are employed as of the completion of the merger (whom we refer to as affected employees) employee benefits under employee benefit and welfare plans on terms and conditions that, when taken as a whole, are substantially similar to the employee benefits currently provided by Comerica to similarly situated officers and employees. In addition, for a period of 12 months after the completion of the merger, Comerica has agreed to generally provide affected employees with severance benefits in accordance with Sterling's severance policies in effect on the date of the merger agreement. The service of Sterling employees prior to closing will be treated as service with Comerica for purposes of participation, vesting and benefit accrual under Comerica's employee benefit plans, subject to customary exclusions.

From and after the completion of the merger, Comerica will assume Sterling's obligations to current and former employees, officers or directors of Sterling under all employment, severance, consulting, retirement and other compensation contracts, and will assume Sterling's obligations for all vested benefits or other vested amounts earned under Sterling employee benefit plans prior to the merger, recognizing that the merger will constitute a change in control (or similar concept) for the purposes of each such plan or agreement. For the purposes of determining the highest annual bonus amount (or similar term or concept) during the relevant look back period in any such agreement or plan, Comerica will take into account all bonuses paid by Sterling to the relevant officer or employee since January 1, 2008.

In addition, if requested by Comerica, Sterling will terminate Sterling's 401(k) plan effective immediately prior to the completion of the merger.

D&O Indemnification and Insurance. The merger agreement provides that for six years after the completion of the merger, Comerica will, and will cause the surviving corporation to, indemnify, defend and hold harmless, all present and former directors, officers, employees and agents of Sterling and its subsidiaries against all liabilities arising out of actions or omissions arising out of their service in such capacities to the fullest extent permitted by applicable law and Sterling's governing documents (including any provisions relating to the advancement of expenses incurred in the defense of any litigation).

The merger agreement requires Comerica to, or to cause the surviving corporation to, use its reasonable best efforts to maintain for a period of six years after completion of the merger Sterling's existing directors' and officers' liability insurance policy, or policies of at least the same coverage and amounts and containing terms and conditions which are substantially no less advantageous than the current policy (or, with the consent of Sterling prior to the completion of the merger, any other policy), with respect to claims arising from facts or events that occurred prior to the completion of the merger, and covering such individuals who are currently covered by such insurance. However, neither Comerica nor the surviving corporation is required to incur annual premium payments greater than 350% of Sterling's current annual directors' and officers' liability insurance premium. In lieu of the insurance described in the preceding sentence, prior to the completion of the merger, Comerica, or Sterling, with Comerica's consent, may obtain a six-year tail prepaid policy providing coverage equivalent to such insurance.

Certain Additional Covenants. The merger agreement also contains additional covenants, including covenants relating to the filing of this proxy statement/prospectus, obtaining required consents, the listing of the

shares of Comerica common stock to be issued in the merger, access to information of the other company and public announcements with respect to the transactions contemplated by the merger agreement.

Sterling Shareholder Meeting and Recommendation of Sterling's Board of Directors

Sterling has agreed to hold a meeting of its shareholders for the purpose of voting upon approval of the merger agreement as soon as reasonably practicable after the registration statement of which this proxy statement/prospectus is a part is declared effective by the SEC. Sterling will use its reasonable best efforts to obtain from its shareholders the requisite shareholder approval of the merger agreement, including by recommending that its shareholders approve and adopt the merger agreement (subject to the provisions governing making a change in Sterling's recommendation as described below).

The board of directors of Sterling has agreed to recommend that Sterling's shareholders vote in favor of approval of the merger agreement and to not withdraw, modify or qualify (or publicly propose to withdraw, modify or qualify) such recommendation in any manner adverse to Comerica, or take any action or make any public statement inconsistent with such recommendation (which we refer to in this proxy statement/prospectus as a change in Sterling's recommendation), except that, prior to the Sterling shareholders' meeting, Sterling's board of directors may effect a change in Sterling's recommendation if and only to the extent that:

Sterling has received an unsolicited bona fide written acquisition proposal that Sterling's board of directors has concluded in good faith is a superior proposal (as described below), after taking into account any amendment or modifications to the merger agreement agreed to by Comerica;

Sterling has (i) given at least three calendar days' written notice to Comerica of its intention to effect a change in Sterling's recommendation, specifying the material terms and conditions of the superior proposal, including the identity of the person making such proposal or inquiry, and (ii) negotiated, and caused its representatives to negotiate, with Comerica in good faith during this period of not less than three business days to improve the terms of the merger agreement;

if applicable, after considering the results of such negotiations and giving effect to any proposals, amendments or modifications offered or agreed to by Comerica, Sterling's board of directors has concluded in good faith that such acquisition proposal continues to constitute a superior proposal; and

Sterling's board of directors, determines in good faith, after consultation with its outside legal advisors, that the failure to effect a change in Sterling's recommendation would cause it to violate the board's fiduciary duties under applicable law.

In the event of any material revisions to the superior proposal, Sterling will be required to deliver a new written notice to Comerica two days in advance of its intention to effect a change in Sterling's recommendation and to comply with the other requirements described above during that two-day period.

