PRESS RELEASE

NOVEMBER 28, 2013

Information regarding antitrust investigation in India

Ericsson (NASDAQ: ERIC) today announced that the Competition Commission of India (CCI) has decided to commence an investigation of Ericsson relating to the Indian Competition Act.

In March 2013, Ericsson sued the Indian company Micromax for patent infringement in Delhi High Court, India. Ericsson had before that made numerous attempts to sign a license agreement with the company on Fair, Reasonable and Non-discriminatory (FRAND) terms.

As part of its general defense, Micromax has filed a complaint to the CCI.

The CCI has now decided to refer the case to the Director General for an in-depth investigation. Ericsson will fully cooperate with the authority in this investigation to reach a fair and reasonable conclusion.
