Dear Shareholder:

Starboard Value and Opportunity Master Fund Ltd and the other participants described herein (collectively, Starboard) have commenced a process seeking to remove, without cause, four current members of your Board of Directors of Office Depot, Inc. (Office Depot or the Company) and fill the vacancies created by such removals with individuals selected by Starboard.

The Board strongly believes that Starboard s actions are not in the best interests of the Company or its shareholders. 2. Show your support for your Board and fellow shareholders by signing, dating and mailing the enclosed **BLUE** Consent Revocation Card; and

CONSENT REVOCATION STATEMENT

BY THE BOARD OF DIRECTORS OF OFFICE DEPOT, INC.

IN OPPOSITION TO

A CONSENT SOLICITATION BY STARBOARD VALUE AND OPPORTUNITY MASTER FUND LTD

May , 2013

This Consent Revocation Statement and the enclosed **BLUE** Consent Revocation Card are furnished by the Board of Directors (the Board or the Board of Directors) of Office Depot, Inc., a Delaware corporation (the Company or Office Depot), to the holders of outstanding shares of the Company s common stock, par value \$0.01 per share (the Common Stock), in connection with your Board s opposition to the solicitation of written shareholder consents (the Starboard Consent Solicitation) by Starboard Value and Opportunity Master Fund Ltd, a Cayman Islands exempted company (Starboard V&O Fund), Starboard Value and Opportunity S LLC, a Delaware limited liability company (Starboard LLC), Starboard Value LP, a Delaware limited partnership (Starboard Value LP), Starboard Value GP LLC, a Delaware limited liability company (Starboard Value GP), Starboard Principal Co LP, a Delaware limited partnership (Principal GP), Jeffrey C. Smith, Mark R. Mitchell, and Peter A. Feld, (collectively Starboard), and the Starboard Nominees listed below (together with Starboard, the Starboard Group). This Consent Revocation Statement and the enclosed **BLUE** Consent Revocation Card are first being mailed to shareholders on or about May , 2013.

The Board believes, for the reasons specified under the section entitled Reasons to Reject The Starboard Consent Proposals below, that the introduction of the Starboard Nominees in the middle of ongoing attempts to implement the Company s business plan may cause disruption to the business and operation of the Company during this critical time when the Board believes its efforts are best spent focused on consummating the OfficeMax Merger (defined in the section entitled Background of the Starboard Consent Solicitation below) and undertaking such other strategic initiatives such as the potential sale of Office Depot de Mexico which the Board believes will maximize value for all the Company s shareholders, rather than addressing these untimely efforts by Starboard. Your Board remains committed to acting in the best interests of all of the Company s shareholders and believes that the Company is well positioned to maximize value for all of the Company s shareholders.

Your directors have been selected through corporate governance processes described in detail in the Company s annual proxy statement and this Consent Revocation Statement. Each member of the Board other than Neil Austrian is an independent director under the criteria established by the New York Stock Exchange (the NYSE) for director independence. A consent in favor of the Starboard Consent Solicitation would be a consent to remove, without cause, 40% of the members of your duly elected Board and to replace them with the Starboard Group Nominees. If successful, this action would significantly reconstitute the board of directors into one of which 40% of the representation was nominated by Starboard, a beneficial owner of approximately 14.8% of the Company s outstanding Common Stock, or 11.5% of the outstanding Common Stock entitled to vote in a consent solicitation, when including the voting power of BC Partners Inc. (together with its affiliates BC Partners).

Specifically, the Starboard Group is asking you: (1) to repeal any provisions of the Amended and Restated Bylaws (the "Bylaws") of Office Depot in effect at the time the proposal becomes effective, which were not included in the Bylaws that became effective on February 22, 2013 and were filed with the Securities and Exchange Commission (the "SEC") on that date, (2) to remove without cause four members of the Board, including any person (other than those elected by this consent solicitation) elected or appointed to the Board to fill any vacancy on the Board or any newly created directorships after _____, 2013 and prior to the effectiveness of the proposals, (3) to amend Article III, Section 4 of the Bylaws, as set forth on Schedule III to the Consent Statement filed by Starboard Value V&O Fund on _____, 2013 (the "Starboard Consent Statement"), to provide that any vacancies on the Board resulting from the removal of directors by the shareholders of Office Depot may be filled by the shareholders of the Company, (4) to amend Article III, Section 2 of the Bylaws, as set forth on Schedule IV to the Starboard Consent Statement, to provide that the number of directors which shall constitute the Board may be established by the shareholders of the Company, (5) in the event that the BC Partners director is removed, to increase the size of the Board to eleven members and (6) to elect as directors the Starboard Group's nominees: _____, _____, _____, and _____, to serve as directors of the Company (or if any such nominee is unable or unwilling to serve as director of the Company, any other person designated as a nominee by the remaining nominee or nominees (the "Starboard Group Nominees").

The Board urges you to rely on your independent Corporate Governance and Nominating Committee and the shareholder nomination process to create a board composition that fits the needs of the Company and represents all of the Company's shareholders.

THE BOARD HAS UNANIMOUSLY DETERMINED THAT THE STARBOARD CONSENT SOLICITATION IS NOT IN THE BEST INTERESTS OF THE COMPANY AND ITS SHAREHOLDERS. ACCORDINGLY, THE BOARD URGES YOU NOT TO SIGN ANY WHITE CONSENT CARD SENT TO YOU BY THE STARBOARD GROUP. WHETHER OR NOT YOU HAVE PREVIOUSLY EXECUTED A WHITE CONSENT CARD, THE BOARD URGES YOU TO SIGN, DATE AND DELIVER THE ENCLOSED **BLUE** CONSENT REVOCATION CARD USING THE ENCLOSED PRE-PAID ENVELOPE.

If you have previously signed and returned Starboard's white consent card, you have every right to change your vote and revoke your consent. Whether or not you have signed the white consent card, we urge you to mark the **YES, REVOKE MY CONSENT** boxes on the enclosed **BLUE** Consent Revocation Card and to sign, date and deliver the card in the pre-paid envelope provided. Although submitting a consent revocation will not have any legal effect if you have not previously submitted a consent card, it will help us keep track of the progress of the consent process. Regardless of the number of shares you own, it is important for you to deliver a **BLUE** Consent Revocation Card. Please act today.

In accordance with Delaware law and the Company's Bylaws, the Board set the close of business on May 3, 2013 as the record date (the "Record Date") for the determination of the Company's shareholders who are entitled to execute, withhold or revoke consents relating to the Starboard Consent Solicitation. Only shareholders of record as of the Record Date may execute, withhold or revoke consents with respect to the Starboard Consent Solicitation.

These forward-looking statements are based on information available to the Company as of the date hereof. These forward-looking statements are subject to various risks and uncertainties, many of which are outside of the Company's control and therefore, investors and shareholders should not place undue reliance on such statements. These statements are only predictions and such expectations may prove to be incorrect. The Company operates in a continually changing business environment, and new risks emerge from time to time. Actual results could differ materially from those stated or implied in such forward-looking statements due to risks and uncertainties associated with the Company's business, including, without limitation, the possibility of disruption from the consent solicitation making it more difficult to maintain business and operational relationships; the possibility of disruption of operation of the business should any of the Starboard Group's proposals pass; and other factors discussed in the Company's Annual Report on Form 10-K for the year ended December 31, 2012, as amended, its subsequent Quarterly Reports on Form 10-Q, Current Reports on Form 8-K and other documents filed from time to time with the SEC. Except to the extent required under the federal securities law and the rules and regulations promulgated by the SEC, the Company assumes no obligation to update the information included herein, whether as a result of new information, future events or circumstances, or otherwise.