For purposes of the merger agreement,

an acquisition proposal means any proposal, offer, inquiry, or indication of interest (whether binding or non-binding, and whether communicated to Sterling or publicly announced to Sterling's shareholders) by any person (other than Comerica or its affiliates) relating to an acquisition transaction (as described below) involving Sterling or any of its present or future consolidated subsidiaries, or any combination of its subsidiaries, the assets of which constitute 20% or more of the consolidated assets of Sterling as reflected on Sterling's consolidated statement of condition prepared in accordance with GAAP;

an acquisition transaction means any transaction or series of related transactions (other than those contemplated by the merger agreement) involving: (i) any acquisition (whether direct or indirect, including by way of merger, share exchange, consolidation,

Edgar Filing: COMERICA INC /NEW/ - Form S-4

business combination, consolidation or similar transaction) or purchase from Sterling by any person or group of persons of 20% or more in interest of the total outstanding voting securities of Sterling or any of its subsidiaries, or any tender offer or exchange offer that if consummated would result in any person or group of persons beneficially

Table of Contents

owning 20% or more in interest of the total outstanding voting securities of Sterling or any of its subsidiaries, or any merger, consolidation, business combination or similar transaction involving Sterling pursuant to which the shareholders of Sterling immediately preceding such transaction hold less than 80% of the equity interests in the surviving or resulting entity (which includes the parent corporation of any constituent corporation to any such transaction) of such transaction; (ii) any sale or lease or exchange, transfer, license, acquisition or disposition of a business, deposits or assets that constitute 20% or more of the assets, business, revenues, net income, assets or deposits of Sterling; or (iii) any liquidation or dissolution of Sterling; and

superior proposal means any bona fide written acquisition proposal with respect to which Sterling's board of directors determines in its good faith judgment to be more favorable from a financial point of view to Sterling shareholders than the merger and to be reasonably capable of being consummated on the terms proposed, after (i) receiving the advice of outside counsel and a financial advisor (which shall be a nationally recognized investment banking firm) and (ii) taking into account all relevant factors (including the likelihood of consummation of the acquisition proposal on its terms; any proposed changes to the merger agreement that may be proposed by Sterling in response to such acquisition proposal; and all legal (with the advice of outside counsel), financial (including the financing terms of any such proposal), regulatory and other aspects of such proposal (including any expense reimbursement provisions and conditions to closing)); provided, that for purposes of the definition of superior proposal, the references to 20% and 80% in the definitions of acquisition proposal and acquisition transaction are deemed to be references to 50%.

The merger agreement requires Sterling to submit the merger agreement to a shareholder vote even if its board of directors effects a change in Sterling's recommendation.

Agreement Not to Solicit Other Offers

Sterling also has agreed that it and its subsidiaries will not, and will cause their respective officers, directors, employees, agents and representatives not to, directly or indirectly:

solicit, initiate, encourage, knowingly facilitate or induce any inquiries or proposals for any acquisition proposal or any inquiry, proposal or offer that is reasonably likely to lead to any acquisition proposal;

enter into, continue or participate in any discussions or negotiations regarding, or furnish to any third party any confidential or non-public information with respect to or in connection with, any acquisition proposal;

take any other action to facilitate any inquiries or the making of any acquisition proposal, or any proposal reasonably expected to lead to an acquisition proposal;

approve, endorse, or recommend, or propose to approve, endorse or recommend any acquisition proposal, or any agreement related to an acquisition proposal (other than the permitted confidentiality agreement described below);

enter into any agreement contemplating or otherwise relating to any acquisition transaction (other than the permitted confidentiality agreement described below); or

propose or agree to take any of the actions listed above.

However, if prior to the Sterling special meeting, Sterling receives an unsolicited bona fide written acquisition proposal that Sterling's board of directors determines, in its good faith judgment (after consultation with Sterling's financial advisors and outside legal counsel), to be or to be reasonably likely to result in, a superior proposal, Sterling may engage in discussions or negotiations with, or provide confidential or non-public information to, the person making that alternative transaction proposal if:

Edgar Filing: COMERICA INC /NEW/ - Form S-4

prior to providing (or causing to be provided) any non-public information to the person making the inquiry or proposal, Sterling obtains from such person an executed confidentiality agreement containing terms no less favorable to Sterling than the terms contained in Sterling's confidentiality agreement with Comerica; and

Table of Contents

Sterling simultaneously provides Comerica with any confidential non-public information concerning Sterling provided to such person that was not previously provided to Comerica.

Sterling has also agreed to, as promptly as practicable (within 24 hours) following the receipt of any acquisition proposal, or request for nonpublic information or any inquiry that would reasonably be expected to lead to an acquisition proposal, provide Comerica with written notice of its receipt of, and a written summary of the material terms of, such acquisition proposal or inquiry, including the identity of the person making the inquiry or alternative transaction proposal. In addition, Sterling has agreed to keep Comerica promptly apprised of any related developments, discussions and negotiations (including copies of material documentation and correspondence on a current basis).

Sterling has agreed to immediately cease and cause to be terminated any activities, discussions or negotiations conducted with any third party prior to January 16, 2011 with respect to any acquisition proposal, to request the prompt return or destruction of all confidential information previously furnished to any third party in connection with any such acquisition proposal and not to terminate, waive, amend, release or modify any provision of any confidentiality or standstill agreement relating to any acquisition proposal, and to enforce the provisions of any such agreement.

The merger agreement provides that the above-described restrictions on Sterling do not prohibit Sterling or its board of directors from issuing a stop, look and listen communication pursuant to Rule 14d-9(f) under the Exchange Act or from complying with Rules 14d-9 and 14e-2(a) promulgated under the Exchange Act or from making any disclosure to Sterling's shareholders if Sterling's board of directors (after consultation with its outside legal advisors) concludes that its failure to do so would cause it to violate its fiduciary duties under applicable law.

Conditions to Complete the Merger

Our respective obligations to complete the merger are subject to the fulfillment or waiver of the following conditions:

the approval of the merger agreement by Sterling's shareholders;

the receipt of regulatory approvals required from the Federal Reserve Board and the Texas Department of Banking and any other required regulatory approvals, the failure of which to obtain would reasonably be expected to have a material adverse effect on Comerica or Sterling, in each case required to complete the merger, and expiration of all related statutory waiting periods;

the absence of any rule, regulation, law, judgment or order (whether temporary, preliminary or permanent) by any court or governmental or regulatory authority of competent jurisdiction prohibiting, restricting or making illegal completion of the transactions contemplated by the merger agreement;

the effectiveness of the registration statement of which this proxy statement/prospectus is a part with respect to the Comerica common stock to be issued in the merger under the Securities Act and the absence of any stop order or proceedings initiated or threatened by the SEC for that purpose;

the approval of the listing of the Comerica common stock to be issued in the merger on the NYSE, subject to official notice of issuance;

the accuracy of the representations and warranties of each other party in the merger agreement as of the closing date of the merger, subject to the materiality standards provided in the merger agreement and the performance of the other party in all material respects of all obligations required to be performed by it at or prior to the effective time of the merger under the merger agreement (and the receipt by each party of certificates from the other party to such effects); and

receipt by each of Comerica and Sterling of an opinion of legal counsel as to certain tax matters.

