NOTICE OF SPECIAL MEETING OF STOCKHOLDERS

TO BE HELD FRIDAY, MARCH 14, 2014

To the Securityholders of YRC Worldwide Inc.:

You are cordially invited to attend a Special Meeting of Stockholders (*Special Meeting*) of YRC Worldwide Inc. (*we, us, our, YRCW* or the *Company*) which will be held at our corporate headquarters, 10990 Roe Avenue, Overland Park, Kansas 66211, on Friday, March 14, 2014 at 10:00 a.m., Central Time, to vote on the following matters:

- Proposal 1: To amend our Certificate of Incorporation (*Charter Amendment*) to increase the number of authorized shares of our common stock, par value \$0.01 (*Common Stock*), from 33,333,333 to 95,000,000 which will permit the conversion of all shares of our Class A Convertible Preferred Stock, par value \$1.00 (*Convertible Preferred*), issued in the Financing Transactions (as defined below); and
- Proposal 2: To approve the issuance and sale by us to certain investors of a number of shares of our Common Stock (including Convertible Preferred, a portion of which will automatically convert to shares of our Common Stock upon the approval of Proposal 2) that would result in such investors together beneficially owning greater than 19.99% of the total number of issued and outstanding shares of Common Stock and of the outstanding voting power of our securities after such issuance, sale and conversion, in accordance with Nasdaq Listing Rule 5635(b) (*Nasdaq Change of Control Approval*);

and transact any other business that may properly come before the Special Meeting or any reconvened meeting following any adjournment or postponement of the Special Meeting.

On December 22, 2013, the Company executed stock purchase agreements (*Stock Purchase Agreements*) with certain investors (*Buyers*) pursuant to which it agreed to sell (*Sales*), in the aggregate, a combination of 14,333,334 shares of Common Stock and 583,334 shares of Convertible Preferred for an aggregate purchase price of \$250.0 million in cash. In addition, the Company and certain existing holders of the Company's 10% Series B Convertible Senior Secured Notes due 2015 (*Series B Notes*) entered into agreements (*Exchange Agreements*) pursuant to which such holders agreed to exchange their Series B Notes in an aggregate principal amount of \$37.7 million plus accrued and unpaid interest through January 15, 2014 for an aggregate of 2,588,045 shares of Common Stock (*Series B Note Exchanges*). Certain other Buyers agreed to convert Series B Notes in an aggregate principal amount of \$12.9 million in accordance with their terms (*Conversions*) for an aggregate of 806,456 shares of Common Stock. On January 31, 2014, the Company completed the Sales, the Series B Notes Exchanges and the Conversions, issuing 17,727,835 shares of Common Stock and 583,334 shares of Convertible Preferred, and used the proceeds from the Sales to repay indebtedness. Throughout this proxy statement we refer to the Sales, the application of the proceeds therefrom, the Series B Note Exchanges and the Conversions collectively as the *Financing Transactions*.

Upon completion of the Charter Amendment and the Nasdaq Change of Control Approval, the Convertible Preferred issued in the Financing Transactions will automatically convert into shares of our Common Stock.

We urge you to read the proxy statement materials in their entirety and to consider them carefully including the effect that adopting or failing to adopt the proposals will have on stockholders.

The notice, this Proxy Statement and the form of proxy enclosed are being first sent to our stockholders on or about February 14, 2014.

The following matters will be voted on at the Special Meeting:

Proposal 1: To approve the Charter Amendment, increasing the authorized shares of Common Stock; and

Unless otherwise indicated, throughout this proxy statement, holders of our Common Stock, Convertible Preferred and Series A Preferred Stock are referred to collectively as *Stockholders* and holders of our 10% Series A Convertible Senior Secured Notes due 2015 (*Series A Notes*), and 10% Series B Convertible Senior Secured Notes due 2015 (*Series B Notes*, and collectively with the Series A Notes, *Convertible Notes*) are referred to collectively as *Convertible Noteholders*. The Voting Convertible Preferred and Common Stock acquired in the Sales and the Series B Notes Exchanges are permitted to vote on Proposal 1 but not on Proposal 2.

QUESTIONS AND ANSWERS

Why did I receive these materials?

These materials are being provided to you in connection with our Board's solicitation of proxies for use at the Special Meeting. As a Voting Securityholder, you are invited to attend the Special Meeting and to vote in person or by proxy on the proposals described in this proxy statement.

What am I voting on?

Our Board is soliciting your vote:

Proposal 1: To approve the Charter Amendment, increasing the authorized shares of Common Stock; and

Proposal 2: To approve the Nasdaq Change of Control Approval.

What are the Board's recommendations?

Our Board recommends you vote:

FOR the Charter Amendment (Proposal 1); and

FOR the Nasdaq Change of Control Approval (Proposal 2).

