The purpose of the meeting is to seek shareholder approval of the three nominees named in the enclosed joint proxy statement to the Boards of Directors or Trustees (each, a "Board," the members of which are referred to as "Board Members") of each Fund. Each Board has unanimously approved the three nominees named in the enclosed joint proxy statement on behalf of its Fund (the "Board Nominees"), subject to approval by the Fund's shareholders. The Boards have reviewed the qualifications and backgrounds of the Board Nominees and believe that they are experienced in overseeing investment companies and are familiar with the Funds and their investment advisers and that their election is in your best interests.

The Board Members responsible for your Fund recommend that you vote **FOR** the Board Nominees for your Fund. In connection with your vote, we urge you to read the full text of the enclosed joint proxy statement.

Your vote is important. If you are a record holder of a Fund's shares and plan to attend the meeting in person, in order to gain admission you must show valid photographic identification, such as your driver's license or passport. If you hold your common or preferred shares in a brokerage account or through a bank or other nominee, you will not be able to vote in person at the annual meeting unless you have previously requested and obtained a legal proxy from your broker, bank or other nominee and present it at the annual meeting. Even if you plan to attend the meeting, please promptly follow the enclosed instructions to submit voting instructions by telephone or via the Internet. Alternatively, you may submit voting instructions by signing and dating each proxy card you receive, and if received by mail, returning it in the accompanying postage-paid return envelope.

JOINT PROXY STATEMENT

This joint proxy statement (this *Proxy Statement*) is furnished in connection with the solicitation of proxies by the Boards of Directors or Trustees (each, a *Board*, the members of which are referred to as *Board Members*) of each BlackRock Closed-End Fund listed in *Appendix A* of this *Proxy Statement* (each, a *Fund*). The proxies will be voted at the joint annual meeting of shareholders of the Funds and at any and all adjournments, postponements or delays thereof. The meeting will be held at the offices of BlackRock Advisors, LLC (the *Advisor*), Park Avenue Plaza, 55 East 52nd Street, 11th Floor, New York, NY 10055, on Friday, July 27, 2012, at 10:00 a.m. (Eastern time). The meeting will be held for the purposes set forth in the accompanying notice.

The Boards of the Funds have determined that the use of this *Proxy Statement* for the meeting is in the best interests of the Funds and their shareholders in light of the similar matters being considered and voted on by the shareholders of each Fund. Distribution to shareholders of this *Proxy Statement* and the accompanying materials, or a Notice of Internet Availability of Proxy Materials, will commence on or about June 11, 2012.

Each Fund listed in *Appendix A* to this *Proxy Statement* is organized as a Massachusetts business trust (each, a *Massachusetts Trust*), a Maryland corporation (each, a *Maryland Corporation*) or a Delaware statutory trust (each, a *Delaware Trust*). The Massachusetts Trusts, Maryland Corporations and Delaware Trusts are closed-end investment companies registered under the Investment Company Act of 1940 (the *1940 Act*). A list identifying each Massachusetts Trust, Maryland Corporation and Delaware Trust is set forth in *Appendix A*.

Shareholders of record of a Fund as of the close of business on May 31, 2012 (the *Record Date*) are entitled to notice of and to vote at that Fund's meeting. Shareholders of the Funds are entitled to one vote for each share held, with no shares having cumulative voting rights. Holders of the auction market preferred stock, auction market preferred shares, auction preferred stock, auction preferred shares, auction rate preferred shares of beneficial interest, municipal auction rate cumulative preferred shares or auction rate municipal preferred shares (collectively, *AMPS*) of each of the Funds identified in *Appendix A* as having *AMPS* outstanding (collectively, the *AMPS Funds*), holders of variable rate muni term preferred shares (collectively, the *VMTP Shares*) of each of the Funds identified in *Appendix A* as having *VMTP Shares* outstanding (collectively, the *VMTP Funds*) and holders of variable rate demand preferred shares (collectively, *VRDP Shares* and collectively with the *AMPS* and *VMTP Shares*, *Preferred Shares*) of each of the Funds identified in *Appendix A* as having *VRDP Shares* outstanding (collectively, the *VRDP Funds* and collectively with the *AMPS Funds* and *VMTP Funds*, the *Preferred Funds*) will have equal voting rights with the shares of common stock or common shares of beneficial interest (collectively, the *Common Shares*) of the Preferred Funds and will vote together with the holders of *Common Shares* as a single class on each nominee to the Board of the Preferred Fund in which they own Preferred Shares, except that holders of Preferred Shares are entitled to vote separately as a class to elect two Board Members for each Preferred Fund in which they own Preferred

Shares. The Board Members representing holders of Preferred Shares are Class I and Class II Board Members and only the Class II Board Members are standing for election this year. The quorum and voting requirements for each Fund are described in the section below entitled "Vote Required and Manner of Voting Proxies."

Table of Contents

The number of shares outstanding of each Fund as of the close of business on the Record Date and the managed assets of each Fund on the Record Date are shown in *Appendix A*. Except as set forth in *Appendix H*, to the knowledge of each Fund, as of May 24, 2012, no person was the beneficial owner of more than five percent of a class of a Fund's outstanding shares.

The Fund in which you owned shares on the Record Date is named on the proxy card or Notice of Internet Availability of Proxy Materials. If you owned shares in more than one Fund on the Record Date, you may receive more than one proxy card. Even if you plan to attend the meeting, please sign, date and return EACH proxy card you receive or, if you provide voting instructions by telephone or via the Internet, please vote on the proposal affecting EACH Fund you own. If you vote by telephone or via the Internet, you will be asked to enter a unique code that has been assigned to you, which is printed on your proxy card(s) or Notice of Internet Availability of Proxy Materials, as applicable. This code is designed to confirm your identity, provide access into the voting website and confirm that your voting instructions are properly recorded.

All properly executed proxies received prior to the meeting will be voted at the meeting. On any matter coming before the meeting as to which a shareholder has specified a choice on that shareholder's proxy, the shares will be voted accordingly. If a proxy card is properly executed and returned and no choice is specified with respect to the proposal, the shares will be voted **FOR** the proposal. Shareholders who execute proxies or provide voting instructions by telephone or via the Internet may revoke them with respect to the proposal at any time before a vote is taken on the proposal by filing with the applicable Fund a written notice of revocation (addressed to the Secretary of the Fund at the principal executive offices of the Fund at the New York address below), by delivering a duly executed proxy bearing a later date or by attending the meeting and voting in person by ballot, in all cases prior to the exercise of the authority granted in the proxy card. Merely attending the meeting, however, will not revoke any previously executed proxy. If you hold shares through a bank or other intermediary, please consult your bank or intermediary regarding your ability to revoke voting instructions after such instructions have been provided.

