MERGER PROPOSED YOUR VOTE IS VERY IMPORTANT

Dear Wheatland Bankshares Shareholders:

As you may know, the boards of directors of Wheatland Bankshares, Inc. and Glacier Bancorp, Inc. have agreed on a merger of Wheatland Bankshares with and into Glacier Bancorp. Simultaneously, First State Bank, Wheatland Bankshares subsidiary, will merge with and into Glacier Bank, Glacier's subsidiary, and will continue to operate under the name First State Bank with the same executive management, but as a division of Glacier Bank.

Under the terms of the Plan and Agreement of Merger, dated February 25, 2013, Glacier will pay to Wheatland Bankshares shareholders, a total of 1,652,000 shares of Glacier common stock, plus a cash payment equal to \$10,620,000, with each portion of the merger consideration being subject to adjustment as described in the attached proxy statement/prospectus.

Each outstanding share of Wheatland Bankshares common stock will be exchanged for a fixed number of shares of Glacier common stock and a fixed amount of cash. The total cash portion of the merger consideration will be increased or reduced, as the case may be, by the amount by which Wheatland Bankshares' capital prior to the closing is greater or than or less than \$25,900,000. Assuming for purposes of illustration only that the cash payment made by Glacier is \$10,620,000, you will receive \$523.98 in a combination of \$146.91 in cash and _____ shares of Glacier common stock for each of your Wheatland Bankshares shares. This valuation is based on the \$ _____ closing price of Glacier common stock on April _____, 2013. Wheatland Bankshares shareholders will own approximately _____% of Glacier's outstanding common stock following the merger. The most recent third-party transaction in Wheatland Bankshares stock occurred in November 2012, at a price of \$475.00 per share. **Shareholders who own shares in multiple capacities or who desire to combine their ownership with family members or related interests may elect to allocate the cash/stock mix they receive, as described in the attached proxy statement/prospectus.**

QUESTIONS AND ANSWERS

Why am I receiving these materials?

We are sending you these materials to help you decide how to vote your shares of Wheatland Bankshares, Inc. (Bankshares) with respect to the proposed merger with Glacier Bancorp, Inc. (Glacier). The merger cannot be completed unless Bankshares receives the affirmative vote of the holders of at least a majority of the shares of Bankshares outstanding common stock. Bankshares is holding a special meeting of shareholders to vote on the proposals necessary to complete the merger. Information about the special meeting is contained in this document.

This document is both a proxy statement of Bankshares and a prospectus of Glacier. It is a proxy statement because the board of directors of Bankshares is soliciting proxies from Bankshares shareholders. It is a prospectus because Glacier will issue its shares of common stock in exchange for shares of Bankshares common stock in the merger.

What will Bankshares shareholders receive in the merger?

Under the terms of the Plan and Agreement of Merger, Glacier will issue shares of its common stock and pay cash in exchange for all outstanding shares of Bankshares common stock. Subject to the adjustments described below, Glacier will issue a total of 1,652,000 shares of common stock, and will pay \$10,620,000 in cash, for all of the shares of Bankshares.

The cash portion of the amount to be paid by Glacier will be subject to adjustment depending on the Bankshares Closing Capital of Bankshares immediately prior to the closing of the merger. If the Bankshares Closing Capital is greater than \$25,900,000, Glacier will either (a) increase the cash consideration by the amount of such excess, or (b) immediately prior to the closing of the merger, allow Bankshares, in its sole discretion, to make a special dividend distribution to its shareholders in the amount of such excess. If the Target Adjusted Tangible Equity is less than \$25,900,000, Glacier will reduce the cash consideration by the amount of such deficiency.

The portion of the merger consideration consisting of Glacier common stock is initially set at 1,652,000 shares, although the number of shares may be adjusted in certain circumstances based on whether Glacier common stock is trading either higher or lower than specified prices immediately prior to the closing of the merger, in order to avoid the termination of the merger agreement.

On April 1, 2013, the closing price of Glacier's common stock was \$ 16.50 per share, a significant increase over the trading price at the time of the signing of the merger agreement. If the average closing price (determined over a 20 trading day period prior to closing) of Glacier's stock exceeds \$16.50, the number of Glacier shares issued in the merger can be reduced, unless Bankshares elects to allow the merger agreement to terminate. We cannot predict the final average closing price, but based on the April 1, 2013 closing price, the total number of shares Glacier would be required to issue in the merger would be reduced from 1,652,000 shares. See The Merger Termination of the Merger Agreement.

For purposes of establishing the total stock consideration that Glacier would pay in the merger, the parties assumed a maximum average closing price of \$16.50 per share, (1,652,000 shares at \$16.50 per share, for a total value of \$27,258,000), or a Glacier stock value of \$377.07 per Bankshares share). Assuming for purposes of illustration only that the Glacier average closing price was \$ 16.50, under the merger agreement the total shares issuable by Glacier would be reduced to 1,652,000, for a total value of \$27,258,000, or a value of \$377.07 per Bankshares share. Thus the value of the stock portion of the merger consideration would not be reduced, although the number of Glacier shares issuable would be reduced. Of course, the trading price of Glacier common stock is subject to fluctuations up and down.

Table of Contents

By voting to approve the merger agreement, Bankshares shareholders will give the Bankshares board of directors the authority to elect, with the advice of Bankshares legal counsel and its financial advisor, to cause Bankshares to accept a reduction in the number of Glacier shares to be issued, if the Glacier average closing price exceeds \$16.50, as described above. See *The Merger* Termination of the Merger Agreement.

What will I receive in the merger?

The merger consideration to be received by shareholders of Bankshares is a pro rata interest in a pool of merger consideration consisting of 1,652,000 shares and \$10,620,000 in cash, the stock and cash portions being subject to adjustment as described above. As of the date of this proxy statement/prospectus, there were 72,289 shares outstanding.

As described above, assuming for purposes of illustration only that (i) there is no increase or reduction of the cash portion of the merger consideration, and (ii) the average closing price for Glacier common stock is \$ (the closing price for Glacier common stock on April , 2013), each share of Bankshares common stock would receive a value equal to \$523.98, consisting of \$146.91 in cash and shares of Glacier common stock.

As summarized immediately below, shareholders may elect to aggregate their shares of Bankshares with shares owned by related persons or entities and allocate the cash/stock mix to be paid by Glacier among such aggregated shares.

How will the mixture of cash and stock be paid?

Generally, the cash/stock mix of merger consideration will be paid as described under *What Will I Receive in the Merger?* above that is, \$146.91 in cash and shares of Glacier stock for each Bankshares share (based on the closing price for Glacier stock on April , 2013).

However, in order to provide flexibility, the merger agreement provides that the cash/stock mix of merger consideration can be allocated, in the case of Multiple Capacity Owners. Multiple Capacity Owners are Bankshares shareholders (i) who own shares in multiple capacities, such as through retirement accounts, family partnerships, or trusts, or (ii) who elect to combine the shares they own with those of their immediate family members or their related interests. The Bankshares shares that are combined in this way are referred to as Multiple Capacity Shares.

A Multiple Capacity Owner may elect to allocate the cash/stock mix of merger consideration that is payable with respect to the Multiple Capacity Shares within his or her ownership group. As an example, if a shareholder owns 100 shares of Bankshares stock in his own name, 200 shares in a family partnership, and 75 shares through a trust, he can combine these as 375 Multiple Capacity Shares, and allocate the cash/stock mix of merger consideration among such shares, so that he personally receives all cash, the family partnership receives a specified mix of cash and Glacier stock, and the trust receives all Glacier stock, so long as in the aggregate they receive the approximate mix of 70% Glacier stock and 30% cash specified in the merger agreement and so long as the total cash and/or stock allocated to a constituent shareholder does not exceed \$523.98 per share of Bankshares stock owned by such constituent shareholder. Both the family partnership and the trust would need to agree with the allocation of merger consideration to them.

See *The Merger* Multiple Capacity Owner Allocations for further details.

Will the value of the per share consideration that a Bankshares shareholder receives be affected by whether he or she is a Multiple Capacity Owner?

No. The allocation procedures applicable to Multiple Capacity Shares only allow the holders of such shares to internally allocate the cash and Glacier stock to be received with respect to such shares, but the value of the per-share merger consideration will be the same for each outstanding share of Bankshares stock.

Table of Contents

If I want to allocate the cash/stock mix of merger consideration, when and how do I elect to be a Multiple Capacity Owner ?

Bankshares has identified certain Multiple Capacity Owners, and they are listed on an exhibit to the merger agreement. If you own Bankshares shares in multiple capacities, or if you desire to combine the Bankshares shares that you own with those owned by your immediate family or your related interests in order to allocate the cash/stock mix payable with respect to such Multiple Capacity Shares, you and the other owners of the Multiple Capacity Shares will need to file an election form.

An election form with instructions for electing to have specified Bankshares shares treated as Multiple Capacity Shares accompanies this proxy statement/prospectus. To make an election, a Bankshares shareholder (and each record holder of the shares that are to be treated together as Multiple Capacity Shares) must submit the election form to American Stock Transfer and Trust Co. Glacier's exchange agent, not later than 5:00 p.m. Mountain Time, on the day prior to the fifth business day prior to the completion of the merger. See The Merger Multiple Capacity Owner Allocations Election Procedures for further information. If you do not desire to be treated as a Multiple Capacity Owner, do not submit an election form.

NOTE: The actual election deadline is not currently known. Glacier and Bankshares will issue a press release announcing the date of the election deadline at least five business days prior to that deadline. Additionally, Glacier and Bankshares will post the date of the election deadline on their respective web sites (the First State Bank web site, in the case of Bankshares), also at least five business days before that deadline.

When will the merger occur?

We presently expect to complete the merger during the second quarter of 2013. The merger will occur after approval of the shareholders of Bankshares is obtained and after the merger has received regulatory approval and the other conditions to the merger are satisfied or waived. Glacier and Bankshares are working toward completing the merger as quickly as possible. If the merger does not occur for any reason by September 30, 2013, either Glacier or Bankshares may terminate the merger agreement.

How soon after the merger is completed can I expect to receive my cash or Glacier common stock?

Glacier will work with its exchange agent to distribute consideration payable in the merger as promptly as practicable following the completion of the merger.

Will the shares of Glacier that I receive in the merger be freely transferable?

The Glacier common stock issued in the merger will be transferable free of restrictions under federal and state securities laws.

When and where will the special meeting take place?

Bankshares will hold a special meeting of its shareholders on _____, 2013, at _____, at the First State Bank Conference Center, 1405 16th Street, Wheatland, Wyoming.

Who may vote at the special meeting?

The board of directors of Bankshares has set _____, 2013, as the record date for the special meeting. If you were the owner of Bankshares common stock at the close of business on _____, 2013, you may vote at the special meeting.

Table of Contents

What vote is required to approve the merger agreement?

Approval of the merger agreement requires the affirmative vote of the holders of at least a majority of the shares of Bankshares outstanding common stock. As described in this proxy statement, the directors and certain principal shareholders of Bankshares, together with certain executive officers of First State Bank, have agreed to vote the shares they own in favor of the merger agreement. Such persons own approximately 68.2% of outstanding Bankshares stock.

What vote is required to approve the adjournment of the special meeting, if necessary or appropriate?

The proposal to adjourn the Bankshares special meeting, if necessary or appropriate, including adjournments to solicit additional proxies in favor of the merger, will be approved if a majority of the shares of Bankshares common stock present at the special meeting, in person or by proxy, are voted in favor of the proposal.

How do I vote?

To vote, please indicate on the enclosed proxy card how you want to vote and then sign, date, and mail your proxy card in the enclosed envelope **as soon as possible** so that your shares will be represented at the special meeting.

Can I change my vote after I have mailed my signed proxy card?

Yes. You may change your vote at any time before your proxy is voted at the special meeting. If your shares are held in your own name, you may change your vote as follows:

You may send a written notice stating that you would like to revoke your proxy and provide new instructions on how to vote;

You may complete and submit a later-dated proxy card; or

You may attend the meeting and vote in person. If you intend to vote in person and your shares are held by a broker, you should contact your broker for instructions.

If you choose either the first or second method above, you must submit your notice of revocation or your new proxy card to Bankshares Secretary prior to the vote.

What happens if I return my proxy but do not indicate how to vote my shares?

If you sign and return your proxy card, but do not provide instructions on how to vote your shares, your shares will be voted **FOR** approval of the merger agreement.

What do I need to do now?

We encourage you to read this proxy statement/prospectus in its entirety. Important information is presented in greater detail elsewhere in this document, and documents governing the merger are attached as appendices to this proxy statement/prospectus. In addition, much of the business and financial information about Glacier that may be important to you is incorporated by reference into this document from documents separately filed by Glacier with the Securities and Exchange Commission (SEC). This means that important disclosure obligations to you are satisfied by referring you to one or more documents separately filed with the SEC.

Following review of this proxy statement/prospectus, **please complete, sign, and date the enclosed proxy card and return it in the enclosed envelope as soon as possible** so that your shares can be voted at Bankshares special meeting of shareholders.

Table of Contents

If you desire that your Bankshares shares be treated as Multiple Capacity Shares so that the cash/stock of merger consideration can be allocated as described above, you must complete the election form and timely submit it to Glacier. See [The Merger Multiple Capacity Owner Allocations Election Procedures](#).

Should I send in my common stock certificates now?

No. Please **do not send** your stock certificates with your proxy card. You will receive written instructions from Glacier's exchange agent after the merger is completed on how to exchange your common stock certificates for the merger consideration.

What risks should I consider?

You should review carefully our discussion under [Risk Factors](#). You should also review the factors considered by the Bankshares board of directors in approving the merger agreement. See [Background of and Reasons for the Merger](#).

What are the tax consequences of the merger to me?

Glacier and Bankshares expect to report the merger of Bankshares with and into Glacier, and the contemporaneous merger of First State Bank with and into Glacier Bank, as tax-free reorganizations for United States federal income tax purposes under Section 368(a) of the Internal Revenue Code of 1986, as amended (the Internal Revenue Code). In connection with the filing of the registration statement of which this document is a part, Graham & Dunn, PC has delivered an opinion to Glacier that the merger will qualify as a reorganization under Section 368(a).

In a tax-free reorganization, a shareholder who exchanges his or her shares of common stock in an acquired company for shares of common stock in an acquiring company, plus cash, must generally recognize gain (but not loss) on the exchange in an amount equal to the lesser of (1) the amount of gain realized (i.e., the excess of the sum of the fair market value of the shares of acquiring company common stock (including any fractional shares) and cash received pursuant to the merger (excluding any cash received in lieu of fractional shares) over the shareholder's adjusted tax basis in its shares of acquired company common stock surrendered pursuant to the merger), or (2) the amount of cash (excluding any cash received in lieu of fractional shares) received pursuant to the merger.

For a detailed discussion of the material United States federal income tax consequences of the merger, see [The Merger Material Federal Income Tax Consequences of the Merger](#).

We urge you to consult your tax advisor to fully understand the tax consequences of the merger to you. Tax matters are very complicated and in many cases tax consequences of the merger will depend on your particular facts and circumstances.

What do I do if I do not agree with the merger? Do I have appraisal or dissenter's rights?

If you are a Bankshares shareholder and you do not agree with the merger, vote against the merger, and take certain other actions required by Wyoming law, you will have dissenter's rights under W.S. 17-16-1302 through 17-16-1331. Exercise of these rights will result in the purchase of your shares at fair value, as determined in accordance with Wyoming law. Please read the section entitled [The Merger Dissenter's Rights of Appraisal](#) for additional information.

Recent Developments

On March 27, 2013, Glacier entered into a definitive agreement to acquire North Cascades Bancshares, Inc. ("NCBI"), headquartered in Chelan, Washington, in a cash and stock transaction valued at approximately \$24.91 million (based on Glacier's closing price on the date the merger agreement was executed). Terms of the merger agreement provide that the outstanding shares of NCBI common stock will be exchanged for \$13.55 million in cash and 874,194 shares of Glacier common stock, subject to certain adjustments based on the price of Glacier common stock prior to closing. If Glacier completes the acquisition of both Bankshares and NCBI, the former shareholders of Bankshares will hold approximately % of the outstanding Glacier common stock and the former shareholders of NCBI will hold approximately %. Until applicable conditions are satisfied, including NCBI shareholder and regulatory approvals, there is no assurance that Glacier will complete the acquisition of NCBI.

The Merger

The merger agreement provides for the merger of Bankshares with and into Glacier, and the merger of First State Bank with and into Glacier Bank. In the merger, your shares of Bankshares common stock will be exchanged for a combination of shares of Glacier common stock and cash. After the merger, you will no longer own shares of Bankshares.

The merger agreement is attached as **Appendix A** to this document. We encourage you to read the merger agreement in its entirety.

In the merger, Glacier will issue shares of its common stock and pay cash for all shares of Bankshares common stock outstanding as of the date of the closing of the merger.

If you do not provide notice of dissent, you will receive, for each share of Bankshares common stock that you own, a fixed number of shares of Glacier common stock and a fixed amount of cash, without interest.

The total merger consideration that Glacier will pay for the shares of Bankshares will be as follows:

Stock Portion: Glacier will issue a total of 1,652,000 shares of its common stock, subject to adjustment in the event that the average closing price for Glacier common stock prior to closing is less than \$13.550 or more than \$16.50. Assuming that the number of currently outstanding shares of Bankshares (72,289) does not change prior to the closing of the merger, and assuming that the average closing price of Glacier common stock is \$ (based on the per share closing price of Glacier common stock on April , 2013), Bankshares shareholders would receive shares of Glacier common stock for each share of Bankshares common stock. However, Glacier will not issue fractional shares, and will pay cash in lieu of such fractional shares, as described under "The Merger - Fractional Shares."

Cash Portion: Glacier will pay \$10,620,000 in cash, subject to increase or reduction, as the case may be, by the amount (if any) by which the Bankshares Closing Capital of Bankshares, as defined in the merger agreement, is greater than or less than \$25,900,000. Generally speaking, the Bankshares Closing Capital means Bankshares' capital stock, surplus and retained earnings, after giving effect to specified adjustment. Assuming there is no increase or reduction in the cash portion of the merger consideration, Bankshares shareholders will receive \$146.91 in cash for each share of Bankshares common stock.

The actual total amount of cash to be paid cannot be determined until shortly before the effective date of the merger. Accordingly, the actual amount of cash that you will receive for each of your Bankshares shares will not be determined until shortly before the closing of the merger.

Table of Contents

The stock portion and the cash portion of the merger consideration that will be payable for each outstanding share of Bankshares may be allocated among aggregated shares held by Multiple Capacity Owners, if timely and proper election forms are submitted. See The Merger Multiple Capacity Owner Allocations.

Recommendation of Bankshares Board of Directors

Bankshares board of directors unanimously recommends that holder of Bankshares common stock vote **FOR** the proposal to approve the merger agreement.

For further discussion of Bankshares reasons for the merger and the recommendations of Bankshares board of directors, see Background of and Reasons for the Merger Recommendation of the Bankshares Board.

Opinion of Bankshares Financial Advisor

St. Charles Capital, LLC (St. Charles) has served as financial advisor to Bankshares in connection with the merger and has given an opinion to Bankshares board of directors that, as of February 21, 2013, the consideration that Bankshares shareholders will receive for their Bankshares shares in the merger is fair, from a financial point of view, to Bankshares shareholders.