DESCRIPTION OF THE STARBOARD CONSENT SOLICITATION

As set forth in the Starboard Consent Solicitation and related materials filed with the SEC, the Starboard Group is soliciting your consents in favor of the following proposals (collectively, the Starboard Consent Proposals):

1. Repeal any provisions of the Bylaws in effect at the time the proposal becomes effective, including any amendments thereto, which were not included in the Bylaws that became effective on February 22, 2013 and were filed with the SEC on that date (the Bylaw Restoration Proposal);
2. Remove without cause four members of the Board, _____, _____, _____ and _____, a designee of BC Partners, Inc., including any person (other than those elected by this consent solicitation) elected or appointed to the Board to fill any vacancy on the Board or any newly created directorships after _____, 2013 and prior to the effectiveness of the proposals (the Removal Proposal);
3. Amend Article III, Section 4 of the Bylaws, as set forth on Schedule III to the Starboard Consent Statement, to provide that any vacancies on the Board resulting from the removal of directors by the shareholders of Office Depot may be filled by the shareholders of the Company (the Vacancy Proposal);
4. Amend Article III, Section 2 of the Bylaws, as set forth on Schedule IV to the Starboard Consent Statement, to provide that the number of directors which shall constitute the Board may be established by the shareholders of the Company (the Board Size Bylaw Proposal);

5. In the event that the BC Partners director is removed pursuant to the Removal Proposal, increase the size of the Board to eleven members (the Board Size Proposal); and

6. Elect as directors the Starboard Group s nominees , , and , to serve as directors of Office Depot (or if any such nominee is unable or unwilling to serve as director of the Company, any other person designated as a nominee by the remaining Starboard Group Nominees (the Election Proposal)).

A consent in favor of the Starboard Consent Proposals would be a consent to remove, without cause, four of the members of your duly elected Board and replace them with the Starboard Group Nominees.

REASONS TO REJECT THE STARBOARD CONSENT PROPOSALS

The Starboard Consent Proposals would remove, without cause, four of the members of your duly elected Board, who are currently engaged in the oversight of management's implementation of the Company's strategic plan and replace them with the Starboard Group Nominees who we believe may cause disruption in the implementation of the plans to the potential detriment of the Company's other shareholders. There are several compelling reasons to reject the Starboard Consent Proposals as outlined below, including:

The Company's recently announced Merger. The Company's Board was an integral part of the negotiation of this transaction and continues to develop relationships with the OfficeMax Board of Directors that may assist with a successful integration of the two companies. A joint CEO Selection Committee made up of directors of both companies has been named and charged with the task of selecting a CEO for the combined company. Starboard has asserted that it wants representation on this already established Committee. Further, Starboard has called for immediate changes in the senior management of the Company, including the CEO. This management team negotiated the Merger transaction and is working with OfficeMax on integration plans.

The Company's discussions with Gigante to sell its share of Office Depot de Mexico. The sale of the Company's interest in Office Depot de Mexico will enhance the liquidity of the Company by monetizing the Company's JV interests. The Company's Board of Directors is pursuing this sale strategy and seeking to negotiate definitive terms with Gigante as to which OfficeMax would provide its consent. The Merger Agreement requires the consent of OfficeMax to enter into this sale. We believe that the removal of the Company's Board members that are currently engaged in ongoing negotiations and replacing them with the nominees of Starboard may disrupt or postpone the successful completion of this transaction.

The Company's current Board's efforts in helping develop the strategic plan and execute upon it shows it is well suited to continue undertaking the Company's strategic initiatives, which will benefit the entire shareholder base. The Company's previously announced strategic plan pre-dates all discussions with Starboard, and already addressed many of the concerns that were subsequently expressed by Starboard. As evidenced by the recently announced OfficeMax Merger and those key elements described further below in this section, the Company is already executing on its strategic initiatives to the benefit of all shareholders. The Board expects that the Company's existing strategic plan will deliver long-term value to the Company's shareholders.

The Company's current Board's experience in guiding the Company through difficult economic conditions. We believe that your current Board, having endured the difficult economic conditions of the past years, and, with an average tenure on the Board of approximately 7 years understand the difficulties faced by the Company and are therefore better prepared to capitalize on the Company's strategic initiatives to maximize shareholder value. The successful execution of strategic initiatives has allowed the Company to continue to generate positive free cash flow and to grow adjusted Earnings Before Interest and Taxes (EBIT)¹ in the past four years within an extremely challenging macro environment.

If successful, the Starboard Consent Proposals would result in the replacement of 40% of your duly elected Board with the Starboard Group Nominees, giving a single shareholder owning 14.8% of the Company's equity, or 11.5% of its voting stock an outsized influence over the future strategic direction of the Company.

¹ This is a Non-GAAP number. A reconciliation of adjusted EBIT to our GAAP results appears under the Investor Relations tab on the Company's website.

The Starboard Consent Solicitation if successful would remove directors that are currently engaged in delivering on a strategic plan that the Board believes is in the best interests of the Company's shareholders.

The Company is actively engaged in attempting to consummate the OfficeMax Merger, the sale of its interest in Office Depot de Mexico, and implementing other aspects of its strategic plan and believes that the interests of the Company's shareholders will be best served if the Company's current directors, acting independently from (and without any connection to or distractions from) Starboard, are given the opportunity to continue to implement the Company's plans to maximize value for all of the Company's shareholders.

If the Starboard Consent Proposals are adopted, it would result in Starboard, a beneficial owner of 14.8% of the Company's outstanding Common Stock that has 11.5% of the voting control of the Company and which has no duty to act in the best interest of all other Company shareholders, imposing control over the election of 40% of the Company's Board.

The Starboard Consent Solicitation addresses matters that the Board believes are more appropriately addressed at the meeting of Shareholders.

The Board does not believe that the issue of Board representation and composition should be addressed through consents solicited by a dissident shareholder.

The Company has already announced that due to the focus on consummating the OfficeMax Merger, the Company intends to hold the annual meeting as soon as practicable after the special meeting to vote on the OfficeMax Merger. At Starboard's request, the Company twice delayed setting the record date for the 2013 annual meeting of shareholders, to allow Starboard to engage in discussions with the Board concerning board composition and Starboard's objectives. Despite our attempts at holding constructive conversations, Starboard is now attempting to subvert the annual meeting process, while simultaneously attempting to portray the Board's willingness to be responsive to the request of its shareholder as an attempt at entrenchment.

The Company's strategic plan, endorsed by the Board, and also by Starboard, consists of the following key elements:

OfficeMax Merger:

In its letter to the Board dated April 22, 2013, Starboard itself acknowledges the excitement regarding the OfficeMax Merger. Such excitement, we assert, results from the market's recognition of the potential benefits to be realized through the OfficeMax Merger. Your Board negotiated the terms of the OfficeMax Merger and is overseeing the plans to integrate the two businesses. The introduction of the Starboard Group Nominees into a process that is well underway for implementing the Company's strategic plan could serve as a distraction or possibly disrupt the relationships being developed and the progress that has been made between the members of the boards of OfficeMax Incorporated (OfficeMax) and the Company.

Sale of Office Depot de Mexico:

The Company received an offer to purchase its 50% interest in Office Depot de Mexico from its joint venture partner, Gigante (defined in the section entitled "Background of the Starboard Consent Solicitation" below), for MXP8,777.36 Million (as of May 6, 2013 US\$720 Million) and the Company and OfficeMax have agreed that the Company could proceed with such negotiation.

Edgar Filing: OFFICE DEPOT INC - Form PRER14A

Capitalize on Key Cost Reduction Initiatives:

In addition to the transaction discussed above, the Company remains committed to continuing expense reductions and productivity improvements that it has implemented over the past several years including our focus on a smaller store format and closure of

unprofitable stores, which is underway and evidenced by the decline in store count from 1,370 to 1,235 from 2007 to 2012. The Board expects to capitalize on certain cost cutting efficiencies as a result of the OfficeMax Merger, which based on calculations by the managers of the Company and OfficeMax are estimated to be in the range of \$400-\$600 million in annual cost synergies by the third year following the close of the Merger resulting from savings in purchasing costs and the costs of goods sold, and reductions in advertising costs, headcount, and general administrative expenses.