Edgar Filing: COMERICA INC /NEW/ - Form S-4

We cannot provide assurance as to when or if all of the conditions to the merger can or will be satisfied or waived by the appropriate party. As of the date of this proxy statement/prospectus, we have no reason to believe that any of these conditions will not be satisfied.

Termination of the Merger Agreement

The merger agreement can be terminated at any time prior to completion by mutual consent, or by either party in the following circumstances:

any regulatory authority which must grant a required regulatory approval has denied approval of the merger and this denial has become final and nonappealable, or a regulatory authority has issued a final nonappealable rule, regulation, law, judgment or order prohibiting the consummation of the merger, so long as the party seeking to terminate the merger agreement has used its reasonable best efforts to contest and change such denial, law or order;

the merger has not been completed by November 30, 2011, if the failure to complete the merger by that date is not caused by the terminating party's breach of the merger agreement;

there is a breach by the other party that would cause the failure of the closing conditions described above, unless the breach is capable of being, and is, cured within 45 days of notice of the breach (provided that the terminating party is not then in breach, in any material respect, of any of its material covenants or agreements contained in the merger agreement); or

the Sterling shareholders fail to approve the merger agreement at the special meeting.

In addition, Comerica may terminate the merger agreement if Sterling's board of directors:

fails to recommend to the Sterling shareholders that they approve the merger agreement;

makes any change in Sterling's recommendation; or

knowingly and materially breaches (1) its non-solicitation obligations described above under "Agreement Not to Solicit Other Offers" or obligations with respect to acquisition proposals described above under "Sterling Shareholder Meeting and Recommendation of Sterling's Board of Directors" or (2) its obligations to call a shareholder meeting or to use reasonable best efforts to obtain the approval of its shareholders.

Effect of Termination

If the merger agreement is terminated, it will become void, except that (1) both Comerica and Sterling will remain liable for any knowing breach of the merger agreement and (2) designated provisions of the merger agreement will survive the termination, including those relating to payment of fees and expenses and the confidential treatment of information.

Termination Fee

Sterling will pay Comerica a \$40 million termination fee if Comerica terminates the merger agreement because Sterling's board of directors fails to recommend to Sterling shareholders that they approve the merger agreement; makes any change in Sterling's recommendation; or knowingly and materially breaches (1) its non-solicitation obligations or obligations with respect to acquisition proposals described above, or (2) its obligations to call a shareholder meeting or to use reasonable best efforts to obtain the approval of its shareholders.

If either Comerica or Sterling terminates the merger agreement as a result of (1) the failure to complete the merger by November 30, 2011 (without the Sterling shareholders having approved the merger agreement) or (2) the failure of Sterling's shareholders to approve the merger agreement, or Comerica terminates the merger agreement as a result of a volitional breach by Sterling that gives rise to the failure of a condition to completion of the merger, and prior to such termination, an acquisition proposal has been publicly announced, Sterling will reimburse Comerica's expenses in an amount up to \$3 million. If Sterling enters into a definitive agreement with respect to or consummates an alternative

Edgar Filing: COMERICA INC /NEW/ - Form S-4

acquisition transaction (changing the references to the 20% and 80% amounts in the definition of acquisition transaction to 50%) within 12 months of such termination, Sterling will pay Comerica a termination fee of \$40 million, less any amounts previously paid in reimbursement of expenses.

Table of Contents

Expenses and Fees

Except as set forth above, each of Comerica and Sterling will be responsible for all expenses incurred by it in connection with the negotiation and completion of the transactions contemplated by the merger agreement. The costs and expenses of printing this proxy statement/prospectus, and all filing fees paid to the SEC in connection with the merger, shall be borne equally by Sterling and Comerica.

Amendment, Waiver and Extension of the Merger Agreement

Subject to applicable law, the parties may amend the merger agreement by written agreement. However, after any approval of the merger agreement by Sterling's shareholders, there may not be any amendment of the merger agreement that requires further approval under applicable law.

At any time prior to the completion of the merger, each party, by action taken or authorized by its respective boards of directors, to the extent legally allowed, may waive any default in the performance of the merger agreement by the other party; waive or extend the time for the performance of any of the obligations or other acts of the other party; or waive any or all conditions precedent to the other party's obligations under the merger agreement.

ACCOUNTING TREATMENT

The merger will be accounted for as an acquisition by Comerica using the purchase method of accounting. Accordingly, the assets (including identifiable intangible assets) and liabilities (including executory contracts and other commitments) of Sterling as of the effective time of the merger will be recorded at their respective fair values and added to those of Comerica. Any excess of purchase price over the fair values is recorded as goodwill. Consolidated financial statements of Comerica issued after the merger would reflect these fair values and would not be restated retroactively to reflect the historical financial position or results of operations of Sterling.

MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE MERGER

The following is a general discussion of certain material United States federal income tax consequences of the merger to U.S. holders (as defined below) of Sterling common stock that exchange their shares of Sterling common stock for shares of Comerica common stock in the merger. This discussion does not address any tax consequences arising under the unearned income Medicare contribution tax pursuant to the Health Care and Education Reconciliation Act of 2010, nor does it address any tax consequences arising under the laws of any state, local or foreign jurisdiction, or under any United States federal laws other than those pertaining to the income tax. This discussion is based upon the Internal Revenue Code of 1986, as amended, or the Code, the regulations promulgated under the Code and court and administrative rulings and decisions, all as in effect on the date of this proxy statement/prospectus. These authorities may change, possibly retroactively, and any change could affect the accuracy of the statements and conclusions set forth in this discussion.

