Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Article 330 of the Company Law of Japan (the "Company Law") makes the provisions on mandate contained in Section 10, Chapter 2, Part III of the Civil Code of Japan (the "Civil Code") applicable to the relationship between the Registrant and its directors and corporate auditors, respectively. Section 10, Chapter 2, Part III of the Civil Code, among other things, provides in effect that:

- (a) Any director or corporate auditor of a company may demand advance payment of expenses which are considered necessary for the management of the affairs of such company entrusted to him;
- (b) If a director or a corporate auditor of a company has defrayed any expenses which are considered necessary for the management of the affairs of such company entrusted to him, he may demand reimbursement therefor and interest thereon after the date of payment from such company;
- (c) If a director or a corporate auditor has assumed an obligation necessary for the management of the affairs of a company entrusted to him, he may require such company to perform it in his place or, if it is not due, to furnish adequate security; and
- (d) If a director or a corporate auditor, without any fault on his part, sustains damage through the management of the affairs of a company entrusted to him, he may demand compensation therefor from such company.

Under Article 388 of the Company Law, a company may not refuse a demand from a corporate auditor referred to in subparagraphs (a) through (c) above unless the company establishes that the relevant expense or obligation was or is not necessary for the performance of the corporate auditor's duties.

Under the Company Law and the Registrant's articles of incorporation, the Registrant may exempt, by a resolution of the board of directors, its directors and corporate auditors from liabilities to the company arising in connection with their failure to execute their duties without gross negligence, within the limits stipulated by applicable laws and regulations. In addition, the Registrant has entered into a liability limitation agreement with each outside director and corporate auditor which limits the maximum amount of their liability to the company arising in connection with a failure to execute their duties without gross negligence to the greater of either ¥10 million or the aggregate sum of the amounts prescribed in paragraph 1 of Article 425 of the Company Law and Articles 113 and 114 of the Company Law Enforcement Regulations.

The Registrant has in place a directors' liability insurance policy, which indemnifies its directors against liability arising from certain acts performed or omission thereof in their respective capacities.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of a prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

- (b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