Improving Overall Gross Margins:

Over the last several years, the Company has focused on executing upon a number of key initiatives to drive gross margin improvements, including in the areas of pricing, promotions, private brand penetration, cost of goods sold, occupancy costs and indirect expense reduction. Gross Margin has increased sequentially every year since 2008.

Maximizing the Value of Non-Core Assets:

The Company recognized well prior to Starboard becoming an investor that the valuation accorded to our enterprise value did not give credit for the Company's interest in Office Depot de Mexico. In quarterly earnings calls beginning in the first quarter of 2012, greater detail and attention was given to educating our shareholders as to the hidden value. Discussions with Gigante began more than 12 months prior to Starboard's investment as to how best to maximize the value, first with a possible IPO offering, later with Gigante offering to purchase our entire 50% interest.

While Starboard asserts inaction on the part of the Board related to the Company's interest in Office Depot de Mexico, the Company and the Board has continued to explore strategies with an ultimate goal to maximize shareholder value. Starboard asserts that the Company does not have the luxury of simply hoping that everything works out down the road, but as evidenced by the Company's recent disclosure regarding OfficeMax's consent to permit the Company to negotiate for the sale of its interest in Office Depot de Mexico to Gigante, the Company is taking active steps, aimed at maximizing shareholder value. The Company, however, cannot rush its actions at this crucial time and must undertake its strategic initiatives in a manner that will position the Company to bring about long-term benefits for the Company's shareholders.

The Board believes that the Starboard Group Nominees are not in a position to best serve the interests of all the Company's shareholders.

The Starboard Group Nominees have been chosen by Starboard which has no duty to act in the best interests of all of the Company's shareholders. In considering the Starboard Consent Solicitation, the Board believes that it is important for the Company's shareholders to recognize that Starboard, with beneficial ownership of 14.8% of the Company's outstanding Common Stock, or 11.5% of the voting control of the Company, has no duty to act in the best interests of all the Company's shareholders when selecting potential nominees to serve on your Board.

The Board previously announced and commenced the implementation of the strategies that Starboard included in its letters.

The Company is engaged in multi-year initiatives aimed at maximizing long term value for its shareholders and is actively exploring potential ways to bring about such maximization.

Major transactions, such as those that are the subject of the Company's recent announcements: the OfficeMax Merger, and the Company's negotiation of the sale of its interest in Office Depot de Mexico, take time to develop and while it may be convenient for a dissident shareholder to identify concerns with the Company, your duly elected Board has been actively engaged in the pursuit of initiatives that are designed to maximize shareholder value, despite the distractions

posed by the activities of Starboard.

The replacement of four duly elected Board members, who are currently engaged in implementing the strategic plan which they helped to develop, with the Starboard Nominees, the Company believes will disrupt the Company's efforts to implement the strategic plan and specifically its efforts in regards to the consummation of the OfficeMax Merger and the subsequent integration of the businesses and the sale of its interest in Office Depot de Mexico by inserting new directors into ongoing process.

The addition of directors pursuant to a consent solicitation initiated by a dissident shareholder, may give the perception of instability or disfunction within the Company, which may make it difficult to recruit top talent to direct the Company's strategic plan in the future. Such an activist nominee may serve as a particular deterrent to potential candidates for a CEO, who will be tasked with leading a company with such dissidents.

FOR THE FOREGOING REASONS, YOUR BOARD STRONGLY BELIEVES THAT THE STARBOARD CONSENT PROPOSALS ARE NOT IN THE BEST INTERESTS OF THE COMPANY AND ITS SHAREHOLDERS.

In addition to the reason indicated above the Board believes you should reject each proposal for the following reasons.

Proposal 1: We recommend rejection of Proposal 1 because this proposal is speculative and is designed to nullify unspecified provisions of the Company's Bylaws which may be adopted by the Board in its efforts to act in and protect the best interests of the Company and its shareholders. To date, the Board has not adopted (or proposed at a meeting) any amendments to the Bylaws that would be required to be repealed if the proposal was adopted; however, the Board's fiduciary duties require that it retain flexibility to adopt, at any time any amendment to the Bylaws that it believes is proper and in the best interest of the Company's shareholders. The automatic repeal of any duly adopted Bylaw amendment, irrespective of its content, could have the unfortunate effect of repealing one or more properly adopted Bylaw amendments determined by the Board to be in the best interest of the Company and its shareholders.

Proposal 2: We recommend rejection of Proposal 2 because we believe the current Board is comprised of members who understand the business, who are engaged in the implementation of a strategic plan that we believe will maximize the Company's value for the benefit of all its shareholders, and who have developed relationships which we believe will assist in the transition of the Company and OfficeMax into a single company upon the consummation of the OfficeMax Merger.

Proposal 3: We recommend rejection of Proposal 3 because we believe that it addresses authority that you have vested in your Board and it would be inappropriate to usurp such authority at the request of a dissident shareholder. Furthermore Proposal 3, if implemented, could be detrimental to the Company and all of our shareholders, as it would allow shareholders to fill the vacancies of the Board without any insight regarding the interactions then-existing within the Board and what type of Board member would be the most beneficial to the Board at the time that a vacancy arises. Additionally, such action may cause delays in the filling of such vacancy, requiring the process of taking a shareholder vote, as opposed to allowing the Company's board which is already equipped with a Corporate Nominating and Governance Committee to take such actions.

Proposal 4: We recommend rejection of Proposal 4 because we believe that it addresses authority that you have vested in your Board and it would be inappropriate to usurp such authority at the request of a dissident shareholder. Furthermore such proposal is designed to enable the requesting dissident shareholder to exert influence over the Board.

Proposal 5: We recommend rejection of Proposal 5 because we believe that the current Board is comprised of members that understand the business, who are engaged in the implementation of a strategic plan that we believe will maximize the Company's value for the benefit of all its shareholders,

and who have developed relationships which we believe will assist in the transition of the Company and OfficeMax into a single company upon the consummation of the OfficeMax Merger. Further, we do not believe that the addition of additional board seats is beneficial or necessary as the Board is already comprised of ten individuals with varying business experience who are able to serve in the advisory role which their board membership requires.

Proposal 6: We recommend rejection of Proposal 6 because we do not believe that the addition of the Starboard Nominees is in the best interest of the Company or is particularly useful for the achievement of the Company's goal of maximizing value for all its shareholders. The Board already has individuals that are implementing many of the same strategic plans that it had indicated it would undertake prior to any interactions with Starboard and which Starboard has subsequently provided as recommendations to the Company. The introduction of new board members into a well-established process where the directors have already begun establishing relationships which will assist in the transition of the Company and OfficeMax into a combined company upon the consummation of the OfficeMax Merger, we believe may be an unnecessary distraction to the implementation of the Company's plans.

WE URGE SHAREHOLDERS TO REJECT THE STARBOARD CONSENT PROPOSALS AND REVOKE ANY CONSENT PREVIOUSLY SUBMITTED.

DO NOT DELAY. IN ORDER TO HELP ENSURE THAT THE CURRENT BOARD IS ABLE TO ACT IN YOUR BEST INTERESTS, PLEASE SIGN, DATE AND DELIVER THE ENCLOSED BLUE CONSENT REVOCATION CARD USING THE ENCLOSED PRE-PAID ENVELOPE AS PROMPTLY AS POSSIBLE WHETHER OR NOT YOU HAVE SIGNED THE WHITE CONSENT CARD FROM THE STARBOARD GROUP.

BACKGROUND OF THE STARBOARD CONSENT SOLICITATION

Between June 2012 and September 2012, representatives of Starboard had conversations with the investor relations personnel of Office Depot to discuss the Company's business fundamentals.

On September 5, 2012, representatives of Office Depot made a presentation at the Goldman Sachs conference explaining the strategic initiatives to be undertaken by the Company to improve financial results.

