Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Section 4.3 of the By-laws (the "By-laws") of Atwood Oceanics Inc. (the "Company") provides that the Company shall indemnify and advance expenses to directors and officers of the Company to the maximum extent permissible under the Texas Business Organization Code (the "TBOC").

Article VII of the Amended and Restated Certificate of Formation of the Company dated as of February 14, 2013 (the "Certificate of Formation") precludes any personal liability by a director to the Company or its shareholders for monetary damages for an act or omission in the director's capacity as a director, except for liability for (i) a breach of the director's duty of loyalty to the Company or its shareholders, (ii) an act or omission not in good faith or that involves intentional misconduct or a knowing violation of the law, (iii) a transaction from which the director received an improper benefit, whether or not the benefit resulted from an action taken within the scope of the director's office, or (iv) an act or omission for which the liability of a director is expressly provided for by statute. Article VII also provides that, if the TBOC is later amended to authorize corporate action further eliminating or limiting personal liability of directors, the liability of directors shall be further eliminated or limited to the fullest extent permitted by TBOC.

While Article VII of the Certificate of Formation provides directors with protection from awards of monetary damages for breaches of the duty of care, it does not eliminate each director's duty of care. Accordingly, Article VII has no effect on the availability of an equitable remedy such as an injunction or rescission based upon a director's breach of the duty of care. In addition, Article VII applies only to claims against the director arising out of his or her role as a director, and does not apply to the director's role as an officer or in any capacity other than that of a director or to the director's responsibilities under other law, such as the federal securities laws. Article VII relates only to liabilities of directors to the Company and its shareholders, and does not affect liability to third parties.

Title 1, Chapter 8 of the TBOC and Section 4.7 of the By-laws provide the Company with broad powers and authority to indemnify its directors and officers and to purchase and maintain insurance for such purposes. Pursuant to such provisions, the Company has purchased insurance against certain costs of indemnification that may be incurred by the Company and by its officers and directors.

The Company has entered into indemnification agreements with its directors and certain of its officers. The indemnification agreements provide that the Company will, to the fullest extent permitted by applicable law, indemnify an indemnitee that, by reason of the fact that the indemnitee is or was a director or officer or serving in another specified capacity at the Company's request, is or is threatened to be made a party to or a participant in any civil, criminal, administrative or investigative proceeding (other than proceedings by or in the right of the Company) against all expenses, judgments, fines, penalties and amounts paid in settlement actually and reasonably incurred by the indemnitee in connection with any such proceeding. The indemnification agreements also provide that the Company will, to the fullest extent permitted by applicable law, advance to an indemnitee reasonable expenses incurred in connection with any such proceeding to which he is a party and is successful on the merits or otherwise. The rights provided by the indemnification agreement are in addition to any other rights to indemnification or advancement of expenses to which the indemnitee may be entitled under applicable law or the By-laws.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

See Exhibit Index.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