This discussion addresses only those U.S. holders of Sterling common stock that hold their shares of Sterling common stock as a capital asset within the meaning of Section 1221 of the Code. Further, this discussion does not address all aspects of United States federal income taxation that may be relevant to particular U.S. holders in light of their individual circumstances or to U.S. holders that are subject to special treatment under the United States federal income tax laws, including:

financial institutions;

tax-exempt organizations;

regulated investment companies;

real estate investment trusts;

Table of Contents

S corporations or other pass-through entities (or investors in an S corporation or other pass-through entity);

insurance companies;

mutual funds;

controlled foreign corporations or passive foreign investment companies ;

dealers or brokers in stocks and securities, or currencies;

traders in securities that elect to use mark-to-market method of accounting;

holders of Sterling common stock subject to the alternative minimum tax provisions of the Code;

holders of Sterling common stock that received Sterling common stock through the exercise of an employee stock option, through a tax qualified retirement plan or otherwise as compensation;

holders of Sterling common stock that have a functional currency other than the U.S. dollar;

holders of Sterling common stock that hold Sterling common stock as part of a hedge, straddle, constructive sale, conversion or other integrated transaction;

persons that are not U.S. holders (as defined below); or

United States expatriates or certain former citizens or long-term residents of the United States.

For purposes of this discussion, the term "U.S. holder" means a beneficial owner of Sterling common stock that is for United States federal income tax purposes (i) an individual citizen or resident of the United States, (ii) a corporation (or any other entity treated as a corporation for U.S. federal income tax purposes) organized in or under the laws of the United States or any state thereof or the District of Columbia, (iii) a trust if (a) a court within the United States is able to exercise primary supervision over the administration of the trust and one or more U.S. persons have the authority to control all substantial decisions of the trust or (b) such trust has made a valid election to be treated as a U.S. person for United States federal income tax purposes or (iv) an estate, the income of which is includible in gross income for United States federal income tax purposes regardless of its source.

If an entity or an arrangement treated as a partnership for United States federal income tax purposes holds Sterling common stock, the tax treatment of a partner in such partnership generally will depend on the status of the partner and the activities of the partnership. Any entity treated as a partnership for United States federal income tax purposes that holds Sterling common stock, and any partners in such partnership, should consult their own tax advisors.

Determining the actual tax consequences of the merger to you may be complex and will depend on your specific situation and on factors that are not within our control. You should consult with your own tax advisor as to the tax consequences of the merger in your particular circumstances, including the applicability and effect of the alternative minimum tax and any state, local, foreign or other tax laws and of changes in those laws.

Tax Consequences of the Merger Generally

The parties intend for the merger to be treated as a reorganization for United States federal income tax purposes. It is a condition to Comerica's obligation to complete the merger that Comerica receive an opinion from Wachtell, Lipton, Rosen & Katz, dated the closing date of the merger, to the effect that the merger will be treated for federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Code. It is a condition to Sterling's obligation to complete the merger that Sterling receive an opinion from DLA Piper LLP (US), dated the closing date of the merger, to the effect that the merger will be treated for federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Code. These opinions will be based on representation letters provided by Comerica and Sterling and on customary factual assumptions. Neither of the

Table of Contents

opinions described above will be binding on the Internal Revenue Service or any court. Comerica and Sterling have not sought and will not seek any ruling from the Internal Revenue Service regarding any matters relating to the merger, and as a result, there can be no assurance that the Internal Revenue Service will not assert, or that a court would not sustain, a position contrary to any of the conclusions set forth below.

Provided the merger is treated for federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Code, upon exchanging your Sterling common stock for Comerica common stock, you generally will not recognize gain or loss, except with respect to cash received instead of fractional shares of Comerica common stock (as discussed below). The aggregate tax basis in the shares of Comerica common stock that you receive in the merger, including any fractional share interests deemed received and redeemed as described below, will equal your aggregate adjusted tax basis in the Sterling common stock you surrender in the merger. Your holding period for the shares of Comerica common stock that you receive in the merger (including a fractional share interest deemed received and redeemed as described below) will include your holding period for the shares of Sterling common stock that you surrender in the merger.

Cash Instead of a Fractional Share

If you receive cash instead of a fractional share of Comerica common stock, you will be treated as having received the fractional share of Comerica common stock pursuant to the merger and then as having sold that fractional share of Comerica common stock for cash. As a result, you generally will recognize gain or loss equal to the difference between the amount of cash received and the basis in your fractional share of Comerica common stock as set forth above. This gain or loss generally will be capital gain or loss, and will be long-term capital gain or loss if, as of the effective date of the merger, the holding period for such fractional share (including the holding period of Sterling common stock surrendered therefor) is greater than one year. Long-term capital gains of individuals are generally eligible for reduced rates of taxation. The deductibility of capital losses is subject to limitations.

Backup Withholding

If you are a non-corporate holder of Sterling common stock you may be subject, under certain circumstances, to information reporting and backup withholding (currently at a rate of 28%) on any cash payments you receive. You generally will not be subject to backup withholding, however, if you:

furnish a correct taxpayer identification number, certify that you are not subject to backup withholding on the substitute Form W-9 or successor form included in the election form/letter of transmittal you will receive and otherwise comply with all the applicable requirements of the backup withholding rules; or

provide proof that you are otherwise exempt from backup withholding.

Any amounts withheld under the backup withholding rules are not an additional tax and will generally be allowed as a refund or credit against your United States federal income tax liability, provided you timely furnish the required information to the Internal Revenue Service.