On September 5, 2012, after Office Depot's presentation at the Goldman Sachs conference, Mr. Austrian, and other members of Office Depot's management team met privately with representatives of Starboard to discuss the Company's business fundamentals and challenges and the guidance the Company had previously provided that the specific Company strategic initiatives would deliver between \$150-\$170 million of improvement in profitability in 2012. The initiatives discussed included pricing, promotions, improved direct import and private brand penetration, improved store customer experience as well as G&A cost reductions. A focus on sales growth in high margin services and products was also discussed. The Company also discussed a plan to more aggressively downsize retail stores with leases expiring in the next few years and the potential to double the capital allocated.

On September 17, 2012, Starboard disclosed a 13.3% interest in Office Depot and delivered a letter to Mr. Austrian and the Board in which Starboard provided many of the same ideas to improve the Company's operating performance and increase EBITDA as Office Depot had presented at the Goldman Sachs conference including, among other things: (i) meaningfully reducing general and administrative (G&A) expenses; (ii) increasing the mix of higher-margin services in its North American Retail Division; (iii) increasing private label direct sourced products; (iv) reducing the number of SKUs carried in stores; (v) downsizing to smaller store formats to drive substantially higher operating margins; and (vi) increasing the mix of significantly higher-margin small-to medium-sized business customers in the Company's North American Business Solutions

Division. In addition, the Starboard letter further indicated Starboard's estimate that Office Depot de Mexico, a highly profitable 50/50 joint venture (the "JV Interest") between the Company and Gigante S.A.B. de C.V. ("Gigante"), which is not consolidated in the Company's financial statements, could be worth more than 50% of Office Depot's entire enterprise value. Once again, this point simply reflected something the Company was already considering, as the Company had hired an investment banking firm in early 2012 to help it review strategic options with respect to recognizing the inherent value that the Company believed was represented by its investment in Office Depot de Mexico. While the Company had not yet made any public disclosure, in early 2012 the Company had hired an investment banking firm to help it review strategic options to help it recognize the inherent value that the Company believed was represented by its investment in Office Depot de Mexico, including further expansion into South America and a potential IPO of that business.

On October 2, 2012, Jeff Smith, CEO of Starboard Value, had a conversation with Mr. Austrian, in the course of which Mr. Smith expressed Starboard's desire to constructively work with the Company and help it unlock value for shareholders.

On October 12, 2012, in an amendment to its Schedule 13D, Starboard disclosed aggregate ownership of 42,100,000 shares of Common Stock, or 14.8% of the outstanding shares of Common Stock.

On October 30, 2012, the Company announced that effective October 24, 2012, the Board had adopted a shareholder rights plan, as set forth in the Rights Agreement, dated as of October 24, 2012 between the Company and Computershare Shareowner Services LLC, as Rights Agent (the "Rights Agreement"), with a 15% ownership limitation.

On November 7, 2012, representatives of Starboard met with members of the management at the Company's executive headquarters in Boca Raton, Florida. During the meeting, Starboard discussed with management what it believed were the challenges facing the Company and repeated its views on how to improve profitability and unlock value for shareholders.

On November 13, 2012, representatives of Starboard again met with members of management of the Company. At that meeting, Starboard raised questions concerning the Company's advertising expenses, distribution channels, the JV Interest and the Company's adoption of a shareholders rights plan.

On November 16, 2012, Starboard delivered a letter to the independent members of the Board. In the letter, Starboard denounced the adoption by the Board of the Rights Agreement. Starboard outlined in the letter its belief that the Rights Agreement is part of a scheme designed to preserve and entrench the Board by limiting the influence of shareholders over Board composition and other matters, while allowing the Board to maintain and increase its effective voting control over the Company. Contrary to Starboard's allegations, and as disclosed at the time of adoption of the Rights Plan, the Rights Plan was intended to help reduce the risk of two-tiered, front end loaded or partial offers which may not offer fair value to all the Company's shareholders; protect against acquirers who through the open market, private purchases or otherwise may achieve or augment a position of substantial influence or control without paying a fair price to the Company's shareholders; deter acquirers who were simply interested in putting the Company into "play"; preserve the Board's bargaining power and flexibility to deal with third-party acquirers and to otherwise seek to maximize value for all shareholders; and afford the Board adequate time to evaluate potential offers and to consider alternatives.

On December 4, 2012, representatives of Starboard met with the Board at the Company's executive headquarters. During the meeting, the members of the Board and Starboard discussed the challenges facing the Company and the Board sought Starboard's views on how to improve profitability and unlock value for shareholders. Starboard indicated that it was not prepared to share its plan for the Company at that time. Starboard again called for the replacement of our CEO. Starboard expressed its continued desire to work constructively with the Company for the benefit of all shareholders.

During the months of December 2012 through February 2013, Mr. Smith had several discussions with members of the Board in which he stated his views on how to unlock value for shareholders.

On January 24, 2013, the Company announced that following discussions with Starboard the Board had amended and restated the Company's Bylaws to extend the deadline for shareholders to nominate candidates for election to the Board at the 2013 annual meeting to the close of business on February 25, 2013.

On February 20, 2013, Office Depot announced its entry, together with its wholly owned direct subsidiaries Dogwood Merger Sub Inc. and Dogwood Merger Sub LLC, into an Agreement and Plan of Merger (the "Merger Agreement") with OfficeMax and its subsidiaries, Mapleby Holdings Merger Corporation and Mapleby Merger Corporation, pursuant to which the companies would combine in an all-stock merger of equals transaction intended to qualify as a tax-free reorganization (the "OfficeMax Merger"). Under the Merger Agreement, each share of OfficeMax common stock would be converted into the right to receive 2.69 shares of Office Depot Common Stock.

On February 22, 2013, Office Depot announced that on February 15, 2013 the Board received an offer from the Company's joint venture partner Gigante to purchase its JV Interest, Office Depot de Mexico. Gigante's offer was initially set to expire on February 28, 2013.

Also on February 22, 2013, the Company announced that after further discussions with Starboard, the Board had amended and restated the Company's Bylaws to amend the deadline for shareholder nominations of candidates for election to the Board at the 2013 annual meeting to no later than the tenth day following the day on which public announcement of the date of the 2013 annual meeting is made.

On February 27, 2013, Starboard delivered a letter to the Board (the "February 27 Letter"). In the letter, Starboard restated its belief that the significant value of the JV Interest was not fully reflected in the stock price of the Company. Starboard noted that since Gigante's offer to purchase the JV Interest for \$690.5 million was set to expire on February 28, 2013, Starboard believed the Board should promptly obtain consent from OfficeMax under the Merger Agreement to immediately explore a sale of the JV Interest to maximize value for shareholders. Starboard stated in the letter it believed it was the Board's fiduciary duty to monetize the Company's interest in the joint venture given the clear benefit to both Office Depot and OfficeMax as a combined company and to Office Depot as a stand-alone company. Starboard stated further that it recognized OfficeMax was potentially conflicted as a sale of the JV Interest, while beneficial to the combined company, would also be beneficial to Office Depot as a stand-alone business and, therefore, may strengthen a competitor should the OfficeMax Merger not be completed. Starboard noted in the February 27 Letter that if OfficeMax did not consent to Office Depot's negotiations with Gigante or any other potential buyer regarding the sale of the JV Interest, Starboard would view this as both unreasonable and potentially anti-competitive.

On March 6, 2013, representatives of Starboard met with members of the Board. During the meeting, Starboard discussed its continued desire to work constructively with the Company to improve the Board with directors that had significant retail operating experience and could assist to unlock value for shareholders.

On March 11, 2013, Mr. Smith spoke to a member of the Board to reiterate the importance of unlocking value for Office Depot shareholders by exploring alternatives for the JV Interest.

