Item 1.01. ENTRY INTO MATERIAL DEFINITIVE AGREEMENT

On March 29, 2012, Northwest Pipe Company (the Company) and Bank of America, N.A., as Administrative Agent, entered into a Ninth Amendment to Amended and Restated Credit Agreement (the Credit Agreement Amendment). The Credit Agreement Amendment amends the Amended and Restated Credit Agreement dated May 31, 2007, as amended to date (the Credit Agreement). The Credit Agreement Amendment effects certain changes to the terms of the Credit Agreement, including: (i) setting the aggregate commitment of the lenders at \$115,000,000; (ii) changing the definition of the Asset Coverage Ratio such that 30% of eligible property, plant and equipment will no longer be included in the Asset Coverage Ratio covenant calculation; (iii) extending the expiration date of the Credit Agreement from April 30, 2012 to April 30, 2013; (iv) amending the definition of Required Lenders; (v) adding a minimum consolidated EBITDA requirement requiring consolidated EBITDA be greater than or equal to \$42,000,000 each period of four fiscal quarters (commencing with the four fiscal quarter period ending March 31, 2012); (vi) requiring the cash collateralization of certain standby letters of credit which have maturity dates beyond the original expiration date of the agreement, April 30, 2012, until the audited financial statements for the year ended December 31, 2011 have been received by the lenders; and (vii) waiving the requirement to submit revised Certificates of Compliance for interim and annual periods in fiscal 2010 and 2009 solely as a result of the impacts of the restatement. The foregoing description of the Credit Agreement Amendment does not purport to be complete and is qualified in its entirety by reference to the full text of the Credit Agreement Amendment, which is filed herewith as Exhibit No. 10.1 to this Report, and is incorporated herein by reference.
