Chairman's message

Welcome to our Summary financial statement & notice of meeting. Our AGM will be held at Old Billingsgate, London on Wednesday 11 July. I look forward to seeing many of you there this year.

Our shareholders

We have delivered a very strong performance over the last three years. This means we have been able to pay sustainable, progressive dividends. For 2012 the Board is proposing a final dividend of 5.7p, up 14%, giving a full year dividend of 8.3p, up 12% over last year. We continue to pursue a prudent financial strategy, to make sure we can invest in the business, support our pension scheme, reduce net debt and reward you, our shareholders. By following this approach we expect to be able to grow dividends by 10% – 15% per year for the next three years.

Our contribution to the UK

We contribute to the UK directly and indirectly in many ways. We look after the critical copper access network, employ over 73,000 people, contribute around £3bn a year in taxes, and are major investors in research and development.

The roll-out of our fibre network is one of the fastest privately funded programmes in the world. We are bringing fibre broadband to cities, towns and rural areas across the UK and aim to pass around two-thirds of UK premises by the end of 2014. This will dramatically change consumers' online experience and enhance the way businesses can operate, bringing significant economic benefits to our country.

As official communications services partner of the London 2012 Olympic and Paralympic Games we are

Our global presence

We serve some of the largest companies in the world, but the regulatory backdrop often means we can't serve customers as efficiently as we want to. So internationally we continue to press for policy and regulatory change, with the aim of achieving a competitive level playing field – in particular, open and fair wholesale access to communications networks. We only seek across the world similar conditions to those in the UK. There has been progress, but we want to see this move faster as it is vital to innovation, growth and jobs worldwide.

Our communities

We believe we have a responsibility to give something back to the communities in which we operate – through contributions of over £30m in time, cash and in-kind support, through some 50,000 days of employee volunteering, through our environmental and energy savings programmes, and through support for charities such as Sport Relief and digital inclusion initiatives, we contribute to making a better future for our communities.

Our pension fund

One of our biggest responsibilities is to our pension fund and I am pleased that we have agreed the 2011 triennial funding valuation and recovery plan with the Trustee. Because of our improved financial performance we were able to make a lump sum payment of £2bn into the fund, giving greater certainty to our pensioners and helping to reduce the size of future deficit payments we

contributing vital infrastructure, delivering a single communications network across 94 locations to make this the most connected Games ever. And we are delivering the project on schedule.

would otherwise have to make.

Our people

As a result of our progress over the last three years, around 20,000 of our people stand to benefit from their employee share plans in 2013. We are also recognising the achievements in our UK business by paying each of our UK team members a £250 bonus in addition to their normal pay increase.

Your Board and voting at the AGM

I am delighted to welcome Karen Richardson to the Board. Karen brings valuable experience in technology and has helped strengthen the diversity of the Board.

As Karen Richardson was appointed by the Board during the year, she will retire at this AGM and be proposed for election. All other directors will stand for re-election with the exception of Eric Daniels. Eric will be stepping down from the Board on 13 June 2012 and I would like to thank him for the value he has brought to the Board, particularly through his global business experience. I would also like to thank Carl Symon who retired from the Board in January having made a significant contribution to the Company, particularly as Chairman of the Equality of Access Board.

The composition and skills of the Board were assessed during the year by the Nominating & Governance Committee together with members experience, independence and knowledge of the Company. I also met with each director individually to review their performance and have found that each of them makes an effective contribution to the Board debate and continues to demonstrate commitment to the role. My own performance during the year was reviewed by Patricia Hewitt as the Senior Independent Director, taking into account the feedback from the other members of the Board.

We are proposing 20 resolutions at the AGM and details of these can be found in the Notice of meeting on pages 16 to 20. The resolutions include the re-election or election as appropriate of the directors. These are recommended by the Board. The biographies of all the directors are set out on pages 12 to 14.

Your vote is important to us. If you are not coming to the AGM, and you want to vote on any of the resolutions, please complete and return the enclosed AGM admission card/proxy card to our Registrars, Equiniti.