Why is the Board recommending that I vote FOR Proposals No. 1 and No. 2?

As part of the Stock Purchase Agreements described more fully in Discussion of the Financing Transactions Stock Purchase Agreements, we agreed to seek approval of Proposal 1 and Proposal 2 at a Special Meeting so that the Convertible Preferred issued as part of the Financing Transactions could be converted into Common Stock. The Board believes it is in the best interests of the stockholders of the Company that Proposal 1 and Proposal 2 be approved so that the Convertible Preferred can be converted into Common Stock as contemplated in the Financing Transactions and recommends that you vote FOR Proposals 1 and Proposal 2.

What are the consequences if Proposal 1 and Proposal 2 are not approved?

If Proposal 1 and Proposal 2 are not approved by the Voting Securityholders, then the certificate of incorporation of the Company will not be amended and restated to increase the authorized shares of Common Stock to a sufficient number to allow for the conversion of the Convertible Preferred. In addition, the Non-Voting Convertible Preferred will not convert into Common Stock unless Proposal 2 is approved in order for us to remain in compliance with Nasdaq Listing Rule 5635(b).

Beginning on the six month anniversary of the issue date of the Convertible Preferred, it will accrue cumulative dividends at an annual rate of 5% until the first anniversary of the issue date, at an annual rate of 10% for the period beginning on the first day after the first anniversary of the issue date and ending on the eighteen-month anniversary of

the issue date and at an annual rate of 15% thereafter. In addition, beginning on the first anniversary of the issue date, and for so long as any shares of Convertible Preferred remain outstanding, the holders representing at least a majority of the shares of Convertible Preferred will be entitled to elect one director to the Board. If Proposal 1 and Proposal 2 are approved prior to the one year anniversary of the issue date, then the Convertible Preferred will automatically convert to Common Stock, avoiding the accrual of dividends and the board appointment right.

Table of Contents

Who is entitled to vote at the Special Meeting?

Voting Securityholders of record as of the close of business on February 4, 2014 (*record date*) will be entitled to notice of, and to vote at, the Special Meeting or any reconvened meeting following any adjournment or postponement of the Special Meeting. Pursuant to our Amended and Restated Certificate of Incorporation (*Certificate*), Convertible Noteholders are entitled to vote on an as-converted-to-common stock basis, subject to certain limitations described below, on all matters on which our Common Stockholders are entitled to vote.

Voting Convertible Preferred and Common Stock acquired through the Sales and the Series B Notes Exchanges are permitted to vote on Proposal 1 but not on Proposal 2 and Non-Voting Convertible Preferred is not entitled to vote on either Proposal 1 or Proposal 2.

Do I have Dissenters' Rights of Appraisal?

The Delaware General Corporate Law (*DGCL*) does not provide dissenters' rights of appraisal to the Company's stockholders in connection with Proposal 1 or Proposal 2.

How many votes do I have?

On the record date, there were 28,553,995 shares of Common Stock, 1 share of Series A Preferred Stock and 583,334 shares of Convertible Preferred outstanding. Each Stockholder is entitled to one vote for each outstanding share of Common Stock or Series A Preferred Stock and, subject to certain limitations, four votes for each outstanding share of Convertible Preferred held as of the record date.

On the record date, there were \$82,504,169 and \$15,708,957 in aggregate principal amount outstanding of Series A Notes and Series B Notes, respectively, after giving effect to interest paid in the form of additional Series A Notes and Series B Notes, respectively, and the conversion of Series B Notes into Common Stock through the record date. Pursuant to our Certificate and the indentures governing the Convertible Notes, our Convertible Noteholders are entitled to vote on an as-converted-to-common stock basis on all matters on which our Common Stockholders are entitled to vote, subject to certain limitations described below. Each holder of Series A Notes is entitled, on an as-converted-to-common stock basis, to 29.4067 shares of Common Stock for each \$1,000 principal amount of Series A Notes held on the record date. Each holder of Series B Notes is entitled, on an as-converted-to-common stock basis, to 62.4782 shares of Common Stock per \$1,000 principal amount of Series B Notes held on the record date, which includes shares issuable as a Make Whole Premium (as defined in the Series B Notes indenture). However, as described in our Certificate and the Convertible Notes indentures, in order to comply with Nasdaq Listing Rule 5640, each holder of Series A Notes is limited to 0.1089 votes for each share of Common Stock on an as-converted-to-common stock basis, and each holder of Series B Notes is limited to 0.0594 votes for each share of Common Stock on an as-converted-to-common stock basis. On the record date, the holders of Series A Notes collectively were entitled to cast 264,210 votes, and the holders of Series B Notes collectively were entitled to cast 58,299 votes.

Non-Voting Convertible Preferred is not entitled to vote on either Proposal 1 or Proposal 2. Voting Convertible Preferred and Common Stock acquired through the Financing Transactions are permitted to vote on Proposal 1 but not on Proposal 2.

