Indenture

On July 1, 2014, SBA Communications Corporation (SBA) and U.S. Bank National Association, as trustee, executed an indenture (the Indenture) pursuant to which SBA issued its 4.875% Senior Notes due 2022 (the Notes). The Notes, which were issued at a price of 99.178% of their face value, bear interest at a rate of 4.875% per annum, which is payable semi-annually on January 15 and July 15 of each year, beginning on January 15, 2015. The Notes mature on July 15, 2022.

SBA may redeem the Notes, in whole or in part, at any time on or after July 15, 2017 at the applicable redemption price. In addition, until July 15, 2017, SBA may redeem up to 35% of the aggregate principal amount of the Notes with the net proceeds of certain equity offerings at 104.875% of the principal amount of the redeemed Notes plus accrued and unpaid interest, if any, and additional interest, if any. SBA may also redeem any of the Notes at any time prior to July 15, 2017 at a price equal to 100% of the principal amount of the redeemed Notes plus the Applicable Premium as of, and accrued and unpaid interest, if any, and additional interest, if any, to, the redemption date. The Applicable Premium means, with respect to any Note on any redemption date, the greater of (i) 1.0% of the principal amount of such Note and (ii) the excess of (A) the present value at such redemption date of (1) the redemption price of such Note at July 15, 2017 (as set forth in the Indenture), plus (2) all required interest payments due on such Note through July 15, 2017 (excluding accrued but unpaid interest, if any, to the redemption date), computed using a discount rate equal to the treasury rate on such redemption date plus 50 basis points over (B) the principal amount of such Note.

The Notes are SBA s senior unsecured obligations and are not guaranteed by any of its subsidiaries. The Notes rank equally in right of payment with SBA s current and future senior unsecured debt, and senior in right of payment to SBA s future subordinated debt, if any. The Notes are effectively subordinated to any of SBA s existing and future secured debt to the extent of the value of the assets securing such debt. In addition, the Notes are structurally subordinated to all existing and future debt and other liabilities of SBA s subsidiaries.

If SBA experiences a Change of Control and a Ratings Decline (each as defined in the Indenture), each holder of the Notes will have the right to require SBA to repurchase all or any part, of such holder s Notes at a repurchase price equal to 101% of the aggregate principal amount of any Notes repurchased plus accrued and unpaid interest, if any, and additional interest, if any, to the repurchase date.

The Indenture provides that each of the following is an Event of Default (as defined in the Indenture) with respect to the Notes: (1) default for 30 days in the payment when due of interest on, or additional interest, if any, with respect to the Notes; (2) default in payment when due of the principal of or premium, if any, on the Notes; (3) failure by SBA or any of the Restricted Subsidiaries (as defined in the Indenture) to comply with covenants relating to a merger, consolidation or a sale of assets, as described in the Indenture, or failure by SBA to consummate a Change of Control Offer or Asset Sale Offer (each as defined in the Indenture) in accordance

with the provisions of the Indenture applicable to the offers; (4) subject to a notice requirement and a cure period, failure by SBA or any of the Restricted Subsidiaries to perform any other covenant in the Indenture, other than a covenant specified in clauses (1), (2) or (3) above or that does not relate to the Notes, that continues for 60 days (or 120 days in the case of a failure to comply with the reporting obligations described in the Indenture) after notice to comply; (5) default under any Indebtedness (as defined in the Indenture) for money borrowed by SBA or any of its Significant Subsidiaries (as defined in the Indenture), or the payment of which is guaranteed by SBA or any of its Significant Subsidiaries, whether such Indebtedness or guarantee now exists or is created after July 1, 2014, which default (a) is caused by a failure to pay principal of or premium, if any, interest, if any, or additional interest, if any, with respect to the Indebtedness prior to the expiration of the grace period provided in such indebtedness on the date of the default (a Payment Default); or (b) results in the acceleration of the Indebtedness prior to its express maturity and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$20.0 million or more; (6) failure by SBA or any of its Significant Subsidiaries to pay final judgments aggregating (net of amounts covered by insurance policies) in excess of \$20.0 million, which judgments are not paid, discharged or stayed for a period of 60 days; and (7) certain events of bankruptcy or insolvency described in the Indenture with respect to SBA or any of its Restricted Subsidiaries.

If any Event of Default occurs and is continuing, the trustee under the Indenture or the holders of at least 25% in principal amount of the then outstanding Notes and the trustee may, and the trustee at the request of such holders will, declare all the Notes to be due and payable immediately. If certain bankruptcy and insolvency Events of Default specified in the Indenture occur with respect to SBA, all outstanding Notes will become due and payable without any other act on the part of the trustee or the holders.

The Indenture contains customary covenants, including restrictions on SBA's ability to incur indebtedness, or any lien securing indebtedness, merge, consolidate or sell assets, make restricted payments, including paying dividends or making other distributions, enter into transactions with affiliates, enter into sale and leaseback transactions and issue guarantees of indebtedness. The covenants are subject to a number of exceptions and qualifications.

SBA and certain of its affiliates have previously entered into commercial financial arrangements with each of the initial purchasers of the Notes (collectively, the Initial Purchasers), and/or their respective affiliates, and each of these entities and/or its affiliates has in the past provided financial, advisory, investment banking and other services to SBA and its affiliates. Specifically, J.P. Morgan Securities LLC, Wells Fargo Securities, LLC, Deutsche Bank Securities Inc., The Royal Bank of Scotland PLC, an affiliate of RBS Securities Inc., and TD Securities (USA) LLC, serve as Co-Incremental Tranche B-1 Term Loan Documentation Agents, Citigroup Global Markets Inc. and Barclays Bank PLC, an affiliate of Barclays Capital Inc., serve as Incremental Tranche B-1 Term Loan Syndication Agents and Toronto Dominion (Texas) LLC, an affiliate of TD Securities (USA) LLC, serves as Administrative Agent under SBA's Senior Credit Agreement. In addition, each of the Initial Purchasers or its affiliates serves as a lender under SBA's Senior Credit Agreement. Certain of the Initial Purchasers or their affiliates may hold

from time to time a portion of the 8.25% notes due 2019 issued by SBA Telecommunications, LLC and guaranteed by SBA and SBA's 4.0% convertible senior notes due 2014 and, accordingly, may receive a portion of the net proceeds of this offering.

Registration Rights Agreement

On July 1, 2014, in connection with the issuance of the Notes, SBA entered into a Registration Rights Agreement (the "Registration Rights Agreement") with J.P. Morgan Securities LLC, as representative of the Initial Purchasers. Pursuant to the terms of the Registration Rights Agreement, SBA agreed to use its reasonable best efforts to file and have declared effective a registration statement with respect to an offer to exchange the Notes for new notes registered under the Securities Act of 1933, as amended (the "Securities Act"), on or prior to June 26, 2015. If SBA fails to satisfy certain filing and other obligations with respect to the exchange, SBA will be obligated to pay additional interest of 0.25% per annum for the first 90-day period and an additional 0.25% per annum with respect to each subsequent 90-day period thereafter, until SBA's registration obligations are fulfilled, up to a maximum of 1.00% per annum.

The description above is qualified in its entirety by the Indenture and the Registration Rights Agreement which are filed with this Form 8-K.