A copy of the opinion delivered by St. Charles is attached to this document as **Appendix C**. You should read the opinion carefully to understand the assumptions made, matters considered and limitations of the review undertaken by St. Charles in providing its opinion.

The opinion is addressed to Bankshares board of directors and is directed only to the fairness of the per share consideration to the holders of Bankshares common stock from a financial point of view. It does not address the underlying business decision of Bankshares to engage in the merger or any other aspect of the merger and is not a recommendation as to how any Bankshares shareholder should vote with respect to the merger.

For further information, see Background of and Reasons for the Merger Opinion of Financial Advisor to Bankshares.

Interests of Bankshares Directors and Executive Officers in the Merger

When you consider the unanimous recommendation of Bankshares board of directors that Bankshares shareholders approve the merger agreement, you should be aware that certain members of Bankshares management have interests in the merger that are different from, or in addition to, their interests as Bankshares shareholders. These interests arise out of, among other things, provisions in the merger agreement relating to indemnification of Bankshares directors, employment agreements with Ted Bentley, President and CEO of First State Bank; Bruce Hellbaum, Chief Financial Officer and Corporate Counsel of First State Bank; and Jeff Brown, Executive Vice President and Chief Credit Officer of First State Bank, that will be effective upon the closing of the merger. For a description of the interests of Bankshares directors and executive officers in the merger, see The Merger Interests of Certain Persons in the Merger.

The Bankshares board of directors was aware of these interests and took them into account in its decision to approve the merger agreement.

Bankshares Shareholders Dissenters Rights

Under Wyoming law, Bankshares shareholders have the right to dissent from the merger and receive cash for the fair value of their shares of Bankshares common stock. A shareholder electing to dissent must strictly

Table of Contents

comply with all the procedures required by the Wyoming statutes. These procedures are described later in this document, and a copy of the relevant statutory provisions is attached as **Appendix B**. For more information on dissenters rights, see [The Merger Dissenters Rights of Appraisal](#).

Regulatory Matters

Each of Glacier and Bankshares has agreed to use its reasonable best efforts to obtain all regulatory approvals required to complete the merger agreement and the transactions contemplated by the merger agreement. These approvals include approval from the Federal Reserve Bank of Minneapolis, the Federal Deposit Insurance Corporation, the Wyoming State Bank Commissioner and the Commissioner of the Montana Division of Banking and Financial Institutions. Applications have been filed with these regulatory bodies seeking such approvals. We expect to obtain all such regulatory approvals, although we cannot be certain if or when we will obtain them. See [The Merger Regulatory Requirements](#).

Conditions to Completion of the Merger

Currently, Glacier and Bankshares expect to complete the merger during the second quarter of 2013. As more fully described in this proxy statement and in the merger agreement, the completion of the merger depends on a number of conditions being satisfied or, where legally permissible, waived. Neither Glacier nor Bankshares can provide assurance as to when or if all of the conditions to the merger can or will be satisfied or waived. See [The Merger Conditions to the Merger](#).

Termination of the Merger Agreement

The merger agreement provides that either Glacier or Bankshares may terminate the merger either before or after the Bankshares special meeting, under certain circumstances. Among other things, the merger agreement provides that Glacier may terminate the merger agreement if the average trading price of its stock, determined pursuant to the merger agreement, is above a specified amount, unless Bankshares agrees to accept a reduced number of Glacier shares, and that Bankshares may terminate the merger agreement if the average trading price of Glacier stock is below a specified amount, unless Glacier agrees to increase the number of its shares to be issued to Bankshares shareholders. See [The Merger Termination of the Merger Agreement](#).

Termination Fees

If either party terminates the merger agreement due to specified breaches of the merger agreement by the other party, the breaching party will be required to pay the non-breaching party a termination fee of \$300,000. See [The Merger Termination Fees](#).

Break-Up Fee

The merger agreement provides that Bankshares must pay Glacier a break-up fee of \$1,770,000, if the merger agreement is terminated due to the failure of Bankshares to recommend approval of the merger by its shareholders, or is terminated due to the receipt of a superior acquisition proposal as defined in the merger agreement which is acted upon by Bankshares. It should be noted, however, that the failure of Bankshares shareholders to approve the merger would not in and of itself trigger the obligation to pay the break-up fee, unless one of the foregoing factors also exists.

Bankshares agreed to pay the break-up fee under the circumstances described above in order to induce Glacier to enter into the merger agreement. This arrangement could have the effect of discouraging other companies from trying to acquire Bankshares. See [The Merger Break-up Fee](#).

Bankshares Shareholders Rights After the Merger

The rights of Bankshares shareholders are governed by Wyoming law, as well as by Bankshares articles of incorporation and bylaws. After completion of the merger, the rights of the former Bankshares shareholders receiving Glacier common stock in the merger will be governed by Montana law, and by Glacier's articles of incorporation and bylaws. Although Glacier's articles of incorporation and bylaws are similar in many ways to Bankshares articles of incorporation and bylaws, there are some substantive and procedural differences that will affect the rights of Bankshares shareholders. See Comparison of Certain Rights of Holders of Glacier and Bankshares Common Stock.

Table of Contents

RISK FACTORS

*In addition to the other information contained in or incorporated by reference into this document, including the matters addressed under the caption **Cautionary Note Regarding Forward-Looking Statements**, you should consider the matters described below carefully in determining whether to approve the merger agreement and the transactions contemplated by the merger agreement.*

Risks Associated with the Proposed Merger

Because the market price of the Glacier common stock may fluctuate, you cannot be sure of the value of the shares of Glacier common stock that you will receive.

Although the number of shares of Glacier common stock that will constitute the stock portion of the merger consideration that will be exchanged for a share of Bankshares is fixed, at the time of the Bankshares special shareholder meeting, and prior to the closing of the merger, you will not be able to determine the value of the Glacier common stock you would receive upon completion of the merger. Any change in the market price of Glacier common stock prior to completion of the merger will affect the value of the merger consideration that Bankshares shareholders will receive upon completion of the merger. Common stock price changes may result from a variety of factors, including but not limited to general market and economic conditions, changes in Glacier's business, operations and prospects, and regulatory considerations. Many of these factors are beyond the control of Glacier or Bankshares. You should obtain current market prices for Glacier common stock.

The merger agreement provides that the number of shares of Glacier common stock to be issued in the merger may be decreased or increased, as the case may be, if the average trading price of Glacier common stock, determined pursuant to the merger agreement, is greater than or less than specified amounts. The Bankshares board of directors would make the decision, without resoliciting the vote of Bankshares shareholders, to either terminate the merger agreement or accept a decrease in the number of Glacier shares to be issued if Glacier's average trading price is greater than a specified amount. See **The Merger Termination of the Merger Agreement**.

The merger agreement limits Bankshares' ability to pursue other transactions and provides for the payment of a break-up fee if Bankshares does so.

While the merger agreement is in effect and subject to very narrow exceptions, Bankshares and its directors, officers and agents are prohibited from initiating or encouraging inquiries with respect to alternative acquisition proposals. The prohibition limits Bankshares' ability to seek offers that may be superior from a financial point of view from other possible acquirers. If Bankshares receives an unsolicited proposal from a third party that is superior from a financial point of view to that made by Glacier and the merger agreement is terminated, Wheatland Bankshares may be required to pay a \$1,770,000 break-up fee. This fee makes it less likely that a third party will make an alternative acquisition proposal.

Under certain conditions, the merger agreement requires Bankshares to pay a termination fee.

Under certain circumstances (generally involving Bankshares' breach of its representations and covenants in the merger agreement), Glacier can terminate the merger agreement and require Bankshares to pay a termination fee of \$300,000.

Combining our two companies may be more difficult, costly or time-consuming than we expect.

Glacier and Bankshares have operated and, until the completion of the merger, will continue to operate, independently. It is possible that the integration of First State Bank into Glacier Bank could result in the loss of key employees, the disruption of the ongoing business of First State Bank or inconsistencies in standards, controls, procedures and policies that adversely affect our ability to maintain relationships with customers and

Table of Contents

employees or to achieve the anticipated benefits of the merger. As with any merger of banking institutions, there also may be disruptions that cause us to lose customers or cause customers to take their deposits out of First State Bank.

Unanticipated costs relating to the merger could reduce Glacier's future earnings per share.

Glacier believes that it has reasonably estimated the likely costs of integrating the operations of First State Bank into Glacier Bank, and the incremental costs of operating as a combined financial institution. However, it is possible that unexpected transaction costs or future operating expenses, as well as other types of unanticipated adverse developments, could have a material adverse effect on the results of operations and financial condition of Glacier after the merger. If the merger is completed and unexpected costs are incurred, the merger could have a dilutive effect on Glacier's earnings per share, meaning earnings per share could be less than if the merger had not been completed.

Glacier has various anti-takeover measures that could impede a takeover.

Glacier has various anti-takeover measures in place, which are described elsewhere in this document. Any one or more of these measures may impede the takeover of Glacier without the approval of the Glacier board of directors and may prevent you from taking part in a transaction in which you could realize a premium over the current market price of Glacier common stock. See [Comparison of Certain Rights of Holders of Glacier and Bankshares Common Stock](#).

Certain Bankshares directors and officers may have interests in the merger different from the interests of Bankshares shareholders.

In considering the recommendation of the board of directors of Bankshares, Bankshares shareholders should be aware that certain directors and executive officers of Bankshares have interests in the merger that may differ from, or be in addition to, the interests of Bankshares shareholders generally. These interests may arise from, among other things, employment agreements to be entered into, effective as of the completion of the merger, between certain executive officers of Bankshares and Glacier, and provisions in the merger agreement regarding continued indemnification and insurance for Bankshares directors and officers. The board of directors of Bankshares was aware of these interests and considered them, among other things, when it adopted the merger agreement and in making its recommendation that Bankshares shareholders approve the merger.

For a more complete description of the interests of Bankshares directors and executive officers in the merger, see [The Merger](#) [Interests of Certain Persons in the Merger](#).

Risks Associated with Glacier's Business

Glacier is, and will continue to be, subject to the risks described in Glacier's Annual Report on Form 10-K for the fiscal year ended December 31, 2012, as updated by subsequent Current Reports on Form 8-K, all of which are filed with the SEC and incorporated by reference into this proxy statement/prospectus. These forward-looking statements include, but are not limited to, (i) statements about the benefits of the merger, including future financial and operating results, cost savings, enhancements to revenue and accretion to reported earnings that may be realized from the merger; (ii) statements about our respective plans, objectives, expectations and intentions and other statements that are not historical facts; and (iii) other statements identified by words such as expects, anticipates, intends, plans, believes, seeks, estimates, or words of similar meaning. In addition, these forward-looking statements are subject to assumptions with respect to future business strategies and decisions that are subject to change.

The following factors, among others, could cause actual results to differ materially from the anticipated results or other expectations in the forward-looking statements:

the merger may not close when expected or at all because required regulatory, shareholder or other approvals and other conditions to closing are not received on a timely basis or at all;

Glacier's stock price could change before closing of the merger, due to among other things stock market movements and the performance of financial companies and peer group companies, over which Glacier has no control;

benefits from the merger may not be fully realized or may take longer to realize than expected, including as a result of changes in general economic and market conditions, interest and exchange rates, monetary policy, laws and regulations and their enforcement, and the degree competition in the geographic and business areas in which Glacier and Bankshares operate;

Bankshares' business may not be integrated into Glacier's successfully, or such integration may take longer to accomplish than expected;

the anticipated growth opportunities and cost savings from the merger may not be fully realized or may take longer to realize than expected;

operating costs, customer losses and business disruption following the merger, including adverse developments in relationships with employees, may be greater than expected; and

management time and effort may be diverted to the resolution of merger-related issues.

Additional factors that could cause actual results to differ materially from those expressed in the forward-looking statements are discussed in Glacier's reports filed with the SEC.

All subsequent written and oral forward-looking statements concerning the proposed transaction or other matters attributable to Glacier or Bankshares or any person acting on behalf of Glacier or Bankshares are expressly qualified in their entirety by the cautionary statements above. Neither Glacier nor Bankshares undertakes any obligation to update any forward-looking statements to reflect circumstances or events that occur after the date the forward-looking statements are made.

Table of Contents**Non-GAAP Financial Measures**

In addition to the results presented in accordance with accounting principles generally accepted in the United States of America (GAAP), the table above contains certain non-GAAP financial measures. Glacier believes that providing these non-GAAP financial measures provides investors with information useful in understanding Glacier 's financial performance, performance trends, and financial position. While Glacier uses these non-GAAP measures in its analysis of Glacier 's performance, this information should not be considered an alternative to measurements required by GAAP.

(Dollars in thousands, except per share data)	Year ended December 31, 2011

The reconciling item between the GAAP and non-GAAP financial measures was the third quarter of 2011 goodwill impairment charge (net of tax) of \$32.6 million.

The goodwill impairment charge was \$40.2 million with a tax benefit of \$7.6 million which resulted in a goodwill impairment charge (net of tax) of \$32.6 million. The tax benefit applied only to the \$19.4 million of goodwill associated with taxable acquisitions and was determined based on Glacier 's marginal income tax rate of 38.9 percent.

The basic and diluted earnings per share reconciling items were determined based on the goodwill impairment charge (net of tax) divided by the weighted average diluted shares of 71,915,073.

The goodwill impairment charge (net of tax) was included in determining earnings for both the GAAP return on average assets and GAAP return on average equity. The average assets used in the GAAP and non-GAAP return on average assets ratios were \$6.923 billion and \$6.931 billion for the year ended December 31, 2011, respectively. The average equity used in the GAAP and non-GAAP return on average equity ratios were \$858 million and \$866 million for the year ended December 31, 2011, respectively.

The dividend payout ratio is calculated by dividing dividends declared per share by basic earnings per share. The non-GAAP dividend payout ratio uses the non-GAAP basic earnings per share for calculating the ratio.

Vote Required and Quorum

The affirmative vote of the holders of at least a majority of the shares of Bankshares outstanding common stock is required to approve the merger. At least a majority of the total outstanding shares of Bankshares common stock must be present, either in person or by proxy, in order to constitute a quorum for the meeting. For purposes of determining a quorum, abstentions and broker nonvotes (that is, proxies from brokers or nominees, indicating that such person has not received instructions from the beneficial owners or other persons entitled to vote shares as to a matter with respect to which the broker or nominees do not have discretionary power to vote) are counted in determining the shares present at a meeting.

For voting purposes, however, only shares actually voted **for** the approval of the merger agreement, and neither abstentions nor broker nonvotes, will be counted as favorable votes in determining whether the merger agreement is approved by the holders of Bankshares common stock. As a result, abstentions and broker nonvotes will have the same effect as votes against approval of the merger agreement.

The proposal to approve one or more adjournments of the special meeting, if necessary or appropriate, including adjournments to solicit additional proxies in favor of the merger, will be approved by a majority of the

votes present, in person or by proxy, at the special meeting, assuming a quorum is present at the special meeting. If less than a quorum is represented at the special meeting, a majority of the shares so represented may adjourn the special meeting for a period not to exceed 60 days at any one adjournment.

Voting, Solicitation, and Revocation of Proxies

If the enclosed proxy card is duly executed and received in time for the special meeting, it will be voted in accordance with the instructions given. If the proxy card is duly executed and received but no instruction is given, it is the intention of the persons named in the proxy to vote the shares represented by the proxy for the approval of the merger and in the proxy holder's discretion on any other matter properly coming before the meeting. Any proxy given by a shareholder may be revoked before its exercise by:

written notice to the Secretary of Bankshares;

a later-dated proxy; or

appearing and voting at the special meeting in person.

Bankshares is soliciting the proxy for the special meeting on behalf of the Bankshares board of directors. Bankshares will bear the cost of solicitation of proxies from its shareholders. In addition to using the mail, Bankshares may solicit proxies by personal interview, telephone, and facsimile. Banks, brokerage houses, other institutions, nominees, and fiduciaries will be requested to forward their proxy soliciting material to their principals and obtain authorization for the execution of proxies. Bankshares does not expect to pay any compensation for the solicitation of proxies. However, Bankshares will, upon request, pay the standard charges and expenses of banks, brokerage houses, other institutions, nominees, and fiduciaries for forwarding proxy materials to and obtaining proxies from their principals.

Voting in Person at the Special Meeting

Shareholders of Record. Shares held directly in your name as the shareholder of record may be voted in person at the special meeting. If you choose to vote your shares in person, please bring the enclosed proxy card or proof of identification. Even if you plan to attend the special meeting, we recommend that you vote your shares in advance as described above so that your vote will be counted if you later decide not to attend the special meeting.

Beneficial Owner. Shares held in street name may be voted in person by you only if you bring an account statement or letter from the nominee indicating that you were the beneficial owner of the shares on the record date.

BACKGROUND OF AND REASONS FOR THE MERGER

Background of the Merger

Beginning in 2011, the directors of Bankshares discussed and considered strategic alternatives to enhance shareholder value and achieve future shareholder liquidity. They identified Glacier, among other entities, as an attractive future merger partner in view of Glacier's successful track record with other acquisitions, its emphasis on locally managed community banking, and its strong financial performance. In July of 2011, Mike Daly, Chairman of Bankshares, met with Michael Blodnick at Glacier's offices in Kalispell to become acquainted and to discuss each organization's approach to community banking and to share financial and operational information.

In July of 2012, Mr. Blodnick sent a letter to Mr. Daly reiterating Glacier's interest in pursuing a merger or acquisition of Bankshares and describing the benefits of such a transaction to Bankshares' shareholders, employees and customers. Mr. Daly shared the letter with Bankshares' board of directors, which determined to further pursue discussions with Glacier. On August 31, 2012, Bankshares engaged St. Charles Capital, LLC (St. Charles) to provide advisory services to Bankshares in its discussions with Glacier and to consider and possibly pursue other alternatives. Mr. Daly subsequently contacted Mr. Blodnick to inform him that Bankshares would like to further pursue discussions.

On September 7 and 8, Mr. Blodnick and Mr. Daly met in Scottsdale, Arizona to discuss each party's objectives in a potential merger, to share viewpoints and approaches to community banking, and to confirm interest in pursuing a potential transaction. On September 11, Glacier's investment banking advisor, D.A. Davidson & Co. (Davidson), and St. Charles held a teleconference to discuss the objectives of their clients and to agree upon the process and information required to enable Glacier to submit an indication of interest. Thereafter, Davidson delivered a due diligence request list identifying the financial and operational information that Glacier would require in order to submit a preliminary proposal. From mid-September through the end of October, St. Charles, Bankshares and First State Bank furnished information to Glacier and Davidson, and Glacier and Davidson evaluated the information and prepared financial analyses.

On November 1, the parties and their advisors met via teleconference to review and discuss a presentation prepared by Glacier and Davidson describing the benefits to each party of a merger and setting forth an initial transaction value, based on the prevailing market price per share for Glacier stock, of \$33.7 million. Participants in the call included Mr. Blodnick, Mr. Daly, Ted Bentley (CEO of First State Bank), Bruce Hellbaum (CFO of First State Bank) and representatives of Davidson and St. Charles. After reviewing the financial assumptions supporting the initial proposal, the parties representing Bankshares noted that the analyses supporting Glacier's initial proposal did not fully consider the earnings capacity of First State Bank or the immediate cost savings enabled by the merger. Glacier agreed to consider additional and updated information, which was furnished by Bankshares and St. Charles throughout November and early December.