Certain other BlackRock Closed-End Funds not listed in *Appendix A* will also hold their annual meetings at the place and date stated above, but not at the same time. If you were also a shareholder of record on the Record Date of one or more of those other funds, you will receive a separate proxy statement and proxy card(s) relating to those funds.

If you are a record holder of a Fund's shares and plan to attend the meeting in person, in order to gain admission you must show valid photographic identification, such as your driver's license or passport. If you hold your shares of a Fund through a bank, broker or other custodian, and plan to attend the meeting in person, in order to gain admission you must show valid photographic identification, such as your driver's license or passport, and satisfactory proof of ownership of shares in a Fund, such as your voting instruction form (or a copy thereof) or a letter from your bank, broker or other custodian or broker's statement indicating ownership as of the Record Date.

For directions to the meeting, please contact Georgeson, the firm assisting us in the solicitation of proxies, at 1-866-856-2826.

Each Fund will furnish, without charge, a copy of its annual report and most recent semi-annual report succeeding the annual report, if any, to a shareholder upon request. Such requests should be directed to the applicable Fund at 100 Bellevue Parkway, Wilmington, DE 19809, or by calling toll free at 1-800-441-7762. Copies of annual and semi-annual reports of each Fund are also available on the EDGAR Database on the Securities and Exchange Commission's website at www.sec.gov.

BlackRock updates performance data for the Funds, as well as certain other data for Funds that are municipal funds, on a monthly basis on its website in the Closed-End Funds section of www.blackrock.com. Investors and others are advised to periodically check the website for updated performance information and the release of other material information about the BlackRock Closed-End Funds.

Please note that only one annual or semi-annual report or Proxy Statement or Notice of Internet Availability of Proxy Materials may be delivered to two or more shareholders of a Fund who share an address, unless the Fund has received instructions to the contrary. To request a separate copy of an annual report or semi-annual report or this Proxy Statement or Notice of Internet Availability of Proxy Materials, or for instructions how to request a separate copy of these documents or as to how to request a single copy if multiple copies of these documents are received, shareholders should contact the applicable Fund at the Delaware address above and phone number set forth above.

YOUR VOTE IS IMPORTANT

To avoid the wasteful and unnecessary expense of further solicitation and no matter how large or small your holdings may be, we urge you to indicate voting instructions on the enclosed proxy card(s), and if received by mail, date and sign it (them) and return it (them) promptly in the postage-paid envelope provided, or record your voting instructions by telephone or via the Internet. If you submit a properly executed proxy card but do not indicate how you wish your shares to be voted, your shares will be voted **FOR** the election of the Board Nominees. If your shares are held through a broker, you must provide voting instructions to your broker about how to vote your shares in order for your broker to vote your shares as you instruct at the meeting.

The purpose of Proposal 1 is to elect Board Members for each Fund.

Nominees for each Fund. The Board of each Fund consists of 11 Board Members, nine of whom are not interested persons of the Funds (as defined in the 1940 Act) (the Independent Board Members). The Funds divide their Board Members into three classes: Class I, Class II and Class III and generally only one class of Board Members stands for election each year. Only the Class II Board Members are standing for election this year. Each Class II Board Member elected at the meeting will serve until the later of the date of the 2015 annual meeting or until his or her successor is elected and qualifies, or until his or her earlier death, resignation, retirement or removal.

With respect to the Preferred Funds, the owners of Preferred Shares are entitled to vote as a separate class to elect two of the Board Members (the Preferred Shares Nominees) for the Preferred Fund in which they own Preferred Shares. This means that owners of common shares are not entitled to vote in connection with the election of the Preferred Shares Nominees. However, the owners of common shares and the owners of Preferred Shares, voting together as a single class, are entitled to elect the remainder of the Board Nominees. Frank J. Fabozzi and W. Carl Kester are currently the Board Members elected solely by the owners of Preferred Shares. Only Frank J. Fabozzi is standing for election this year as a Preferred Shares Nominee. W. Carl Kester's term as a Board Member is scheduled to expire in 2014 and therefore he is not standing for election this year as a Preferred Shares Nominee.

The Board recommends a vote **FOR** the election of Karen P. Robards, Frank J. Fabozzi and James T. Flynn (the Board Nominees). To vote for the Board Nominees, please vote by telephone or via the Internet, as described in the proxy card, or date and sign the enclosed proxy card and return it promptly in the enclosed postage-paid envelope. Each of the Board Nominees has consented to being named in this Proxy Statement and to serve as a Board Member if elected.

Board Members /Nominees Biographical Information. Please refer to the below table which identifies the Board Nominees, including any Preferred Shares Nominees, for election to the Board of each Fund and sets forth certain biographical information about the Board Members and/or Board Nominees, for all of the Funds. Please note that only the Class II Board Members and nominees for election as Class II Board Members are standing for election for the Funds. Each Board Nominee was nominated by the Governance and Nominating Committee of the Board of each respective Fund. Richard E. Cavanagh was selected to serve as the Chair and Karen P. Robards was selected to serve as the Vice Chair of each Board. All of the closed-end registered investment companies advised by the Advisor, including the Funds, are referred to collectively as the Closed-End Complex.

* Following the combination of Merrill Lynch Investment Managers, L.P. (MLIM) and BlackRock, Inc. (BlackRock) in September 2006, the various legacy MLIM and legacy BlackRock fund boards were realigned and consolidated into three new fund boards in 2007. As a result, although the chart shows certain Board Members as joining the Boards in 2007, each Board Member first became a member of the Boards of Directors/Trustees of other legacy MLIM or legacy BlackRock funds as follows: Richard E. Cavanagh since 1994; Frank J. Fabozzi since 1988; Kathleen F. Feldstein since 2005; James T. Flynn since 1996; Henry Gabbay since 2007; Jerrold B. Harris since 1999; R. Glenn Hubbard since 2004; W. Carl Kester since 1998; and Karen P. Robards since 1998. Each Board Member will serve until his or her successor is elected and qualifies, or until his or her earlier death, resignation, retirement or removal, or until December 31 of the year in which he or she turns 72; however, in 2011 the Boards adopted a resolution extending the mandatory retirement age for Mr. Flynn so that he can serve until December 31 of the year in which he turns 73. Mr. Flynn will turn 73 in 2012.

** For purposes of this chart, RICs refers to registered investment companies and Portfolios refers to the investment programs of the Funds. For purposes of this chart, the number of RICs and Portfolios excludes one fund that has been approved for liquidation by shareholders but not yet liquidated. When included, the number of RICs and Portfolios overseen by the Non-Interested Board Members increases to 100 RICs consisting of 96 Portfolios and the number of RICs and Portfolios overseen by the Interested Board Members increases to 162 RICs consisting of 281 Portfolios.

