**Item 7.01 Regulation FD.**

On April 2, 2014, Regency Energy Partners LP ( Regency ) and Regency Energy Finance Corp., a wholly owned subsidiary of Regency (collectively, the Regency Issuers ), commenced a private offer to eligible holders to exchange any and all outstanding 8 <sup>3</sup>/<sub>8</sub>% Senior Notes due 2019 (the Eagle Rock Notes ) of Eagle Rock Energy Partners, L.P. ( Eagle Rock ) and Eagle Rock Energy Finance Corp., of which \$550 million in aggregate principal amount is outstanding, for 8 <sup>3</sup>/<sub>8</sub>% Senior Notes due 2019 to be issued by the Regency Issuers (the New Regency Notes ). The exchange of New Regency Notes for the Eagle Rock Notes (the Exchange Offer ) will be conducted on a par-for-par basis, and the New Regency Notes will have substantially the same economic terms as the outstanding Eagle Rock Notes, including interest rate, interest payment dates, optional redemption terms and maturity. In addition, holders of Eagle Rock Notes accepted for exchange will receive a cash payment from Eagle Rock for accrued and unpaid interest on such notes from the last interest payment date to, but not including, the settlement date for the Exchange Offer. The New Regency Notes will rank pari passu with Regency s existing senior notes.

Regency is conducting the Exchange Offer in connection with the acquisition of Eagle Rock s midstream business (the Eagle Rock Midstream Acquisition ), and closing of the Exchange Offer is conditioned upon, among other things, consummation of the Eagle Rock Midstream Acquisition (including the satisfaction or waiver of all conditions to closing the Eagle Rock Midstream Acquisition).

As part of the Exchange Offer, and at the request of Eagle Rock, Regency is soliciting consents to amend the Eagle Rock Notes and the indenture governing the Eagle Rock Notes. The proposed amendments, which require the consent of a majority in outstanding principal amount of Eagle Rock Notes, would (i) delete in their entirety substantially all of the restrictive covenants, (ii) modify the covenants regarding mergers and consolidations and (iii) eliminate certain events of default. Holders whose Eagle Rock Notes are accepted for exchange after a valid tender will be deemed to have also delivered the consent to the proposed amendments.

It is expected that the Exchange Offer will expire at 11:59 p.m., New York City time, on April 29, 2014, unless extended or terminated (the Expiration Date ). Because the Exchange Offer is conditioned upon, among other things, the consummation of the Eagle Rock Midstream Acquisition, Regency expects to extend the Expiration Date until the conditions to such acquisition, including the receipt of all regulatory approvals, have been satisfied.

The New Regency Notes have not been registered under the Securities Act of 1933, as amended (the Securities Act ), or any state or foreign securities laws. The New Regency Notes may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act or any applicable state securities laws.

The information furnished pursuant to this Item 7.01 shall not be deemed to be filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act ), and shall not be incorporated by reference into any filing under the Securities Act unless specifically identified therein as being incorporated by reference.
