**Item 1.01. Entry into a Material Definitive Agreement.**

On May 12, 2011, Atmos Energy Corporation ( "Atmos Energy" ) entered into a definitive agreement (the "Agreement" ) to sell its natural gas distribution operations in Missouri, Illinois and Iowa (the "Business" ) to Liberty Energy (Midstates) Corp. ( "Liberty Energy" ), an affiliate of Algonquin Power & Utilities Corp. ( "Algonquin" ), for a purchase price of approximately \$124 million. The Agreement contains the usual terms and conditions customary for transactions of this type, including adjustments to the purchase price at closing, if applicable, and indemnification by Atmos Energy related to representations and warranties regarding the Business. The closing of the transaction is subject to the satisfaction of customary conditions including the receipt of applicable regulatory approvals. Neither Atmos Energy nor any of its affiliates have had a material relationship with either Liberty Energy or Algonquin, other than in respect of the Agreement.

In addition, on May 12, 2011, in connection with the execution of the Agreement, Algonquin executed a guaranty (the "Guaranty" ) of the obligations of Liberty Energy under the Agreement. A copy of the Agreement and the Guaranty are filed as Exhibits 2.1 and 10.1, respectively and are incorporated herein by reference. The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the Agreement and the Guaranty.

The Agreement contains representations, warranties and disclosures that were made by the parties to each other as of specific dates and to evidence their agreement on various issues. The assertions and other statements or disclosures embodied in these representations, warranties and disclosures were made solely for purposes of the Agreement and may be subject to important qualifications and limitations or other factors agreed to by the parties in connection with negotiating the terms of the transaction. Moreover, certain of these representations, warranties and disclosures may not be accurate and complete as of any specified date because they may be subject to contractual standards of materiality that differ from standards generally applicable to investors and have been used to allocate risk among the parties rather than to establish matters as facts or otherwise. Based on the foregoing, you should not rely on the representations, warranties and disclosures included in the Agreement as statements of factual information.