On March 12, 2013, Starboard delivered a letter to the Board reiterating its strong belief that it was incumbent upon the Board to immediately seek to monetize the JV Interest by exploring a sale of the JV Interest to Gigante, whose offer was then set to expire on March 15, 2013. Starboard noted it expected the Board to send a formal written request to OfficeMax to seek consent to pursue such a sale and set forth the Board's view that a sale of the JV Interest at a full and fair price was clearly in the best interest of Office Depot shareholders on a stand-alone basis as well as in the best interest of Office Depot / OfficeMax shareholders in a business combination and that the Board expected OfficeMax's consent to be given and not unreasonably withheld.

On March 18, 2013, Starboard delivered a letter to the Board stating its belief that the Board must be significantly reconstituted immediately, whether Office Depot continued as a stand-alone company or as a merged company with OfficeMax. Starboard explained in the letter that a new and, in Starboard's opinion, improved Board was needed to: (1) act to immediately improve the current operating performance of the business on a stand-alone basis and to be in position to maximize the longer term synergies with OfficeMax, if the OfficeMax Merger is approved, (2) select a committee of the Company's directors to work with a committee of OfficeMax directors to conduct a process to select a Chief Executive Officer of the combined company, and (3) contribute the most highly-qualified directors possible to the combined company's board. In the letter, Starboard also urged the Company to schedule its 2013 annual meeting for a date prior to the potential consummation of the OfficeMax Merger so that the Company's shareholders can choose who they want to represent them on the Board.

Also on March 18, 2013, Starboard V&O Fund delivered a letter to the Corporate Secretary of the Company nominating what in Starboard's opinion are six highly-qualified candidates for election to the Board. In the letter, Starboard indicated that waiting for a shareholder meeting to add these candidates on the Board was a mistake and that the Board should immediately engage with Starboard to reconstitute the Board.

On April 9, 2013, Office Depot and OfficeMax filed a joint proxy statement/prospectus in connection with, among other things, the holding of a special meeting of Office Depot shareholders at which the Office Depot shareholders will be asked to vote on certain matters related to the OfficeMax Merger

On April 17, 2013, representatives of Starboard met with members of the Board at Starboard's offices. The purpose of the meeting was to discuss Board representation and related matters. The Board members and Starboard discussed the timing of the Company's annual shareholders meeting which would be held as soon as practical after the special shareholders meeting to approve the merger with OfficeMax. With respect to Board representation, the members of the Board stated, among other things, that they would be willing to expand the Board from ten to twelve members immediately. The newly created director positions would be based on the recommendation of the Corporate Governance and Nominating Committee of the Board, which considers numerous factors in making its recommendations, including relevant experience in retailing businesses. The Board members offered that one of the two newly designated directors would be selected from the candidates recommended by Starboard, assuming such candidate was acceptable to the Corporate Governance and Nominating Committee and met the various selection criteria. Mr. Smith proposed his appointment to the Board and the Board members responded that Mr. Smith would not be nominated since he lacked relevant retailing experience. Despite this explanation, Mr. Smith rejected the Board's proposal and recommended that the Company expand the Board to fourteen members to allow room for four Starboard candidates to be appointed. He further recommended that at least one of the BC's designated board members resign from the Board immediately. Mr. Smith also suggested that if he were appointed to the Board and the merger transaction with OfficeMax were to close, he would not expect to be a candidate to serve on the Board of the combined company. After considerable discussion, the Board members stated that they had listened to his various suggestions and would respond at a later date.

On April 22, 2013, the Starboard Group filed a preliminary consent solicitation statement with respect to the Starboard Consent Proposals.

QUESTIONS AND ANSWERS ABOUT THIS CONSENT REVOCATION STATEMENT

Who is making this solicitation?

Your Board.

What are we asking you to do?

We are asking you to revoke any consent on Starboard Group's white consent card that you may have delivered in favor of the six proposals described in the Starboard Consent Solicitation and, by doing so, preserve your current Board, which will continue to act in the best interests of the Company and its shareholders. Even if you have not submitted a white consent card, we urge you to submit a **BLUE** Consent Revocation Card today.

What is a consent solicitation?

Under Delaware law and our certificate of incorporation, shareholders may act without a meeting, without prior notice and without a vote, if consents in writing setting forth the action to be taken are signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted.

What does the Board recommend?

Your Board strongly believes that the solicitation being undertaken by the Starboard Group is not in the best interests of the Company's shareholders for the reasons described above. Your Board unanimously opposes the solicitation by the Starboard Group and urges shareholders to reject the solicitation and revoke any consent previously submitted.

If I have already delivered a consent, is it too late for me to change my mind?

No. Until the requisite number of duly executed, unrevoked consents are delivered to the Company in accordance with Delaware law and the Company's organizational documents, the consents will not be effective. At any time prior to the consents becoming effective, you have the right to revoke your consent by delivering a **BLUE** Consent Revocation Card, as discussed in the following question.

What is the effect of delivering a BLUE Consent Revocation Card?

By marking the **YES, REVOKE MY CONSENT** boxes on the enclosed **BLUE** Consent Revocation Card and signing, dating and mailing the card in the postage-paid envelope provided, you will revoke any earlier dated consent that you may have delivered to the Starboard Group. Even if you have not submitted Starboard's consent card, you may submit a **BLUE** Consent Revocation Card as described above. Even if you have not submitted a white consent card, we urge you to submit a **BLUE** Consent Revocation Card, as it will help us keep track of the progress of the consent process.

What should I do to revoke my consent?

Mark the **YES, REVOKE MY CONSENT** boxes next to each proposal listed on the Consent Revocation Card. Then, sign and date the enclosed Consent Revocation Card and return it **TODAY** or as soon as possible in the postage-paid envelope provided. It is important that you sign and date the Consent Revocation Card.

Who is entitled to consent, withhold consent or revoke a previously given consent with respect to the Starboard Consent Proposals?

In accordance with Delaware law and the Company's Bylaws, the Board has set the close of business on May 3, 2013 as the Record Date for the determination of the Company's shareholders who are entitled to execute, withhold or revoke consents relating to the Starboard Consent Solicitation. Only shareholders of record as of the Record Date may execute, withhold or revoke consents with respect to the Starboard Consent Proposals.

When should I return my Consent Revocation Card?

In order for the Starboard Consent Proposals to be adopted, the Company must receive valid, unrevoked consents executed by the holders of a sufficient number of shares of the Company's Common Stock within 60 days of the date of the earliest consent delivered to the Company. Consequently, the Starboard Consent Proposals will become effective if valid, unrevoked consents signed by the holders of a majority of the shares of the Common Stock outstanding as of the Record Date are delivered to the Company within the 60 day period after the delivery of the first consent.

Because the Starboard Consent Proposals could become effective before the expiration of the 60-day period, you should promptly return the Consent Revocation Card.

What happens if I do nothing?

If you do not execute and send in any white consent card that the Starboard Group sends you, you will effectively be voting AGAINST the Starboard Consent Proposals.

If you have validly executed and delivered a white consent card, doing nothing further will mean that you have consented to the Starboard Consent Proposals. If you have executed and delivered a white consent card that the Starboard Group sent you, the Board urges you to revoke any such consent previously submitted by executing and delivering the **BLUE** Consent Revocation Card.

Who should I call if I have questions about the solicitation?

If you have any questions regarding this Consent Revocation Statement or about submitting your **BLUE** Consent Revocation Card, or otherwise require assistance, please call Innisfree M&A Incorporated toll free at (877) 825-8621 (banks and brokers may call collect at (212) 750-5833).

THE CONSENT PROCEDURE

Voting Securities and Record Date

In accordance with Delaware law and the Company's Bylaws, the Board has set the close of business on May 3, 2013, as the Record Date for the determination of the Company's shareholders who are entitled to execute, withhold or revoke consents relating to the Starboard Consent Solicitation. As of the Record Date, there were 288,737,708 shares of the Company's Common Stock outstanding. Each share of the Company's Common Stock outstanding as of the Record Date will be entitled to one vote.