This discussion of certain material U.S. federal income tax consequences is for general information only and is not tax advice. Holders of Sterling common stock are urged to consult their tax advisors with respect to the application of United States federal income tax laws to their particular situations as well as any tax consequences arising under the United States federal estate or gift tax rules, or under the laws of any state, local, foreign or other taxing jurisdiction or under any applicable tax treaty.

DESCRIPTION OF CAPITAL STOCK OF COMERICA

As a result of the merger, Sterling shareholders who receive shares of Comerica common stock in the merger will become stockholders of Comerica. Your rights as stockholders of Comerica will be governed by Delaware law and the restated certificate of incorporation and the amended and restated bylaws of Comerica.

Table of Contents

The following briefly summarizes the material terms of Comerica's common stock and preferred stock. We urge you to read the applicable provisions of the Delaware General Corporation Law (which we refer to as the DGCL), Comerica's certificate of incorporation and bylaws and federal law governing bank holding companies carefully and in their entirety. Copies of Comerica's governing documents have been filed with the SEC. To find out where copies of these documents can be obtained, see "Where You Can Find More Information" beginning on page [].

General

Comerica's authorized capital stock consists of 325,000,000 shares of common stock, par value \$5.00 per share, and 10,000,000 shares of preferred stock, without par value.

Common Stock

As of [], 2011, Comerica had outstanding [] shares of its common stock and has issued warrants, which we refer to as the Comerica Warrants, to purchase [] shares of Comerica's common stock. The Comerica Warrants have 10-year terms and are immediately exercisable, with an exercise price, subject to certain anti-dilution and other adjustments, equal to \$29.40 per share of common stock. In addition, as of [], 2011, [] shares of Comerica common stock were reserved for issuance upon conversion or exercise of outstanding stock options and awards.

Holders of Comerica common stock are entitled to receive dividends when, as and if declared by the Comerica board of directors out of any funds legally available for dividends. Holders of Comerica common stock are also entitled, upon the liquidation of Comerica, and after claims of creditors and preferences of Comerica preferred stock, to receive pro rata the net assets of Comerica. Comerica pays dividends on Comerica common stock only if it has paid or provided for all dividends on any class or series of preferred stock at the time outstanding, for the then-current period and, in the case of any cumulative Comerica preferred stock, all prior periods.

Holders of Comerica common stock are entitled to one vote for each share that they hold and are vested with all of the voting power except as the Comerica board of directors has provided, or may provide in the future, with respect to Comerica preferred stock or any other class or series of Comerica preferred stock that it may authorize in the future. See "Preferred Stock." Shares of Comerica common stock are not redeemable and have no subscription, conversion or preemptive rights.

The affirmative vote of not less than 75% of Comerica's outstanding shares of capital stock entitled to vote may be required for certain business combinations between Comerica or its subsidiaries and persons owning 10% or more of the outstanding shares of any class or series of Comerica's capital stock. See "Selected Provisions in the Certificate of Incorporation of Comerica - Business Combinations With Related Persons."

Comerica common stock is listed on the NYSE under the symbol CMA. The holders of Comerica common stock are not, and will not be, generally subject to any liability as stockholders; however, if the Comerica board of directors approves, and Comerica makes, a distribution when Comerica is insolvent, or that renders Comerica insolvent, and any of Comerica's directors is found liable for the distribution, then Comerica stockholders may be required to pay back the amount of the distribution made to them or the portion of the distribution that caused Comerica to become insolvent.

The Transfer Agent and Registrar for Comerica common stock is Wells Fargo Bank, N.A., P.O. Box 64854, St. Paul, Minnesota 55164-0854.

The Change in Bank Control Act of 1978, as amended, prohibits a person or group of persons from acquiring control of a bank holding company unless the Federal Reserve Board has been notified and has not objected to the transaction. Under a rebuttable presumption established by the Federal Reserve Board, the

Table of Contents

acquisition of 10% or more of a class of voting stock of a bank holding company with a class of securities registered under Section 12 of the Exchange Act, such as Comerica, would, under the circumstances set forth in the presumption, constitute acquisition of control of the bank holding company.

In addition, a company is required to obtain the approval of the Federal Reserve Board under the Bank Holding Company Act of 1956, as amended, before acquiring 25% (5% in the case of an acquiror that is a bank holding company) or more of any class of outstanding voting stock of a bank holding company, or otherwise obtaining control or a controlling influence over that bank holding company.

Preferred Stock

Comerica's certificate of incorporation expressly authorizes Comerica's board of directors to issue up to 10,000,000 shares of preferred stock in one or more series, with such voting powers, full or limited but not to exceed one vote per share, or without voting powers, and with such designations, preferences and relative, participating, optional or other special rights, and qualifications, limitations or restrictions thereof, as the board of directors may determine. The issuance of preferred stock could adversely affect the rights of holders of common stock. As of [], 2011, no shares of preferred stock were outstanding.

Selected Provisions in the Certificate of Incorporation of Comerica

The following discussion sets forth certain material provisions of Comerica's certificate of incorporation.

Business Combinations With Related Persons. Comerica's certificate of incorporation provides that certain transactions known as business combinations involving persons known as related persons (each as described below) must be approved by the affirmative vote of the holders of 75% of the outstanding shares of capital stock entitled to vote and by the holders of a majority of the outstanding capital stock not beneficially owned by related persons, unless:

the transaction is approved by a 75% vote of Comerica's continuing directors (as described below) either before or after the time the related person became a related person; or

each of the following conditions is met:

the consideration to be paid for each share of any class or series of Comerica capital stock is not less than the highest per share price or the highest equivalent price (each as described below) paid or to be paid by the related person in acquiring any shares of the same class or series; and

a proxy statement, complying with the requirements of the Exchange Act and Comerica's certificate of incorporation, has been mailed to all Comerica stockholders to solicit their approval.

