OPINION ON THE PROPOSALS THAT THE BOARD OF DIRECTORS INTENDS TO
SUBMIT TO THE ANNUAL ORDINARY GENERAL MEETING OF THE
SHAREHOLDERS

The Board of Directors of the Company, at its meeting No. 309 held on February 27, decided to request that the Audit Committee, in accordance with section 110, subsections a) and e) of Law 26,831 and Section 10A of the U.S. Exchange Act, issue an opinion on the proposals that the Board of Directors intends to submit for consideration to the Annual Ordinary General Meeting of the Shareholders.

The proposals submitted are included below:

- 1) The proposal to allocate the aggregate compensation of P\$13,300,000 to the members of the Board of Directors serving during Fiscal Year 2013 (from April 23, 2013 through the date of the Shareholders Meeting that would consider their compensation) and to delegate to the Board of Directors the authority to distribute such amount among its members.

This amount represents 0.41% of Fiscal Year 2013 accountable earnings calculated according to sections 2 and 3 of Chapter III, Title II of the Rules of the *Comision Nacional de Valores* (N.T. 2013).

In addition, it was proposed that the Board of Directors should be authorized to make advance payments of up P\$ 11,000,000 to those directors who shall render services during Fiscal Year 2014 (from the date of the shareholders meeting that considers this matter through the date of the meeting that reviews Fiscal Year 2014 documents), always contingent upon the decision of the Shareholders Meeting that considers the financial statements of such fiscal year, authorizing the Board of Directors to increase such amount in the case of non-recurring events.

2) The proposal to pay to Price Waterhouse & Co. S.R.L., for its services as Independent Auditors of Telecom Argentina's financial statements for fiscal year 2013, the amount of P\$ 6,300,000 without VAT, of which P\$ 3,180,000 are fees for financial statement audit tasks, and P\$ 3,120,000 are for audit tasks related to the certification under Section 404 of the Sarbanes Oxley Act.

3) The proposal to appoint Price Waterhouse & Co. S.R.L. as Independent Auditors of the financial statements for the fiscal year ending on December 31, 2014, where Carlos Alberto Pace would act as the regular certifying accountant and Mario Angel Julio as his alternate.

The Audit Committee was also requested to report the amount of expenses assigned to its operation and training activities during Fiscal Year 2013 to be reported to the Shareholders Meeting, and to assess the funds it considers necessary to carry out its duties during Fiscal Year 2014 in order to request budget approval

1) Opinion on the Proposal of Fees Payable to the members of the Board of Directors acting during fiscal year 2013 and advance payments to those who shall serve in 2014

The Board of Directors submitted to the Audit Committee's prior opinion the proposal that it would submit to the Shareholders, to assign to the directors acting in Fiscal Year 2013 (from April 23, 2013 until the date of the meeting that reviews their compensation) the aggregate compensation of P\$ 13,300,000, and proposed that the Shareholders Meeting should delegate to the Board the authority to distribute such amount among its members.

In order to evaluate such proposal, the members of the Audit Committee have considered the following:

- a) the number of members of the Board of Directors, their roles, responsibilities and dedication to their functions;
- b) the participation of members of the Board of Directors in several committees (Audit Committee, Regulatory Compliance Committee, Steering Committee), which demand professionalism and many hours of work, and involve a high level of responsibility;
- c) the consistency of this proposal with those submitted in previous fiscal years;
- d) the updated survey conducted on the *Autopista de Informacion Financiera* of the *Comision Nacional de Valores* in relation to remuneration paid to directors of other companies similar to Telecom Argentina during the last fiscal year, as reported by such companies. Said survey shows that the fees proposed for Telecom Argentina's directors, as a whole, are consistent with the average amounts paid by such organizations and by Telecom Argentina in previous years;

e) the fact that the total amount of fees proposed represents a small percentage of accountable earnings for fiscal year 2013, calculated according to CNV Rules.

Based on the above, the total remuneration of P\$ 13,300,000 proposed by the Board of Directors for directors acting during fiscal year 2013 from April 23, 2013 through the date of the Shareholders Meeting reviewing its compensation is reasonable under the terms of sections 2 and 3 of Chapter III of the Rules of the *Comision Nacional de Valores*, taking into account the number, the responsibilities, representation, technical tasks as members of several Board committees, dedication, competence and professional reputation of directors and the market value of their services, and considering that it does not infringe any legal, regulatory or statutory provision applicable to the Company.