The Independent Board Members have adopted a statement of policy that describes the experiences, qualifications, skills and attributes that are necessary and desirable for potential Independent Board Member candidates (the Statement of Policy). The Boards believe that each Independent Board Member satisfied, at the time he or she was initially elected or appointed a Board Member, and continues to satisfy, the standards contemplated by the Statement of Policy as well as the standards set forth in each Fund's By-Laws. Furthermore, in determining that a particular Board Member was and continues to be qualified to serve as a Board Member, the Boards have considered a variety of criteria, none of which, in isolation, was controlling. The Boards believe that, collectively, the Board Members/Nominees have balanced and diverse experiences, skills, attributes and qualifications, which allow the Boards to operate effectively in governing the Funds and protecting the interests of shareholders. Among the attributes common to all Board Members/Nominees is their ability to review critically, evaluate, question and discuss information provided to them, to interact effectively with the Funds' investment adviser,

* Class II Board Member.

Board Leadership Structure and Oversight

The Boards consist of eleven individuals, nine of whom are Independent Board Members. The registered investment companies advised by the Advisor are composed of the BlackRock Closed-End Complex, two complexes of open-end funds and one complex of exchange-traded funds. The Funds are included in the BlackRock Closed-End Complex. The Board Members also oversee the operations of other closed-end registered investment companies included in the BlackRock Closed-End Complex as directors or trustees.

The Boards have overall responsibility for the oversight of the Funds. The Chair of the Boards and the Chief Executive Officer are two different people. Not only is the Chair of the Boards an Independent Board Member, but also the Chair of each Board committee (each, a Committee) is an Independent Board Member. The Boards have six standing Committees: an Audit Committee, a Governance and Nominating Committee, a Compliance Committee, a Performance Oversight Committee, a Leverage Committee and an Executive Committee. The Funds do not have a compensation committee because their executive officers, other than the CCO, do not receive any direct compensation from the Funds and the CCO's compensation is comprehensively reviewed by the Boards. The role of the Chair of the Boards is to preside at all meetings of the Boards and to act as a liaison with service providers, officers, attorneys, and other Board Members between meetings. The Chair of each Committee performs a similar role with respect to such Committee. The Chair of the Boards or Committees may also perform such other functions as may be delegated by the Boards or the Committees from time to time. The Independent Board Members

Table of Contents

meet regularly outside the presence of the Funds' management, in executive session or with other service providers to the Funds. The Boards have regular meetings five times a year, including a meeting to consider the approval of the Funds' investment management agreements, and may hold special meetings if required before their next regular meeting. Each Committee meets regularly to conduct the oversight functions delegated to that Committee by the Boards and reports its findings to the Boards. The Boards and each standing Committee conduct annual assessments of their oversight function and structure. The Boards have determined that the Boards' leadership structure is appropriate because it allows the Boards to exercise independent judgment over management and to allocate areas of responsibility among Committees and the Boards to enhance effective oversight.

The Boards decided to separate the roles of Chair and Chief Executive Officer because they believe that an independent Chair:

increases the independent oversight of the Funds and enhances the Boards' objective evaluation of the Chief Executive Officer;

allows the Chief Executive Officer to focus on the Funds' operations instead of Board administration;

provides greater opportunities for direct and independent communication between shareholders and the Boards; and

provides an independent spokesman for the Funds.

The Boards have engaged the Advisor to manage the Funds on a day-to-day basis. Each Board is responsible for overseeing the Advisor, other service providers, the operations of each Fund and associated risks in accordance with the provisions of the 1940 Act, state law, other applicable laws, each Fund's charter, and each Fund's investment objective(s) and strategies. The Boards review, on an ongoing basis, the Funds' performance, operations, and investment strategies and techniques. The Boards also conduct reviews of the Advisor and its role in running the operations of the Funds.

Day-to-day risk management with respect to the Funds is the responsibility of the Advisor or other service providers (depending on the nature of the risk), subject to the supervision of the Advisor. The Funds are subject to a number of risks, including investment, compliance, operational and valuation risks, among others. While there are a number of risk management functions performed by the Advisor or other service providers, as applicable, it is not possible to eliminate all of the risks applicable to the Funds. Risk oversight is part of the Boards' general oversight of the Funds and is addressed as part of various Board and Committee activities. The Boards, directly or through Committees, also review reports from, among others, management, the independent registered public accounting firm for the Funds, the Advisor, and internal auditors for the Advisor or its affiliates, as appropriate, regarding risks faced by the Funds and management's or the service provider's risk functions. The Committee system facilitates the timely and efficient consideration of matters by the Board Members and facilitates effective oversight of compliance with legal and regulatory requirements and of the Funds' activities and associated risks. The Boards have appointed a Chief Compliance Officer, who oversees the implementation and testing of the Funds' compliance program and reports regularly to the Boards regarding compliance matters for the Funds and their service providers. The Independent Board Members have engaged independent legal counsel to assist them in performing their oversight responsibilities.

Compensation. Information relating to compensation paid to the Board Members for each Fund's most recent fiscal year is set forth in *Appendix B*.

Compliance with Section 16(a) of the Securities Exchange Act of 1934 (the Exchange Act). Section 16(a) of the Exchange Act requires the Funds' Board Members (including in some cases former board members for a period of up to 6 months), executive officers, persons who own more than ten percent of a registered class of a Fund's equity securities, BlackRock Advisors and certain officers of BlackRock Advisors, to file reports on holdings of, and transactions in, Fund shares with the Securities and Exchange Commission (SEC) and to furnish the Funds with copies of all such reports. Based solely on a review of copies of such reports furnished to the relevant Funds and representations from these reporting persons, each Fund believes that its Board Members, executive officers, ten percent holders, BlackRock Advisors and certain officers of BlackRock Advisors met all such applicable SEC filing requirements, except for one inadvertent late filing by Mr. Richard Davis (a former board member) due to an administrative error on the part of a service provider to the Funds and no fault of Mr. Davis whatsoever, with regard to one transaction for each of BlackRock Energy and Resources Trust, BlackRock Ecosolutions Investment Trust, BlackRock International Growth & Income and BlackRock Global Opportunities Equity Trust that took place after he had already ceased to be a board member.

Executive Officers of the Funds. Information about the executive officers of each Fund, including their year of birth and their principal occupations during the past five years, is set forth in *Appendix F*.

Your Board recommends that you vote FOR the election of each Board Nominee to the Board of your Fund(s).