As used in Comerica's certificate of incorporation, a business combination includes: (1) any merger or consolidation of Comerica or any of its subsidiaries with a related person or any of its affiliates or associates, (2) any sale, lease, exchange, transfer or other disposition to or with a related person of all or any substantial part (defined as assets having a value of more than 10% of the total consolidated assets of Comerica, as determined by 75% of the continuing directors) of the assets of Comerica or any of its subsidiaries, (3) any purchase, lease, exchange, transfer or other acquisition by Comerica or any of its subsidiaries of all or any substantial part of the assets or business of a related person or any of its affiliates or associates, (4) any acquisition by Comerica or any of its subsidiaries of any securities of a related person, (5) any issuance or transfer of securities of Comerica or any of its subsidiaries to any related person, other than an issuance or transfers that is made on a pro rata basis to all stockholders of the corporation; and (6) any agreement, contract or other arrangement providing for any of the transactions described in the five preceding clauses.

2.3 Shares Held by Target or Buyer.

Each of the shares of Target Common Stock held directly by Target, Buyer or Sub, in each case other than in a fiduciary capacity or as a result of debts previously contracted, shall be canceled and retired at the Effective Time and no consideration shall be issued in exchange therefor.

2.4 Fractional Shares.

Notwithstanding any other provision of this Agreement, each holder of shares of Target Common Stock exchanged pursuant to the Merger who would otherwise have been entitled to receive a fraction of a share of Buyer Common Stock (after taking into account all certificates delivered by such holder) shall receive, in lieu thereof, cash (without interest) in an amount equal to such fractional part of a share of Buyer Common Stock multiplied by the market value of one share of Buyer Common Stock at the Effective Time. The market value of one share of Buyer Common Stock at the Effective Time shall be the closing price of such common stock on the NYSE (as reported by *The Wall Street Journal* or, if not reported thereby, any other authoritative source reasonably selected by Buyer) on the last trading day preceding the Effective Time. No such holder will be entitled to dividends, voting rights, or any other rights as a shareholder in respect of any fractional shares.

2.5 Treatment of Target Stock Awards.

(a) At the Effective Time, each then outstanding stock option award granted under a Target Stock Plan (a Target Option) shall be assumed by Buyer and converted into an option to purchase a number of shares of Buyer Common Stock (an Assumed Stock Option) equal to the product (rounded down to the nearest whole share) determined by multiplying (i) the number of shares of Target Common Stock subject to such Target Option immediately prior to the Effective Time multiplied by (ii) the Exchange Ratio; and the per share exercise price for Target Common Stock issuable upon the exercise of such Assumed Stock Option shall be equal to the quotient (rounded up to the nearest whole cent) determined by dividing (x) the exercise price per share of Target Common Stock at which such Target Option was exercisable immediately prior to the Effective Time by (y) the Exchange Ratio; provided, however, that the parties shall effect such conversion (A) with respect to any Target Option to which Section 421 of the Internal Revenue Code applies by reason of its qualification under Section 422 of the Code, in a manner consistent with Section 424(a) of the Internal Revenue Code and (B) in all events, in a manner satisfying the requirements of Section 409A of the Internal Revenue Code and the Treasury Regulations thereunder. The Assumed Stock Options shall be subject to the same terms and conditions (including expiration date and exercise provisions) as were applicable to the corresponding Target Options immediately prior to the Effective Time, including (but not limited to) vesting in full at the Effective Time.

(b) Effective as of the Effective Time, each then outstanding phantom stock unit award granted under a Target Stock Plan (a Target Phantom Unit) shall, by virtue of the Merger and without any action on the part of the holder thereof, be assumed by Buyer and converted into the number of shares of Buyer Common Stock equal to the product (rounded down to the nearest whole number of shares of Buyer Common Stock) determined by multiplying (i) the number of shares of Target Common Stock underlying or subject to the Target Phantom Unit, multiplied by (ii) the Exchange Ratio. Each share of Buyer Common Stock delivered under this provision shall be fully vested at the Effective Time.

(c) Except as otherwise agreed between Buyer and an individual award holder, with respect to Phantom Unit Awards issued pursuant to Target's 2007 Long-Term Incentive Stock Performance Program, each such award shall be payable at 100% of target (as defined in the applicable agreements for such awards), and settled pursuant to Section (b) above.

(d) The board of directors of Target or a committee of Non-Employee Directors thereof (as such term is defined for purposes of Rule 16b-3(d) under the Exchange Act) shall adopt a resolution in advance of the Effective Time providing that the disposition by the officers and directors of Target of Target Common Stock, Target Options or other equity securities of Target pursuant to the Merger or the other transactions contemplated

Table of Contents

by this Agreement is intended to be exempt from liability pursuant to Rule 16b-3 under the Exchange Act. The board of directors of Buyer or a committee of Non-Employee Directors thereof (as such term is defined for purposes of Rule 16b-3(d) under the Exchange Act) shall adopt a resolution in advance of the Effective Time providing that the receipt by the Target Insiders of Buyer Common Stock or other equity securities of Buyer pursuant to the Merger or the other transactions contemplated by this Agreement is intended to be exempt from liability pursuant to Rule 16b-3 under the Exchange Act. For purposes of this Section 2.5(d), the term Target Insiders means those officers and directors of Target who will become subject to the reporting requirements of Section 16(a) of the Exchange Act as insiders of Buyer in conjunction with the Merger.