On November 12, Bankshares held a board meeting where St. Charles presented an analysis of the November 1 presentation from Glacier. During this board meeting the board also reviewed current capital market and merger valuations trends for banks, an overview of Glacier's financial and stock performance, the process and timing for a potential transaction, the form and value of the consideration to potentially be received by shareholders, and the various strategic alternatives for Bankshares and its shareholders. The board determined to work with Glacier to potentially improve the valuation consideration for its Shareholders by providing additional information.

On December 14, in a teleconference involving the same parties as the November 1 meeting, Glacier presented an updated proposal that reflected updated and enhanced earnings and cost savings assumptions. After further refining an analysis of the impact of the merger on employee benefits costs and taking into account cash balances at the Bankshares holding company level (which had not previously been taken into account), Glacier

presented the final proposed financial terms of the merger. The principal financial terms consisted of \$10.62 million in cash and 1,652,000 shares of Glacier stock (subject to adjustment to the extent the Glacier stock price prior to closing is less than \$13.50 or more than \$16.50). Based on the then-prevailing Glacier share price of \$15.00, the total transaction value was approximately \$35.4 million.

On December 20, following consultation between Mr. Blodnick and Glacier board members, Glacier delivered a nonbinding Term Sheet setting forth the proposed terms of the merger, including the principal financial terms summarized in the preceding paragraph. On December 20, Bankshares held a board meeting to review the Term Sheet with St. Charles and to review the strategic alternatives for Bankshares and its shareholders. The parties and their legal and financial advisors further negotiated the wording of several aspects of the Term Sheet, and on December 31 Mr. Blodnick, Mr. Daly and Mr. Bentley signed the Term Sheet.

During January and February of 2013, Glacier, Bankshares, First State Bank, and their respective financial and legal advisors conducted appropriate due diligence and drafted and negotiated the merger agreement and related ancillary agreements. Glacier's due diligence review included an extensive loan due diligence review conducted by DLS Consulting and supported by Glacier's Chief Credit Officer. On January 14, Mr. Blodnick met with Messrs. Daly, Bentley, and Hellbaum in Denver, Colorado to discuss various operational aspects of the merger, including data processing and information reporting, products and services, loan approval processes, and employment and compensation terms for First State Bank's officers and employees. On January 17, Davidson delivered a presentation of the proposed transaction to Glacier's Board of Directors, including detailed pro forma financial analyses of the impact of the transaction to Glacier's shareholders.

On February 21, the Board of Directors of Bankshares held a board meeting where St. Charles presented its analysis and opinion as to the fairness of the merger, from a financial point of view. Among other matters considered, the Board reviewed the specific terms of the merger agreement, the form and value of the consideration to be received by shareholders, the price and historical performance of Glacier stock, and the current market conditions, and the implications of the merger to First State Bank's employees, customers, and communities.

On February 25, the Board of Directors of Bankshares, together with its legal counsel and St. Charles, met to consider approval of the merger agreement. After due consideration of these and other matters, and taking into consideration the fairness opinion delivered by St. Charles, Bankshares' Board of Directors unanimously approved entering into the merger agreement.

On February 25, the Board of Directors of Glacier, together with its legal counsel and Davidson, met to consider approval of the merger agreement. Davidson presented updated pro forma financial analyses and Glacier's counsel presented a review of the key terms of the merger documents. Among other matters discussed, the board and Glacier's advisors discussed the results of due diligence reviews, the terms of the merger agreement and ancillary documents, key pricing metrics, the pro forma financial impact of the merger to Glacier's shareholders, risks of the merger, and the timing and process for consummation of the merger, including the results of preliminary discussions with bank regulators. After due consideration of these and other matters, the Glacier Board of Directors unanimously approved entering into the merger agreement.

On February 25, the parties executed the merger agreement and related documents. After the close of business on February 25, the parties issued a joint press release announcing the merger.

Reasons For The Merger – Bankshares

At a special meeting held on February 25, 2013, the Bankshares board of directors unanimously determined that the terms of the merger agreement were in the best interests of Bankshares and its shareholders. In the course of reaching its decision to approve the merger agreement, the Bankshares board of directors consulted with St. Charles Capital, its financial advisor, and Fairfield and Woods, P.C., its legal counsel. In reaching its

determination, the Bankshares board of directors considered a number of factors. Such factors also constituted the reasons that the board of directors determined to approve the merger and to recommend that Bankshares' shareholders vote in favor of the merger. Such reasons included the following:

the terms of the merger agreement and the value, form and mix of consideration to be received by Bankshares' shareholders in the merger;

the historical trading ranges for Glacier common stock;

the historic and prospective business of Bankshares;

the likely impact of the merger on the employees and customers of First State Bank;

the opportunity to continue to operate in southeast Wyoming with the brand of First State Bank ;

the future employment opportunities for the existing employees of First State Bank;

information concerning Glacier's financial condition and results of operations as well as the likelihood that Glacier would be able to obtain regulatory approval for the merger;

the financial terms of recent business combinations in the financial services industry and a comparison of the multiples of selected combinations with the terms of the proposed acquisition by with Glacier;

the opinion of St. Charles Capital that the merger consideration to be received by Bankshares' shareholders in the merger is fair from a financial point of view;

the expectation that Bankshares' shareholders would have the opportunity to continue to participate in the growth of the combined company and would also greatly benefit from the significantly greater liquidity of the trading market for Glacier common stock;

that Glacier has historically paid cash dividends on its common stock;

the fact that Glacier's common stock is widely held and has an active trading market; whereas, Bankshares' stock is illiquid and is not publicly traded;

the effects of the economic, regulatory and market pressures facing Bankshares and community banks generally and First State Bank's prospects as an independent bank;

Edgar Filing: GLACIER BANCORP INC - Form S-4

the determination that a business combination with Glacier would extend First State Bank's lending capabilities and increase the range of financial products and services available to First State Bank's customers;

the provisions in the merger agreement that provide for the ability of the board of directors to respond to an unsolicited acquisition proposal that the board of directors determines in good faith is a superior proposal as defined in the merger agreement;

the provisions of the merger agreement that provide for the ability of the Bankshares board of directors to terminate the merger agreement, subject to certain conditions including the payment of a break-up fee, if Bankshares has entered into a letter of intent or other agreement with respect to a superior proposal;

the broad experience of Glacier's management team and its particular experience in managing and supporting subsidiary banks that have an emphasis on local decision making and authority;

the likelihood of the merger being approved by applicable regulatory authorities without undue conditions or delay;

Bankshares' board's understanding of the business, operations, financial conditions, earnings, management and future prospects of Glacier, and

the current and prospective economic and competitive environment facing the financial services industry generally, including continued consolidation in the industry and the increased importance of operational scale and financial resources in maintaining efficiency and remaining competitive over the long-term.

Table of Contents

The Bankshares board of directors also considered a number of uncertainties and risks in its deliberations concerning the transactions contemplated by the merger agreement, including the following:

that a portion of the merger consideration will be paid through the issuance of a fixed number of shares of Glacier common stock and any decrease in the market price of Glacier common stock will result in a reduction in the aggregate merger consideration to be received by Bankshares shareholders at the time of completion of the merger subject to the adjustment procedures described under The Merger Termination of the Merger Agreement ;

that Bankshares shareholders will not necessarily know or be able to calculate the actual value of the merger consideration which they would receive upon completion of the merger;

that the break-up fee provisions in the merger agreement could have the effect of discouraging superior proposals for a business combination between Bankshares and third parties;

the possible disruption to Bankshares business that may result from the announcement of the merger and the resulting distraction of management's attention from the day-to-day operations of Bankshares business; and

the restrictions contained in the merger agreement on the operation of Bankshares business during the period between signing of the merger agreement and completion of the merger, as well as the other covenants and agreements of Bankshares contained in the merger agreement.

The foregoing discussion of the reasons that led the Bankshares board of directors to approve the merger and recommend that Bankshares shareholders vote in favor of the merger is not intended to be exhaustive, but is believed to include all of the material reasons for the board of directors' decision. In reaching its determination to approve and recommend the transaction, the Bankshares board based its recommendation on the totality of the information presented to it and did not assign any relative or specific weights to the reasons considered in reaching that determination. Individual directors may have given differing weights to different reasons. After deliberating with respect to the merger with Glacier, considering, among other things, the matters discussed above and the opinion of St. Charles Capital referred to above, the Bankshares board of directors unanimously approved and adopted the merger agreement and the merger with Glacier as being in the best interests of Bankshares and its shareholders.

Opinion of Financial Advisor to Bankshares

The fairness opinion delivered to Bankshares by St. Charles Capital, LLC is described below. The description contains projections, estimates and/or other forward-looking statements of St. Charles Capital, LLC about the future earnings or other measures of the future performance of Bankshares. You should not rely on any of these statements as having been made or adopted by Bankshares or Glacier Bancorp, Inc.

General. Bankshares engaged St. Charles on August 31, 2012 to provide investment banking services to the Board of Directors of Bankshares including the rendering of an opinion as to the fairness, from a financial point of view, of the merger consideration to be received by the stockholders of Bankshares common stock in connection with the proposed merger with Glacier as set forth in the merger agreement. St. Charles, as part of its investment banking business, is customarily engaged in the valuation of businesses and their securities in connection with sales and acquisitions, private placements and valuations for estate, corporate and other purposes.

On February 21, 2013, St. Charles delivered its written opinion that the merger consideration, before various potential adjustments, was fair to the Bankshares common stock holders, from a financial point of view, as of the date of such opinion.

The full text of St. Charles Capital, LLC's written opinion to Bankshares' board of directors, which sets forth the assumptions made, matters considered, and extent of review by St. Charles Capital, LLC, is attached as Appendix C, and is incorporated herein by reference. It should be read carefully and in its

entirety in conjunction with this proxy statement. The following summary of St. Charles Capital, LLC's opinion is qualified in its entirety by reference to the full text of the opinion. St. Charles Capital, LLC's opinion is addressed to Bankshares' board of directors and does not constitute a recommendation to any shareholder of Bankshares as to how such shareholder should vote at the special meeting described in this proxy statement.

In connection with rendering this opinion, we have reviewed and analyzed, among other things, the following:

- (i) the merger agreement, including the exhibits and schedules thereto;
- (ii) certain financial statements and other financial information of Bankshares, including the Audited Financial Statements and Regulatory Financial Statements of Bankshares for each of the years in the three year period ended December 31, 2012 and the Regulatory Financial Statements for First State Bank for the quarter ended December 31, 2012;
- (iii) certain other internal information, primarily financial in nature, including projections concerning the business and operations of Bankshares and First State Bank furnished to us by Bankshares for purposes of our analysis;
- (iv) certain publicly available information with respect to certain other companies that we believe to be comparable to Bankshares, and the trading markets for such other companies' securities;
- (v) certain publicly available information concerning the nature and terms of certain other transactions that we considered relevant to our inquiry;
- (vi) certain publicly available information concerning Glacier;
- (vii) the economic, banking and competitive climate for banking institutions in Wyoming;
- (viii) the business and prospects of Bankshares through meetings and discussions with certain officers of Bankshares; and
- (ix) other matters we believe relevant to our inquiry.

The written opinion provided by St. Charles to Bankshares was necessarily based upon economic, monetary, financial market and other relevant conditions as of the dates thereof. In connection with its review and arriving at its opinion, St. Charles relied upon the accuracy and completeness of the financial information and other pertinent information provided by Bankshares and Glacier to St. Charles for purposes of rendering its opinion. St. Charles did not assume any obligation to verify independently any of the provided information as being complete and accurate in all material respects. With regard to the various financial forecasts developed by the Company, St. Charles assumed that these materials had been reasonably prepared on bases reflecting the best available estimates and judgments of management as to the future performance of Bankshares and that the projections provided a reasonable basis upon which St. Charles Capital could formulate its opinion. The projections were based upon numerous variables and assumptions that are inherently uncertain, including, among others, factors relative to the general economic and competitive conditions facing Bankshares. Accordingly, actual results could vary significantly from those set forth in the respective projections.

St. Charles does not claim to be an expert in the evaluation of loan portfolios or the allowance for loan losses with respect thereto and therefore assumes that such allowances for Bankshares are adequate to cover such losses. In addition, St. Charles does not assume responsibility for the review of individual credit files and did not make an independent evaluation, appraisal or physical inspection of the assets or individual properties of Bankshares, nor was St. Charles provided with such appraisals. Furthermore, St. Charles assumes that the merger will be

Edgar Filing: GLACIER BANCORP INC - Form S-4

consummated in accordance with the terms set forth in the merger agreement, without any waiver of any material terms or conditions by Bankshares, and that obtaining the necessary regulatory approvals for the merger will not have an adverse effect on either separate institution or the combined entity. St. Charles assumes that the merger will be recorded as a purchase in accordance with generally accepted accounting principles.

Table of Contents

In connection with rendering its February 21, 2013 opinion to Board of Directors of Bankshares, St. Charles performed a variety of financial and comparative analyses, which are briefly summarized below. Such summary of analyses does not purport to be a complete description of the analyses performed by St. Charles. Moreover, St. Charles believes that these analyses must be considered as a whole and that selecting portions of such analyses and the factors considered by it, without considering all such analyses and factors, could create an incomplete understanding of the scope of the process underlying the analyses and, more important, the opinion derived from them. The preparation of a financial advisor's opinion is a complex process involving subjective judgments and is not necessarily susceptible to partial analyses or a summary description of such analyses. In its full analysis, St. Charles also included assumptions with respect to general economic, financial market and other financial conditions. Furthermore, St. Charles drew from its past experience in similar transactions, as well as its experience in the valuation of securities and its general knowledge of the banking industry as a whole. Any estimates in St. Charles' analyses were not necessarily indicative of actual future results or values, which may diverge significantly more or less favorably from such estimates. Estimates of company valuations do not purport to be appraisals or to reflect necessarily the prices at which companies or their respective securities actually may be sold. None of the analyses performed by St. Charles were assigned a greater significance by St. Charles than any other in deriving its opinion.

Estimated Merger Consideration. Subject to potential adjustments as outlined in the merger agreement, Glacier will issue 1,652,000 shares of its common stock and pay \$10.62 million in cash in exchange for all outstanding shares of Bankshares' common stock. Each holder of Bankshares common stock will receive approximately \$146.91 in cash and approximately 22.85 shares of Glacier common stock.

Assuming a \$15.00 average closing price for Glacier, each holder of Bankshares' common stock will receive total merger consideration of approximately \$489.71 per Bankshares common stock, excluding potential transaction adjustments including changes to equity value, representing 136.4% of Bankshares' equity value as of December 31, 2012 and 10.3 times net income for the fiscal year ended December 31, 2012.

If the 20 day average closing price for Glacier is less than \$13.50 or more than \$16.50 per share, the total merger consideration will potentially be adjusted as outlined in the merger agreement and summarized below:

If 20 day average closing price is above \$16.50, then the stock portion of the merger consideration would be fixed at \$27.26 million resulting in total merger consideration of approximately \$523.99 per Bankshares common stock.

If 20 day average closing price is below \$12.00, then the stock portion of the merger consideration would be fixed at \$19.82 million resulting in total merger consideration of \$421.10 per Bankshares common stock.

If 20 day average closing price is between \$12.00 and \$13.50, then additional shares may be issued relative to a predetermined bank index.

Comparable transaction analysis - National. St. Charles reviewed and compared actual information for a group of five guideline comparable merger transactions, announced since January 1, 2010, deemed pertinent to an analysis of the merger. The transactions in this guideline comparable group were chosen based on the following parameters:

bank acquisitions with the targets' asset size between \$100 million and \$500 million;

bank acquisitions with the targets' after-tax return on average assets (ROAA) greater than 1.0%;

bank acquisitions with the targets' non-performing assets to total assets ratio below 4.0%; and

bank acquisitions with the targets' equity to assets ratio between 6.0% and 15.0%.

- (1) Bankshares financials statistics and multiples are for the fiscal year ended December 31, 2012. Multiples do not include potential increase in book value from earnings to close and other potential transaction adjustments.
- (2) Certain transaction multiples have been adjusted by a non-metro discount to reflect the difference in valuations between metropolitan banks and non-metropolitan banks. A discount of 21.9% was applied to each transaction identified to have occurred in a metropolitan area, and a discount of 7.6% was applied to each transaction identified to have occurred in a micropolitan area. The discount was calculated based on the difference between metropolitan bank and non-metropolitan bank merger transaction multiples since January 1, 2005 with similar operating characteristics.

St. Charles analysis of these national comparable merger transactions implied a reference valuation range for Bankshares of between \$479.84 and \$547.08 per share.

Comparable transaction analysis – Regional. bank acquisitions with the targets after-tax ROAA greater than 0.0%;

bank acquisitions with the targets non-performing assets to total assets ratio below 4.0%;

The discount was calculated based on the difference between metropolitan bank and non-metropolitan bank merger transaction multiples since January 1, 2005 with similar operating characteristics.
- (3) St. Charles determined the Price / Earnings multiples in the Regional M&A method were not applicable due to the lower profitability of the selected transactions.

St. Charles analysis of these regional transactions implied a reference valuation range for Bankshares of between \$421.56 and \$483.22 per share.

Comparable public company analysis - National. St. Charles reviewed and compared actual information for a group of six guideline comparable public companies deemed pertinent to an analysis of the transaction.

The trading referenced in this section represents minority valuations or the value at which one-share trades in the open market. In order to compare these multiples to the implied Bankshares multiples, which represent the value paid for control or 100% of the stock, it is necessary to adjust the multiples for control. The premium for control is calculated by taking the median of the premium of a strategic transaction price announcement over the trading price five days prior to the announcement of all bank transactions that have been announced since January 1, 2009. In calculating the imputed reference valuation range, a control premium of 52.7% was applied to the appropriate valuation multiples.

Based on St. Charles experience and based upon observable valuation metrics, larger banking institutions, on average, are valued at a premium to smaller banks. Therefore, St. Charles adjusted the comparable public companies for size when the comparable company's assets were above \$500 million. St. Charles derived a size discount by studying the average price to tangible book value paid in control bank transactions with the following criteria: announce date later than January 1, 2005, return on average assets greater than 0.0%, and non-performing assets to total assets less than 4.0%. St. Charles applied a size discount to each comparable public company based on its size relative to the size of Bankshares. The average size discount of the comparable public companies was 19.6%; St. Charles applied this discount to the appropriate valuation multiples.

The comparable public companies in this guideline comparable group were chosen based on the following parameters:

publicly traded banks with assets between \$100 million and \$1.0 billion;

publicly traded banks with ROAA between 1.0% and 1.5%;

publicly traded banks with non-performing assets to total assets less than 4.0%;

publicly traded banks with equity to assets between 6.0% and 15.0%;

publicly traded banks with average daily trading volume for three months of at least 500 shares; and

publicly traded banks traded on the NYSE, AMEX, NASDAQ, and other over the counter exchanges.