Abstentions and broker non-votes are included in the determination of the number of shares present at the Special Meeting for quorum purposes.

What is the difference between holding Voting Securities as a holder of record and as a beneficial owner?

Voting Securities of Record. If your Common Stock is registered directly in your name with our transfer agent, Computershare Trust Company, N.A., you are considered the Stockholder of record of

Table of Contents

those shares of Common Stock, and we sent the proxy statement directly to you. If you are the record holder of the Series A Preferred Stock or the Convertible Preferred, we sent the proxy statement directly to you. If your Convertible Notes are registered directly in your name, you are considered the holder of record of those Convertible Notes, and we sent the proxy statement directly to you.

Beneficial Owner of Voting Securities. If your Voting Securities are held in an account at a broker, bank or other nominee, then you are the beneficial owner of the Voting Securities, and the proxy statement was sent either directly to you or was forwarded to you by your nominee. The nominee holding your account is considered the Voting Securityholder of record for purposes of voting at the Special Meeting. As a beneficial owner, you have the right to direct your nominee on how to vote the Voting Securities held in your account.

What is the quorum required for the Special Meeting?

A majority of our voting power outstanding on the record date must be present in person or represented by proxy at the Special Meeting to hold the Special Meeting and conduct business. This is called a quorum. Your Voting Securities will be counted for purposes of determining the presence of a quorum (whether representing votes for, against, withheld or abstained, or broker non-votes) if you:

are present and vote in person at the Special Meeting; or

have voted on the Internet, by telephone or by properly submitting a proxy card or voting instruction form by mail.

If I am a Voting Securityholder of record, how do I vote?

There are three ways to vote:

In person. If you are a Voting Securityholder of record, you may vote in person at the Special Meeting. We will give you a ballot when you arrive.

By telephone. You may vote by proxy on the telephone by calling the toll-free number on the proxy card.

By mail. If you requested printed copies of the proxy materials by mail, you may vote by proxy by marking, signing and dating the proxy card and returning it in the envelope provided.

If you are voting by telephone or returning an executed proxy card, your vote or proxy card must be received by 10:59 p.m., Central Time, on March 13, 2014, to be counted.

If I am a beneficial owner of Voting Securities held in street name, how do I vote?

There are three ways to vote:

In person. If you are a beneficial owner of Voting Securities held in street name and you wish to vote in person at the Special Meeting, you must obtain a legal proxy from the broker, bank or other nominee that holds your Voting Securities. Please contact your broker, bank or other nominee for instructions on obtaining a proxy.

By telephone. If you requested printed copies of the proxy materials by mail, you may vote by proxy by calling the toll-free number on the voting instruction form.

By mail. If you requested printed copies of the proxy materials by mail, you may vote by proxy by completing the voting instruction form and mailing it back in the envelope provided.

Table of Contents

If you are voting on the by telephone or returning an executed proxy card, your vote or proxy card must be received by 10:59 p.m., Central Time, on March 13, 2014, to be counted.

How do I vote if I own shares of Common Stock through the Teamster-National 401(k) Savings Plan for the benefit of International Brotherhood of Teamsters employees?

If you own shares of Common Stock through the Teamster-National 401(k) Savings Plan for the benefit of our International Brotherhood of Teamsters (*IBT*) employees, you do not actually own shares of Common Stock. The 401(k) plan trustee owns the shares on your behalf. Under the Teamster-National 401(k) Savings Plan, however, you have pass-through voting rights based on the number of shares of Common Stock allocated to your account. You may exercise your pass-through voting rights on the Internet at www.proxyvote.com, or by calling 1.800.690.6903 and following the instructions provided. If you requested printed copies of the proxy materials by mail, you may also vote by mail by marking, signing and dating the enclosed card and returning it as soon as possible in the enclosed envelope. If you fail to give timely voting instructions to the 401(k) plan trustee, your shares will be voted by the trustee in the same proportion as shares held by the trustee for which voting instructions are received. Your vote must be received by 10:59 p.m., Central Time, on March 6, 2014 to be counted.

What happens if I do not give specific voting instructions?

Voting Securityholders of Record. If you are a Voting Securityholder of record and you indicate when voting on the Internet or by telephone that you wish to vote as recommended by our Board, or if you sign and return a proxy card without giving specific voting instructions, then the proxy holders will vote your Voting Securities in the manner recommended by our Board on all matters presented in this proxy statement and as the proxy holders determine in their discretion on any other matters properly presented at the Special Meeting.