The Audit Committee also considers reasonable, according to market practices, the proposal to authorize the Board of Directors to make advance payments to those directors acting during fiscal year 2014 for up to P\$ 11,000,000, and to increase such amount in the case of non-recurring events, contingent upon the decision of the Shareholders Meeting that reviews the documents for such fiscal year.

2) Opinion on the Proposal of Fees payable to the Independent Auditors for Fiscal Year 2013

The Board of Directors has requested our opinion on the proposal of fees it intends to submit to the shareholders on the remuneration to be paid to Price Waterhouse & Co. S.R.L., for their services as Independent Auditors of the financial statements of Telecom Argentina for fiscal year 2013. The proposal to be submitted at the Shareholders Meeting provides for the payment of six million three hundred thousand pesos (P\$ 6,300,000) without VAT, of which P\$3,180,000 are fees for financial statement audit tasks and P\$ 3,120,000 are for the audit activities performed in connection with the certification under Section 404 of the Sarbanes Oxley Act.

The Audit Committee considers that the amount of P\$ 3,180,000 that the Board of Directors would propose to the Shareholders Meeting as compensation for the financial statements audit tasks performed by the Independent Auditors during fiscal year 2013 is reasonable and consistent with the importance, magnitude and quality of the tasks performed, and is within the range of the fees approved by other listed companies similar to Telecom Argentina.

Likewise, taking into account the complexity and specialization required for the Independent Auditors to perform the audit in respect of the certification under Section 404 of the Sarbanes Oxley Act, the Audit Committee concludes that the amount of P\$3,120,000 that the Board of Directors will propose to the Shareholders Meeting as remuneration for the audit tasks performed is also deemed reasonable.

3) Opinion on the Proposal to Appoint the Independent Auditors for Fiscal Year 2014

As noted in the abovementioned Board Minutes No 309, the Board of Directors will propose to the Annual Ordinary Shareholders Meeting the designation of Accounting Firm Price Waterhouse & Co. S.R.L. (Price) as Auditors of the Financial Statements for fiscal year 2014, where Carlos Alberto Pace will act as the regular certifying accountant and Mario Angel Julio as his alternate. This means that, if the proposal is approved by the Shareholders Meeting , a regular and an alternate certifying accountant will be designated that have not acted in that capacity in previous years.

Price is a firm of local and international renown, with a vast and outstanding professional track record, meeting stringent standards of quality and independence at its audited companies. Additionally, it is deeply knowledgeable of the business of Telecom Argentina and of its administrative and internal control structure.

The Committee notes that, regarding the turnover of auditing firms mentioned in CNV General Resolution No. 622/2013, there are opinions by professional associations and recent appointments of external auditors by listed companies that support the prospective application of this resolution. The issuance of any interpretative criterion by the applicable authorities could potentially impact the proposal to be formulated by the Board on this particular issue, or, in retrospect, on the decision to be finally adopted by the Shareholders Meeting, in which case the Audit Committee should act accordingly.

The Audit Committee discussed the firm's background and its performance in previous fiscal years, in addition to the abovementioned considerations, and resolved unanimously to submit to the Board of Directors a favorable opinion on its proposal to designate Price as Independent Auditors for fiscal year 2014.

Audit Committee expenses - 2013 Report and 2014 Budget

The Board of Directors requested the Audit Committee to report the expenses incurred in its operation and training activities in fiscal year 2013, and to estimate the amount that it considers necessary to carry out its activities in 2014, in order to inform the Shareholders and request their approval of the relevant budget.

Mr. Luttini submitted a report on the expenses incurred by the Committee from May 2013 through April 2014, segregating those already incurred and those to be accrued until the closing of such budget period. The members of the Committee reviewed the different items included in this report, which shows aggregate expenses of P\$ 566,395 for such period.

Continuing with discussions concerning the budget, in view of the activities performed during the previous fiscal year, the training and advisory needs estimated for the current year, and the hiring of services required for the effective performance of its tasks and responsibilities, as well as the general evolution of costs, the members of the Audit Committee resolved to request that the Shareholders Meeting approve an operating budget of one million eight hundred thousand pesos (P\$ 1,800,000) for fiscal year 2014.

A copy of such report was included in the folder with supporting and background documentation of the matters discussed by the Committee.