A discount of 21.9% was applied to each comparable company identified to have occurred in a metropolitan area, and a discount of 7.6% was applied to each comparable company identified to have occurred in a micropolitan area. The discount was calculated based on the difference between metropolitan bank and non-metropolitan bank merger transaction multiples since January 1, 2005 with similar operating characteristics.
- (3) The comparable multiples have been adjusted by a size discount to reflect the difference in valuations between small and large banks. A discount of 19.6% was applied to each comparable company with assets between \$500 million and \$1 billion. The discount was calculated based on the difference in valuation multiples since January 1, 2005 between banks with similar operating characteristics.

St. Charles analysis of national comparable public companies implied a reference valuation range for Bankshares of between \$304.61 and \$439.88 per share.

Comparable public company analysis - Regional. St. Charles reviewed and compared actual information for a group of five guideline regional comparable public companies deemed pertinent to an analysis of the transaction.

The trading referenced in this section represents minority valuations or the value at which one-share trades in the open market. In order to compare these multiples to the implied Bankshares multiples, which represent the value paid for control or 100% of the stock, it is necessary to adjust the multiples for control. The premium for

control is calculated by taking the median of the premium of a strategic transaction price announcement over the trading price five days prior to the announcement of all bank transactions that have been announced since January 1, 2009. In calculating the imputed reference valuation range, a control premium of 52.7% was applied to the appropriate valuation multiples.

The comparable public companies in this guideline comparable group were chosen based on the following parameters:

publicly traded banks with assets between \$100 million and \$10 billion;

publicly traded banks with ROAA greater than 0.5%;

publicly traded banks with non-performing assets to total assets less than 4.0%;

publicly traded banks with equity to assets between 6.0% and 15.0%;

publicly traded banks with average daily trading volume for three months of at least 500 shares;

publicly traded banks traded on the NYSE, AMEX, NASDAQ, and other over the counter exchanges; and

publicly traded banks headquartered in Colorado, Idaho, Kansas, Montana, Nebraska, North Dakota, South Dakota, Utah, or Wyoming

Discounted dividend analysis. St. Charles performed a discounted dividend analysis based Bankshares projected financial statements prepared on a standalone basis under several scenarios. St. Charles assumed that Bankshares will perform in accordance with the various financial statement forecasts as developed by management from 2013 through 2016. This analysis utilized a discount rate range of between 15.0% to 19.0%. St. Charles estimated the terminal values by using multiples of earnings and book value. The terminal multiples ranged from 13 to 17 times earnings and 150% to 190% book value, based upon average multiples paid for national bank control transactions from 2005 to present with assets between \$100 million and \$500 million, ROAA greater than 1.0%, non-performing assets to assets less than 3.0%, equity to assets greater than 6%, and adjusted with a non-metro discount. This analysis was based on estimates considering market and company specific events and is not necessarily indicative of actual values or actual future results and does not purport to reflect the prices at which any securities may trade at the present or at any time in the future. St. Charles noted that the discounted dividend analysis was included because it is a widely used valuation methodology, but noted that the results of such methodology are highly dependent upon the numerous assumptions that must be made, including earnings growth rates, discount rates, and terminal values.

St. Charles discounted dividend analysis implied a reference valuation range for Bankshares of between \$354.13 and \$619.44.

Miscellaneous. No companies involved in the transactions used as comparisons in the above analyses are identical to Bankshares and none of the transactions are identical to the merger. Accordingly, analyses of the results of the foregoing is not purely mathematical; rather, such analyses involve complex considerations and judgments concerning differences in financial market and operating characteristics of the companies involved in and the nature of the guideline transactions.

St. Charles Compensation. St. Charles has acted as a financial adviser to Bankshares in connection with the proposed merger to Glacier and has participated in the negotiations leading to the merger agreement. For its financial advisory services provided to the Company in connection with the proposed merger, St. Charles has been paid fees of \$50,000 as of February 21, 2013, and will be paid a total fee, contingent upon the closing of the transaction, of 1.0% of the total merger consideration, net of all retainers paid. In addition, Bankshares has agreed to reimburse St. Charles for all reasonable expenses incurred by it on Bankshares behalf, as well as to indemnify St. Charles against certain liabilities.

Recommendation of the Bankshares Board

The board of directors of Bankshares has concluded that the proposed merger as described in the merger agreement is in the best interest of Bankshares and its shareholders. **After carefully considering the proposed merger, the board of directors unanimously recommends that the shareholders of Bankshares vote FOR the approval of the merger agreement.**

THE MERGER

The following is a brief description of the material aspects of the merger. There are other aspects of the merger that are not discussed below but that are contained in the merger agreement. You are being asked to approve the merger in accordance with the terms of the merger agreement, and you are urged to read the merger agreement carefully. The merger agreement is attached to this proxy statement/prospectus as **Appendix A**.

Basic Terms of the Merger

The merger agreement provides for the merger of Bankshares with and into Glacier, and the merger of First State Bank with and into Glacier Bank, Glacier's wholly-owned subsidiary. Following the merger, First State Bank will operate under the name First State Bank as a division of Glacier Bank.

In the merger, Bankshares shareholders will receive a combination of Glacier common stock and cash for their Bankshares common stock, as described below.

While Glacier and Bankshares believe that they will receive the necessary regulatory approvals for the merger, there can be no assurance that such approvals will be received or, if received, as to the timing of such approvals or as to the ability to obtain such approvals on satisfactory terms. See Conditions to the Merger and Regulatory Requirements.

Merger Consideration

The merger agreement provides that as of the effective date of the merger, each share of Bankshares common stock will be converted into the right to receive an amount of merger consideration consisting of a combination of Glacier common stock and cash, as described below.

The total merger consideration consists of a stock portion and a cash portion, which will be determined in the following manner:

Stock Portion of Merger Consideration

The total stock consideration payable by Glacier is fixed at 1,652,000 shares of Glacier common stock. The total stock consideration may be adjusted under certain circumstances if the average trading price of Glacier stock immediately prior to the closing of the merger is above or below specified amounts, as described below under *Termination of the Merger Agreement*. Based on the closing price of Glacier stock on April 1, 2013, and assuming that the average closing price immediately prior to the closing of the merger is above \$16.50, the number of shares that Glacier would be required to issue would be reduced. See Questions and Answers What will Bankshares shareholders receive in the merger?

Cash Portion of Merger Consideration

The total cash consideration payable by Glacier is \$10,620,000. This amount is subject to increase or reduction, as the case may be, on a dollar for dollar basis, by the amount by which the Bankshares Closing Capital is greater or less than \$25,900,000.

The Bankshares Closing Capital is defined in the merger agreement as an amount, as of the closing date of the merger, equal to Bankshares capital stock, surplus and retained earnings determined in accordance with generally accepted accounting principles (GAAP) on a consolidated basis, and calculated in the same manner in which Bankshares consolidated tangible equity capital of \$25,900,000 at November 30, 2012 was calculated, after giving effect to specified adjustments.

If the Bankshares Closing Capital exceeds \$25,900,000, then in lieu of requiring Glacier to increase the total cash consideration by the amount of such excess, Bankshares may instead determine in its sole discretion to declare and pay a special dividend to its shareholders in the amount of such excess.

Table of Contents

The value of the consideration (in a combination of Glacier stock and cash) that a Bankshares shareholder will receive for each share of Bankshares common stock is the sum of (i) the per-share cash consideration and (ii) the per-share stock consideration, referred to collectively in the merger agreement as the merger consideration. The per-share cash consideration is the amount obtained by dividing the \$10,620,000 total cash consideration (increased or reduced for any Bankshares Closing Capital adjustment) by the number of shares of Bankshares common stock outstanding on the effective date of the merger. The per-share stock consideration is the number of Glacier shares determined by dividing 1,652,000 (increased or decreased by the adjustments described under Termination of the Merger Agreement below, if the trading price of Glacier stock immediately prior to the closing of the merger is above or below specified amounts) by the number of shares of Bankshares common stock outstanding on the effective date of the merger.

Assuming for purposes of illustration only that (i) there is no increase or reduction of the cash portion of the merger consideration, and (ii) the average closing price of Glacier common stock immediately prior to the closing of the merger is \$ (the closing price for Glacier common stock on April , 2013), each share of Bankshares common stock would receive a value equal to \$523.98, consisting of \$146.91 in cash and shares of Glacier common stock.

Multiple Capacity Owner Allocations

The merger agreement provides for allocation of the per share cash consideration and the per share stock consideration in the case of Multiple Capacity Shares.

Multiple Capacity Owner is defined in the merger agreement as a Bankshares shareholder:

who owns Bankshares stock in multiple capacities such as through retirement or investment accounts, family partnerships or trusts (whether for the benefit of such shareholder or his/her family members or for which he or she serves as trustee); and/or

whose ownership of Bankshares stock is combined for purposes of the merger agreement with that of his or her immediate family members or their related interests.

The aggregated Bankshares common stock within a Multiple Capacity Owner's ownership group are referred to as Multiple Capacity Shares, and the individual shareholders of record within such ownership group are referred to as Constituent Shareholders.

The merger agreement provides that each Multiple Capacity Owner may, together with its Constituent Shareholders, elect to aggregate their shares as Multiple Capacity Shares, so that the per share stock consideration and the per share cash consideration that would otherwise be payable for each Multiple Capacity Share will instead be aggregated into a pool of cash and Glacier stock, which will be allocated among the Multiple Capacity Shares as designated by the Multiple Capacity Owner and the Constituent Owners, pursuant to an election form to be completed and submitted as described below.

The merger agreement reiterates that in no event will the total cash and Glacier stock paid in the aggregate for a group of Multiple Capacity Shares differ from the amount of the per share stock consideration and the per share cash consideration that such shares would have received if they were not Multiple Capacity Shares.

Election Procedures

An election form with instructions for electing to have specified Bankshares shares treated as Multiple Capacity Shares accompanies this proxy statement/prospectus. As described in such instructions, the election form must be completed to show all of the Bankshares common stock that will be treated as Multiple Capacity Shares, and the manner in which the aggregate cash and Glacier stock payable with respect to such Multiple Capacity Shares will be allocated.

Table of Contents

If you do not desire to be treated as a Multiple Capacity Owner, do not submit an election form.

The election form must be executed by the Multiple Capacity Owner, and by each holder of record of the shares comprising the Multiple Capacity Owner's ownership group (the Constituent Shareholders). The election form must be completed, fully executed and delivered to Glacier at the address set forth on the election form, not later than 5:00 p.m. Mountain Time, on the day prior to the fifth business day prior to the completion of the merger, in order to be effective.

NOTE: The actual election deadline is not currently known. Glacier and Bankshares will issue a press release announcing the date of the election deadline at least five business days prior to that deadline. Additionally, Glacier and Bankshares will post the date of the election deadline on their respective web sites (the First State Bank web site, in the case of Bankshares), also at least five business days before that deadline.

Fractional Shares

No fractional shares of Glacier common stock will be issued to any holder of Bankshares common stock in the merger. For each fractional share that would otherwise be issued, Glacier will pay cash in an amount equal to the fraction multiplied by the GBCI Average Closing Price calculated as provided in the merger agreement. No interest will be paid or accrued on cash payable in lieu of fractional shares of Glacier common stock.

Effective Date of the Merger

Subject to the conditions to the obligations of the parties to complete the merger as set forth in the merger agreement, the effective date of the merger will occur as soon as practicable after such conditions have been satisfied or waived. Subject to the foregoing, it is currently anticipated that the merger will be consummated during the second quarter of 2013. Either Glacier or Bankshares may terminate the merger agreement if the effective date does not occur on or before September 30, 2013.

Letter of Transmittal

Within two business days after the closing of the merger, Glacier's exchange agent will send a letter of transmittal to each person who was a Bankshares shareholder at the effective time of the merger. This mailing will contain instructions on how to surrender shares of Bankshares common stock in exchange for the merger consideration that the holder is entitled to receive under the merger agreement.

All shares of Glacier common stock issued to the holders of Bankshares common stock pursuant to the merger will be deemed issued as of the effective date. Until you surrender your Bankshares stock certificates for exchange, you will accrue, but will not be paid, any dividends or other distributions declared after the effective date of the merger with respect to Glacier common stock into which your shares have been converted. When you surrender your certificates, Glacier will pay any unpaid dividends or other distributions, as well as any merger consideration payable in cash, without interest. After the effective time of the merger, there will be no transfers on the stock transfer books of Bankshares of any shares of Bankshares common stock. If certificates representing shares of Bankshares common stock are presented for transfer after the completion of the merger, they will be cancelled and exchanged for the merger consideration into which the shares of Bankshares common stock represented by those certificates shall have been converted.

If a certificate for Bankshares common stock has been lost, stolen or destroyed, the exchange agent will issue the consideration properly payable under the merger agreement upon receipt of appropriate evidence as to that loss, theft or destruction, appropriate evidence as to the ownership of that certificate by the claimant, and reasonable assurances, such as a bond or indemnity, satisfactory to Glacier in consultation with Bankshares, and appropriate and customary identification.

Material Federal Income Tax Consequences of the Merger

This section describes the anticipated material United States federal income tax consequences of the merger of Bankshares with and into Glacier (Holding Company Merger), and the contemporaneous merger of First State Bank with and into Glacier Bank (Bank Merger), to U.S. holders of Bankshares common stock who exchange shares of Bankshares common stock for shares of Glacier common stock, cash, or a combination of shares of Glacier common stock and cash pursuant to the mergers.

For purposes of this discussion, a U.S. holder is a beneficial owner of Bankshares common stock who for United States federal income tax purposes is:

a citizen or resident of the United States;

a corporation, or an entity treated as a corporation, created or organized in or under the laws of the United States or any state or political subdivision thereof;

a trust that (1) is subject to (A) the primary supervision of a court within the United States and (B) the authority of one or more United States persons to control all substantial decisions of the trust or (2) has a valid election in effect under applicable Treasury Regulations to be treated as a United States person; or

an estate that is subject to United States federal income tax on its income regardless of its source.

If a partnership (including for this purpose any entity treated as a partnership for United States federal income tax purposes) holds Bankshares common stock, the tax treatment of a partner generally will depend on the status of the partner and the activities of the partnership. If you are a partner of a partnership holding Bankshares common stock, you should consult your tax advisor.

This discussion addresses only those Bankshares shareholders that hold their Bankshares common stock as a capital asset within the meaning of Section 1221 of the Internal Revenue Code, and does not address all the United States federal income tax consequences that may be relevant to particular Bankshares shareholders in light of their individual circumstances or to Bankshares shareholders that are subject to special rules, such as:

financial institutions;

pass-through entities or investors in pass-through entities;

insurance companies;

tax-exempt organizations;

dealers in securities;

traders in securities that elect to use a mark to market method of accounting;

Edgar Filing: GLACIER BANCORP INC - Form S-4

persons who exercise dissenters' rights;

persons that hold Bankshares common stock as part of a straddle, hedge, constructive sale or conversion transaction;

certain expatriates or persons that have a functional currency other than the U.S. dollar;

persons who are not U.S. holders; and

shareholders who acquired their shares of Bankshares common stock through the exercise of an employee stock option or otherwise as compensation or through a tax-qualified retirement plan.

In addition, the discussion does not address any alternative minimum tax or any state, local or foreign tax consequences of the merger, nor does it address any tax consequences arising under the unearned income Medicare contribution tax pursuant to the Health Care and Education Reconciliation Act of 2010.

Table of Contents

The following discussion is based on the Internal Revenue Code, its legislative history, existing and proposed regulations thereunder and published rulings and decisions, all as currently in effect as of the date hereof, and all of which are subject to change, possibly with retroactive effect. Any such change could affect the continuing validity of this discussion.

In connection with the filing of the registration statement of which this document is a part, Graham & Dunn, PC, counsel to Glacier, has delivered an opinion to Glacier to the effect that the Holding Company Merger and the Bank Merger will for federal income tax purposes qualify as reorganizations within the meaning of Internal Revenue Code Section 368(a); and both Glacier and Bankshares expect to report the mergers accordingly on their federal income tax returns. The opinion is based on assumptions, representations, warranties and covenants, including those contained in the merger agreement and in tax representation letters provided by Glacier, Bankshares, Glacier Bank and First State Bank. The accuracy of such assumptions, representations and warranties, and compliance with such covenants, could affect the conclusions set forth in such opinion. The opinion is not binding on the Internal Revenue Service or the courts. Glacier and Bankshares have not requested and do not intend to request any ruling from the Internal Revenue Service as to the United States federal income tax consequence of the mergers. Accordingly, each Bankshares shareholder should consult its tax advisor with respect to the particular tax consequences of the merger to such holder. In addition, because a Bankshares shareholder may receive a mix of cash and stock despite having made a cash election or stock election, it will not be possible for holders of Bankshares common stock to determine the specific tax consequences of the merger to them at the time of making the election.

Tax Consequences of the Merger Generally to Holders of Bankshares Common Stock. If the Holding Company Merger is a reorganization within the meaning of Section 368(a) of the Internal Revenue Code, the tax consequences are as follows:

gain or loss will be recognized by those holders receiving solely cash for Bankshares common stock pursuant to the merger equal to the difference between the amount of cash received by a holder of Bankshares common stock and such holder's cost basis in such holder's shares of Bankshares common stock;

no gain or loss will be recognized by those holders receiving solely shares of Glacier common stock in exchange for shares of Bankshares common stock pursuant to the merger (except with respect to any cash received instead of fractional share interests in Glacier common stock, as discussed in the section entitled "Cash Received Instead of a Fractional Share of Glacier Common Stock");

gain (but not loss) will be recognized by those holders who receive shares of Glacier common stock and cash in exchange for shares of Bankshares common stock pursuant to the merger, in an amount equal to the lesser of (1) the amount by which the sum of the fair market value of the Glacier common stock and cash received by a holder of Bankshares common stock exceeds such holder's cost basis in its Bankshares common stock, and (2) the amount of cash received by such holder of Bankshares common stock (except with respect to any cash received instead of fractional share interests in Glacier common stock, as discussed in the section entitled "Cash Received Instead of a Fractional Share of Glacier Common Stock");

the aggregate basis of the Glacier common stock received in the merger will be the same as the aggregate basis of the Bankshares common stock for which it is exchanged, decreased by the amount of cash received in the merger (except with respect to any cash received instead of fractional share interests in Glacier common stock), decreased by any basis attributable to fractional share interests in Glacier common stock for which cash is received, and increased by the amount of gain recognized on the exchange (regardless of whether such gain is classified as capital gain, or as ordinary dividend income, as discussed below, but excluding any gain or loss recognized with respect to fractional share interests in Glacier common stock for which cash is received); and

the holding period of Glacier common stock received in exchange for shares of Bankshares common stock will include the holding period of the Bankshares common stock for which it is exchanged.

Table of Contents

If holders of Bankshares common stock acquired different blocks of Bankshares common stock at different times or at different prices, any gain or loss will be determined separately with respect to each block of Bankshares common stock and such holders' basis and holding period in their shares of Glacier common stock may be determined with reference to each block of Bankshares common stock. Any such holders should consult their tax advisors regarding the manner in which cash and Glacier common stock received in the exchange should be allocated among different blocks of Bankshares common stock and with respect to identifying the bases or holding periods of the particular shares of Glacier common stock received in the merger.