Settlement of Shareholder Solicitation. On June 15, 2011, 14 BlackRock closed-end registered investment companies listed on *Appendix I* (the Settlement Funds) and certain other BlackRock closed-end registered investment companies, including the Funds, entered into an agreement (the Agreement) with Karpus Management, Inc. (Karpus), Special Opportunities Fund, Inc. (SOF) and Opportunity Partners, L.P. (Opportunity Partners) and, together with SOF, the Bulldog/Brooklyn Funds. As it pertains to the Funds, Karpus and the Bulldog/Brooklyn Funds agreed to abide by certain standstill restrictions, including refraining from bringing lawsuits against the Funds or engaging in any proxy contest against the Funds, through the Funds' 2012 annual meetings of shareholders. The parties also agreed to a mutual non-disparagement provision through the Funds' and Settlement Funds' 2012 annual meetings of shareholders. Among other things, Karpus and the Bulldog/Brooklyn Funds also agreed to dismiss a lawsuit previously

Table of Contents

brought by them that challenged the adoption of By-Law amendments by the boards of directors/trustees of certain of the Settlement Funds, which amendments are substantially similar to amendments also adopted by all of the Funds. Karpus and the Bulldog/Brooklyn Funds also agreed to withdraw their purported nominees for election as a director/trustee of the Settlement Funds at the 2011 annual meeting of shareholders and to abide by similar standstill restrictions with respect to the Settlement Funds until after their 2014 annual meetings of shareholders. The Boards of the Funds believe that the Agreement is in the best interests of the Funds and their shareholders.

In addition, each of the Settlement Funds agreed that, if all of the outstanding AMPS of such Settlement Fund were not redeemed or called for redemption two weeks prior to the date such Settlement Fund mails its proxy materials to shareholders in connection with the Settlement Fund's 2012 annual meeting of shareholders (each, a 2012 Annual Meeting), Karpus or the Bulldog/Brooklyn Funds, as applicable (based on the party who submitted the nomination notice), would be entitled to designate an individual (the Designee) to be nominated as a director/trustee elected by the preferred shareholders of such Settlement Fund, to serve on the board of directors/trustees of such Settlement Fund, and such Settlement Fund will include the Designee in the Settlement Fund's proxy materials, and such Settlement Fund's board of directors/trustees will recommend that the Designee be elected, in connection with its 2012 Annual Meeting if the Designee is reasonably acceptable to the board of directors/trustees of the Settlement Fund and agrees to resign from the board of directors/trustees at such time as all of the AMPS of the Settlement Fund are redeemed. The Settlement Funds were and are under no obligation to redeem any of the AMPS and no redemption of AMPS will be made unless the board of directors/trustees of the Settlement Fund determines that such redemption is in the best interests of all of its shareholders.

On May 29, 2012, two Settlement Funds BJZ and BPK, entered into an agreement with the Bulldog/Brooklyn Funds to amend their Agreement so that the provisions described above relating to BJZ's and BPK's 2012 Annual Meeting were extended to BJZ's and BPK's 2013 annual meeting of shareholders.

As of the date of this Proxy Statement, 12 of the Settlement Funds have redeemed, called for redemption, or publicly announced the anticipated redemption of all of their previously outstanding AMPS.

VOTE REQUIRED AND MANNER OF VOTING PROXIES

A quorum of shareholders is required to take action at each meeting. For BKN, BKT, BNA, and MUA, RNJ and RNY, the holders of 1/3 of the shares entitled to vote on any matter at a meeting present in person or by proxy shall constitute a quorum for purposes of conducting business on such matter. For the remainder of the Funds, the holders of a majority of the shares entitled to vote on any matter at a meeting present in person or by proxy shall constitute a quorum for purposes of conducting business on such matter. The affirmative vote of a plurality of the votes cast with respect to a Board Nominee at a meeting at which a quorum is present is necessary to elect each of the respective Board Nominees under Proposal 1 for each respective Fund. Because each Fund requires a plurality of votes to elect each of the Board Nominees, withhold votes and broker non-votes, if any, will not have an effect on the outcome of Proposal 1.

Votes cast by proxy or in person at each meeting will be tabulated by the inspectors of election appointed for that meeting. The inspectors of election will determine whether or not a quorum is present at the meeting. The inspectors of election will treat withhold votes and broker non-votes, if any, as present for purposes of determining a quorum. Broker non-votes occur when shares held by brokers or nominees, typically in street name, as to which proxies have been returned

Table of Contents

but (a) voting instructions have not been received from the beneficial owners or persons entitled to vote, (b) the broker or nominee does not have discretionary voting power or elects not to exercise discretion on a particular matter and (c) the shares are present at the meeting. Preferred Shares of any Fund held in street name may be counted for purposes of establishing a quorum of that Fund if no instructions are received one business day before the applicable meeting or, if adjourned, one business day before the day to which the meeting is adjourned.

If you hold your shares directly (not through a broker-dealer, bank or other financial institution) and if you return a signed and dated proxy card that does not specify how you wish to vote on a proposal, your shares will be voted **FOR** the Board Nominees in Proposal 1.

Broker-dealer firms holding shares of a Fund in street name for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their shares on Proposal 1 before the meeting. The Funds understand that, under the rules of the New York Stock Exchange and NYSE Amex, such broker-dealer firms may for certain routine matters, without instructions from their customers and clients, grant discretionary authority to the proxies designated by the Board to vote if no instructions have been received prior to the date specified in the broker-dealer firm's request for voting instructions. Proposal 1 is a routine matter and beneficial owners who do not provide proxy instructions or who do not return a proxy card may have their shares voted by broker-dealer firms in favor of Proposal 1. A properly executed proxy card or other authorization by a beneficial owner of Fund shares that does not specify how the beneficial owner's shares should be voted on Proposal 1 may be deemed an instruction to vote such shares in favor of the proposal.

If you hold shares of a Fund through a bank or other financial institution or intermediary (called a service agent) that has entered into a service agreement with the Fund or a distributor of the Fund, the service agent may be the record holder of your shares. At the meeting, a service agent will vote shares for which it receives instructions from its customers in accordance with those instructions. A properly executed proxy card or other authorization by a shareholder that does not specify how the shareholder's shares should be voted on a proposal may be deemed to authorize a service provider to vote such shares in favor of the proposal. Depending on its policies, applicable law or contractual or other restrictions, a service agent may be permitted to vote shares with respect to which it has not received specific voting instructions from its customers. In those cases, the service agent may, but is not required to, vote such shares in the same proportion as those shares for which the service agent has received voting instructions. This practice is commonly referred to as echo voting.

If you beneficially own shares that are held in street name through a broker-dealer or that are held of record by a service agent, and if you do not give specific voting instructions for your shares, they may not be voted at all or, as described above, they may be voted in a manner that you may not intend. Therefore, you are strongly encouraged to give your broker-dealer or service agent specific instructions as to how you want your shares to be voted.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board Members, including a majority of the Independent Board Members, of each Fund have selected Deloitte & Touche LLP (D&T) as the independent registered public accounting firm for the Funds.

A representative of D&T is expected to be present at the meeting. The representative of D&T will have the opportunity to make a statement at the meeting if he desires to do so and is expected to be available to respond to appropriate questions.

Table of Contents

Each Audit Committee has discussed the matters required by the Statement on Auditing Standards No. 114, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board (PCAOB) in Rule 3200T.