Only shareholders of record as of the Record Date are eligible to execute, withhold or revoke consents in connection with the Starboard Consent Proposals. Persons beneficially owning shares of the Company's Common Stock (but not holders of record), such as persons whose ownership of Common Stock is through a broker, bank, financial institution or other nominee holder, may wish to contact such broker, bank, financial institution or other nominee holder and instruct such person to execute the **BLUE** Consent Revocation Card on their behalf. Any abstention, failure to vote or broker non-vote will have the same effect as withholding consent from the Starboard Consent Proposals. Broker non-votes occur when a broker, bank, financial institution or other nominee holder has not received instructions with respect to a particular matter, such as the Starboard Consent Proposals, and does not have discretionary power to vote on that matter.

Effectiveness of Consents

Under Delaware law shareholders may act without a meeting, without prior notice and without a vote, if consents in writing setting forth the action to be taken are signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted. The Starboard Consent Proposals will become effective if valid, unrevoked consents signed by the holders of a majority of the shares of the Company's Common Stock outstanding as of the Record Date are delivered to the Company within 60 days of the earliest dated consent delivered to the Company.

Because the Starboard Group's proposals could become effective before the expiration of the 60-day period discussed above, we urge you to promptly return the **BLUE** Consent Revocation Card whether or not you signed the white consent card from the Starboard Group.

Effect of **BLUE** Consent Revocation Card

A shareholder may revoke any previously signed consent by signing, dating and returning to the Company a **BLUE** Consent Revocation Card. A consent may also be revoked by delivery of a written revocation of your consent to the Starboard Group. Shareholders are urged, however, to deliver all consent revocations to the Company c/o Innisfree M&A Incorporated, 501 Madison Avenue, New York, NY 10022. The Company requests that if a revocation is instead delivered to the Starboard Group, a copy of the revocation also be delivered to the Company c/o Innisfree M&A Incorporated at the address set forth above, so that the Company will be aware of all revocations.

Unless you specify otherwise, by signing and delivering the **BLUE** Consent Revocation Card, you will be deemed to have revoked any prior consent to all of the Starboard Consent Proposals.

Any consent revocation may itself be revoked by marking, signing, dating and delivering a written revocation of your **BLUE** Consent Revocation Card to the Company or to the Starboard Group or by delivering to the Starboard Group a subsequently dated white consent card that the Starboard Group sent to you.

If any shares of Common Stock that you owned on the Record Date were held for you in an account with a stock brokerage firm, bank nominee or other similar street name holder, you are not entitled to vote such shares directly, but rather must give instructions to the stock brokerage firm, bank nominee or other street

name holder to grant or revoke consent for the shares of Common Stock held in your name. Accordingly, you should either sign, date and mail the enclosed form of **BLUE** Consent Revocation Card provided by your bank, broker firm, dealer, trust company or other nominee, or contact the person responsible for your account and direct him or her to execute the enclosed **BLUE** Consent Revocation Card on your behalf. If your bank, broker firm, dealer, trust company or other nominee provides for consent instructions to be delivered to them by telephone or internet, instructions will be provided by such person.

YOU HAVE THE RIGHT TO REVOKE ANY CONSENT YOU MAY HAVE PREVIOUSLY GIVEN TO THE STARBOARD GROUP. TO DO SO, YOU NEED ONLY SIGN, DATE AND RETURN IN THE ENCLOSED POSTAGE-PAID ENVELOPE THE **BLUE** CONSENT REVOCATION CARD WHICH ACCOMPANIES THIS CONSENT REVOCATION STATEMENT. IF YOU DO NOT INDICATE A SPECIFIC VOTE ON THE **BLUE** CONSENT REVOCATION CARD WITH RESPECT TO ONE OR MORE OF THE STARBOARD CONSENT PROPOSALS, THE CONSENT REVOCATION CARD WILL BE USED IN ACCORDANCE WITH THE BOARD'S RECOMMENDATION TO REVOKE ANY CONSENT WITH RESPECT TO ALL SUCH PROPOSALS.

The Company has retained Innisfree M&A Incorporated to assist in communicating with shareholders in connection with the Starboard Consent Solicitation and to assist in our efforts to obtain consent revocations. If you have any questions regarding this Consent Revocation Statement or about submitting your **BLUE** Consent Revocation Card, or otherwise require assistance, please call Innisfree M&A Incorporated toll free at (877) 825-8621 (banks and brokers may call collect at (212) 750-5833).

You should carefully review this Consent Revocation Statement. YOUR TIMELY RESPONSE IS IMPORTANT. You are urged not to sign any white consent cards. Instead, you can reject the solicitation efforts of the Starboard Group and/or revoke your consent by promptly completing, signing, dating and returning the enclosed **BLUE** Consent Revocation Card in the postage-paid envelope provided. Please be aware that if you sign a white consent card but do not check any of the boxes on the card, you will be deemed to have consented to the Starboard Consent Proposals.

CORPORATE GOVERNANCE

Board Structure

Our Board of Directors currently consists of ten directors. The Company's shareholders elect our directors each year and as such the terms of each of our directors will expire at the annual meeting of shareholders to be held in 2013. Pursuant to the Company's Bylaws, in any non-contested election of directors, an incumbent director who does not receive a greater number of votes for such election as compared to votes of withheld, against or no must immediately tender his or her resignation to the Board of Directors, which resignation is irrevocable. The Company's Board then has the authority to decide, through a process managed by the Corporate Governance and Nominating Committee, whether or not to accept such resignation within 90 days of such resignation. Each of your incumbent directors received more for votes than withheld, against or no votes at the Company's 2012 annual meeting. As the Company's shareholders will have the opportunity to make this decision at this year's annual meeting, the Consent Solicitation being undertaken by Starboard is a needless distraction at such an integral time when the Company and its Board should be concentrating on consummating the OfficeMax Merger and its other strategic initiatives.

Messrs. Raymond Svider, Eugene Fife and Justin Bateman were appointed as Directors pursuant to the terms of the Investor Rights Agreement, dated as of June 23, 2009 (the "Investor Rights Agreement"), among the Company, BC Partners, Inc. and certain funds advised by BC Partners, Inc. (the "Investors"), whereby the Investors were entitled to nominate three Directors to the Board and the Company agreed to use all reasonable

efforts to cause the persons nominated by the Investors pursuant to the terms of the Investor Rights Agreement to be elected to the Board. In addition, pursuant to the terms of the Investor Rights Agreement, Mr. Svider was appointed to the Finance Committee (the Finance Committee) and the Compensation Committee, Mr. Bateman was appointed to both the Finance Committee and is a non-voting observer of the Audit Committee, and Mr. Fife was appointed to the Corporate Governance and Nominating Committee. In connection with the transactions contemplated by the Merger Agreement, the Company and BC Partners entered into a Termination Agreement pursuant to which, among other things, the Investor Rights Agreement will terminate upon the closing of the OfficeMax Merger. For more information regarding the Investor Rights Agreement, please refer to our Form 8-K filed with the SEC on June 23, 2009.

Our Bylaws also provide that the authorized number of directors that shall constitute the whole Board of Directors may be changed by a vote of a majority of the entire Board of Directors. Vacancies and newly created directorships may be filled by the affirmative vote of a majority of directors then in office, even if such number is less than a quorum, or by a sole remaining director.

Leadership Structure

As permitted by the Company's Bylaws, Mr. Austrian currently serves as both Chairman and Chief Executive Officer of the Company. The Board of Directors believes this is the most appropriate leadership structure for the Company at this time.