Beneficial Owners of Voting Securities. If you are a beneficial owner of Voting Securities and do not provide the nominee that holds your Voting Securities with specific voting instructions, the nominee may generally vote on routine matters but cannot vote on non-routine matters. If your nominee does not receive instructions from you on how to vote your Voting Securities on a non-routine matter, it will not have authority to vote your Voting Securities on that matter. This is generally referred to as a broker non-vote. When our Inspector of Election tabulates the votes for any particular matter, broker non-votes will be counted for purposes of determining the existence of a quorum, but will not be treated as votes cast for or against the matter. We encourage you to provide voting instructions to the nominee that holds your Voting Securities by carefully following the instructions provided in the proxy statement.

Which proposals are considered routine or non-routine?

Proposal 1 (increase in authorized Common Stock) and Proposal 2 (approval of the Nasdaq Change of Control Approval) are proposals we believe are non-routine.

Table of Contents**What vote is required to approve each proposal?**

The following table describes the voting requirement for each proposal:

Proposal 1	Increase in authorized Common Stock	This proposal must be approved by (1) a majority of the votes represented by the outstanding Voting Securities, voting together as a single class and (2) a majority of the outstanding shares of Common Stock, voting as a single class. Please note that Non-Voting Convertible Preferred is not authorized to vote on Proposal 1.
Proposal 2	Approval of the Nasdaq Change of Control Approval	This proposal must be approved by a majority of the votes cast by Voting Securityholders present in person or represented by proxy, voting together as a single class. This means the number of votes cast by Voting Securityholders FOR the proposal must exceed the number of votes cast AGAINST the proposal. Please note that Convertible Preferred and Common Stock acquired through the Sales and the Series B Notes Exchanges are not allowed to vote on Proposal 2.

Pursuant to the Stock Purchase Agreements, each of the Buyers granted us an irrevocable proxy and attorney-in-fact, with full power of substitution, to vote all such Buyer's shares of Common Stock (including, if applicable, shares issuable pursuant to the Exchange Agreements) in favor of the Charter Amendment as contemplated by Proposal 1. We may exercise the irrevocable proxy granted to us thereunder at any time. The proxies will be irrevocable for so long as the Charter Amendment has not been approved and shall survive the bankruptcy or dissolution of each such Buyer and the subsequent holders of its shares of Common Stock. The proxies granted to the Company in connection with the Stock Purchase Agreements are sufficient to approve Proposal 1 assuming the Buyers continue to own such shares as of the record date.

How are abstentions and broker non-votes treated?

For the purpose of determining whether the Voting Securityholders have approved Proposal 1, abstentions and broker non-votes will have the same effect as a vote against Proposal 1, but for the purpose of determining whether the Voting Securityholders have approved Proposal 2, abstentions and broker non-votes will not be treated as votes cast for or against the proposal, and therefore, have no effect on the outcome of such proposal.

Can I change my vote after I have voted?

You may revoke your proxy and change your vote at any time before the final vote at the Special Meeting. You may vote again on a later date by telephone (only your latest telephone proxy submitted prior to the applicable deadline will be counted), by signing and returning a new proxy card or voting instruction form with a later date, or by attending the Special Meeting and voting in person. Mere attendance at the Special Meeting will not automatically revoke your proxy unless you vote in person at the Special Meeting or specifically request in writing that your prior proxy be revoked.

Is my vote confidential?

We will handle proxy instructions, ballots and voting tabulations that identify individual Voting Securityholders in a manner that protects your voting privacy. Your vote will not be disclosed within or outside our Company, except:

as necessary to meet applicable legal requirements;

to allow for the tabulation and certification of votes; and

to facilitate a successful proxy solicitation.

Table of Contents

Occasionally, Voting Securityholders provide written comments on their proxy cards. These may be forwarded to management or our Board.

Where can I find the voting results of the Special Meeting?

The preliminary voting results may be announced at the Special Meeting and will be promptly announced after the Special Meeting. The final voting results will be tallied by the Inspector of Election for the Special Meeting and announced in a current report on Form 8-K as soon as practicable after the Inspector of Election tallies the final voting results.

Who is paying the cost of this proxy solicitation?

We are paying the cost of soliciting proxies. We have retained Morrow & Co., LLC to assist in soliciting proxies for a nominal fee plus reasonable out-of-pocket expenses. We must pay brokerage firms and other persons representing beneficial owners of Voting Securities their reasonable out-of-pocket expenses incurred in forwarding proxy materials to beneficial owners who specifically request them and obtaining voting instructions from those beneficial owners.

In addition to soliciting proxies by mail, members of our Board and our officers and employees may solicit proxies on our behalf, without additional compensation, personally or by telephone. We may also solicit proxies by email from Voting Securityholders who are our employees or who have previously requested electronic receipt of proxy materials.

DISCUSSION OF THE FINANCING TRANSACTIONS

Introduction

We have called the Special Meeting to ask our Stockholders to support two proposals that will enable us to convert the Convertible Preferred issued in the Financing Transactions. The approval of the proposals to be voted on at this meeting is *critical* in order to fully execute the intent behind the Company's Financing Transactions and to provide the Company with additional financial flexibility with respect to future issuances of equity.