Each Audit Committee has received from D&T the written disclosures and the letter required by PCAOB Ethics and Independence Rule 3526, Communication with Audit Committees Concerning Independence, and has discussed D&T's independence with D&T, and has considered the compatibility of non-audit services with the independence of the independent registered public accounting firm.

Each Audit Committee also reviews and discusses the Fund's financial statements with Fund management and the independent registered public accounting firm. If any material concerns arise during the course of the audit and the preparation of the audited financial statements mailed to shareholders and included in the Fund's Annual Report to Shareholders, the Audit Committee would be notified by Fund management or the independent registered public accounting firm. The Audit Committees received no such notifications for any Fund during its most recently completed fiscal year. Following each Audit Committee's review and discussion of the Fund's independent registered public accounting firm, pursuant to authority delegated by its respective Board, each Audit Committee approved the respective Fund's audited financial statements for the Fund's most recently completed fiscal year (each Fund's fiscal year end is set forth in *Appendix G*) for inclusion in each Fund's Annual Report to Shareholders.

Appendix G sets forth for each Fund the fees billed by that Fund's independent registered public accounting firm for the two most recent fiscal years for all audit, non-audit, tax and all other services provided directly to the Fund. The fee information in *Appendix G* is presented under the following captions:

- (a) **Audit Fees** fees related to the audit and review of the financial statements included in annual reports and registration statements, and other services that are normally provided in connection with statutory and regulatory filings or engagements, including out-of-pocket expenses.
- (b) **Audit-Related Fees** fees related to assurance and related services that are reasonably related to the performance of the audit or review of financial statements, but not reported under **Audit Fees**, including accounting consultations, agreed-upon procedure reports, attestation reports, comfort letters, out-of-pocket expenses and internal control reviews not required by regulators.
- (c) **Tax Fees** fees associated with tax compliance, tax advice and tax planning, including services relating to the filing or amendment of federal, state or local income tax returns, regulated investment company qualification reviews, tax distribution and analysis reviews and miscellaneous tax advice.
- (d) **All Other Fees** fees for products and services provided to the Fund other than those reported under **Audit Fees**, **Audit-Related Fees** and **Tax Fees**.

Each Audit Committee is required to approve all audit engagement fees and terms for its Fund. Each Audit Committee also is required to consider and act upon (i) the provision by the Fund's independent accountant of any non-audit services to the Fund, and (ii) the provision by the Fund's independent accountant of non-audit services to BlackRock and any entity controlling, controlled by or under common control with BlackRock that provides ongoing services to the Fund (**Affiliated Service Providers**) to the extent that such approval (in the case of this clause (ii)) is

Table of Contents

required under applicable regulations of the SEC. See *Appendix G* to this Proxy Statement for information about the fees paid by the Funds, their investment advisers, and Affiliated Service Providers to each Fund's independent registered public accounting firm.

The Audit Committee of each Fund complies with applicable laws and regulations with regard to the pre-approval of services. Audit, audit-related and tax compliance services provided to a Fund on an annual basis require specific pre-approval by the Fund's Audit Committee. As noted above, the Audit Committee also must approve other non-audit services provided to a Fund and those non-audit services provided to a Fund's Affiliated Service Providers that relate directly to the operations and financial reporting of a Fund. Each Audit Committee has implemented policies and procedures by which such services may be approved other than by the full Audit Committee. Subject to such policies and procedures, including applicable dollar limitations, the Audit Committee may pre-approve, without consideration on a specific case-by-case basis (general pre-approval), certain permissible non-audit services that the Audit Committee believes are (a) consistent with the SEC's auditor independence rules and (b) routine and recurring services that will not impair the independence of the independent registered public accounting firm. Each service approved subject to general pre-approval is presented to each Audit Committee for ratification at the next regularly scheduled in-person board meeting.

For each Fund's two most recently completed fiscal years, there were no services rendered by D&T to the Funds for which the general pre-approval requirement was waived.

Each Audit Committee has considered the provision of non-audit services that were rendered by D&T to the Fund's Affiliated Service Providers that were not pre-approved (and did not require pre-approval) in connection with determining such auditor's independence. All services provided by D&T to each Fund and each Fund's Affiliated Service Provider that required pre-approval were pre-approved during the Fund's most recently completed fiscal year.

The Audit Committee of each Fund consists of the following Board Members:

Karen P. Robards (Chair);

Michael J. Castellano;

Frank J. Fabozzi;

James T. Flynn; and

W. Carl Kester.

Submission of Shareholder Proposals

A shareholder proposal intended to be presented at a future meeting of shareholders of a Fund must be received at the offices of the Fund, Park Avenue Plaza, 55 East 52nd Street, New York, NY 10055, in accordance with the timing requirements set forth below. Timely submission of a proposal does not guarantee that such proposal will be included in a proxy statement.

If a shareholder intends to present a proposal at the 2013 annual meeting of a Fund's shareholders and desires to have the proposal included in such Fund's proxy statement and form

of proxy for that meeting pursuant to Rule 14a-8 under the Exchange Act, the shareholder must deliver the proposal to the offices of the appropriate Fund by Monday, February 11, 2013. In the event a Fund moves the date of its 2013 annual meeting by more than 30 days from the anniversary of its 2012 annual meeting, under current rules, shareholder submissions of proposals for inclusion in such Fund's proxy statement and proxy card for the 2013 meeting pursuant to Rule 14a-8 under the Exchange Act must be delivered to the Fund a reasonable time before the Fund begins to print and send its proxy materials.

Shareholders who do not wish to submit a proposal for inclusion in a Fund's proxy statement and form of proxy for the 2013 annual meeting in accordance with Rule 14a-8 may submit a proposal for consideration at the 2013 annual meeting in accordance with the By-laws of the Fund. The By-laws for all of the Funds require that advance notice be given to the Fund in the event a shareholder desires to transact any business, including business from the floor, at an annual meeting of shareholders, including the nomination of Board Members. Notice of any such business or nomination must be in writing, comply with the requirements of the By-laws and be received by the Fund between Wednesday, February 27, 2013 and Friday, March 29, 2013. In order for proposals of shareholders made outside of Rule 14a-8 under the Exchange Act to be considered "timely" within the meaning of Rule 14a-4(c) under the Exchange Act, such proposals must be received at the Fund's principal executive offices by Monday, February 11, 2013. In the event a Fund moves the date of its 2013 annual meeting by more than 25 days from the anniversary of its 2012 annual meeting, shareholders who wish to submit a proposal or nomination for consideration at the 2013 annual meeting in accordance with the advance notice provisions of the By-laws of a Fund must deliver such proposal or nomination not later than the close of business on the tenth day following the day on which such notice of the date of the meeting was mailed or such public disclosure of the meeting date was made, whichever comes first. If such proposals are not "timely" within the meaning of Rule 14a-4(c), then proxies solicited by the Board for next year's annual meeting may confer discretionary authority to the Board to vote on such proposals. Copies of the By-laws of each Fund are available on the EDGAR Database on the SEC's website at www.sec.gov. Each Fund will also furnish, without charge, a copy of its By-laws to a shareholder upon request. Such requests should be directed to the appropriate Fund at 100 Bellevue Parkway, Wilmington, DE 19809, or by calling toll free at 1-800-441-7762. For further information, please see *Appendix E* Standing Committees Governance and Nominating Committee.

