Item 8.01 Other Events.

As previously reported, on February 4, 2013, an alleged holder of our common stock filed a derivative action on our behalf against each of our directors in the U.S. District Court for the District of Massachusetts. The complaint alleged that the directors breached their fiduciary duties to us and our stockholders in connection with disclosures related to the FDA and the marketing and labeling of our Impella 2.5 product and sought damages in an unspecified amount.

On March 22, 2013, we filed a motion to dismiss the derivative action. On June 21, 2013, the District Court entered an order granting our motion and dismissed the derivative action in its entirety.