(e) As soon as practicable after the Effective Time, Buyer shall deliver to the participants in each Target Stock Plan an appropriate notice setting forth such participant's rights pursuant thereto and the grants subject to such Target Stock Plan shall continue in effect on the same terms and conditions (subject to the adjustments required by Section 2.5(a) after giving effect to the Merger), and Buyer shall comply with the terms of each Target Stock Plan to ensure, to the extent required by, and except as set forth in and subject to the provisions of, such Target Stock Plan, that Target Options which qualified as incentive stock options prior to the Effective Time continue to qualify as incentive stock options as of immediately after the Effective Time, other than as a result of disqualification due to failure to comply with the limitations related to vesting and exercisability set forth in Section 422 of the Code and the Treasury Regulations thereunder. At or prior to the Effective Time, Buyer shall take all corporate action necessary to reserve for issuance sufficient shares of Buyer Common Stock for delivery upon exercise of Target Options assumed by it in accordance with this Section 2.5. As soon as practicable after the Effective Time, Buyer shall file a registration statement on Form S-3 or Form S-8, as the case may be (or any successor or other appropriate forms), with respect to the shares of Buyer Common Stock subject to such options and shall use its reasonable best efforts to maintain the effectiveness of such registration statements (and maintain the current status of the prospectus or prospectuses contained therein) for so long as such options remain outstanding.

(f) Target shall terminate its Employee Stock Purchase Plan (the ESPP) immediately prior to the Effective Time. Target shall, promptly after the date hereof, take all actions that are necessary to give effect to this Section 2.5(f) such that no options remain outstanding under the ESPP as of the Effective Time, including terminating the pending offering in progress promptly after the date hereof and returning all funds contributed to the ESPP that have not been used to purchase Target Common Stock to the participants as soon as administratively feasible.

2.6 Warrants.

The warrants issued by Target (the Warrants) pursuant to the Warrant Agreement, dated June 9, 2010, between Target and American Stock Transfer & Trust Company, LLC shall, by virtue of the Merger and without any action on the part of the holder thereof, cease to represent warrants to purchase Target Common Stock and will be converted automatically into warrants to purchase Buyer Common Stock and cash in lieu of any fractional share as provided in the Warrants, and Buyer will assume such Warrants subject to their terms; provided, however, that after the Effective Time:

(a) the number of shares of Buyer Common Stock purchasable upon exercise of each Warrant will equal the product of (A) the number of shares of Target Common Stock that were purchasable under such Warrant immediately before the effective time and (B) the Exchange Ratio, rounded to the nearest one-hundredth (1/100th) of a share; and

(b) the per share exercise price for each Warrant will equal the quotient of (i) the per share exercise price of such Warrant in effect immediately before the Effective Time and (ii) the Exchange Ratio, rounded to the nearest one-tenth (1/10th) of a cent.

ARTICLE 3

EXCHANGE OF SHARES

3.1 Exchange Procedures.

(a) Promptly after the Effective Time, Buyer shall make available to Buyer's transfer agent or another exchange agent selected by Buyer and reasonably acceptable to Target (the Exchange Agent) for exchange in accordance with this Section 3.1 the shares of Buyer Common Stock issuable and the aggregate amount of any cash payable for fractional shares pursuant to this Agreement. Promptly after the Effective Time, Buyer and Target shall cause the Exchange Agent to mail (or in the case of the Depository Trust Company on behalf of Street holders, deliver) to each holder of record of a certificate or certificates which represented shares of Target Common Stock immediately prior to the Effective Time (the Certificates) or Book-Entry Shares appropriate transmittal materials and instructions (which shall specify that delivery shall be effected, and risk of loss and title to such Certificates or Book-Entry Shares shall pass, only upon proper delivery of such Certificates or Book-Entry Shares to the Exchange Agent). The Certificates or Book-Entry Shares of Target Common Stock so delivered shall be duly endorsed as the Exchange Agent may reasonably require. In the event of a transfer of ownership of shares of Target Common Stock represented by Certificates or Book-Entry Shares that is not registered in the transfer records of Target, the consideration provided in Section 2.1 may be issued to a transferee if the Certificates or Book-Entry Shares representing such shares are delivered to the Exchange Agent, accompanied by all documents required to evidence such transfer and by evidence satisfactory to the Exchange Agent that any applicable stock transfer taxes have been paid. If any Certificate shall have been lost, stolen, mislaid or destroyed, upon receipt of (i) an affidavit of that fact from the holder claiming such Certificate to be lost, mislaid, stolen or destroyed, (ii) such bond, security or indemnity as Buyer and the Exchange Agent may reasonably require and (iii) any other documents necessary to evidence and effect the bona fide exchange thereof, the Exchange Agent shall issue to such holder the consideration into which the shares represented by such lost, stolen, mislaid or destroyed Certificate shall have been converted. The Exchange Agent may establish such other reasonable and customary rules and procedures in connection with its duties as it may deem appropriate. Buyer shall pay all charges and expenses, including those of the Exchange Agent, in connection with the distribution of the consideration provided in Section 2.1.

(b) After the Effective Time, each holder of shares of Target Common Stock (other than shares to be canceled pursuant to Section 2.3) issued and outstanding at the Effective Time shall surrender the Certificates or Book-Entry Shares representing such shares to the Exchange Agent and shall promptly upon surrender thereof receive in exchange therefor the consideration provided in Section 2.1, together with all undelivered dividends or distributions in respect of such shares (without interest thereon) as provided for herein. Buyer shall not be obligated to deliver the consideration to which any former holder of Target Common Stock is entitled as a result of the Merger until such holder surrenders such holder's Certificates or Book-Entry Shares for exchange as provided in this Section 3.1.

(c) Each of Buyer, the Surviving Corporation and the Exchange Agent shall be entitled to deduct and withhold from the consideration otherwise payable pursuant to this Agreement to any holder of shares of Target Common Stock such amounts, if any, as it is required to deduct and withhold with respect to the making of such payment under the Internal Revenue Code or any provision of state, local or foreign Tax Law. To the extent that any amounts are so withheld by Buyer, the Surviving Corporation or the Exchange Agent, as the case may be, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder of the shares of Target Common Stock in respect of which such deduction and withholding was made by Buyer, the Surviving Corporation or the Exchange Agent, as the case may be.

(d) Any other provision of this Agreement notwithstanding, none of Buyer, the Surviving Corporation or the Exchange Agent shall be liable to a holder of Target Common Stock for any amounts paid or property delivered in good faith to a public official pursuant to any applicable abandoned property, escheat or similar Law.