For all Funds, written proposals (including nominations) and notices should be sent to the Secretary of the Fund, 40 East 52nd Street, New York, NY 10022.

Shareholder Communications

Shareholders who want to communicate with the Board or any individual Board Member should write their Fund to the attention of the Secretary, 40 East 52nd Street, New York, NY 10022. Shareholders may communicate with the Boards electronically by sending an e-mail to closedendfundsbod@blackrock.com. The communication should indicate that you are a Fund shareholder. If the communication is intended for a specific Board Member and so indicates, it will be sent only to that Board Member. If a communication does not indicate a specific Board Member, it will be sent to the Chair of the Governance and Nominating Committee and the outside counsel to the Independent Board Members for further distribution as deemed appropriate by such persons.

Additionally, shareholders with complaints or concerns regarding accounting matters may address letters to the Fund's Chief Compliance Officer (CCO), 100 Bellevue Parkway, Wilmington, DE 19809. Shareholders who are uncomfortable submitting complaints to the CCO may address letters directly to the Chair of the Audit Committee of the Board that oversees the Fund. Such letters may be submitted on an anonymous basis.

Expense of Proxy Solicitation

The cost of preparing, printing and mailing the enclosed proxy, accompanying notice and this Proxy Statement, and costs in connection with the solicitation of proxies will be borne by the Funds. Additional out-of-pocket costs, such as legal expenses and auditor fees, incurred in connection with the preparation of this Proxy Statement, also will be borne by the Funds. Costs that are borne by the Funds collectively will be allocated among the Funds on the basis of a combination of their respective net assets and number of shareholder accounts, except when direct costs can be reasonably attributed to one or more specific Funds.

Solicitation may be made by mail, telephone, fax, e-mail or the Internet by officers or employees of BlackRock Advisors, or by dealers and their representatives. Brokerage houses, banks and other fiduciaries may be requested to forward proxy solicitation material to their principals to obtain authorization for the execution of proxies. The Funds will reimburse brokerage firms, custodians, banks and fiduciaries for their expenses in forwarding this Proxy Statement and proxy materials to the beneficial owners of each Fund's shares. The Funds and BlackRock have retained Georgeson Inc. ("Georgeson"), 199 Water Street, 26th Floor, New York, New York, 10038, a proxy solicitation firm, to assist in the distribution of proxy materials and the solicitation and tabulation of proxies. In addition, Broadridge Financial Solutions, Inc. ("Broadridge"), 51 Mercedes Way, Edgewood, NY 11717, will assist the Funds in the distribution of proxy materials. It is anticipated that Georgeson and Broadridge will be paid approximately \$116,000 and \$704,000, respectively, for such services (including reimbursements of out-of-pocket expenses). Georgeson may solicit proxies personally and by mail, telephone, fax, e-mail or the Internet. Each Fund's portion of the foregoing expenses is not subject to any cap or voluntary agreement to waive fees and/or reimburse expenses that may otherwise apply to that Fund.

If You Plan to Attend the Annual Meeting

Attendance at the annual meeting will be limited to Funds' shareholders as of the Record Date. ***Each shareholder will be asked to present valid photographic identification, such as a driver's license or passport.*** Shareholders holding shares in brokerage accounts or by a bank or other nominee will be required to show satisfactory proof of ownership of shares in a Fund, such as a voting instruction form (or a copy thereof) or a letter from the shareholder's bank, broker or other custodian or a brokerage statement or account statement reflecting share ownership as of the Record Date. Cameras, recording devices and other electronic devices will not be permitted at the annual meeting.

If you are a registered shareholder, you may vote your shares in person by ballot at the annual meeting. If you hold your Common or Preferred Shares in a brokerage account or through a bank or other nominee, you will not be able to vote in person at the annual meeting, unless you have previously requested and obtained a legal proxy from your broker, bank or other nominee and present it at the annual meeting.

General

Management does not intend to present and does not have reason to believe that any other items of business will be presented at the meeting. However, if other matters are properly presented to the meeting for a vote, the proxies will be voted by the persons named in the enclosed proxy upon such matters in accordance with their judgment of the best interests of the Fund.

A list of each Fund's shareholders of record as of the Record Date will be available for inspection at the shareholder meeting. For each Delaware Trust, a list of shareholders of record as of the Record Date will be available at the offices of the Funds, 1 University Square Drive, Princeton, NJ 08540, for inspection by such Fund's shareholders during regular business hours beginning ten days prior to the date of the meeting.

Failure of a quorum to be present at any meeting may necessitate adjournment. The persons named in the enclosed proxy may also move for an adjournment of any meeting to permit further solicitation of proxies with respect to the proposal if they determine that adjournment and further solicitation are reasonable and in the best interests of shareholders. Any such adjournment will require the affirmative vote of a majority of the shares of the Fund present in person or by proxy and entitled to vote at the time of the meeting to be adjourned. Any adjourned meeting or meetings may be held without the necessity of another notice. The persons named in the enclosed proxy will vote in favor of any such adjournment if they believe the adjournment and additional proxy solicitation are reasonable and in the best interests of the Fund's shareholders. For purposes of determining the presence of a quorum, withhold votes and broker non-votes, if any, will be treated as shares that are present at the meeting.

Please vote promptly by signing and dating each enclosed proxy card, and if received by mail, returning it (them) in the accompanying postage-paid return envelope OR by following the enclosed instructions to provide voting instructions by telephone or via the Internet.

By Order of the Boards,

Janey Ahn

Appendix B Compensation of the Board Members

Each Board Member who is not an interested person (as defined in the 1940 Act) (the Independent Board Members), is paid an annual retainer of \$250,000 per year for his or her services as a Board Member of all BlackRock-advised closed-end funds (the Closed-End Complex) that are overseen by the respective director/trustee, and each Board Member may also receive a \$10,000 board meeting fee for special unscheduled meetings or meetings in excess of six Board meetings held in a calendar year, together with out-of-pocket expenses in accordance with a Board policy on travel and other business expenses relating to attendance at meetings. In addition, the Chair and Vice-Chair of the Board are paid an additional annual retainer of \$120,000 and \$40,000, respectively. The Chairs of the Audit Committee, Compliance Committee, Governance and Nominating Committee, and Performance Oversight Committee are paid an additional annual retainer of \$35,000, \$20,000, \$10,000 and \$20,000, respectively. Each Audit Committee and Leverage Committee member is paid an additional annual retainer of \$25,000 for his or her service on such committee. For the year ended December 31, 2011, the Closed-End Complex reimbursed Independent Board Member expenses in an aggregate amount of \$46,446. Each Fund shall pay a *pro rata* portion quarterly (based on relative net assets) of the foregoing Board Member fees paid by the funds in the Closed-End Complex.