You can view my video online. You can also find an online audio version of this document at www.bt.com/annualreport In addition, there are online versions of our Annual Report & Form 20-F, our full statutory accounts, and other online shareholder information.

Our future

While our aim remains to drive profitable revenue growth, the challenging environment we are facing makes this more difficult, but we believe our strategy will continue to deliver long-term value for our shareholders.

Summary report on directors remuneration

This is a summary of the full Report on directors remuneration in the Annual Report, a copy of which is available on request or at www.bt.com/annualreport The full report will be voted on at the 2012 Annual General Meeting.

The Remuneration Committee agrees the framework for the remuneration of the Chairman, executive directors and certain senior executives. It also approves changes in the Company's executive share plans, recommends to the Board any changes which require shareholder approval and oversees their operation.

The policy for executive pay is for base salaries to be below the median of our comparator group, while setting stretching goals for the annual bonus (including deferred shares) and the long-term incentive shares. A significant proportion of the total remuneration package is therefore variable and linked to corporate performance. Executive remuneration packages for 2013 comprise a mix of basic salary and performance-related remuneration as shown in the table below.

The graph below shows the relative TSR performance of BT and the FTSE 100 over the past five years.

	Chief Executive	Executive Directors
Base salary	This is reviewed annually by the Remuneration Committee.	
Annual cash bonus	Salaries will not increase in 2013. Target 125%	Target 100%
Deferred bonus (in shares)^a	200% salary Target 125%	150% salary

	salary; max	salary; max
Incentive shares^b	400% salary	262.5% salary
	2.5 x salary	2 x salary

^a The shares vest after three years subject to continued employment and a clawback condition.

^b For awards granted in June 2009 and June 2010, 50% of awards are based on relative TSR, with the other 50% based on a three-year cumulative adjusted free cash flow measure. For awards granted in June 2011 a new measure of revenue growth (excluding transit) was added. 2011 awards are therefore based 40% on relative TSR, 40% cumulative adjusted free cash flow, and 20% revenue growth.

Directors service contracts and letters of appointment

It is policy for the Chairman and executive directors to have service agreements and the non-executive directors to have letters of appointment with the Company.

The notice of termination for the Chairman's and executive directors' contracts is 12 months by the Company and six months by the director. Non-executive directors are appointed initially for three years terminable on three months' notice. All Board appointments are subject to automatic termination in the event of a director not being re-elected by the shareholders at the AGM.

Special business

The following resolution will be proposed as an ordinary resolution.

Resolution 16: Authority to allot shares

That:

- (a) the authority and power conferred on the directors in relation to the Section 551 Amount by Article 71 of the Company's articles of association (Articles) be renewed until the end of the next Annual General Meeting (AGM) and for that period the Section 551 Amount will be £128 million; and
- (b) the directors be authorised generally and without conditions under Section 551 of the Companies Act 2006 (2006 Act) to allot shares and to grant rights to subscribe for or to convert any security into shares in the Company up to a further nominal amount of £128 million in connection with a rights issue. This authority expires at the end of the next AGM. The Board can make offers and enter into agreements which would, or might, need shares to be allotted and rights to be granted after that expiry.

These authorities supersede any previous ones under section 551 of the 2006 Act and rights issue is as defined in Article 71 of the Company's Articles.

The Company's Articles and paragraph (a) above give a general authority to the Board to allot new shares up to a nominal value of £128 million, which is equivalent to approximately 33% of the Company's issued share capital (excluding treasury shares) at the date of this Notice.

Paragraph (b) gives an authority to the directors to allot new shares only in connection with a rights issue up to a further face value of £128 million, which is equivalent to approximately 33% of the Company's issued share capital (excluding treasury shares) at the date of this Notice.

These authorities will lapse at the end of the AGM in 2013. See the notes to Resolution 18 for more information on treasury shares.

The following three resolutions will be proposed as special resolutions.

