Item 1.01 Entry into a Material Definitive Agreement.

Unsecured Revolving Credit Facility

On October 13, 2011, Entertainment Properties Trust (the Company) and certain of the Company's subsidiaries (collectively, the Subsidiary Borrowers, and, together with the Company, the Borrowers) entered into an Amended and Restated Credit Agreement (the New Unsecured Revolving Credit Facility) with the lenders defined therein and KeyBank, National Association (KeyBank), as administrative agent, JP Morgan Chase Bank, N.A. and RBC Capital Markets Corporation, as co-syndication agents, and each of KeyBanc Capital Markets, LLC, J.P. Morgan Securities, Inc. and RBC Capital Markets Corporation, as joint lead arrangers and joint book runners.

The New Unsecured Revolving Credit Facility provides for an extension of credit not to exceed \$400.0 million, including a \$100.0 million subline for letters of credit. The New Unsecured Revolving Credit Facility contains an accordion feature whereby, subject to lender approval, the total amount of the facility may be increased to \$500.0 million. The New Unsecured Revolving Credit Facility replaces the Company's prior \$382.5 million unsecured revolving credit facility by amending and restating in its entirety the Company's Credit Agreement, originally dated June 30, 2010, among the Company and certain of its subsidiaries, as borrowers, and KeyBank, as agent, and the lenders party thereto.

The New Unsecured Revolving Credit Facility matures on October 13, 2015, subject to a one-year extension exercisable at the Borrowers option. The extension option is subject to the absence of any defaults under the New Unsecured Revolving Credit Facility and the Borrowers compliance with certain conditions, including the payment of extension fees to the lenders under the New Unsecured Revolving Credit Facility.

Interest rates and fees

The outstanding principal balance under the New Unsecured Revolving Credit Facility bears interest at fluctuating rates. These rates are based on LIBOR or the Base Rate, at the Borrowers option, plus an applicable spread based on the ratings periodically assigned to the Company's senior long-term unsecured debt by rating agencies, as set forth in the table below. The Company also pays a facility fee on the total facility amount (which is \$400.0 million or, upon the exercise of the accordion feature described above, up to \$500.0 million) calculated by multiplying the total facility amount by a fluctuating annual rate, which is also based on the ratings periodically assigned to the Company's senior long-term unsecured debt by rating agencies, as set forth in the table below.

S&P rating	Moody's rating	Fitch's rating	Base rate spread	LIBOR spread	Facility fee
³ A-	³ A3	³ A-	0.00%	1.00%	0.25%
= BBB+	= Baa1	= BBB+	0.25%	1.25%	0.25%
= BBB	= Baa2	= BBB	0.50%	1.50%	0.25%
= BBB-	= Baa3	= BBB-	0.60%	1.60%	0.35%
£ BB	£ Ba2	£ BB	0.85%	1.85%	0.45%

If at least two of the three rating agencies have the same rating, that rating will determine the spread. If all three rating agencies have different ratings, the median rating will determine the spread. Upon closing of the New Unsecured Revolving Credit Facility, the Borrowers initially elected an interest rate based upon LIBOR with a rate equal to LIBOR plus the applicable 1.60% LIBOR spread, which represented a reduction from the 3.00% LIBOR spread that would have applied under the Company's prior unsecured revolving credit facility.

LIBOR is determined based upon the Borrowers selection of interest periods of one-, two-, three- or six-months for LIBOR loans, subject to availability. Base Rate is the greater of (a) the agent's prime rate of interest

announced from time to time, or (b) 0.5% above the then-current Federal Funds Rate, or (c) 1.0% above the then-current 30-day LIBOR.

The New Unsecured Revolving Credit Facility does not require payment of an unused line fee on the unused portion of the New Unsecured Revolving Credit Facility.

Covenants

The New Unsecured Revolving Credit Facility contains customary covenants for transactions of this type, including, without limitation, restrictions on the ability of the Company and all or certain of its subsidiaries to make distributions; incur debt, make investments; grant or suffer liens; undertake mergers, consolidations, asset sales and other fundamental entity changes; make material changes to contracts and organizational documents; and enter into transactions with affiliates.

The New Unsecured Revolving Credit Facility has financial covenants for the Company and/or all or certain of its subsidiaries involving (a) maximum unsecured debt to eligible unencumbered properties; (b) maximum total debt to total asset value; (c) maximum permitted investments; (d) minimum tangible net worth; (e) maximum distributions; (f) maximum secured debt to total asset value; and (g) minimum fixed charge coverage.

Events of default

The New Unsecured Revolving Credit Facility contains customary events of default, including among others, non-payment of principal, interest or other amounts when due, inaccuracy of representations and warranties, violation of covenants, cross defaults with certain other indebtedness, insolvency or inability to pay debts, bankruptcy, or a change of control.