Dr. Gabbay is an interested person of the Funds and serves as an interested Board Member of three groups of BlackRock-advised funds the Closed-End Complex and two complexes of open-end funds (the Equity-Liquidity Complex and the Equity-Bond Complex; each such complex, a BlackRock Fund Complex). Dr. Gabbay receives for his services as a Board Member of such BlackRock Fund Complexes (i) an annual retainer of \$531,250 allocated to the funds in these three BlackRock Fund Complexes, including the Funds, based on their relative net assets and (ii) with respect to each of the two open-end BlackRock Fund Complexes, a Board meeting fee of \$3,750 (with respect to meetings of the Equity-Liquidity Complex) and \$18,750 (with respect to meetings of the Equity-Bond Complex) to be paid for attendance at each Board meeting up to five Board meetings held in a calendar year by each such complex (compensation for meetings in excess of this number to be determined on a case-by-case basis). Dr. Gabbay is also reimbursed for out-of-pocket expenses in accordance with a Board policy on travel and other business expenses relating to attendance at meetings. Dr. Gabbay's compensation for serving on the boards of the funds in these BlackRock Fund Complexes (including the Funds) is equal to 75% of each Board Member retainer and, as applicable, of each Board meeting fee (without regard to additional fees paid to Board and Committee chairs) received by the Independent Board Members serving on such boards, as well as the full Leverage Committee member retainer. The Boards of the Funds or of any other fund in a BlackRock Fund Complex may modify the Board Members' compensation from time to time depending on market conditions and Dr. Gabbay's compensation would be impacted by those modifications.

The Independent Board Members have agreed that a maximum of 50% of each Independent Board Member's total compensation paid by funds in the Closed-End Complex may be deferred pursuant to the Closed-End Complex's deferred compensation plan. Under the deferred compensation plan, deferred amounts earn a return for the Independent Board Members as though equivalent dollar amounts had been invested in common shares of certain funds in the Closed-End Complex selected by the Independent Board Members. This has approximately the same economic effect for the Independent Board Members as if they had invested the deferred amounts in such other funds in the Closed-End Complex. The deferred compensation plan is not funded and obligations thereunder represent general unsecured claims against the general assets of a fund and are recorded as a liability for accounting purposes.

Table of Contents

The following table sets forth the aggregate compensation, including deferred compensation amounts, paid to each Independent Board Member and Dr. Gabbay by each Fund during its most recently completed fiscal year and by the Closed-End Complex for the most recently completed calendar year. Mr. Audet serves without compensation from the Funds because of his affiliation with BlackRock, Inc. and the BlackRock Advisors.

Appendix E Standing Committees of the Boards

The business and affairs of each Fund are managed by or under the direction of its Board.

Standing Committees. The Board of each Fund has established the following standing committees:

Audit Committee. Each Board has a standing Audit Committee composed of Karen P. Robards (Chair), Michael J. Castellano, Frank J. Fabozzi, James T. Flynn and W. Carl Kester, all of whom are Independent Board Members. The principal responsibilities of the Audit Committee are to assist the Board in fulfilling its oversight responsibilities relating to the accounting and financial reporting policies and practices of the Fund. The Audit Committee's responsibilities include, without limitation: (i) approving the selection, retention, termination and compensation of the Fund's independent registered public accounting firm (the independent auditors) and evaluating the independence and objectivity of the independent auditors; (ii) approving all audit engagement terms and fees for the Fund; (iii) reviewing the conduct and results of each audit; (iv) reviewing any issues raised by the independent auditor or management regarding the accounting or financial reporting policies and practices of the Fund, its internal controls, and, as appropriate, the internal controls of certain service providers and management's response to any such issues; (v) reviewing and discussing the Fund's audited and unaudited financial statements and disclosure in the Fund's shareholder reports relating to the Fund's performance; (vi) assisting the Board in considering the performance of the Fund's internal audit function provided by its investment advisor, administrator, pricing agent or other service provider; and (vii) resolving any disagreements between Fund management and the independent auditors regarding financial reporting.

A copy of the Audit Committee Charter for each Fund can be found in the Corporate Governance section of the BlackRock Closed-End Fund website at www.blackrock.com.

Governance and Nominating Committee. Each Board has a standing Governance and Nominating Committee (the Governance Committee) composed of R. Glenn Hubbard (Chair), Richard E. Cavanagh, Michael J. Castellano, Frank J. Fabozzi, Kathleen F. Feldstein, James T. Flynn, Jerrold B. Harris, W. Carl Kester and Karen P. Robards, all of whom are Independent Board Members.

The principal responsibilities of the Governance Committee are: (i) identifying individuals qualified to serve as Independent Board Members and recommending Independent Board Nominees for election by shareholders or appointment by the Board; (ii) advising the Board with respect to Board composition, procedures and committees (other than the Audit Committee); (iii) overseeing periodic self-assessments of the Board and committees of the Board (other than the Audit Committee); (iv) reviewing and making recommendations in respect of Independent Board Member compensation; (v) monitoring corporate governance matters and making recommendations in respect thereof to the Board; and (vi) acting as the administrative committee with respect to Board policies and procedures, committee policies and procedures (other than the Audit Committee) and codes of ethics as they relate to the Independent Board Members.

The Governance Committee of each Board seeks to identify individuals to serve on the Board who have a diverse range of viewpoints, qualifications, experiences, backgrounds and skill sets so that the Board will be better suited to fulfill its responsibility of overseeing the Fund's activities. In so doing, the Governance Committee reviews the size of the Board, the ages of the current Board Members and their tenure on the Board, and the skills, background and experiences of the Board Members in light of the issues facing the Fund in determining whether one or more new Board Members should be added to the Board. The Board as a group strives to achieve diversity in terms

Table of Contents

of gender, race and geographic location. The Governance Committee believes that the Board Members as a group possess the array of skills, experiences and backgrounds necessary to guide the Fund. The Board Members' biographies included in the Proxy Statement highlight the diversity and breadth of skills, qualifications and expertise that the Board Members bring to the Fund.

