Item 4. Description of Securities.

The following description of our Common Stock, par value \$0.0001 per share, sets forth general terms and provisions of our Common Stock. The following summary of our Articles of Incorporation (the *Articles*) and Bylaws does not describe the Articles and Bylaws entirely. We urge you to read our Articles and Bylaws which are incorporated by reference as exhibits to this Registration Statement.

Voting Rights. Holders of our Common Stock are entitled to one vote per share on all matters to be voted upon by our stockholders. The vote of the holders of a majority of the stock present and entitled to vote at a meeting at which a quorum is present is generally required to take stockholder action, unless a greater vote is required by law or specifically required by our Articles or Bylaws. Per California law, cumulative voting will be permitted until our Common Stock is listed on the New York Stock Exchange, NYSE Amex, the NASDAQ Global Market or the NASDAQ Capital Market. Special stockholder meetings may be called by the Chairman of the Board of Directors, the President, the Board of Directors pursuant to a resolution adopted by a majority of the total number of directors we would have if there were no vacancies, or the holders of 10% or more of outstanding shares of our Common Stock. Any stockholder action may be taken by written consent signed by the holders of outstanding shares having no less than the minimum number of votes that would be necessary to authorize or take that action at a meeting at which all shares entitled to vote on that action were present and voted. In addition, our Bylaws include an advance notice procedure with regard to the nomination, other than by or at the direction of the Board of Directors, of candidates for election as directors and with regard to matters to be brought before an annual meeting or special meeting of stockholders.

Dividends and Other Rights. Holders of our Common Stock are entitled to receive, as when and if declared by the Board of Directors from time to time, such dividends and other distributions in cash, stock or property from our assets or funds legally available for such purposes subject to any dividend preferences that may be attributable to preferred stock that may be authorized. In the event of our liquidation, dissolution or winding up, after all liabilities and the holders of each series of preferred stock, if any, have been paid in full, the holders of our Common Stock are entitled to share ratably in all remaining assets available for distribution. Our Common Stock has no preemptive, subscription, redemption or conversion rights. There are no sinking fund provisions applicable to our Common Stock.

Board of Directors. The Board of Directors will not be classified. At each annual meeting, the successors to the directors whose term expire at that meeting are elected for a term of office to expire at the next annual meeting after their election or until their successors have been duly elected and qualified. Directors may be removed with or without cause by a stockholder vote, unless a number of shares sufficient to elect such director (if voted cumulatively) vote against removal. Vacancies may be filled by the Board of Directors or by the stockholders, provided that only stockholders may fill vacancies created with the removal of a director.

Transfer Agent. American Stock Transfer & Trust Company, LLC is the Transfer Agent and Registrar for the shares of our Common Stock.

Item 5. Interests of Named Experts and Counsel.

None.

Item 6. Indemnification of Directors and Officers.

The registrant's Articles provide that the liability of the directors of the Company for monetary damages is eliminated to the fullest extent permitted by California law. The Articles and Bylaws provide that the registrant shall fully indemnify its directors and officers who were or are a party or are threatened to be made a party to any threatened, pending or completed action, suit or proceeding (whether civil, criminal, administrative or investigative) by reason of the fact that such person is or was a director or officer of the registrant, or is or was serving at the request of the registrant as a director or officer of another corporation or other enterprise or was a director or officer of a corporation that was a predecessor corporation of the registrant, against expenses (including attorneys' fees), judgments, fines, settlements and other amounts actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in the best interests of the registrant and, in the case of a criminal proceeding, had no reasonable cause to believe the conduct of such person was unlawful. To indemnify expenses, judgments, etc., California law requires a determination by (a) majority vote of a quorum of disinterested directors, (b) independent legal counsel in a written opinion if such a quorum of directors is not obtainable (c) stockholders, with the shares owned by the person to be indemnified not being entitled to vote thereon, if any, or (d) the court in which the proceeding is or was pending upon application made by the registrant, agent or other person rendering services in connection with the defense, whether or not the application by such person is opposed by the registrant, that the person seeking indemnification has satisfied the applicable standard of conduct. The registrant has also entered into indemnification agreements with its directors and officers that provide indemnification to the fullest extent permitted by California law.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section shall not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m or 78o(d)) that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(h) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