Mr. Austrian's service as the Board's Chairman and CEO provides an effective balance for the management of the Company, as Mr. Austrian's in-depth knowledge of the Office Depot business and his ability to formulate and lead strategic initiatives allows the Board to act efficiently and effectively to best serve the interests of the Company's shareholders and the Company as a whole. As CEO, Mr. Austrian is involved in the day-to-day operations of the Company and is aware of the issues of critical business importance that need to be elevated to the Board of Directors. The Board believes that by holding both of these roles, Mr. Austrian is able to serve as an effective bridge between the Board and management, providing the Board with a thorough understanding of the Company and its business and fostering an open dialogue between the Board and senior management.

The Board follows sound corporate governance practices to ensure its independence and effective functioning, as described in detail below. Most importantly, the Board has determined that, except for Mr. Austrian due to his CEO position, the Board is composed entirely of independent directors. In addition, each of the Board's Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee, have been determined by our Board to be composed entirely of independent directors, which means that oversight of critical issues such as the integrity of the Company's financial statements, Chief Executive Officer and senior management compensation, and Board evaluation and selection of directors is entrusted to independent directors.

Risk Oversight

The Board of Directors is generally responsible for overseeing management of the various operational, financial, accounting, legal and human resources-related risks faced by the Company. The Board fulfills this responsibility by requesting and reviewing reports and presentations from management regarding such risks, including risks in four primary areas: financial risk, legal/compliance risk, operational/strategic risk and compensation risk.

Director Qualifications

The Corporate Governance and Nominating Committee has the responsibility under its charter to recommend nominees for election to the Board of Directors. The Corporate Governance and Nominating Committee endeavors to have a Board representing a range of experiences in business and in areas that are

relevant to the Company's business and operations, considers the entirety of each candidate's credentials, including relevant skills and experience, corporate governance background, independence under applicable SEC and NYSE standards, business judgment, service on the boards of directors of other companies, personal and professional integrity, openness and ability to work as part of a team, willingness to commit the required time to serve as a Board member, and familiarity with the Company and its industry.

The Board believes that each of its directors understands fully the responsibilities of service as a director and the governance requirements applicable to public companies.

In identifying, nominating and approving of director candidates, the Corporate Governance and Nominating Committee and the Board also believe the Board, as a whole, should have:

significant senior management experience; and

experience overseeing public company financial management matters, including expertise in financial reporting and internal controls, which experience and expertise are essential to the Company's ability to comply with its many and complex financial reporting responsibilities.

The Corporate Governance and Nominating Committee, in recommending director candidates, considers diversity as to skills, experiences, age, race, gender and ethnicity and, while the Company does not have a formal diversity policy, the Corporate Governance and Nominating Committee seeks diverse Board candidates. The members of the Board are diverse and come from a number of different backgrounds and experiences, including senior leadership positions and directorships with major retailers, large financial institutions, educational institutions, the military and public sector appointments.

As a result of the experiences of its individual members detailed in their biographies, the Corporate Governance and Nominating Committee and the Board believe that the members of the Board have the following valued qualifications and experience:

Mr. Austrian's experience as the Chief Operating Officer of the National Football League, as well as his experience as the Chief Executive Officer and Chief Financial Officer of Doyle, Dane, Bernbach and as Chief Executive Officer of Showtime/The Movie Channel provides him with the leadership qualities needed as Chairman of the Board of Directors of a public company, including the financial acumen needed in such role. In addition, Mr. Austrian's knowledge of all aspects of the direct sales business gained while serving as a director of Viking Office Products from 1988 until August 1998, when it merged with Office Depot, further strengthens his knowledge of our industry. Mr. Austrian has served on the Board of Directors of Alex Brown Inc. and The Bankers Trust Company. Mr. Austrian also serves as a director of DirecTV, and is the chair of the Nominating and Corporate Governance Committee and a member of the Compensation Committee of DirecTV's board which also highlights his experience as a seasoned board member.

Mr. Bateman's experience as a chartered accountant and his understanding of complex accounting issues is instrumental in fulfilling the oversight responsibilities of the Audit Committee and the Board of Directors. Mr. Bateman's analysis of and participation in the oversight of BC Partners portfolio companies provides him with the skills he needs to assist the Company with its strategic planning process. Mr. Bateman's education and experience in business and finance allows him to provide the Board significant managerial, strategic, financial and compliance-based expertise.

Mr. Colligan's former position as Vice Dean of The Wharton School's Aresty Institute of Executive Education and his previous position as Managing Director at Duke Corporate Education have provided him with a broad based understanding of new and developing business strategies that are helpful to our Board. In addition, Mr. Colligan's former position as Vice Chairman of PricewaterhouseCoopers in addition to being a partner at PricewaterhouseCoopers allowed Mr. Colligan significant exposure to complex financial reporting, accounting and risk management matters. As a former public accountant, the Board has determined that Mr. Colligan is well-positioned to be the Chair of our Audit Committee, assisting the Audit Committee in fulfilling its responsibility of overseeing our independent auditors.

Ms. Evans brings significant leadership experience to our Board of Directors based on her service in the Navy, her positions as CEO of the American Red Cross, as the National Director of the Girl Scouts of the USA and as the acting Commissioner of the Ladies Professional Golf Association. The Board relies on her perspectives on human resources and governance issues as the chair of our Compensation Committee resulting from her position as Superintendent (President) of the Naval Postgraduate School where she led the Navy's worldwide recruitment organizations. Furthermore, the Board believes that *Ms. Evans*'s past and present service on eight public company boards qualify her as a skilled board member for service on our Board of Directors.

Mr. Fife's investment banking experience as both the Founder and Managing Principal of Vawter Capital LLC, a former partner at Goldman Sachs, and the former chairman of Goldman Sachs International bolsters the expertise of the Board and adds important insights for the Company's growth strategy. Additionally, his experiences as a chief executive officer and director of large, publicly-traded multinational corporations enable him to provide meaningful input and guidance to the Board and the Company.

Ms. Gaines has held a number of executive and board leadership positions in a number of public companies and non-for-profit organizations, including serving as the former President and CEO of Diners Club North America and as Deputy Chief of Staff for the Mayor of the City of Chicago. *Ms. Gaines*'s service on other public company boards allows her to provide the Board of Directors with a variety of perspectives on corporate governance issues.

Mr. Hedrick, as one of our longest-serving non-executive Directors, brings important institutional knowledge to our Board. His work with InterWest provides him with a solid basis for his analysis of our financial strategies while his service on the board of Hot Topic, Inc. gives him insight regarding the issues affecting retailers, which is useful to our Board of Directors.

Ms. Mason's broad exposure to numerous retailers and her extensive retail knowledge gives her an insight into a number of issues facing Office Depot. With her experience as the former Chief Executive Officer of the public retail company, Tuesday Morning Corporation, and her past leadership positions with HomeGoods and Cherry & Webb, *Ms. Mason* is able to offer our Board of Directors sound business and financial strategies. Furthermore, her current and past service on retail company boards provides our Board with knowledge of the appropriate oversight and diligence required of a Board member.

Mr. Svider, a Managing Partner of BC Partners since 2003, has demonstrated significant leadership abilities and extensive knowledge of complex financial and operational issues facing large organizations. He brings an expertise in international operations and financial strategy to our Board of Directors and as a member of the Finance Committee of the Board. In addition, through his oversight of BC Partners portfolio companies, *Mr. Svider* has significant experience in developing various strategies to motivate and compensate executives, which skills and qualifications are valuable for his service on our Compensation Committee.

Mr. Travis brings significant international, retail, human resources and operations experience to our Board as a result of his current position as Chief Executive Officer of Dunkin' Brands Group, and his previous positions as President and CEO of Papa John's International, Inc., President and COO of Blockbuster, Inc. and executive roles with Burger King Holdings. In addition, his past and present service on public company boards, along with his executive leadership experience, provide him with unique perspectives on leadership and strategy which make him a valuable member of the Board and the Compensation Committee.