Resolution 17: Authority to allot shares for cash

That subject to the passing of Resolution 16:

- (a) the authority and power conferred on the directors by Article 71 of the Company's Articles be renewed for the period referred to in Resolution 16 and for that period the Section 561 Amount will be £20 million; and
- (b)

Edgar Filing: BT GROUP PLC - Form 6-K

the directors have power to allot equity securities (within the meaning of section 560(1) of the 2006 Act) entirely paid for in cash under the authority given by paragraph (b) of Resolution 16 in connection with a rights issue as if section 561(1) of the 2006 Act did not apply to such allotment. This power expires at the end of the next AGM but the Company can make offers and enter into agreements which would, or might, need equity securities to be allotted after that expiry.

In this resolution words defined in Resolution 16 have the same meaning, and references to an allotment of equity securities include a sale of treasury shares.

This resolution renews the powers given to the Board to allot equity securities without needing to offer these shares to existing shareholders first: for cash up to an amount representing approximately 5% of the issued share capital (including treasury shares) at the date of this Notice, approximately 407 million shares; and in connection with a rights issue.

There are no current plans to undertake a rights issue or to allot shares except in connection with the Company's employee share plans. Resolutions 16 and 17 ensure that the directors retain the flexibility to act in the best interests of shareholders, when opportunities occur, by allotting shares. Over a three year rolling period, except in a rights issue or pre-emptive offer, this disapplication will not exceed 7.5% of issued share capital.

Resolution 18: Authority to purchase own shares

That the Company has general and unconditional authority to make market purchases (as defined in section 693(4) of the Companies Act 2006) of shares of 5p each in the Company, subject to the following conditions:

- (a) the maximum number of shares which may be purchased is 778 million shares;
- (b) the minimum price (excluding expenses) which may be paid for each share is 5p;
- (c) the maximum price (excluding expenses) which the Company may pay for each share cannot be more than the higher of:
 - (i) 105% of the average market value of a share in the Company for the five business days prior to the day the purchase is made; and
 - (ii) the value of a share in the Company calculated on the basis of the higher of the price quoted for: (a) the last independent trade of; or (b) the highest current independent bid for any number of shares in the Company on the trading venues where the purchase is carried out; and

(d) this authority expires at the end of the next AGM, except in relation to the purchase of shares, the contract for which was concluded before the expiry of this authority and which might be executed wholly or partly after that expiry.

This resolution renews the Company's authority to buy its own shares on similar terms to previous years' authorities. It would be limited to 778 million ordinary shares, representing 10% of the issued share capital (excluding treasury shares) at the date of this Notice. The directors would exercise this authority only after considering the effects on earnings per share and the benefits for shareholders generally. The purchase of shares by the Company under this authority would be a purchase in the market. It should not be confused with any share dealing facilities that may be offered to shareholders by the Company.

Shares purchased by the Company out of distributable profits could be held as treasury shares, which could then be cancelled, sold for cash or used to meet the Company's obligations under its employee share plans.

At 9 May 2012, 277 million treasury shares had been transferred to meet the Company's obligations under its employee share plans and at that date, the Company still held 363 million treasury shares which is equal to approximately 5% of the issued share capital (excluding treasury shares) at that date.

The Company's current intention is to hold any shares purchased as treasury shares but it retains the flexibility to cancel them or sell them for cash if it considers this to be in the best interests of the Company. The authority will lapse at the end of the AGM in 2013.

At 9 May 2012, there were options outstanding over 585 million shares (of which options over 561 million shares were in respect of options granted under the savings related share option plans), representing 7.5% of the Company's issued share capital (excluding treasury shares). If the authority given by this resolution were to be fully used, these would represent 8.3% of the Company's issued share capital (excluding treasury shares). There are no warrants outstanding.

Resolution 19: Authority to call a general meeting on 14 days' notice

That the Company may call a general meeting (but not an AGM) on at least 14 clear days' notice.

