Approval of the Visa Inc. 2007 Equity Incentive Compensation Plan, as Amended and Restated

At the Annual Meeting of the Stockholders (the Annual Meeting) of Visa Inc. (the Company) held on January 31, 2012, the Company's stockholders approved the Visa Inc. 2007 Equity Incentive Compensation Plan, as amended and restated (the EIP). The EIP was originally adopted in 2007 and amendments to the EIP were approved by the Company's Compensation Committee in October 2011 and board of directors (the Board) in November 2011, subject to stockholder approval.

The EIP authorizes the Compensation Committee to grant stock options, stock appreciation rights, restricted stock awards, restricted stock units, other stock-based awards and performance-based awards to the Company's employees, consultants and non-employee directors whose contributions are considered essential to the continued growth and success of the Company and its affiliates. Up to 59 million shares of the Company's common stock may be delivered under the EIP, subject to adjustment by the Compensation Committee as outlined in the EIP. No awards may be granted under the EIP on or after 10 years from January 31, 2012. Time-based vesting awards under the EIP generally vest over a period of time determined in accordance with the terms of the EIP, subject to earlier vesting in full under certain conditions, which are set forth in the EIP. The number of shares or amount of cash to be earned under performance-based awards depends upon the Company's achievement of specified performance goals. In the event of a change of control (as defined in the EIP) of the Company, the Compensation Committee may provide for the accelerated vesting of outstanding awards, may provide that awards will be assumed or replaced, may provide for the cash-out of awards and/or deem target payment opportunities under any performance-based awards as earned, among other things. The Compensation Committee has the exclusive authority to administer the terms of the EIP. In connection with the stockholder approval of the EIP, awards granted under the EIP may be structured to comply with Section 162(m) of the Internal Revenue Code of 1986, as amended.

For more information about the EIP, please see our definitive proxy statement dated December 14, 2011. The description above is qualified in its entirety by reference to the full text of the EIP, filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.