Each Governance Committee may consider nominations for Board Members made by the Fund's shareholders as it deems appropriate. Under each Fund's By-laws, shareholders must follow certain procedures to nominate a person for election as a Board Member at an annual or special meeting, or to introduce an item of business at an annual meeting. Under these advance notice procedures, shareholders must submit the proposed nominee or item of business by delivering a notice to the Secretary of the Funds at their principal executive offices. Each Fund must receive notice of a shareholder's intention to introduce a nomination or proposed item of business for an annual meeting not less than 120 days nor more than 150 days before the anniversary of the prior year's meeting. Assuming that the 2013 annual meeting of a Fund is held within 25 days of July 27, 2013, the Fund must receive notice pertaining to the 2013 annual meeting of shareholders no earlier than Wednesday, February 27, 2013 and no later than Friday, March 29, 2013. However, if a Fund holds its 2013 annual meeting on a date that is not within 25 days before or after July 27, 2013, such Fund must receive the notice no later than ten days after the earlier of the date the Fund first provides notice of the meeting to shareholders or announces it publicly.

Each Fund's By-laws provide that notice of a proposed nomination must include certain information about the shareholder and the nominee, as well as a written consent of the proposed nominee to serve if elected. A notice of a proposed item of business must include a description of and the reasons for bringing the proposed business to the meeting, any material interest of the shareholder in the business, and certain other information about the shareholder.

Further, each Fund has adopted Board Member qualification requirements which can be found in each Fund's By-laws and are applicable to all Board Members that may be nominated, elected, appointed, qualified or seated to serve as Board Members. The qualification requirements include: (i) age limits; (ii) limits on service on other boards; (iii) restrictions on relationships with investment advisers other than BlackRock; and (iv) character and fitness requirements. Additionally, each Independent Board Member must not be an interested person of the Fund as defined under Section 2(a)(19) of the 1940 Act and may not be or have certain relationships with a shareholder owning five percent or more of the Fund's voting securities or owning other percentage ownership interests in registered investment companies. Reference is made to each Fund's By-laws for more details.

A copy of the Governance Committee Charter for each Fund can be found in the Corporate Governance section of the BlackRock Closed-End Fund website at www.blackrock.com.

Compliance Committee. Each Fund has a Compliance Committee composed of Jerrold B. Harris (Chair), Richard E. Cavanagh, Kathleen F. Feldstein and R. Glenn Hubbard, all of whom are Independent Board Members. The Compliance Committee's purpose is to assist the Board in fulfilling its responsibility with respect to the oversight of regulatory and fiduciary compliance matters involving the Fund, the fund-related activities of BlackRock, and any subadvisor and the Fund's other third party service providers. The Compliance Committee's responsibilities include, without limitation: (i) overseeing the compliance policies and procedures of the Fund and its service providers; (ii) reviewing information on and, where appropriate, recommending policies concerning the Fund's compliance with applicable law; (iii) reviewing information on any significant correspondence with or other actions by regulators or governmental agencies with respect to the Fund and any employee complaints or published reports that raise concerns regarding compliance matters; and (iv) reviewing reports from and making certain recommendations in respect of the

Fund's Chief Compliance Officer, including, without limitation, determining the amount and structure of the Chief Compliance Officer's compensation. Each Board has adopted a written charter for each Compliance Committee.

Performance Oversight Committee. Each Fund has a Performance Oversight Committee composed of Frank J. Fabozzi (Chair), Michael J. Castellano, Richard E. Cavanagh, Kathleen F. Feldstein, James T. Flynn, Jerrold B. Harris, R. Glenn Hubbard, W. Carl Kester and Karen P. Robards, all of whom are Independent Board Members. The Performance Oversight Committee's purpose is to assist the Board in fulfilling its responsibility to oversee the Fund's investment performance relative to the Fund's investment objective(s), policies and practices. The Performance Oversight Committee's responsibilities include, without limitation: (i) reviewing the Fund's investment objective(s), policies and practices; (ii) recommending to the Board any required action in respect of changes in fundamental and non-fundamental investment restrictions; (iii) reviewing information on appropriate benchmarks and competitive universes; (iv) reviewing the Fund's investment performance relative to such benchmarks; (v) reviewing information on unusual or exceptional investment matters; (vi) reviewing whether the Fund has complied with its investment policies and restrictions; and (vii) overseeing policies, procedures and controls regarding valuation of the Fund's investments. The Boards have adopted a written charter for each Performance Oversight Committee.

Executive Committee. Each Fund has an Executive Committee composed of Richard E. Cavanagh (Chair) and Karen P. Robards, both of whom are Independent Board Members, and Paul L. Audet, who serves as an interested Board Member. The principal responsibilities of the Executive Committee include, without limitation: (i) acting on routine matters between meetings of the Board; (ii) acting on such matters as may require urgent action between meetings of the Board; and (iii) exercising such other authority as may from time to time be delegated to the Executive Committee by the Board. The Boards have adopted a written charter for each Executive Committee.

Leverage Committee. The Board has a Leverage Committee composed of Richard E. Cavanagh (Chair), Karen P. Robards, Frank J. Fabozzi, Henry Gabbay and W. Carl Kester. The Leverage Committee was originally formed for the purpose of monitoring issues arising from credit market turmoil and overseeing efforts to address the effects of reduced Auction Market Preferred Share (AMPS) liquidity on each fund in the Closed-End Complex using AMPS for leverage, to evaluate the liquidity considerations of the AMPS holders and to oversee other financial leverage-related issues as delegated by the Board, each in a manner consistent with the Fund's and its shareholders' best interests and investment strategies. The Leverage Committee was originally constituted in March 2008 as an ad hoc committee on AMPS for each fund in the Closed-End Complex utilizing AMPS for leverage. This committee was converted to a standing committee in 2011, and was renamed the Leverage Committee and expanded to include all funds in the Closed-End Complex in April 2012. The Leverage Committee's responsibilities include, without limitation: (i) to support the Independent Directors in pursuing the best interests of each Fund and its shareholders; (ii) to oversee each Fund's usage of leverage, including the Fund's incurrence, refinancing and maintenance of leverage and, to the extent necessary or appropriate, authorize or approve the execution of documentation in respect thereto, (iii) to oversee and authorize actions in respect of refinancing and redeeming forms of leverage; and (iv) to receive reports with respect to the foregoing matters. The Boards have adopted a written Charter for each Leverage Committee.

As of the date of this Proxy Statement, the Leverage Committee has met 11 times in the last calendar year and 61 times since its formation. As of the date of this Proxy Statement, the total amount of announced redemptions of auction market preferred shares across the Closed-End Complex equaled \$9.3 billion, which represents approximately 94.5% of all auction market

preferred shares outstanding for the Closed-End Complex as of February 2008. The Funds which continue to have AMPS outstanding are currently exploring alternative forms of leverage as well as other alternatives which may provide liquidity to holders of AMPS, including, among other things, tender option bonds and/or the issuance of VRDP Shares and VMTP Shares, each a relatively new form of preferred share. Thus far, 43 BlackRock Closed-End Funds have issued VRDP Shares and/or VMTP Shares and redeemed their AMPS.