3.2 Rights of Former Target Shareholders.

At the Effective Time, the stock transfer books of Target shall be closed as to holders of Target Common Stock immediately prior to the Effective Time and no transfer of Target Common Stock by any such holder shall thereafter be made or recognized. Until surrendered for exchange in accordance with the provisions of Section 3.1, each Certificate and Book-Entry Share theretofore representing shares of Target Common Stock (other than shares to be canceled pursuant to Section 2.3) shall from and after the Effective Time represent for all purposes only the right to receive the consideration provided in Sections 2.1 and 2.5 in exchange therefor, subject, however, to the Surviving Corporation's obligation to pay any dividends or make any other distributions with a record date prior to the Effective Time which have been declared or made by Target in respect of such shares of Target Common Stock in accordance with the terms of this Agreement and which remain unpaid at the Effective Time. Whenever a dividend or other distribution is declared by Buyer on the Buyer Common Stock, the record date for which is at or after the Effective Time, the declaration shall include dividends or other distributions on all shares of Buyer Common Stock issuable pursuant to this Agreement, but no dividend or other distribution payable to the holders of record of Buyer Common Stock as of any time subsequent to the Effective Time shall be delivered to the holder of any Certificate or Book-Entry Share until such holder surrenders such Certificate or Book-Entry Share for exchange as provided in Section 3.1. However, upon surrender of such Certificate or Book-Entry Share, both the Buyer Common Stock certificate (together with all such undelivered dividends or other distributions without interest) and any undelivered dividends and cash payments payable hereunder (without interest) shall be delivered and paid with respect to each share represented by such Certificate or Book-Entry Share.

3.3 No Appraisal Rights.

In accordance with Section 10.354 of the TBOC, no appraisal rights shall be available to holders of shares of Target Common Stock in connection with the Merger.

ARTICLE 4

(b) Neither the execution and delivery of this Agreement by Target, nor the consummation by Target of the transactions contemplated hereby, nor compliance by Target with any of the provisions hereof, will (i) conflict with or result in a breach of any provision of Target's Articles of Incorporation or Bylaws or the certificate or articles of incorporation or bylaws of any Target Subsidiary or any resolution adopted by the board of directors or the shareholders of any Target Entity, (ii) constitute or result in a Default under, or require any Consent pursuant to, or result in the creation of any Lien on any Asset of any Target Entity under, any Contract or Permit of any Target Entity, or (iii) subject to receipt of the Requisite Regulatory Approvals, constitute or result in a Default under, or require any Consent pursuant to, any Law or Order applicable to any Target Entity or any of their respective material Assets.

7.1 Registration Statement; Proxy Statement; Shareholder Approval.

(a) Buyer agrees to prepare and file with the SEC the Registration Statement (including the prospectus of Buyer and proxy solicitation materials of Target constituting a part thereof (the Proxy Statement) and all related documents) as promptly as reasonably practicable and in any event within 30 days from the date of this Agreement. Buyer and Target agree to cooperate, and to cause their respective Subsidiaries to cooperate, with the other and its counsel and its accountants in the preparation of the Registration Statement and the Proxy Statement. Each of Buyer and Target agrees to use reasonable best efforts to cause the Registration Statement to be declared effective under the Securities Act as promptly as reasonably practicable after filing thereof. Buyer also agrees to use reasonable best efforts to obtain, prior to the effective date of the Registration Statement, all necessary state securities law or Blue Sky permits and approvals required to carry out the transactions contemplated by this Agreement. Each of Buyer and Target agrees to furnish to the other party all information concerning itself, its Subsidiaries, officers, directors and stockholders and such other matters as may be reasonably necessary or advisable or as may be reasonably requested in connection with the Registration Statement, Proxy Statement or any other statement, filing, notice or application made by or on behalf of Buyer, Target or their respective Subsidiaries to any Regulatory Authority in connection with the Merger and the other transactions contemplated by this Agreement. Target shall have the right to review and consult with Buyer regarding the form of, and any characterization of such information included in, the Registration Statement prior to its being filed with the SEC. Buyer will advise Target, promptly after Buyer receives notice thereof, of the time when the Registration Statement has become effective or any supplement or amendment has been filed, of the issuance of any stop order or the suspension of the qualification of Buyer Common Stock for offering or sale in any jurisdiction, of the initiation or threat of any proceeding for any such purpose, or of any request by the SEC for the amendment or supplement of the Registration Statement or for additional information.

(b) Target shall duly call, give notice of, convene and hold a Shareholders Meeting, to be held as soon as reasonably practicable after the Registration Statement is declared effective by the SEC, for the purpose of voting upon approval and adoption of this Agreement (the Target Shareholder Approval). Target agrees that its obligations pursuant to this Section 7.1(b) shall not be affected by the commencement, public proposal, public disclosure or communication to Target of any Acquisition Proposal or Change in the Target Recommendation. Subject to the provisions of Section 7.2, Target shall, through its board of directors, recommend to its shareholders the approval and adoption of this Agreement (the Target Recommendation) and use its reasonable best efforts to obtain the Target Shareholder Approval. Notwithstanding any Change in the Target Recommendation, this Agreement shall be submitted to the shareholders of Target at the Shareholders Meeting for the purpose of obtaining the Target Shareholder Approval and nothing contained herein shall be deemed to relieve Target of such obligation.

(c) Except as set forth in Section 7.2, neither the board of directors of Target nor any committee thereof shall withdraw, qualify or modify, or propose publicly to withdraw, qualify or modify, in a manner adverse to Buyer, the Target Recommendation or take any action, or make any public statement, filing or release inconsistent with the Target Recommendation (any of the foregoing being a Change in the Target Recommendation); provided that, for the avoidance of doubt, Target may not effect a Change in the Target Recommendation unless it has complied in all material respects with the provisions of Section 7.2(d).