The Companies Act 2006 requires that general meetings are held on 21 days' notice unless shareholders have approved a shorter notice period. This resolution means we would give you two weeks or more notice of a general meeting. It will be effective until our next AGM, when we may propose a similar one. It is expected that the authority would be used only in exceptional circumstances.

The following resolution will be proposed as an ordinary resolution.

Resolution 20: Authority for political donations

That British Telecommunications plc, a wholly-owned subsidiary of the Company, be authorised to make political donations to political:

(a) parties and/or independent election candidates not exceeding £75,000 in total; and

(b) organisations other than political parties not exceeding £25,000 in total during the period beginning with the date of the 2012 AGM and ending at the end of the day on which the 2013 AGM is held.

The terms 'political donation', 'political parties', 'independent election candidates', and 'political organisation' have the meanings given by sections 363 to 365 of the Companies Act 2006 (2006 Act).

Edgar Filing: BT GROUP PLC - Form 6-K

The Company's continuing policy is that no company in the group will make contributions in cash or kind (including loans) to any political party. However, the definition of political donations used in the 2006 Act is very much broader than the sense in which these words are ordinarily used. It may cover activities such as making MPs and others in the political world aware of key industry issues and matters affecting the Company which make an important contribution to their understanding of BT. The authority we are requesting in this resolution is not designed to change the above policy, but will ensure that the group continues to act within the provisions of the 2006 Act.

During the 2012 financial year, the Company's wholly-owned subsidiary, British Telecommunications plc, spent £3,550 on activities related to last year's resolution.

Register of Members and proxies

Only shareholders on the BT Group Register of Members at 6pm on 9 July 2012 are entitled to attend and vote at the AGM.

If you are unable to attend and vote, you can appoint another person as your proxy to exercise all or any of your rights to attend, speak and vote at the meeting. You may appoint more than one proxy in relation to the meeting, provided you appoint each proxy to exercise the rights attached to a different share or shares held by you. A proxy need not be a shareholder of the Company. On a poll, the number of shares held by you as a shareholder at 6pm on 9 July 2012 will decide the number of votes that you may cast. Changes after that time will not be taken into account.

An AGM admission card/proxy card accompanies this Notice of meeting.

Nominated persons

Unless you are a shareholder you do not have a right to appoint any proxies under the procedures set out above, or referred to under the heading AGM information .

You may nevertheless have a right under an agreement between you and a shareholder of the Company who has nominated you (Relevant Shareholder) to have information rights, to be appointed, or to have someone else appointed, as a proxy for the meeting; or to give instructions to the Relevant Shareholder on the exercise of voting rights.

If you are uncertain about your rights or about your investment you should contact the person or organisation that administers that investment.

Shareholders rights

Shareholders at the AGM have the right to ask questions relating to its business. The Chairman need not answer if, for example, it would involve disclosing confidential information or is undesirable in BT's interests or the good order of the AGM.

If enough shareholders act together to make requests under sections 527 and 528 of the Companies Act 2006 (all references are to this Act), BT may have to publish on its website a statement setting out any matter relating to the audit of its accounts or any circumstance connected with its auditor ceasing to hold office. BT cannot make shareholders, requesting this, pay its expenses in complying with these sections. It has to forward the statement to its auditor before it publishes the statement. The business which may be dealt with at the AGM includes any such statement.

Shareholders meeting the threshold and time limit set out in sections 338 and 338A can make the Company give its members notice of a resolution and/or include in the business to be dealt with at the AGM any matter which may be properly included in that business.

Shares

The total number of issued and fully paid ordinary shares of 5p each at 9 May 2012, the latest practicable (business) date before the publication of this document, was 8,151,227,029, carrying one vote each. The total number of voting rights in the Company at that date was 7,787,436,128 (excluding treasury shares).

Documents

Edgar Filing: BT GROUP PLC - Form 6-K

Your directors believe that the proposals set out in Resolutions 1 to 20 are in the best interests of shareholders as a whole and unanimously recommend that you vote in favour of all these resolutions. They intend to do so in respect of their own beneficial holdings.