Gain that holders of Bankshares common stock recognize in connection with the merger generally will constitute capital gain and will constitute long-term capital gain if such holders have held (or are treated as having held) their Bankshares common stock for more than one year as of the date of the merger. Long-term capital gain of non-corporate holders of Bankshares common stock is generally taxed at preferential rates. In some cases, if a holder actually or constructively owns Glacier stock other than Glacier stock received pursuant to the merger, the recognized gain could be treated as having the effect of a distribution of a dividend under the tests set forth in Internal Revenue Code Section 302, in which case such gain would be treated as dividend income. Because the possibility of dividend treatment depends primarily upon each holder's particular circumstances, including the application of the constructive ownership rules, holders of Bankshares common stock should consult their tax advisors regarding the application of the foregoing rules to their particular circumstances.

Cash Received Instead of a Fractional Share of Glacier Common Stock. A holder of Bankshares common stock who receives cash instead of a fractional share of Glacier common stock will generally be treated as having received the fractional share pursuant to the merger and then as having sold that fractional share of Glacier common stock for cash. As a result, a holder of Bankshares common stock will generally recognize gain or loss equal to the difference between the amount of cash received instead of the fractional share and the basis in his or her fractional share interest as set forth above. Except as described above, this gain or loss will generally be capital gain or loss, and will be long-term capital gain or loss if, as of the effective date of the merger, the holding period for such shares is greater than one year. The deductibility of capital losses is subject to limitations.

Backup Withholding and Information Reporting. Payments of cash to a holder of Bankshares common stock may, under certain circumstances, be subject to information reporting and backup withholding, unless the holder provides proof of an applicable exemption satisfactory to Glacier and the exchange agent or furnishes its taxpayer identification number, and otherwise complies with all applicable requirements of the backup withholding rules. Any amounts withheld from payments to a holder under the backup withholding rules are not additional tax and will be allowed as a refund or credit against the holder's United States federal income tax liability, provided the required information is furnished to the Internal Revenue Service.

The preceding discussion is intended only as a summary of material United States federal income tax consequences of the merger. It is not a complete analysis or discussion of all potential tax effects that may be important to you. Thus, you are strongly encouraged to consult your tax advisor as to the specific tax consequences resulting from the merger, including tax return reporting requirements, the applicability and effect of federal, state, local, and other tax laws and the effect of any proposed changes in the tax laws.

Voting Agreement

The directors and certain principal shareholders of Bankshares, together with certain executive officers of First State Bank, have entered into a voting agreement, dated as of February 25, 2013. In the voting agreement, each signing director, executive officer and principal shareholder agrees, among other things, to vote the shares of Bankshares common stock that he or she owns or controls in favor of the merger. The persons who have entered into this voting agreement are entitled to vote a total of 49,319 outstanding shares of Bankshares common stock, which is approximately 68.2% of the total shares outstanding. Accordingly, shareholder approval of the merger is assured.

Table of Contents

Dissenters' Rights of Appraisal

Under the Wyoming Business Corporation Act (WBCA), Bankshares shareholders are entitled to exercise dissenters' rights and to receive the fair value in cash of their shares of Bankshares common stock if they fully comply with the provisions of the WBCA relating to dissenters' rights, if the merger agreement is approved and the merger is consummated. The following summary of the WBCA provisions with respect to dissenters' rights is qualified in its entirety by reference to those statutes. **Shareholders anticipating exercising dissenters' rights with respect to the merger are strongly encouraged to consult their legal counsel and tax, financial or other appropriate advisors.**

The WBCA requires that shareholders be accorded dissenters' rights in connection with the proposed merger transaction. A copy of the relevant portions of the WBCA, Sections 17-16-1301 through 17-16-1331 are included as **Appendix B**. The following discussion of dissenters' rights is qualified in its entirety by reference to those statutes.

A shareholder may elect to dissent from the proposed merger transaction and, upon consummation of the transaction, to receive the fair value of such shareholder's Bankshares stock.

In order to properly exercise dissenters' rights the shareholder must:

Not vote in favor of the proposed merger; and

Prior to the time of the vote taken by Bankshares shareholders, notify Bankshares of the shareholder's intent to exercise dissenters' rights.

Except in certain circumstances specified in the WBCA, a shareholder electing to assert dissenters' rights must generally assert such rights with respect to all shares of Bankshares stock beneficially owned by the shareholder. A notice of intent to demand payment under dissenters' rights given to Bankshares shareholders must be in writing. **If a shareholder fails to meet the requirements for assertion of dissenters' rights such shareholder is not entitled to payment for his or her shares under the WBCA.**

If a shareholder properly asserts dissenters' rights and the proposed merger is consummated, Glacier, as the surviving corporation in the merger, will send each shareholder who has properly exercised dissenters' rights a dissenter's notice, notifying the shareholder of, among other things, the completion of the merger and providing the shareholder instructions for the deposit of certificates representing the dissenter's Bankshares shares and supplying a form for demanding payment. **A dissenting shareholder failing to timely demand payment or to deposit certificates representing the dissented Bankshares stock is not thereafter entitled to receive payment for his or her shares under the WBCA.**

Glacier, as the surviving corporation in the merger, is required to pay all dissenting Bankshares shareholders who have properly and timely exercised dissenters' rights, deposited certificates and demanded payment of the fair value for their shares of Bankshares stock. The amount of payment is determined by Glacier and made to dissenting shareholders within time frames specified by the WBCA. If a shareholder is dissatisfied with the amount of the payment determined by Glacier, such shareholder may notify Glacier in writing, within 30 days after Glacier made or offered to make payment, of the shareholder's own estimate of the fair value of his or her shares and demand payment for such amount (less any payment made by Glacier). Glacier may, after the receipt of such demand, elect to pay the additional amount demanded or, within 60 days following receipt of such demand, commence a legal proceeding for a determination of the fair value of the shares.

Conditions to the Merger

Consummation of the merger is subject to various conditions. No assurance can be provided as to whether these conditions will be satisfied or waived by the appropriate party. Accordingly, there can be no assurance that the merger will be completed.

Table of Contents

Certain conditions must be satisfied or events must occur before the parties will be obligated to complete the merger. Each party's obligations under the merger agreement are conditioned on satisfaction by the other party of conditions applicable to them. Some of these conditions, applicable to the respective obligations of both Glacier and Bankshares, are as follows:

approval of the merger by Bankshares shareholders;

accuracy of the other party's representations in the merger agreement and any certificate or other instrument delivered in connection with the merger agreement;

compliance by the other party of all material terms, covenants, and conditions of the merger agreement;

that there shall have been no damage, destruction, or loss, or other event or sequence of events, that has had or potentially may have a material adverse effect with respect to the other party;

that no action or proceeding has been commenced or threatened by any governmental agency to restrain or prohibit or invalidate the merger;

the parties shall have agreed on the amount of the Bankshares Closing Capital; and

the registration statement filed with the SEC, required to register the Glacier common stock to be issued to shareholders of Bankshares, has become effective, and no stop-order suspending such effectiveness has been issued and no proceedings for that purpose have been initiated or threatened by the SEC.

In addition to the above, the obligations of Glacier under the merger agreement are subject to conditions that include the following:

employment agreements between Glacier Bank and certain current employees of First State Bank shall be in effect as of the closing date of the merger; and

the Bankshares Closing Capital will not be less than \$25,000,000.

Additionally, either Glacier or Bankshares may terminate the merger if certain conditions applicable to the other party are not satisfied or waived. Those conditions are discussed below under Termination of the Merger Agreement.

Either Glacier or Bankshares may waive any of the other party's conditions, except those that are required by law (such as receipt of regulatory approvals and Bankshares shareholder approval). Either Glacier or Bankshares may also grant extended time to the other party to complete an obligation or condition.

Amendment of the Merger Agreement

The merger agreement may be amended upon authorization of the boards of directors of the parties, whether before or after the Bankshares special meeting of the shareholders. To the extent permitted under applicable law, the parties may make any amendment or supplement without further approval of Bankshares shareholders. However, after shareholder approval, any amendments that would reduce the amount or change the form of the consideration that Bankshares shareholders will receive in the merger would require further Bankshares shareholder approval.

Termination of the Merger Agreement

The merger agreement contains several provisions entitling either Glacier or Bankshares to terminate the merger agreement under certain circumstances. The following briefly describes these provisions:

Lapse of Time. If the merger has not been consummated on or before September 30, 2013, then at any time after that date, the board of directors of either Glacier or Bankshares may terminate the merger agreement and the merger if (i) the terminating party's board of directors decides to terminate by a majority vote of all of its members, and (ii) the terminating party delivers to the other party written notice that its board of directors has voted in favor of termination.

Table of Contents

Mutual Consent. The parties may terminate the merger agreement at any time before closing, whether before or after approval by Bankshares shareholders, by mutual consent if the board of directors of each party agrees to terminate by a majority vote of all of its members.

Glacier Average Closing Price Greater than \$16.50. By specific action of its board of directors, Glacier may terminate the merger agreement if the Glacier average closing price (as defined in the merger agreement) is greater than \$16.50.

If Glacier provides written notice of its intent to terminate the merger agreement because the Glacier average closing price is greater than \$16.50, Bankshares may elect, within three business days of its receipt of such notice, to accept an adjustment to the total stock consideration through the issuance of fewer Glacier shares; in such event, the total stock consideration will be the number of Glacier shares equal to the quotient obtained by dividing \$27,258,000 by the Glacier average closing price. If Bankshares makes the election to accept such decrease in the number of Glacier shares to be issued, no termination of the merger agreement will occur, and the merger agreement will remain in effect in accordance with its terms, except as the total stock consideration has been adjusted.

Glacier Average Closing Price Less than \$13.50 But Not Less Than \$12.00. By specific action of its board of directors, Bankshares may terminate the merger agreement if the Glacier average closing price is less than \$13.50 but not less than \$12.00, but only if Glacier's stock trading price has underperformed the stock trading price performance of a regional bank peer group index by more than 10%. The banks comprising the peer group index (the Index Group) are set forth in the merger agreement.

The performance of Glacier's stock trading price relative to the performance of the Index Group is determined by dividing the Glacier Average Closing Price (the average daily closing price for the 20 trading day period prior to the determination date) by \$17.07 (the closing price of Glacier stock on February 22, 2013), and comparing the resulting quotient to the quotient obtained by dividing the Final Index Price (also determined over the 20 trading day period prior to the determination date) of the Index Group by \$1.00 (the closing price of the stock of the Index Group on February 22, 2013). Glacier will be deemed to have underperformed the Index Group for purposes of the termination provisions of the merger agreement if the amount of the decline the trading price of its stock, calculated as above, exceeds the amount of the decline in the trading price of the stock of the Index Group by more than 10%.

If Bankshares provides written notice of its intent to terminate the merger agreement because the Glacier average closing price is less than \$13.50 but not less than \$12.00 and Glacier's stock trading price has underperformed the Index Group by more than 10%, Glacier may elect, within two business days of its receipt of such notice, to adjust the total stock consideration through the issuance of additional Glacier shares; so that the total value of the stock consideration issued in the merger is sufficient to remedy the underperformance of Glacier's stock relative to that of the Index Group. If Glacier elects to increase the number of Glacier shares to be issued, no termination of the merger agreement will occur, and the merger agreement will remain in effect in accordance with its terms, except as the total stock consideration has been adjusted.

Glacier Average Closing Price Less than \$12.00. By specific action of its board of directors, Bankshares may terminate the merger agreement if the Glacier average closing price is less than \$12.00, regardless of the performance of the Index Group or Glacier's performance relative to the Index Group.

If Bankshares provides written notice of its intent to terminate the merger agreement because the Glacier average closing price is less than \$12.00, Glacier may elect, within three business days of its receipt of such notice, to adjust the total stock consideration through the issuance of additional Glacier shares so that the total stock consideration issued in the merger is equal to the quotient obtained by dividing \$19,824,000 by the Glacier average closing price. If Glacier elects to increase the number of shares to be issued, no termination of the merger agreement will occur, and the merger agreement will remain in effect in accordance with its terms, except as the total stock consideration has been adjusted.

No Regulatory Approvals. Either party may terminate the merger agreement if the regulatory approvals required to be obtained are denied, or if any such approval is conditioned on a substantial deviation from the transactions contemplated by the merger agreement, subject to certain rights granted in the merger agreement to appeal the denial of such regulatory approval.

Breach of Representation or Covenant. Either party may terminate the merger agreement (so long as the terminating party is not then in material breach of any of its representations, warranties, covenants or agreements in the merger agreement) if there has been a material breach of any covenants or agreements set forth in the merger agreement by the other party, which is not cured within 30 days following written notice to the party committing such breach, or which breach, by its nature, cannot be cured prior to the closing of the merger.

Failure to Recommend or Obtain Shareholder Approval. Glacier may terminate the merger agreement (so long as it is not then in material breach of any of its representations, warranties, covenants or agreements in the merger agreement), if (i) the Bankshares board of directors fails to recommend to its shareholders approval of the merger, or (ii) modifies, withdraws or changes in a manner adverse to Glacier its recommendation to shareholders to approve the merger. Additionally, regardless of whether the Bankshares board of directors recommends approval of the merger to its shareholders, Glacier may terminate the merger agreement if Bankshares shareholders elect not to approve the merger.

Impracticability. Either party may terminate the merger agreement upon written notice to the other party if the board of directors of the party seeking termination has determined in its sole judgment, made in good faith and after due consideration and consultation with counsel, that the merger has become inadvisable or impracticable by reason of actions taken by the federal government or the government of the States of Montana or Wyoming to restrain or invalidate the merger or the merger agreement.

Superior Proposal Termination by Bankshares. Bankshares may terminate the merger agreement if its board of directors determines in good faith that Bankshares has received a Superior Proposal as defined in the merger agreement. This right is subject to the requirement that Bankshares may terminate the merger agreement only if Bankshares (i) has not breached its covenants regarding the initiation or solicitation of acquisition proposals from third parties; and (ii) subsequent to delivering the notice of termination to Glacier, Bankshares intends to enter into a letter of intent, acquisition agreement or similar agreement relating to such Superior Proposal, (iii) Bankshares has provided Glacier with at least five business days prior notice that Bankshares intends to accept a Superior Proposal and has given Glacier, if it so elects, an opportunity to amend the terms of the merger agreement (negotiated in good faith between Glacier and Bankshares) in such a manner as would enable Bankshares to proceed with the merger and (iv) simultaneously upon entering into a letter of intent or agreement relating to the Superior Proposal, it delivers to Glacier the break-up fee described below.

Superior Proposal Termination by Glacier. Glacier may terminate the merger agreement if (i) an Acquisition Event (as defined in the merger agreement) has occurred or (ii) a third party has made a proposal to Bankshares or its shareholders to engage in, or has entered into an agreement with respect to, an Acquisition Event, and the merger agreement and the merger are not approved at the special meeting of Bankshares shareholders.

Termination Fees

Subject to certain exceptions, Bankshares will pay Glacier a termination fee of \$300,000 if Glacier terminates the merger agreement based on a Bankshares breach of its representations or breach of its covenants. Glacier will pay Bankshares a termination fee of \$300,000 if Bankshares terminates the merger agreement based on a Glacier breach of its representations or breach of its covenants.

Table of Contents

Break-Up Fee

If the merger agreement is terminated because (i) the Bankshares board of directors fails to recommend shareholder approval of the merger agreement or modifies, withdraws or changes its recommendation in a manner adverse to Glacier; or (ii) Bankshares terminates the merger agreement after receiving a Superior Proposal (as defined in the merger agreement) and Glacier declines the opportunity to amend the terms of the merger agreement to enable Bankshares board of directors to proceed with the merger; or (iii) Glacier terminates the merger agreement after Bankshares receipt of a Superior Proposal followed by an immediate Acquisition Event (as defined in the merger agreement), then Bankshares will immediately pay Glacier a break-up fee of \$1,770,000. If the merger agreement is terminated by Glacier due to Bankshares receipt of a proposal to enter into an Acquisition Event and the merger agreement and merger are not approved at the shareholders meeting, and prior to or within six months after such termination, Bankshares or First State Bank enters into an agreement, or publicly announces an intention, to engage in an Acquisition Event, or within 12 months after such termination an Acquisition Event has occurred, then Bankshares will promptly pay to Glacier the break-up fee in the amount of \$1,770,000.

Allocation of Costs Upon Termination

If the merger agreement is terminated (except under circumstances that would require the payment of a termination fee or break-up fee) Glacier and Bankshares will each pay their own out-of-pocket expenses incurred in connection with the transaction and, except for any applicable termination or break-up fees, will have no other liability to the other party.

Conduct Pending the Merger

The merger agreement provides that, until the merger is effective, Bankshares will conduct its business only in the ordinary and usual course. The merger agreement also provides that, unless Glacier otherwise consents in writing, and except as required by applicable regulatory authorities, Bankshares will refrain from engaging in various activities such as:

effecting any stock split or other recapitalization with respect to Bankshares or First State Bank, or pledge or encumber any shares of Bankshares or First State Bank stock or grant any options for such stock;

except as specifically permitted under the terms of the merger agreement, declaring or paying any dividends, or making any other distributions;

acquiring, selling, transferring assigning or encumbering or otherwise disposing of assets or making any commitment other than in the ordinary course of business except the possible declaration and payment of a cash dividend under the circumstances described under Merger Consideration above;

soliciting or accepting deposit accounts of a different type than previously accepted by First State Bank or at rates materially in excess of prevailing interest rates, or, with specified exceptions, incurring any indebtedness for borrowed money;

offering or making loans or other extensions of credit of a different type, or applying different underwriting standards, from those previously offered or applied by First State Bank, or offering or making a loan or extension of credit in an amount greater than \$1,000,000 without prior consultation with Glacier;

with specified exceptions, acquiring an ownership or leasehold interest in real property without conducting an appropriate environmental evaluation and providing specified information and notices to Glacier;

Edgar Filing: GLACIER BANCORP INC - Form S-4

with specified exceptions, entering into or amending any contract calling for a payment of more than \$25,000, unless the contract may be terminated without cause or penalty upon 30 days' notice or less;

with specified exceptions, entering into any personal services contract;

selling any securities other than in the ordinary course of business, or selling any securities even in the ordinary course of business if the aggregate gain or loss realized from all sales after the date of execution of the merger agreement would exceed \$25,000, or transferring investment securities between portfolios;

with specified exceptions, amending or materially changing its operations, policies or procedures;

other than in accordance with binding existing commitments, making capital expenditures in excess of \$25,000 per project or related series of projects or \$50,000 in the aggregate;

entering into material transactions or making any material expenditures other than in the ordinary course of business except for expenses reasonably related to the completion of the merger.

First State Bank Management and Operations After the Merger

Immediately following the merger, First State Bank will be merged with and into Glacier Bank. It is anticipated that the former First State Bank branches will operate after the closing as First State Bank, a division of Glacier Bank, (referred to as the Division) consistent with Glacier's organizational structure. The current members of First State Bank's board of directors will serve as Glacier Division directors following the merger.

As described below under Interests of Certain Persons in the Merger, Ted Bentley, President and CEO of First State Bank, Bruce Hellbaum, Chief Financial Officer and Corporate Counsel of First State Bank, and Jeff Brown, Executive Vice President and Chief Credit Officer of First State Bank, have entered into employment agreements with Glacier, effective upon the closing of the merger, pursuant to which they will serve in their current capacities as officers of the Division.