Proposal 1 is for the stockholders to approve the Charter Amendment, increasing the authorized shares of Common Stock.

Proposal 2 is to approve the Nasdaq Change of Control Approval.

Overview of the Financing Transactions

On December 23, 2013, we announced that we had executed the Stock Purchase Agreements pursuant to which the Buyers agreed to the Sales and certain Buyers also agreed to the Conversions. In addition, we and certain existing holders of our Series B Notes entered into agreements pursuant to which such holders agreed to the Series B Note Exchanges. On January 31, 2014, the Company completed the Financing Transactions, issuing 17,727,835 shares of Common Stock and 583,334 shares of Convertible Preferred, and used the proceeds from the Sales to repay indebtedness which resulted in a substantial reduction of our debt and addressed impending maturities, including the 6% Convertible Notes due in February 2014. The Financing Transactions also cleared the way for the Company to enter the senior debt markets to attempt to refinance our current term and asset-based loans at more favorable interest rates.

Stock Purchase Agreements

On December 22, 2013, we entered into the Stock Purchase Agreements with the Buyers pursuant to which we agreed to issue and sell to each Buyer, and each Buyer severally agreed to purchase from us, shares of Common Stock, and, in the case of a group of certain Buyers, shares of Convertible Preferred, for an aggregate purchase price of \$250.0 million in cash. The Sales closed on January 31, 2014, and the Common Stock and the Convertible Preferred were issued pursuant to an exemption from registration in Rule 506 of Regulation D promulgated under Section 4(a)(2) of the Securities Act of 1933, as amended (*Securities Act*). The Convertible Preferred will convert into shares of Common Stock automatically following the occurrence of the events described in the Certificate of Designations, Preferences, Powers and Rights of Class A Convertible Preferred Stock (*Certificate of Designations*) described below. Each Buyer paid a purchase price of \$15 per share for each share of Common Stock and a purchase price of \$60 per share for each share of Convertible Preferred allocated to it. We used the proceeds from the issuance of Common Stock and Convertible Preferred to repay indebtedness.

In each Stock Purchase Agreement, the Company agreed to hold this Special Meeting of Stockholders as promptly as practicable following execution of the Stock Purchase Agreements to vote on Proposal 1 and Proposal 2. If approval with respect to either Proposal 1 or Proposal 2 is not obtained at the Special Meeting of Stockholders, then the Company will be required to continue to seek approval of whichever proposals have not been approved at subsequent stockholders' meetings to be held every six months.

In addition, the Buyers granted the Company an irrevocable proxy to vote all such Buyer's shares of Common Stock (including, if applicable, shares issuable pursuant to the Exchange Agreements) in favor of the Charter Amendment

contemplated by Proposal 1. The Company may exercise the irrevocable proxy granted to it thereunder at any time. Such proxies and powers are irrevocable for so long as the Charter Amendment has not been approved.

Table of Contents

Class A Convertible Preferred Stock

The Certificate of Designations establishing the terms of the Convertible Preferred was filed with the Secretary of State of the State of Delaware in connection with the closing of the Financing Transactions. The Convertible Preferred has an initial stated value and liquidation preference of \$60 per share. Beginning on the six month anniversary of the issue date of the Convertible Preferred, the Convertible Preferred will accrue cumulative dividends at an annual rate of 5% until the first anniversary of the issue date, at an annual rate of 10% for the period beginning on the first day after the first anniversary of the issue date and ending on the eighteen-month anniversary of the issue date and at an annual rate of 15% thereafter.

Immediately upon effectiveness of the Charter Amendment, each share of the Convertible Preferred will automatically be converted into a number of shares of Common Stock equal to the quotient obtained by dividing (i) the liquidation preference plus the amount of accrued dividends by (ii) the conversion price of \$15 per share; provided that if the conversion would result in a Buyer owning more than 19.99% of the issued and outstanding Common Stock, the portion of the Buyer's shares of Convertible Preferred will only convert such that the Buyer will hold not more than 19.99% of the issued and outstanding Common Stock (*Common Stock Cap*). The Convertible Preferred will continue to automatically convert in this manner on the last day of each calendar quarter subsequent to the date of the Charter Amendment and at any time shares of Convertible Preferred are transferred by a Buyer to an unaffiliated third party following effectiveness of the Charter Amendment. If the holders of the Common Stock approve the Nasdaq Change of Control Approval in Proposal 2 of this proxy statement, all remaining shares of Convertible Preferred will automatically convert into Common Stock at the conversion price.