Director Independence

The Board of Directors has determined that other than Neil Austrian, none of the Company's directors have material relationships with the Company other than as directors and shareholders of the Company that would impair independence from management and are independent for purposes of the NYSE listing standards. This determination was based upon an individual evaluation of each of our Directors, his or her employment or

Board of Directors affiliations, and a determination that the Independent Director has no business relationship with our Company other than his or her service on our Board of Directors. The Board determined that Messrs. Bateman, Fife and Svider are affiliates of the Company due to BC Partners' stock ownership of the Company. The Board of Directors concluded that a relationship with a shareholder of the Company in and of itself does not impair Messrs. Bateman, Fife and Svider's independent judgment in connection with their duties and responsibilities as Directors of the Company. The Board also determined that Mr. Colligan, who serves as a Director of an entity that sells products to the Company, is independent. The Board of Directors additionally has determined that all Audit Committee members meet the independence requirements for audit committee members set forth in Rule 10A-3 under the Exchange Act.

Director Attendance at Meetings of the Board of Directors and Shareholder Meetings

Regular attendance at Board meetings and the annual meeting is required of each Director. The Board of Directors held eleven meetings during 2012, and each of the directors attended at least 75% of the meetings.

Our independent directors, met in seven executive sessions in 2012.

All of our directors attended the 2011 annual meeting of shareholders and 80% of our directors attended the 2012 annual meetings of the shareholders.

Committees of the Board of Directors

The Board of Directors has an Audit Committee, a Corporate Governance and Nominating Committee, a Compensation Committee, and a Finance Committee. Members of each committee are elected by the Board of Directors and serve until their successors are elected and qualified. Each of the committees of the Board of Directors has adopted a charter consistent with the rules of the NYSE, as applicable, all of which can be found in the corporate governance section of our website at <http://www.officedepot.com>.

Audit Committee. The Audit Committee, which consists of Mr. Colligan, Ms. Gaines and Ms. Mason, and Mr. Bateman serving as an observer, oversees and reports to the Board of Directors on various auditing and accounting-related matters, including the selection, appointment, replacement and oversight of the Company's registered public accountant; monitoring the Company's systems of internal controls, the integrity of our financial statements, and our reporting process and reports; monitoring the performance of the Company's internal audit function; assessing and mitigating our business and financial risks and overseeing our risk management policies and procedures; and overseeing the Company's compliance with legal and regulatory requirements, including our disclosure controls and procedures. Mr. Colligan serves as chairman of this committee and has been determined by our Board of Directors to be an audit committee financial expert as defined under the rules of the SEC. Each member of the Audit Committee is financially knowledgeable. The Audit Committee met seven times during 2012, and each member of the committee attended at least 75% of all of the meetings held during this period, except for Brenda Gaines who attended 71% of the Audit Committee meetings held during the period.

Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee, which consists of Mr. Fife, Ms. Gaines and Mr. Hedrick, advises the Board of Directors and makes recommendations regarding the size and composition of the Board, the corporate governance policies and practices of the Board; and reviews and approves any related party transactions. Mr. Hedrick serves as the chairman of this committee. The Corporate Governance and Nominating Committee met five times during 2012, and each member of the committee attended at least 75% of all of the meetings held during this period.

The Corporate Governance and Nominating Committee also has the responsibility under its charter to identify and recommend nominees for election to the Board of Directors. In considering candidates for the Board of Directors, the Corporate Governance and Nominating Committee considers the qualifications described in the section entitled "Corporate Governance - Director Qualifications" above. The Corporate Governance and

Nominating Committee identifies nominees for the Board of Directors in a number of ways, including from, sitting members of the Board, through personal awareness of persons who are successful in business, the non-profit sector or a profession, through search firms engaged by the committee or from shareholders, provided the procedures set forth below are followed by shareholders who want to make recommendations to the committee.

With respect to the nomination of directors at an annual meeting, the Corporate Governance and Nominating Committee will consider shareholder recommendations that are submitted to the committee by mail addressed to our Corporate Secretary at our corporate headquarters located at 6600 North Military Trail, Boca Raton, Florida 33496.

In making recommendations, shareholders should be mindful of the minimum qualifications for Board membership which include that the person possesses the highest personal and professional ethics, integrity and values, and be committed to representing the long-term interests of our shareholders, should possess strong collaboration skills, have the potential to influence management, have the ability to dedicate significant time to service on our Board, and be committed first and foremost to the interests of all our shareholders. As such, persons who represent a particular special interest, ideology, narrow perspective or point of view would not, therefore, generally be considered good candidates for election to our Board. A shareholder recommendation should set forth (i) the name and address of and number of shares of Common Stock owned by the recommending shareholder, (ii) information relating to the recommended candidate that would be required to be disclosed in a solicitation of proxies for the election of the candidate pursuant to Regulation 14A under the Exchange Act, (iii) a description of all agreements related to the nomination among the recommending shareholder, recommended candidate or other persons, and (iv) any other information the recommending shareholder believes would be useful in informing the committee's decision making.

In addition to making recommendations of director nominees to the Corporate Governance and Nominating Committee, shareholders may make director nominations or proposals at any annual meeting of the shareholders, provided they comply with the requirements set forth in our Bylaws and, for their nominations and proposals to be included in a proxy statement delivered by us, with Regulation 14A of the Exchange Act. See Shareholder Proposals and Nominations below.

Compensation Committee. The Compensation Committee, which currently consists of Ms. Evans, Mr. Hedrick, Mr. Svider and Mr. Travis, establishes and monitors the effectiveness of the Company's compensation philosophy and compensation programs, including approving all compensation for our executive officers, except for our CEO, and reviewing and making recommendations with respect to our incentive compensation and benefit plans. Ms. Evans serves as chairman of the committee. The Compensation Committee met twenty-one times during 2012, and each member of the committee at that time attended at least 75% of all of the meetings held during that period.

In 2012, the Compensation Committee directly engaged Hay Group, a human resources and compensation consulting firm, as its independent advisor to provide the Compensation Committee with compensation data and to review and advise the Compensation Committee on executive compensation matters. Hay Group has developed the Company's compensation philosophy and reviews such philosophy on an annual basis.

Finance Committee. The Finance Committee, which currently consists of Mr. Svider, Mr. Bateman and Ms. Mason, advises the board regarding the Company's financial policies and plans, capital structure, and strategic plan. Mr. Svider serves as chairman of the committee. The Finance Committee met five times during 2012, and each member of the committee attended at least 75% of the meetings held during the period.

Corporate Governance Guidelines and Communications with Directors

Our Board of Directors has adopted corporate governance guidelines that define those governance practices of the Board that are not included in our Bylaws. Our Board of Directors has also adopted a Code of

Ethical Behavior, which contains general guidelines for conducting our business and applies to all of our officers, directors and employees, and has established a hotline to assist employees in complying with their ethical and legal obligations and for reporting suspected violations of applicable laws or the Company's procedures and policies.

Any shareholder or other interested party who desires to communicate with any member (or all members) of the Board of Directors, or committees of the Board of Directors may do so at any time by submitting his or her comments, questions or concerns, in writing by mail addressed to our Corporate Secretary to our corporate headquarters at 6600 North military Trail, Boca Raton, FL 33496. A shareholder or other interested party should clearly indicate on the envelope the director or directors who are the intended recipients of the communication.

In addition, any person who desires to communicate any matter specifically and confidentially to our Audit Committee may contact the Audit Committee by addressing a letter to the Chair of the Audit Committee, c/o Corporate Secretary, at our corporate headquarters address. Mark on the outside of the envelope that the communication inside is Confidential. Such mailing will be directed to the Chair of our Audit Committee for his or her review and follow-up action as he or she deems appropriate.

All such communications received by the Corporate Secretary will be forwarded to the director designated on the envelope. The Corporate Secretary will not filter out any such communications except for communications related to solicitation for products or services and items of a personal nature that are not relevant to a person's status as a shareholder. All communications designated for the Board of Directors will be forwarded to the Chairman of the Board of Directors.