Employee Benefit Plans

The merger agreement confirms Glacier's intent that Glacier's current personnel policies and benefits will apply to any employees of Bankshares and First State Bank who remain employed following the closing of the merger. Such employees will be eligible to participate in all of the benefit plans of Glacier that are generally available to similarly-situated employees of Glacier. For purposes of such participation, current employees' prior service with Bankshares and/or First State Bank will constitute prior service with Glacier for purposes of determining eligibility and vesting, including vacation time and participation and benefits under Glacier's Severance Plan for employees in effect at the time of any termination.

Interests of Certain Persons in the Merger

Certain members of the Bankshares board of directors and management may be deemed to have interests in the merger, in addition to their interests as shareholders of Bankshares generally. The Bankshares board of directors was aware of these factors and considered them, among other things, in approving the merger agreement.

Stock Ownership. Bankshares directors, executive officer and their spouses beneficially owned, as of the record date for the special meeting, 37,084 shares of Bankshares common stock, representing approximately 51.3% of all outstanding Bankshares shares. The directors and executive officers of Bankshares will receive the same consideration in the merger for their shares as other shareholders of Bankshares.

Voting Agreement. The directors and certain principal shareholders of Bankshares, together with certain executive officers of First State Bank, have entered into a voting agreement, dated as of February 25, 2013. Pursuant to the voting agreement, each signing director, executive officer

and principal shareholder agrees to

vote the shares of Bankshares common stock that he or she owns or controls in favor of the merger. A total of 49,319 outstanding shares, or approximately 68.2% of the outstanding shares of Bankshares common stock, are covered by the voting agreement.

Bankshares Director Non-Competition Agreement. Each member of the board of directors of Bankshares has entered into a non-competition agreement with Glacier, Bankshares and First State Bank. Except under certain limited circumstances, the non-competition agreement prohibits such directors from becoming involved in a business competing with Glacier or any of Glacier's subsidiaries, divisions or affiliates within Platte or Goshen Counties in Wyoming or any county in Wyoming into which Glacier or Glacier Bank expands their business during the term of the agreement. The term of the non-competition agreement commences upon the effective date of the merger and continues until the later of (i) two years following the closing of the merger or (ii) two years following termination of such director's service on the board of directors of the Division.

Employment Agreements. Glacier Bank has entered into employment agreements with certain current officers of First State Bank, including the following executive officers: Ted Bentley, President and Chief Executive Officer; Bruce Hellbaum, Chief Financial Officer and Corporate Counsel; and Jeff Brown, Executive Vice President and Chief Credit Officer. Other than variances in Aggregate Compensation, the employment agreements of Messrs. Bentley, Hellbaum and Brown are on substantially the same terms.

The employment agreements are effective on (and conditioned upon) the closing date of the merger and continue until December 31, 2015. The agreements provide that each executive will continue to serve in his current capacity as an executive of the Division. The agreements provide that the executive will receive specified Aggregate Compensation (annualized base salary, any director fees, 401(k) match, profit-sharing accrual and long-term incentive plan accrual). The total annual Aggregate Compensation payable to Messrs. Bentley, Hellbaum and Brown together as a group will be \$577,400. For calendar year 2013, each executive will be entitled to receive an amount equal to the Aggregate Compensation less all accrued benefits (as defined in the agreement) paid by First State Bank to the executive from January 1, 2013 to the closing date of the merger. Any shortfall in Aggregate Compensation at December 31 of any calendar year will be remedied through the payment of a year-end bonus. The executives will be eligible to participate in the Division's profit-sharing plan, short-term incentive plan and long-term incentive plan. Additionally, the executives will be entitled to participate in any group life insurance, disability, health and accident insurance plans, and other employee fringe benefit plans that Glacier or Glacier Bank may have in effect from time to time for its similarly situated employees.

If the executive's employment is terminated for Cause or the executive terminates his employment without Good Reason (as such terms are defined in the agreement), Glacier Bank will pay the executive the salary earned and expenses reimbursable incurred through the date of termination.

If the executive's employment is terminated without Cause or the executive terminates his employment for Good Reason, then contingent upon the executive's execution of a release of claims, Glacier Bank will pay the executive a lump sum payment equal to the lesser of (i) one times the executive's annual base salary at the time of termination or (ii) the amount of annual salary remaining to be paid under the term of the agreement.

The agreements provide that during the term of the agreement or one year after the executive's employment with Glacier Bank has ended if it ends before the term has expired, the executive will not engage in any activity within Platte or Goshen Counties, Wyoming, that is competitive with the business of Glacier or Glacier Bank. The executives will receive separate compensation for this non-compete provision, in the aggregate amount of \$2,500 per executive.

Additionally, the agreements provide that during the period of employment or one year after the executive's employment with Glacier Bank has ended if it ends before the term has expired, the executive will not persuade or entice, or attempt to persuade or entice, (i) any employee of Glacier or Glacier Bank to terminate his or her employment, or (ii) any person or entity to terminate its business relationship with Glacier or Glacier Bank.

Indemnification of Directors and Officers; Insurance. The merger agreement provides that Glacier will, for a period of four years following the closing of the merger, indemnify the present and former directors and officers of Bankshares and First State Bank against liabilities or costs that may arise in the future, incurred in connection with claims or actions arising out of or pertaining to matters that existed or occurred prior to the effective date of the merger (but excluding, to the extent such officer or director is an indemnifying party under the Indemnification Agreement, any claims for indemnification made against such former officer or director pursuant thereto). The scope of this indemnification is to the fullest extent that such persons would have been entitled to indemnification under applicable law and the articles of incorporation or bylaws of Bankshares and First State Bank, as applicable.

The merger agreement also provides that for a period of four years following the closing of the merger, Glacier will use reasonable efforts to cause to be maintained in effect, director and officer liability insurance substantially similar to that maintained by Glacier with respect to claims arising from facts or events that occurred before the effective date of the merger.

Regulatory Requirements

Closing of the merger is subject to approval by the appropriate banking regulatory authorities, including the Federal Reserve Bank of Minneapolis and the Wyoming State Banking Commissioner.

Accounting Treatment of the Merger

The acquisition of Bankshares will be accounted for using the purchase method of accounting by Glacier under accounting principles generally accepted in the United States of America. Accordingly, using the purchase method of accounting, the assets and liabilities of Bankshares will be recorded by Glacier at their respective fair values at the time of the merger. The excess of Glacier's purchase price over the net fair value of assets acquired including identifiable intangible assets and liabilities assumed will be recorded as goodwill. Goodwill will be periodically assessed for impairment but no less frequently than on an annual basis. Prior period financial statements are not restated and results of operation of Bankshares will be included in Glacier's consolidated statement of operations after the date of the merger. The identifiable intangible assets with finite lives, other than goodwill, will be amortized against the combined company's earnings following completion of the merger.

General

Under its articles of incorporation, Glacier's authorized capital stock consists of 117,187,500 shares of common stock, \$0.01 par value per share, and 1,000,000 shares of preferred stock, \$0.01 par value per share. No shares of preferred stock are currently outstanding.

Under its articles of incorporation, Bankshares' authorized capital consists of 200,000 shares of common stock, \$1.00 par value per share.

The following is a more detailed description of Glacier's and Bankshares' capital stock.

Common Stock

As of December 31, 2012, there were 71,937,222 shares of Glacier common stock issued and outstanding, in addition to options for the purchase of 791,440 shares of Glacier common stock under Glacier's employee and director stock option plans.

As of December 31, 2012, there were 72,289 shares of Bankshares common stock issued and outstanding.

Preferred Stock

As of the date of this proxy statement/prospectus, Glacier had no shares of preferred stock issued. The Glacier board of directors is authorized, without further shareholder action, to issue preferred stock shares with such designations, preferences and rights as the Glacier board of directors may determine.

Bankshares authorized capital does not include preferred stock.

Dividend Rights

Dividends may be paid on Glacier common stock as and when declared by the Glacier board of directors out of funds legally available for the payment of dividends. The Glacier board of directors may issue preferred stock that is entitled to such dividend rights as the board of directors may determine, including priority over the common stock in the payment of dividends.

The ability of Glacier to pay dividends basically depends on the amount of dividends paid to it by its subsidiaries. The payment of dividends is subject to government regulation, in that regulatory authorities may prohibit banks and bank holding companies from paying dividends in a manner that would constitute an unsafe or unsound banking practice. In addition, a bank may not pay cash dividends if doing so would reduce the amount of its capital below that necessary to meet minimum applicable regulatory capital requirements. State laws also limit a bank's ability to pay dividends. Accordingly, the dividend restrictions imposed on the subsidiaries by statute or regulation effectively may limit the amount of dividends Glacier can pay.

Table of Contents

Dividends may be paid on Bankshares common stock as and when declared by the Bankshares board of directors out funds legally available for the payment of dividends. Bankshares payment of dividends is generally subject to the same considerations described above with respect Glacier.

Voting Rights

All voting rights are currently vested in the holders of Glacier common stock and Bankshares common stock, with each share being entitled to one vote.

The articles of incorporation of Glacier provide that shareholders do not have cumulative voting rights in the election of directors. The articles of incorporation of Bankshares provide that shareholders do not have cumulative voting rights in the election of directors or for any other purpose.

Preemptive Rights

Glacier s shareholders do not have preemptive rights to subscribe to any additional securities that may be issued.

Bankshares shareholders do not have a preemptive right to acquire the corporation s shares or rights to acquire shares.

Liquidation Rights

If Glacier is liquidated, the holders of Glacier common stock are entitled to share, on a pro rata basis, Glacier s remaining assets after provision for liabilities. The Glacier board of directors is authorized to determine the liquidation rights of any preferred stock that may be issued.

If Bankshares is liquidated, the holders of Bankshares common stock are entitled to share, on a pro rata basis, Bankshares remaining assets after provision for liabilities.

Assessments

All outstanding shares of Glacier common stock are, and the shares to be issued in the merger will be, fully paid and nonassessable. Shares of Bankshares common stock are fully paid and nonassessable.

Amendment of Articles and Bylaws

The Montana Business Corporation Act (MBCA) authorizes a corporation s board of directors to make various changes of an administrative nature to its articles of incorporation. Other amendments to a corporation s articles of incorporation must be recommended to the shareholders by the board of directors, unless the board determines that because of a conflict of interest or other special circumstances it should make no recommendation, and must be approved by a majority of all votes entitled to be cast by each voting group that has a right to vote on the amendment. The Glacier board of directors may, by a majority vote, amend Glacier s bylaws.

The Wyoming Business Corporation Act (WBCA) authorized a corporation s board of directors to make various changes of an administrative nature to its articles of incorporation. Other amendments to a corporation s articles of incorporation must be recommended to the shareholders by the board of directors, unless the board determines that because of a conflict of interest or other special circumstances it should make no recommendation, and must be approved by the shareholders at a meeting at which a quorum exists. The bylaws of Bankshares provide that subject to repeal or change by action of the shareholders, the bylaws may be altered, amended or repealed, from time to time and in whole or in part, by the affirmative vote of a majority of the board of directors or by consent.

Table of Contents

Approval of Certain Transactions

The MBCA does not contain any anti-takeover provisions imposing specific requirements or restrictions on transactions between a corporation and significant shareholders. Glacier's articles of incorporation contain a provision requiring that specified transactions with an interested shareholder be approved by 80% of the voting power of the then outstanding shares unless it is (i) approved by Glacier's board of directors, or (ii) certain price and procedural requirements are satisfied. An interested shareholder is broadly defined to include the right, directly or indirectly, to acquire or to control the voting or disposition of 10% or more of Glacier's voting stock.

Bankshares' articles of incorporation do not contain any anti-takeover provisions.

Board of Directors Number of Directors

Glacier's articles of incorporation provide that the number of directors may not be less than seven or more than 17. Glacier's board currently consists of 11 members, each of whom is currently serving an annual term.

Bankshares' bylaws provide that the number of directors may not be less than three or more than fifteen. The board of directors of Bankshares currently consists of six members, each of whom is currently serving an annual term.

Indemnification and Limitation of Liability

Under the MBCA, indemnification of directors and officers is authorized to cover judgments, amounts paid in settlement, and expenses arising out of actions where the director or officer acted in good faith and in or not opposed to the best interests of the corporation, and in criminal cases, where the director or officer had no reasonable cause to believe that his or her conduct was unlawful. Unless limited by the corporation's articles of incorporation, Montana law requires indemnification if the director or officer is wholly successful on the merits of the action. Glacier's bylaws provide that Glacier shall indemnify its directors and officers to the fullest extent not prohibited by law, including indemnification for payments in settlement of actions brought against a director or officer in the name of the corporation, commonly referred to as a derivative action. Under the MBCA, any indemnification of a director in a derivative action must be reported to shareholders in writing prior to the next annual meeting of shareholders.

Glacier's articles of incorporation provide that the personal liability of directors and officers for monetary damages shall be eliminated to the full extent permitted by the MBCA.

Under the WBCA, indemnification of directors and officers is authorized to cover judgments, amounts paid in settlement, and expenses arising out of actions where the director or officer acted in good faith and in or at least not opposed to the best interests of the corporation, and in criminal cases, where the director or officer had no reasonable cause to believe that his or her conduct was unlawful. Unless limited by the corporation's articles of incorporation, Wyoming law requires indemnification if the director or officer is wholly successful on the merits of the action. Bankshares' bylaws provide that to the extent permitted or required by the WBCA, Bankshares shall indemnify its directors and officers and shall advance fees to such persons incurred in the applicable proceeding.

Bankshares' articles of incorporation provide that there shall be no personal liability, either direct or indirect, of any director to Bankshares or its shareholders for monetary damages for any breach of fiduciary duty as a director, except to the extent that the WBCA expressly prohibits the elimination of liability.

Potential Anti-Takeover Provisions

Glacier's articles of incorporation include certain provisions that could make more difficult the acquisition of Glacier by means of a tender offer, a proxy contest, merger or otherwise. These provisions consist of a

Table of Contents

requirement that any Business Combination (as defined in the articles of incorporation) be approved by the affirmative vote of not less than 80% of the voting power of the then outstanding shares unless it is either approved by the board of directors or certain price and procedural requirements are satisfied.

In addition, the authorization of preferred stock, which is intended primarily as a financing tool and not as a defensive measure against takeovers, may potentially be used by management to make more difficult uninvited attempts to acquire control of Glacier (for example, by diluting the ownership interest of a substantial shareholder, increasing the amount of consideration necessary for shareholder to obtain control, or selling authorized but unissued shares to friendly third parties).

The supermajority approval requirement for certain business transactions and the availability of Glacier's preferred stock for issuance without shareholder approval, may have the effect of lengthening the time required for a person to acquire control of Glacier through a tender offer, proxy contest or otherwise, and may deter any potentially unfriendly offers or other efforts to obtain control of Glacier. This could deprive Glacier's shareholders of opportunities to realize a premium for their Glacier common stock, even in circumstances where such action was favored by a majority of Glacier's shareholders.

Bankshares articles of incorporation do not contain anti-takeover provisions.

1.1 Effect of Merger±. Upon Closing of the Merger, pursuant to the provisions of the MBCA and the WBCA, all shares of Bankshares Stock issued and outstanding immediately prior to Closing, except for Proposed Dissenting Shares, will, by virtue of the Merger and without any action on the part of any holder of shares of Bankshares Stock, be converted into the right to receive in the aggregate:

- (i) \$10,620,000 in cash (the Total Cash Consideration), which may be increased or decreased pursuant to *Section 1.2.2(ii)*; and
- (ii) 1,652,000 shares of GBCI Common Stock (the Total Stock Consideration), which is subject to adjustment pursuant to *Sections 7.2.2, 7.3.1 and 7.3.2.*

Immediately following the Merger, pursuant to the Bank Merger Agreement, the Bank will be merged into Glacier Bank, with Glacier Bank as the resulting bank. It is anticipated that the former Bank branches will operate after Closing as First State Bank, a division of Glacier Bank, consistent with how the Glacier Bank Divisions are operated. The current members of the Bank's board of directors will, after Closing, serve as Division directors.

1.2 Merger Consideration±. Subject to the provisions of this Agreement, on the Effective Date:

1.2.1 Outstanding GBCI Common Stock±. The shares of GBCI Common Stock issued and outstanding immediately prior to the Effective Date will, on and after the Effective Date, remain as issued and outstanding shares of GBCI.

1.2.2 Outstanding Bankshares Stock±. Subject to the allocation provisions described in *Section 1.2.3*, each share of Bankshares Stock issued and outstanding immediately prior to the Execution Date, except for Proposed Dissenting Shares, will be converted into and represent the right to receive from GBCI (i) the Per Share Cash Consideration and (ii) the Per Share Stock Consideration (the Merger Consideration). For purposes of this Agreement, the following terms have the following meanings:

- (i) Closing Capital Differential means the positive or negative difference between the Bankshares Closing Capital and \$25,900,000.
- (ii) Per Share Cash Consideration means \$10,620,000 increased or decreased, as the case may be, by the amount of any Closing Capital Differential, divided by the number of shares of Bankshares Stock outstanding on the Effective Date. In lieu of increasing the Total Cash Consideration by the amount of any positive Closing Capital Differential pursuant to this *Section (ii)*, Bankshares may, in its discretion, declare and pay a special dividend to its shareholders in the amount of such Closing Capital Differential pursuant to *Section 4.13*.
- (iii) Per Share Stock Consideration means the number of shares of GBCI Common Stock determined by dividing the Total Stock Consideration by the number of shares of Bankshares Stock outstanding on the Effective Date.

1.2.3

Multiple Capacity Owner Allocations. Exhibit A to this Agreement sets forth each Multiple Capacity Owner identified by Bankshares and the shareholders of record comprising such Multiple Capacity Owner's ownership group (the Constituent Shareholders), including the number of shares of Bankshares Stock held by each such shareholder.

- (i) Notwithstanding the provisions of *Section 1.2.2*, each Multiple Capacity Owner may, together with its Constituent Shareholders, elect to aggregate their shares of Bankshares Stock (the Multiple Capacity Shares) so that the Per Share Stock Consideration and Per Share Cash Consideration that would otherwise be payable for each Multiple Capacity Share shall instead be aggregated into a pool of cash and GBCI Shares, which shall be allocated

Table of Contents

among the Multiple Capacity Shares as designated by the Multiple Capacity Owner and the Constituent Owners pursuant to an election statement (Election Form) that will be mailed with the Prospectus/Proxy Statement to Bankshares shareholders.

- (ii) For the avoidance of doubt, in no event will the total cash and GBCI Shares paid in the aggregate for a group of Multiple Capacity Shares differ from the sum of the aggregate Per Share Cash Consideration and the Per Share Stock Consideration that such shares would have received pursuant to *Section 1.2.2*. Furthermore, the total value of cash and/or GBCI Shares allocated to a Constituent Shareholder may not exceed the total Merger Consideration times the number of shares of Bankshares Stock held by such Constituent Shareholder. For this purpose, the value of a GBCI Share shall be deemed to be the GBCI Average Closing Price.
- (iii) Bankshares will update Exhibit A from time to time to reflect Multiple Capacity Owners and Constituent Shareholders who notify Bankshares in writing of their intent to allocate the Merger Consideration among their shares pursuant to this *Section 1.2.3*. Shareholders of Bankshares who do not provide Bankshares with such written notice and/or who do not properly complete the Election Form as described in the Prospectus/Proxy Statement shall not be treated as Multiple Capacity Owners and Constituent Owners for purposes of aggregating the Merger Consideration among their collective shares under this *Section 1.2.3* and shall instead receive the Per Share Cash Consideration and the Per Share Stock Consideration for each share of Bankshares stock held.