The Voting Convertible Preferred will vote together as a single class with the Common Stock on an as-converted-to-Common-Stock-basis. In order to comply with Nasdaq Listing Rule 5635(b), which requires that no holder acquire greater than 19.99% of the voting power of our securities without prior stockholder approval, the Non-Voting Convertible Preferred will not have any right to vote together as a single class with the shares of Common Stock on an as-converted-to-Common-Stock-basis and therefore will not be entitled to vote on either Proposal 1 or Proposal 2.

Exchange Agreements

On December 22, 2013, we entered into the Exchange Agreements with certain holders of our Series B Notes (collectively, *Exchanging Holders*) pursuant to which we agreed to exchange the Series B Notes held by the Exchanging Holders for Common Stock in a private placement. The Series B Notes Exchanges closed on January 31, 2014, and the Common Stock was issued pursuant to an exemption from registration in Rule 506 of Regulation D promulgated under Section 4(a)(2) of the Securities Act. In addition, certain holders of Series B Notes alternatively agreed to convert their Series B Notes pursuant to their Stock Purchase Agreements. Together with Series B Notes exchanged by the Exchanging Holders or otherwise converted by the Buyers, the Company converted or exchanged approximately \$50.6 million aggregate principal amount of Series B Notes plus accrued and unpaid interest through January 15, 2014 for Common Stock.

Each Exchanging Holder agreed to deliver its irrevocable consent to the certain amendments (*Amendments*) to the indenture, dated as of July 22, 2011 (*Series B Notes Indenture*), between the Company and U.S. Bank National Association, governing the Series B Notes. The Amendments eliminated substantially all of the restrictive covenants, certain events of default and other related provisions contained in the Series B Notes Indenture and released and discharged the liens on the collateral securing the Series B Notes, and became effective following the closing.

Registration Rights Agreement

In connection with the Stock Purchase Agreements and the Exchange Agreements, we entered into a registration rights agreement (*Registration Rights Agreement*) with each of the Buyers and each of the Exchanging Holders pursuant to which we agreed to file, within three business days of the closing of the Financing Transactions,

Table of Contents

a registration statement under the Securities Act, registering the resale by the Buyers and the Exchanging Holders of the shares received by them pursuant to the Financing Transactions. We also agreed to use commercially reasonable efforts to have the registration statement declared effective by the date that is ninety (90) calendar days following the closing of the Financing Transactions; provided, however, if we are notified by the Securities and Exchange Commission (*SEC*) that the registration statement will not be reviewed or is no longer subject to further review and comments, the effectiveness deadline will be the fifth business day following the date on which such notice is received by the Company.

If we breach certain of our obligations under the Registration Rights Agreement (*Event*), we will pay each holder liquidated damages in cash at a rate equal to 1.00% per annum of the sum of (i) the purchase price of securities acquired pursuant to the Stock Purchase Agreements then held by such holder, and (ii) \$15 multiplied by the number of shares of Common Stock received upon exchange or conversion of the Series B Notes then held by such holder. The registration rights are subject to the restrictions in the Registration Rights Agreement. We will pay the expenses in connection with the registration, other than underwriting discounts and selling commissions of the holders.

Dilution to Existing Stockholders

There will be dilution of existing holders of our Common Stock if the Charter Amendment and the Nasdaq Change of Control Approval are approved and the Convertible Preferred is converted into Common Stock under the conditions described above in Class A Convertible Preferred Stock, which would be equivalent to approximately 8.2% of the Common Stock outstanding immediately following the consummation of the Charter Amendment and the conversion of the Convertible Preferred, subject to further dilution upon any future issuances of Common Stock we may make if we seek to raise more capital.

PROPOSAL 1

Authorization to Increase the Company's Authorized Common Stock from 33,333,333 shares to 95,000,000 shares

Background

In order to ensure sufficient shares of Common Stock will be available for the conversion of the Convertible Preferred, and future issuance by the Company, the Board of Directors has approved, subject to stockholder approval, an amendment to our Certificate of Incorporation to increase the number of shares of our Common Stock authorized for issuance from 33,333,333 to 95,000,000. You are being asked to consider and act upon this proposal to approve the Charter Amendment, which is described in Appendix A to this proxy statement. The Company needs the increase in authorized shares to be able to convert the Convertible Preferred to shares of our Common Stock pursuant to the Certificate of Designations. Further, it is important that the Company have an appropriate number of authorized but unissued shares following the conversion of the Convertible Preferred. This will provide the Company with the flexibility to, among other things, undertake important strategic initiatives the Board of Directors may approve from time to time.

Under Delaware law, we may only issue shares of Common Stock to the extent such shares have been authorized for issuance under our Certificate of Incorporation and the DGCL. From time-to-time, we issue shares of our Common Stock in connection with capital raises to fund operations and expansion plans and for other general corporate purposes. Upon each of these occurrences, the number of shares available for issuance decreases. Our Certificate of Incorporation currently authorizes the issuance of up to 33,333,333 shares of Common Stock. However, as of February 4, 2014, 28,553,995 shares of Common Stock were issued and outstanding and 4,520,199 shares were reserved for future issuance. The Financing Transactions resulted in the issuance of 583,334 shares of Convertible Preferred, and such Convertible Preferred is convertible into 2,333,336 shares of Common Stock upon the conditions set forth in the Certificate of Designations. We will not have adequate available shares of Common Stock for those conversions without the approval of Proposal 1. The proposed increase in the authorized Common Stock would provide the Company with the ability to consummate the conversion of the Convertible Preferred and additional flexibility to, among other things, issue additional equity and equity-linked securities in the future to fund its operations and expected growth and other general corporate purposes.

Purpose and Effect of the Increase in the Amount of the Company's Authorized Common Stock

The principal purpose of this proposal is to authorize additional shares of Common Stock, which will be used for the conversion of the Convertible Preferred into Common Stock pursuant to the Certificate of Designations and for general corporate purposes. The availability of additional shares of Common Stock is particularly important in the event that the Board of Directors needs to undertake any of the foregoing actions on an expedited basis and thus to avoid the time and expense of seeking stockholder approval in connection with the contemplated issuance of Common Stock. If the amendment is approved by the stockholders, the Board does not intend to solicit further stockholder approval prior to the issuance of any additional shares of Common Stock, unless stockholder approval is otherwise required by law or the Marketplace Rules of the Nasdaq Stock Market, which require stockholder approval for certain issuances of stock.

We do not have any arrangements, commitments or understandings to issue any shares of our capital stock except in connection with our existing stock option and purchase plans and the Financing Transactions which were completed on January 31, 2014.

The Board of Directors is not currently aware of any attempt to take over or acquire the Company. While it may be deemed to have potential anti-takeover effects, the proposed Charter Amendment to increase the authorized Common Stock is not prompted by any specific effort or takeover threat currently perceived by management.

Table of Contents

As of February 4, 2014, there were

33,333,333 shares of our Common Stock authorized;

approximately 28,553,995 shares of our Common Stock issued and outstanding;

approximately 33,102 shares of Common Stock underlying options outstanding at a weighted average exercise price of \$3,680 per share;

approximately 203,245 shares of Common Stock issuable upon the vesting of restricted stock units;

approximately 858,593 shares of our Common Stock reserved and available for future issuance or future grant under our 2011 Incentive and Equity Award Plan (*2011 Plan*);

approximately 17,616 shares issuable upon conversion of our 6% Convertible Notes;

approximately 2,426,176 shares of our Common Stock issuable upon conversion of our Series A Notes;

approximately 981,467 shares of our Common Stock issuable upon conversion of our Series B Notes; and

approximately 259,139 shares of our Common Stock which are authorized, unreserved and unissued. We believe that the increase in the number of authorized shares of Common Stock is in the best interests of the Company and its stockholders.

Amendment Effective Time

The effective date of the Charter Amendment will be the date on which the certificate of amendment is accepted and recorded by the Delaware Secretary of State (subject to any specific future time of effectiveness stated therein) in accordance with Section 103 of the DGCL. It is expected that the Charter Amendment will be submitted for filing on the next business day after the Special Meeting. The Voting Convertible Preferred will automatically convert into shares of Common Stock immediately following the filing of the Charter Amendment.

Vote Required and Recommendation of the Board of Directors

The affirmative vote of (1) a majority of the votes represented by the outstanding Voting Securities, voting together as a single class and (2) a majority of the outstanding shares of Common Stock, voting as a single class, is required to approve the proposed Charter Amendment. Abstentions, failure to vote and broker non-votes will have the same effect as a vote against this proposal.

Pursuant to the Stock Purchase Agreements, each of the Buyers granted us an irrevocable proxy and attorney-in-fact, with full power of substitution, to vote all such Buyer's shares of Common Stock (including, if applicable, shares issuable pursuant to the Exchange Agreements) in favor of the Charter Amendment as contemplated by Proposal 1. We may exercise the irrevocable proxy granted to us thereunder at any time. The proxies will be irrevocable for so long as the Charter Amendment has not been approved and shall survive the bankruptcy or dissolution of each such Buyer. The proxies granted to the Company in connection with the Stock Purchase Agreements are sufficient to approve Proposal 1 assuming the Buyers which granted the proxies continue to own such shares as of the record date.

THE BOARD OF DIRECTORS HAS ADOPTED A RESOLUTION APPROVING THE AMENDMENT OF OUR CERTIFICATE OF INCORPORATION AS SET FORTH IN PROPOSAL 1 AND DECLARING ITS ADVISABILITY. THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF PROPOSAL 1.