1.3 No Fractional Shares. No fractional shares of GBCI Common Stock will be issued. In lieu of fractional shares, if any, each holder of Bankshares Stock who is otherwise entitled to receive a fractional share of GBCI Common Stock will receive an amount of cash equal to the product of such fractional share times the GBCI Average Closing Price. Such fractional share interests will not include the right to vote or receive dividends or any interest on dividends. For purposes of this Agreement, the following terms have the following meanings:

- (i) Daily Closing Price for any Trading Day means the daily closing price per share of GBCI Common Stock on the NASDAQ Global Market, as reported on the website www.nasdaq.com.
- (ii) Determination Date means the tenth (10) day immediately preceding the Effective Date.

1.4 Payment to Dissenting Shareholders. Proposed Dissenting Shares will have the rights provided by the WBCA.

1.5 Deposit of Cash and Shares. On or before the Effective Date, GBCI will deposit, or will cause to be deposited, with the Exchange Agent, for the benefit of the holders of certificates representing Bankshares Stock, for exchange in accordance with this *Section 1.5*, (i) certificates representing the GBCI Shares; (ii) the aggregate cash consideration for payment of the Per Share Cash Consideration; and (iii) the cash in lieu of fractional shares to be paid in accordance with *Section 1.2.3*. Such cash and certificates for GBCI Shares, together with any dividends or distributions with respect thereto, are referred to in this Agreement as the Exchange Fund.

1.6 Certificates.

- 1.6.1 Letter of Transmittal.** Within two business days after the Closing, GBCI will cause the Exchange Agent to mail to each holder of record of a certificate evidencing Bankshares Stock shares (a Certificate) a form letter of transmittal (which will specify that delivery will be effected,

and risk of loss and title to the Certificates will pass, only upon delivery of the Certificates to the Exchange Agent) and instructions for use in effecting the surrender of the Certificates in accordance with *Section 1.6.2*.

- 1.6.2 Surrender of Certificates**. Subject to *Section 1.4*, each Certificate will, from and after the Effective Date, be deemed for all corporate purposes to represent and evidence only the right to receive the Merger Consideration (and cash for fractional shares). Following the Effective Date, holders of Certificates will exchange their Certificates in accordance with instructions provided by the Exchange Agent pursuant to *Section 1.6.1* and together with a properly completed and executed form of transmittal letter in order to affect their exchange for, as applicable, (i) certificates representing GBCI Common Stock; (ii) a check or, at the election of the Bankshares shareholder, a wire transfer (but only if the amount of cash included in that shareholder's Merger Consideration exceeds \$100,000), representing the cash consideration to be received pursuant to *Section 1.2.2 or Section 1.2.3*; and/or (iii) a check representing the amount of cash in lieu of fractional shares, if any. Until a Certificate is so surrendered, the holder will not be entitled to receive his, her or its portion of the Merger Consideration.
- 1.6.3 Issuance of Certificates in Other Names**. Any person requesting that any certificate evidencing GBCI Shares be issued in a name other than the name in which the surrendered Certificate is registered must: (1) establish to the Exchange Agent's satisfaction the right to receive the certificate evidencing GBCI Shares and (2) either pay to the Exchange Agent any applicable transfer or other taxes or establish to the Exchange Agent's satisfaction that all applicable taxes have been paid or are not required.
- 1.6.4 Lost, Stolen, and Destroyed Certificates**. With respect to a Certificate that has been lost, stolen or destroyed, the Exchange Agent will be authorized to issue or pay the holder's portion of the Merger Consideration in exchange thereof, if the holder provides the Exchange Agent with: (1) satisfactory evidence that the holder owns Bankshares Stock and that the certificate representing this ownership is lost, stolen, or destroyed, (2) any appropriate affidavit or security the Exchange Agent may require, and (3) any reasonable assurances that the Exchange Agent or GBCI may require.
- 1.6.5 Rights to Dividends and Distributions**. After the Effective Date, no holder of any Certificate will be entitled to receive any dividends or other distributions otherwise payable to holders of record of GBCI Common Stock on any date after the Effective Date, unless the holder (1) is entitled by this Agreement to receive a certificate representing GBCI Common Stock and (2) has surrendered in accordance with this Agreement his, her or its Certificates (or has met the requirements of *Section 1.6.4*) in exchange for certificates representing GBCI Shares. Surrender of Certificates will not deprive the holder of any dividends or distributions that the holder is entitled to receive as a record holder of Bankshares Stock on a date before the Effective Date. When the holder surrenders his, her or its Certificates in exchange for GBCI Shares, the holder will become a shareholder of record and will receive the amount, without interest, of any cash dividends and any other distributions distributed after the Effective Date on the whole number of GBCI Shares into which the holder's Bankshares Stock was converted at the Effective Date.
- 1.6.6 Checks in Other Names**. Any person requesting that a check for cash to be received in the Merger or cash in lieu of fractional shares be issued in a name other than the name in which the Certificate surrendered in exchange for the cash is registered, must establish to the Exchange Agent's satisfaction the right to receive this cash.
- 1.6.7 Undelivered Certificates**. Any portion of the Exchange Fund that remains unclaimed by shareholders of Bankshares on a date that is six months after the Effective Date may be paid to GBCI, at GBCI's election. To the extent so paid, holders of Bankshares Stock who have not, prior to such time, complied with the provisions of this *Section 1.6* will, from such time forward, look only to GBCI for payment of the Merger Consideration, the cash in lieu of fractional shares, and/or

unpaid dividends and distributions on the GBCI Shares deliverable with respect to each share of Bankshares Stock held by such holder as determined pursuant to this Agreement, in each case, without any interest. At the Closing, all properly executed documents required by this Agreement will be delivered to the proper party, in form consistent with this Agreement. 6.1 Director and Shareholder Agreements±. SECTION 7.

TERMINATION OF AGREEMENT AND ABANDONMENT OF TRANSACTION

7.1 Termination by Reason of Lapse of Time±. If Closing does not occur on or before the Termination Date, either GBCI or Bankshares may terminate this Agreement and the Merger if both of the following conditions are satisfied:

- (a) the terminating party's board of directors decides to terminate by a majority vote of all of its members; and
- (b) the terminating party delivers to the other party written notice that its board of directors has voted in favor of termination.

7.2 Termination Due To GBCI Average Closing Price Greater Than \$16.50±.

7.2.1 GBCI's Right to Terminate±. By specific action of its board of directors, GBCI may terminate this Agreement and the Merger by written notice to Bankshares on the Business Day immediately following the Determination Date, if the GBCI Average Closing Price is greater than \$16.50. (If GBCI declares or effects a stock dividend, reclassification, recapitalization, split-up, combination, exchange of shares or similar transaction between the Execution Date and the Determination Date, the price for the GBCI Common Stock will be appropriately adjusted for the purpose of applying this *Section 7.2.1*).

If GBCI elects to exercise its termination right pursuant to this *Section 7.2.1*, the provisions of *Section 7.2.2* will apply.

7.2.2 Bankshares' Right to Adjust Consideration±. If GBCI provides written notice to Bankshares in accordance with *Section 7.2.1*, then within three Business Days following Bankshares' receipt of such notice, Bankshares may elect by written notice to GBCI to accept an adjustment to the Total Stock Consideration through the issuance of fewer GBCI Shares; in such event, the Total Stock Consideration shall be the number of GBCI Shares equal to the quotient obtained by dividing \$27,258,000 by the GBCI Average Closing Price.

If Bankshares makes such election to accept such decrease in the number of GBCI Shares, no termination will occur pursuant to *Section 7.2.1*, and this Agreement will remain in effect according to its terms (except as the Total Stock Consideration has been adjusted).

7.3 Termination Due To GBCI Average Closing Price Less than \$13.50±.

7.3.1 GBCI Average Closing Price Between \$12.00 and \$13.50±. By specific action of its board of directors, Bankshares may terminate this Agreement and the Merger by written notice to GBCI on the Business Day immediately following the Determination Date, in the event that:

Edgar Filing: GLACIER BANCORP INC - Form S-4

- (i) The GBCI Average Closing Price is less than \$13.50 but not less than \$12.00 (with a proportionate adjustment in the event that outstanding shares of GBCI Common Stock shall be changed into a different number of shares by reason of any stock dividend, reclassification, recapitalization, split-up, combination, exchange of shares or similar transaction between the Execution Date and the Determination Date); and

Table of Contents

- (ii) The number obtained by dividing the GBCI Average Closing Price by \$17.07 (the Closing Price Change Ratio) is less than the number obtained by (a) dividing the Final Index Price by the Initial Index Price and then (b) multiplying the quotient so obtained by 0.90 (the Index Change Ratio).

If Bankshares elects to terminate pursuant to this *Section 7.3.1* and provides such written notice to GBCI, then within two Business Days following GBCI's receipt of such notice, GBCI may elect by written notice to Bankshares to adjust the Total Stock Consideration through the issuance of additional GBCI Shares; in such event, the Total Stock Consideration shall be the sum of 1,652,000 GBCI Shares plus the Additional GBCI Shares.

For purposes of this *Section 7.3.1*, the following terms have the meanings indicated below:

Additional GBCI Shares means the number of GBCI shares obtained by multiplying 1,652,000 GBCI Shares by the difference between the Index Change Ratio and the Closing Price Change Ratio.

Final Index Price means the Final Average Price for each company comprising the Index Group divided by its Initial Price.

Final Average Price means, with respect to any company belonging to the Index Group, the average Daily Closing Price of a share of common stock of such company, as reported on the consolidated transaction reporting system for the market or exchange on which such common stock is principally traded for the twenty (20) Trading Days immediately preceding the Determination Date.

Index Group means the 11 financial institutions listed on Exhibit B attached hereto, the common stock of all of which shall be publicly traded and as to which there shall not have been a publicly announced proposal at any time during the period beginning on the Execution Date and ending on the Determination Date. In the event that the common stock of any such company ceases to be publicly traded or a proposal to acquire any such company is announced at any time during the period beginning on the Execution Date and ending on the Determination Date, such company will be removed from the Index Group, and the remaining companies will be adjusted proportionately for the purposes of the determining the Final Index Price and the Initial Index Price. The 11 financial institutions are listed on Exhibit B.

Initial Index Price means \$11.00, which is the sum of each Initial Price for each Index Group member divided by that same Initial Price.

Initial Price means the price per share of the common stock of each company comprising the Index Group, as such prices are reported on the consolidated transactions reporting system for the market or exchange on which such common stock is principally traded, on February 22, 2013, which amount may be adjusted as described hereinabove in the definition of Index Group.

7.3.2 GBCI Average Closing Price Less Than \$12.00±.

- (i) By specific action of its board of directors, Bankshares may terminate this Agreement and the Merger by written notice to GBCI on the Business Day immediately following the Determination Date, if the GBCI Average Closing Price is less than \$12.00. (If GBCI declares or effects a stock dividend, reclassification, recapitalization, split-up, combination, exchange of shares or similar transaction between the Execution Date and the Determination Date, the price for the GBCI Common Stock will be appropriately adjusted for the purpose of applying this *Section 7.3.2*.) If Bankshares elects to exercise its termination right pursuant to this *Section 7.3.2(i)*, the provisions of *Section 7.3.2(ii)* will apply.
- (ii) If Bankshares provides written notice to GBCI in accordance with *Section 7.3.2(i)*, then within three Business Days following GBCI's receipt of such notice, GBCI may elect by written notice to Bankshares to adjust the Total Stock Consideration through the issuance of

Table of Contents

additional GBCI Shares; in such event, the Total Stock Consideration shall be the number of GBCI Shares equal to the quotient obtained by dividing \$19,824,000 by the GBCI Average Closing Price.

7.3.3 Effect of Adjustments±. If GBCI elects to increase the Total Stock Consideration pursuant to this *Section 7.3*, then no termination will occur pursuant to *Section 7.3.1* or *Section 7.3.2*, and this Agreement will remain in effect according to its terms (except as the Total Stock Consideration has been adjusted).

7.4 Other Grounds for Termination±. This Agreement and the Merger may be terminated at any time before Closing (whether before or after applicable approval of this Agreement by Bankshares' shareholders, unless otherwise provided) as follows:

7.4.1 Mutual Consent±. By mutual consent of Bankshares and GBCI, if the board of directors of each party agrees to terminate by a majority vote of all of its members.

7.4.2 No Regulatory Approvals±. By either party, if the regulatory approvals required by *Section 5.1* are denied (or if any such required approval is conditioned on a substantial deviation from the Merger); provided, however, that either party will have fifteen (15) Business Days following receipt of such denial to appeal the decision, and if such appeal is timely made, either party will have sixty (60) days to prosecute diligently and overturn such denial, and such other party may not terminate this Agreement pursuant to this *Section 7.4.2* during such period of time; provided further, however, either party shall be entitled to terminate this Agreement pursuant to *Section 7.1* during such period of time.

7.4.3 Breach of Representation±. By either party (provided that the terminating party is not then in material breach of any of its representations, warranties, agreements or covenants in this Agreement if they are not qualified as to materiality and is not then in breach of any of its representations, warranties, agreements or covenants in this Agreement if they are qualified as to materiality) if there has been a material breach of any of the representations or warranties set forth in this Agreement that are not qualified as to materiality or a breach of any of the representations or warranties set forth in this Agreement that are qualified as to materiality on the part of the other party, which breach is not cured within thirty days following written notice to the party committing such breach, or which breach, by its nature, cannot be cured prior to the end of such thirty day period; provided, however, that neither party will have the right to terminate this Agreement pursuant to this *Section 7.4.3* unless the breach of such representation or warranty, together with any other such breaches, would entitle the party receiving such representation not to consummate the transactions contemplated hereby under *Section 5.2.1* (in the case of a breach of a representation or warranty by Bankshares) or *Section 5.3.1* (in the case of a breach of a representation or warranty by GBCI). In the event of termination pursuant to this *Section 7.4.3* and excluding *Section 7.4.6*, the terminating party will be entitled to receive from the other party a termination fee as described below.

7.4.4 Breach of Covenant±. By either party (provided that the terminating party is not then in material breach of any of its representations, warranties, agreements or covenants in this Agreement if they are not qualified as to materiality and is not then in breach of any of its representations, warranties, agreements or covenants in this Agreement if they are qualified as to materiality) if there has been a material breach of any of the covenants or agreements set forth in this Agreement that are not qualified as to materiality or a breach of any of the covenants or agreements set forth in this Agreement that are qualified as to materiality on the part of the other party, which breach is not cured within thirty days following written notice to the party committing such breach, or which breach, by its nature, cannot be cured prior to the end of such thirty day period. In the event of termination pursuant to this *Section 7.4.4*, the terminating party will be entitled to receive from the other party a termination fee.

- 7.4.5 Failure to Recommend or Obtain Shareholder Approval**±. - 7.4.6 Impracticability**±. By either GBCI or Bankshares, upon written notice given to the other party, if the board of directors of the party seeking termination under this *Section 7.4.6* has determined in its sole judgment, made in good faith and after due consideration and consultation with counsel, that the Merger has become inadvisable or impracticable by reason of actions taken by the federal government or the governments of the States of Montana or Wyoming to restrain or invalidate the Merger or this Agreement.
- 7.4.7 Superior Proposal Termination by Bankshares**±. By the board of directors of Bankshares upon written notice to GBCI if such board of directors has in good faith determined that a takeover proposal constitutes a Superior Proposal; provided, however, that Bankshares may not terminate this Agreement pursuant to this *Section 7.4.7* unless (i) it has not breached *Section 4.1.10*, (ii) subsequent to delivering such notice of termination, it intends to enter into a letter of intent, acquisition agreement or similar agreement relating to such Superior Proposal, (iii) it has provided GBCI at least five (5) days prior written notice advising GBCI that the board of directors of Bankshares is prepared to accept a Superior Proposal and has given GBCI, if it so elects, an opportunity to amend the terms of this Agreement (and negotiated with GBCI in good faith with respect to such terms) in such a manner as would enable Bankshares board of directors to proceed with the Merger, and (iv) simultaneously upon entering into such letter of intent, acquisition agreement or similar agreement relating to such Superior Proposal referred to in clause (ii), it delivers to GBCI the Break-Up Fee.
- 7.4.8 Superior Proposal Termination by GBCI**±. By GBCI upon written notice to Bankshares if (i) an Acquisition Event will have occurred or (ii) a third party will have made a proposal to Bankshares or its shareholders to engage in or entered into an agreement with respect to an Acquisition Event, and this Agreement and the Merger are not approved at the Bankshares Meeting.
- 7.5 Termination Fee Payable By Bankshares**±. Due to expenses, direct and indirect, incurred by GBCI in negotiating and executing this Agreement and in taking steps to effect the Merger, Bankshares will pay to GBCI a termination fee of \$300,000 if GBCI terminates this Agreement pursuant to *Sections 7.4.3* (breach of representation) or *7.4.4* (breach of covenant). If such termination fee becomes payable pursuant to this *Section 7.5*, it will be payable on GBCI's demand and must be paid by Bankshares within three Business Days following the date of GBCI's demand.
- 7.6 Termination Fee Payable By GBCI**±. Due to expenses, direct and indirect, incurred by Bankshares in negotiating and executing this Agreement and in taking steps to effect the Merger, GBCI will pay to Bankshares a termination fee of \$300,000 if Bankshares terminates this Agreement pursuant to *Sections 7.4.3* (breach of representation) or *7.4.4* (breach of covenant). If such termination fee becomes payable pursuant to this *Section 7.6*, it will be payable on Bankshares' demand and must be paid by GBCI within three Business Days following the date of Bankshares' demand.
- 7.7 Break-Up Fee**±. If this Agreement is terminated pursuant to *Section 7.4.5(a)* (Failure to Recommend), *Section 7.4.7* (Superior Proposal Termination by Bankshares), or *Section 7.4.8(i)* (Superior Proposal Termination by GBCI Immediate Acquisition Event), then Bankshares will immediately pay to GBCI \$1,770,000 (the Break-Up Fee). If this Agreement is terminated pursuant to *Section 7.4.8(ii)* (Superior Proposal Termination by GBCI Subsequent Acquisition Event) and prior to or within six months after such termination, Bankshares or the Bank enters into an agreement, or publicly announces an intention, to

- 8.3 Construction and Execution in Counterparts**. - 8.4 Survival of Representations, Warranties, and Covenants**. A single arbitrator agreed on by the parties will conduct the arbitration. If the parties cannot agree on a single arbitrator, each party must select one arbitrator and those two arbitrators will select a third arbitrator. This third arbitrator will hear the dispute. The arbitrator will provide the parties with a written decision naming the substantially prevailing party in the action. This prevailing party is entitled to reimbursement from the other party for its costs and expenses, including reasonable attorneys' fees. Any arbitration or related proceedings will take place in Billings, Montana.
- 8.7 Governing Law and Venue**. This Agreement will be governed by and construed in accordance with the laws of the State of Montana, except to the extent that federal law may govern certain matters. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of and be enforceable by the parties and their respective successors and assigns. SECTION 9.