PROPOSAL 2

Issuance of Common Stock and Convertible Preferred in accordance with Nasdaq Listing Rule 5635(b)

Background

We are seeking stockholder approval under the applicable provisions of Nasdaq Marketplace Rule 5635(b) for the issuance and sale by us to certain investors a number of shares of our Common Stock (including Convertible Preferred, a portion of which will convert to shares of our Common Stock upon the approval of Proposal 2 pursuant to the Certificate of Designations) that would result in such investors together beneficially owning greater than 19.99% of the total number of issued and outstanding shares of Common Stock and of the outstanding voting power of our securities after such issuance, sale and conversion. As described under the captions Financing Transactions, the Company issued the Common Stock and Convertible Preferred in the Sales. The closing of the Financing Transactions occurred on January 31, 2014. At the closing of the Financing Transactions, a group of certain Buyers of the Common Stock and Convertible Preferred owned approximately 19.91% of our Common Stock on an as converted basis, and such group of certain Buyers would own greater than 19.99 % of the total number of issued and outstanding shares of Common Stock and of the outstanding voting power of our securities after the conversion of the Non-Voting Convertible Preferred into Common Stock.

Reason for Request for Stockholder Approval

Our Common Stock is listed on the Nasdaq Global Market and, as such, we are subject to the Nasdaq Marketplace Rules. Nasdaq Marketplace Rule 5635(b) requires us to obtain stockholder approval prior to certain issuances with respect to Common Stock or securities convertible into Common Stock, which could result in a change of control of the issuer. This rule is referred to as the Nasdaq Change of Control Rule. Generally, Nasdaq interpretations provide that the acquisition of 20% of the shares of an issuer by one person or group of affiliated persons may be considered a change of control of such issuer. The issuance of Common Stock upon the conversion of the Non-Voting Convertible Preferred, as described in the Certificate of Designations, will result in a group of certain Buyers acquiring more than 20% of our shares of Common Stock. Accordingly, we need stockholder approval of the change of control to complete the conversion of the Convertible Preferred into Common Stock.

In order to comply with the Nasdaq Change of Control Rule, we are seeking stockholder approval for the issuance of securities that would result in a group of certain Buyers owning greater than 19.99% of the total number of issued and outstanding shares of Common Stock and of the outstanding voting power of our securities.

We did not seek advance stockholder approval of all potential share issuances related to the Sales because the Sales restricted the number of shares of Common Stock that were issued and, instead, issued a combination of Common Stock and Convertible Preferred. Thus, immediately after the Sales the number of shares of Common Stock were not in excess of the applicable Nasdaq limitations. Therefore, advance stockholder approval was not required by the Nasdaq Marketplace Rules. If stockholders approve Proposal 2 at the Special Meeting, the Non-Voting Convertible Preferred will automatically convert into Common Stock.

Impact on Stockholders of Approval or Disapproval of this Proposal 2

If this proposal is approved, the issuance of the Common Stock could have an anti-takeover effect because such issuance would make it more difficult for, or discourage an attempt by, a party to obtain control of the Company by tender offer or other means. The issuance of the Common Stock will increase the number of shares entitled to vote, increase the number of votes required to approve a change of control of the Company, and dilute the interest of a party

attempting to obtain control of the Company. The Board of Directors does not have any current knowledge of any effort by any third party to accumulate the Company's securities or obtain control of the Company by any means.

Table of Contents

If this approval is not approved by the Stockholders, then Nasdaq Listing Rule 5635(b) will not allow conversion of the Non-Voting Convertible Preferred. In addition, beginning on the six month anniversary of the issue date of the Convertible Preferred, it will accrue cumulative dividends at an annual rate of 5% until the first anniversary of the issue date, at an annual rate of 10% for the period beginning on the first day after the first anniversary of the issue date and ending on the eighteen-month anniversary of the issue date and at an annual rate of 15% thereafter. Additionally, beginning on the first anniversary of the issue date, and for so long as any shares of Convertible Preferred remain outstanding, the holders representing at least a majority of the shares of Convertible Preferred will be entitled to elect one director to the Board. If Proposal 1 and Proposal 2 are approved prior to the one year anniversary of the issue date, then the Convertible Preferred will automatically convert to Common Stock, avoiding the accrual of dividends and the board appointment right.

Vote Required and Recommendation of the Board of Directors

The affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy and voting on the matter is necessary under Rule 5635(e)(4) of the Nasdaq Marketplace Rules to approve the issuance and sale of greater than 19.99% of the total number of issued and outstanding shares of Common Stock or of the outstanding voting power of our securities to a holder. Accordingly, failure to vote, broker non-votes and abstentions will not affect the vote on Proposal 2.

THE BOARD OF DIRECTORS HAS APPROVED THE ISSUANCE OF THE COMMON STOCK UPON CONVERSION OF THE CONVERTIBLE PREFERRED AS SET FORTH IN PROPOSAL 2. THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF PROPOSAL 2.