AMENDMENTS

Subject to applicable law, this Agreement and the form of any attached Exhibit or Schedule may be amended upon authorization of the boards of directors of the parties, whether before or after the Bankshares Meeting; provided, however, that after approval by Bankshares shareholders, no amendment will be made changing the form or reducing the amount of consideration to be received by the shareholders of Bankshares without the further approval of such shareholders. (a) A shareholder is entitled to dissent from, and to obtain payment of the fair value of his shares in the event of, any of the following corporate actions:

(i) Consummation of a plan of merger or consolidation to which the corporation is a party if:

(A) Shareholder approval is required for the merger or the consolidation by W.S. 17-16-1103 or 17-16-1111 or the articles of incorporation and the shareholder is entitled to vote on the merger or consolidation; or

(B) The corporation is a subsidiary that is merged with its parent under W.S. 17-16-1104.

(ii) Consummation of a plan of share exchange to which the corporation is a party as the corporation whose shares will be acquired, if the shareholder is entitled to vote on the plan;

(iii) Consummation of a sale or exchange of all, or substantially all, of the property of the corporation other than in the usual and regular course of business, if the shareholder is entitled to vote on the sale or exchange, including a sale in dissolution, but not including a sale pursuant to court order or a sale for cash pursuant to a plan by which all or substantially all of the net proceeds of the sale will be distributed to the shareholders within one (1) year after the date of sale;

(iv) An amendment of the articles of incorporation that materially and adversely affects rights in respect of a dissenter's shares because it:

(A) Alters or abolishes a preferential right of the shares;

(B) Creates, alters or abolishes a right in respect of redemption, including a provision respecting a sinking fund for the redemption or repurchase, of the shares;

(C) Alters or abolishes a preemptive right of the holder of the shares to acquire shares or other securities;

(D) Excludes or limits the right of the shares to vote on any matter, or to cumulate votes, other than a limitation by dilution through issuance of shares or other securities with similar voting rights; or

(E) Reduces the number of shares owned by the shareholder to a fraction of a share if the fractional share so created is to be acquired for cash under W.S. 17-16-604.

(b) A shareholder entitled to dissent and obtain payment for his shares under this article may not challenge the corporate action creating his entitlement unless the action is unlawful or fraudulent with respect to the shareholder or the corporation.

Table of Contents

17-16-1303. Dissent by nominees and beneficial owners.

(a) A record shareholder may assert dissenters' rights as to fewer than all the shares registered in his name only if he dissents with respect to all shares beneficially owned by any one (1) person and notifies the corporation in writing of the name and address of each person on whose behalf he asserts dissenters' rights. The rights of a partial dissenter under this subsection are determined as if the shares as to which he dissents and his other shares were registered in the names of different shareholders.

(b) A beneficial shareholder may assert dissenters' rights as to shares held on his behalf only if:

(i) He submits to the corporation the record shareholder's written consent to the dissent not later than the time the beneficial shareholder asserts dissenters' rights; and

(ii) He does so with respect to all shares of which he is the beneficial shareholder or over which he has power to direct the vote.

17-16-1320. Notice of dissenters' rights.

(a) If proposed corporate action creating dissenters' rights under W.S. 17-16-1302 is submitted to a vote at a shareholders' meeting, the meeting notice shall state that shareholders are or may be entitled to assert dissenters' rights under this article and be accompanied by a copy of this article.

(b) If corporate action creating dissenters' rights under W.S. 17-16-1302 is taken without a vote of shareholders, the corporation shall notify in writing all shareholders entitled to assert dissenters' rights that the action was taken and send them the dissenters' notice described in W.S. 17-16-1322.

17-16-1321. Notice of intent to demand payment.

(a) If proposed corporate action creating dissenters' rights under W.S. 17-16-1302 is submitted to a vote at a shareholders' meeting, a shareholder who wishes to assert dissenters' rights shall deliver to the corporation before the vote is taken written notice of his intent to demand payment for his shares if the proposed action is effectuated and shall not vote his shares in favor of the proposed action.

(b) A shareholder who does not satisfy the requirements of subsection (a) of this section is not entitled to payment for his shares under this article.

17-16-1322. Dissenters' notice.

(a) If proposed corporate action creating dissenters' rights under W.S. 17-16-1302 is authorized at a shareholders' meeting, the corporation shall deliver a written dissenters' notice to all shareholders who satisfied the requirements of W.S. 17-16-1321.

(b) The dissenters' notice shall be sent no later than ten (10) days after the corporate action was taken, and shall:

(i) State where the payment demand shall be sent and where and when certificates for certificated shares shall be deposited;

(ii) Inform holders of uncertificated shares to what extent transfer of the shares will be restricted after the payment demand is received;

(iii) Supply a form for demanding payment that includes the date of the first announcement to news media or to shareholders of the terms of the proposed corporate action and requires that the person asserting dissenters' rights certify whether or not he acquired beneficial ownership of the shares before that date;

Table of Contents

(iv) Set a date by which the corporation shall receive the payment demand, which date may not be fewer than thirty (30) nor more than sixty (60) days after the date the notice required by subsection (a) of this section is delivered; and

(v) Be accompanied by a copy of this article.

17-16-1323. Duty to demand payment.

(a) A shareholder sent a dissenters notice described in W.S. 17-16-1322 shall demand payment, certify whether he acquired beneficial ownership of the shares before the date required to be set forth in the dissenters notice pursuant to W.S. 17-16-1322(b)(iii), and deposit his certificates in accordance with the terms of the notice.

(b) The shareholder who demands payment and deposits his share certificates under subsection (a) of this section retains all other rights of a shareholder until these rights are cancelled or modified by the taking of the proposed corporate action.

(c) A shareholder who does not demand payment or deposit his share certificates where required, each by the date set in the dissenters notice, is not entitled to payment for his shares under this article.

17-16-1324. Share restrictions.

(a) The corporation may restrict the transfer of uncertificated shares from the date the demand for their payment is received until the proposed corporate action is taken or the restrictions released under W.S. 17-16-1326.

(b) The person for whom dissenters rights are asserted as to uncertificated shares retains all other rights of a shareholder until these rights are cancelled or modified by the taking of the proposed corporate action.

17-16-1325. Payment.

(a) Except as provided in W.S. 17-16-1327, as soon as the proposed corporate action is taken, or upon receipt of a payment demand, the corporation shall pay each dissenter who complied with W.S. 17-16-1323 the amount the corporation estimates to be the fair value of his shares, plus accrued interest.

(b) The payment shall be accompanied by:

(i) The corporation's balance sheet as of the end of a fiscal year ending not more than sixteen (16) months before the date of payment, an income statement for that year, a statement of changes in shareholders equity for that year, and the latest available interim financial statements, if any;

(ii) A statement of the corporation's estimate of the fair value of the shares;

(iii) An explanation of how the interest was calculated;

(iv) A statement of the dissenter's right to demand payment under W.S. 17-16-1328; and

(v) A copy of this article.

17-16-1326. Failure to take action.

(a) If the corporation does not take the proposed action within sixty (60) days after the date set for demanding payment and depositing share certificates, the corporation shall return the deposited certificates and release the transfer restrictions imposed on uncertificated shares.

Table of Contents

(b) If after returning deposited certificates and releasing transfer restrictions, the corporation takes the proposed action, it shall send a new dissenters notice under W.S. 17-16-1322 and repeat the payment demand procedure.

17-16-1327. After-acquired shares.

(a) A corporation may elect to withhold payment required by W.S. 17-16-1325 from a dissenter unless he was the beneficial owner of the shares before the date set forth in the dissenters notice as the date of the first announcement to news media or to shareholders of the terms of the proposed corporate action.

(b) To the extent the corporation elects to withhold payment under subsection (a) of this section, after taking the proposed corporate action, it shall estimate the fair value of the shares, plus accrued interest, and shall pay this amount to each dissenter who agrees to accept it in full satisfaction of his demand. The corporation shall send with its offer a statement of its estimate of the fair value of the shares, an explanation of how the interest was calculated, and a statement of the dissenter's right to demand payment under W.S. 17-16-1328.

17-16-1328. Procedure if shareholder dissatisfied with payment or offer.

(a) A dissenter may notify the corporation in writing of his own estimate of the fair value of his shares and amount of interest due, and demand payment of his estimate, less any payment under W.S. 17-16-1325, or reject the corporation's offer under W.S. 17-16-1327 and demand payment of the fair value of his shares and interest due, if:

(i) The dissenter believes that the amount paid under W.S. 17-16-1325 or offered under W.S. 17-16-1327 is less than the fair value of his shares or that the interest due is incorrectly calculated;

(ii) The corporation fails to make payment under W.S. 17-16-1325 within sixty (60) days after the date set for demanding payment; or

(iii) The corporation, having failed to take the proposed action, does not return the deposited certificates or release the transfer restrictions imposed on uncertificated shares within sixty (60) days after the date set for demanding payment.

(b) A dissenter waives his right to demand payment under this section unless he notifies the corporation of his demand in writing under subsection (a) of this section within thirty (30) days after the corporation made or offered payment for his shares.

17-16-1330. Court action.

(a) If a demand for payment under W.S. 17-16-1328 remains unsettled, the corporation shall commence a proceeding within sixty (60) days after receiving the payment demand and petition the court to determine the fair value of the shares and accrued interest. If the corporation does not commence the proceeding within the sixty (60) day period, it shall pay each dissenter whose demand remains unsettled the amount demanded.

(b) The corporation shall commence the proceeding in the district court of the county where a corporation's principal office, or if none in this state, its registered office, is located. If the corporation is a foreign corporation without a registered office in this state, it shall commence the proceeding in the county in this state where the registered office of the domestic corporation merged with or whose shares were acquired by the foreign corporation was located.

(c) The corporation shall make all dissenters, whether or not residents of this state, whose demands remain unsettled parties to the proceeding as in an action against their shares and all parties shall be served with a copy of the petition. Nonresidents may be served by registered or certified mail or by publication as provided by law.

Table of Contents

(d) The jurisdiction of the court in which the proceeding is commenced under subsection (b) of this section is plenary and exclusive. The court may appoint one (1) or more persons as appraisers to receive evidence and recommend decision on the question of fair value. The appraisers have the powers described in the order appointing them, or in the amendment to it. The dissenters are entitled to the same discovery rights as parties in other civil proceedings.

(e) Each dissenter made a party to the proceeding is entitled to judgment for:

(i) The amount, if any, by which the court finds the fair value of his shares, plus interest, exceeds the amount paid by the corporation; or

(ii) The fair value, plus accrued interest, of his after-acquired shares for which the corporation elected to withhold payment under W.S. 17-16-1327.

17-16-1331. Court costs and counsel fees.

(a) The court in an appraisal proceeding commenced under W.S. 17-16-1330 shall determine all costs of the proceeding, including the reasonable compensation and expenses of appraisers appointed by the court. The court shall assess the costs against the corporation, except that the court may assess costs against all or some of the dissenters, in amounts the court finds equitable, to the extent the court finds the dissenters acted arbitrarily, vexatiously, or not in good faith in demanding payment under W.S. 17-16-1328.

(b) The court may also assess the fees and expenses of counsel and experts for the respective parties, in amounts the court finds equitable:

(i) Against the corporation and in favor of any or all dissenters if the court finds the corporation did not substantially comply with the requirements of W.S. 17-16-1320 through 17-16-1328; or

(ii) Against either the corporation or a dissenter, in favor of any other party, if the court finds that the party against whom the fees and expenses are assessed acted arbitrarily, vexatiously, or not in good faith with respect to the rights provided by this article.

(c) If the court finds that the services of counsel for any dissenter were of substantial benefit to other dissenters similarly situated, and that the fees for those services should not be assessed against the corporation, the court may award to these counsel reasonable fees to be paid out of the amounts awarded the dissenters who were benefited.

APPENDIX C

February 21, 2013

PERSONAL AND CONFIDENTIAL

The Board of Directors

Wheatland Bankshares, Inc.

1405 16th Street

Wheatland, WY 82201

Members of the Board:

You have requested our opinion as to the fairness, from a financial point of view, as of the date hereof, of the consideration to be received by the holders of the issued and outstanding shares of common stock, \$1.00 par value (the Common Stock) of Wheatland Bankshares, Inc. (Bankshares), pursuant to the draft Plan and Agreement of Merger, dated as of January 15, 2013 (the Agreement), by and among Bankshares, First State Bank (the Bank), Glacier Bankcorp, Inc. (Buyer), and Glacier Bank.

As more specifically set forth in the Agreement, and subject to a number of terms, conditions and procedures described in the Agreement, at the effective time Bankshares will be merged with and into the Buyer (the Merger), the separate corporate existence of Bankshares shall cease and the Buyer shall be the surviving corporation. All of the shares of Bankshares Common Stock issued and outstanding immediately prior to the effective time of the Merger (other than shares held in Bankshares treasury and shares as to which dissenters rights of appraisal have been elected and not withdrawn) will be exchanged for approximately 22.8527 shares of Buyer common stock for each Bankshare share and approximately \$147 per share in cash (Merger Consideration). The Merger Consideration may be subject to downward adjustment at closing in accordance with the provisions of Sections 1.2.2 and 4.12 of the Agreement if Bankshares Closing Capital (as that term is defined therein) does not exceed a specified amount.

St. Charles Capital, LLC (St. Charles), as part of its investment banking business, is customarily engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, private placements and valuations for estate, corporate and other purposes.

In connection with rendering this opinion, we have reviewed and analyzed, among other things, the following:

- (i) the draft Agreement, including the exhibits and schedules thereto;
- (ii) certain financial statements and other financial information of Bankshares, including the Audited Financial Statements and Regulatory Financial Statements of Bankshares for each of the years in the three year period ended December 31, 2012 and the Regulatory Financial Statements for the Bank for the quarter ended December 31, 2012;
- (iii) certain other internal information, primarily financial in nature, including projections concerning the business and operations of Bankshares and the Bank furnished to us by Bankshares for purposes of our analysis;
- (iv) certain publicly available information with respect to certain other companies that we believe to be comparable to Bankshares, and the trading markets for such other companies securities;

Table of Contents

- (v) certain publicly available information concerning the nature and terms of certain other transactions that we considered relevant to our inquiry;
- (vi) certain publicly available information concerning the Buyer;
- (vii) the economic, banking and competitive climate for banking institutions in Wyoming;
- (viii) the business and prospects of Bankshares through meetings and discussions with certain officers of Bankshares; and
- (ix) other matters we believe relevant to our inquiry.

In our review and analysis and in arriving at our opinion, we have assumed and relied upon the accuracy and completeness of all of the financial and other information provided to us or publicly available and have assumed and relied upon the representations and warranties of Bankshares and Buyer contained in the Agreement. We have not been engaged to, and have not independently attempted to, verify any of such information. We have also relied upon the management of Bankshares as to the reasonableness and achievability of the financial and operating projections (and the assumptions and bases therefor) provided to us and, with your consent, we have assumed that such projections reflect the best currently available estimates and judgments of management of Bankshares. We have not been engaged to assess the reasonableness or achievability of such projections or the assumptions on which they were based and express no view as to such projections or assumptions. In addition, we have not conducted a physical inspection or appraisal of any of Bankshares' assets, properties or facilities, nor have we been furnished with any such evaluation or appraisal. We have also assumed that the conditions of the Merger as set forth in the Agreement would be satisfied and that the Merger would be consummated on a timely basis in the manner contemplated by the Agreement.

It should be noted that this opinion is based on economic and market conditions and other circumstances existing on, and information made available as of, the date hereof and does not address any matters subsequent to such date. In addition, our opinion is, in any event, limited to the fairness, as of the date hereof, from a financial point of view, of the Merger Consideration to be received by Bankshares' stockholders pursuant to the Agreement and does not address Bankshares' underlying business decision to effect the Merger, the process by which the transaction was conducted, or any other terms of the Merger. It should be noted that although subsequent developments may affect this opinion, we do not have any obligation to update, revise or reaffirm our opinion.

It is understood that this opinion was prepared solely for the confidential use of the Board of Directors of Bankshares and may not be disclosed, summarized, excerpted from or otherwise publicly referred to without our prior written consent, which will not be unreasonably withheld. Notwithstanding the foregoing, this opinion may be included in the proxy statement to be mailed to the holders of Bankshares' Common Stock in connection with the Merger, provided that this opinion will be reproduced in such proxy statement in full, and any description of, or reference to, us or our actions, or any summary of the opinion in such proxy statement, will be in a form reasonably acceptable to us and our counsel. Our opinion does not constitute a recommendation to any stockholder of Bankshares as to how such stockholder should vote at the stockholders meeting held in connection with the Merger. We do not express an opinion about the fairness of the amount of or nature of the compensation to any of Bankshares' officers, directors or employees, or class of persons, relative to the compensation to the shareholders of Bankshares.

We were engaged by the Board to render this opinion in connection with the Board's discharge of its fiduciary obligations. We have advised the Board that we do not believe that any person (including a stockholder of Bankshares) other than the directors has the legal right to rely on this opinion for any claim arising under state law and that, should any such claim be brought against us, this assertion will be raised as a defense. This opinion has been reviewed by the St. Charles Fairness Opinion Committee.

We have acted as a financial adviser to Bankshares in connection with the Merger and will receive from Bankshares a fee for our services, a significant portion of which is contingent upon the consummation of the

Transaction, as well as Bankshares' agreement to indemnify us under certain circumstances. We are not receiving additional compensation for rendering this opinion.

Based upon and subject to the foregoing and such other matters as we consider relevant, it is our opinion that as of the date hereof, the Merger Consideration is fair, from a financial point of view, to the holders of Bankshares' Common Stock.

Very truly yours,

St. Charles Capital, LLC

Item 20. Indemnification of Directors and Officers

Sections 35-1-451 through 35-1-459 of the Montana Business Corporation Act (MBCA) contain specific provisions relating to indemnification of directors and officers of Montana corporations. In general, the statute provides that (i) a corporation must indemnify a director or officer who is wholly successful in his defense of a proceeding to which he is a party because of his status as such, unless limited by the articles of incorporation, and (ii) a corporation may indemnify a director or officer if he is not wholly successful in such defense, if it is determined as provided in the statute that the director meets a certain standard of conduct, provided that when a director is liable to the corporation, the corporation may not indemnify him. The statute also permits a director or officer of a corporation who is a party to a proceeding to apply to the courts for indemnification or advance of expenses, unless the articles of incorporation provide otherwise, and the court may order indemnification or advancement of expenses under certain circumstances set forth in the statute. The statute further provides that a corporation may in its articles of incorporation or bylaws or by resolution provide indemnification in addition to that provided by statute, subject to certain conditions set forth in the statute.

The articles of incorporation of Glacier provide, among other things, that the personal liability of the directors and officers of the corporation for monetary damages shall be eliminated to the fullest extent permitted by the MBCA. Glacier 's bylaws provide that the corporation shall indemnify its directors and officers to the fullest extent not prohibited by law, including indemnification for payments in settlement of actions brought against a director or officer in the name of the corporation.
