Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

(a)

On September 29, 2014, Advanced Emissions Solutions, Inc. (the Registrant) received a determination notice from the Listing Qualifications Staff (the Staff) of The NASDAQ Stock Market LLC (NASDAQ) that the Registrant's common stock is subject to delisting from The NASDAQ Capital Market. The notice, which the Registrant expected, was issued in accordance with standard NASDAQ procedures as a result of the Registrant's previous disclosure in its Current Report on Form 8-K filed with the U.S. Securities and Exchange Commission (the SEC) on September 22, 2014 (File No. 000-54992) that it would not file its Annual Report on Form 10-K for the fiscal year ended December 31, 2013 and its Quarterly Reports on Form 10-Q for the periods ended March 31, 2014 and June 30, 2014 within the exemption period previously granted by the Staff. Timely filing of periodic reports with the SEC is a requirement for continued listing under NASDAQ Listing Rule 5250(c)(1).

The Registrant intends to appeal the Staff's determination and request a hearing before a NASDAQ Hearings Panel (the Panel) in accordance with the NASDAQ Listing Rules. The appeal and hearing request will automatically stay delisting of the Registrant's common stock for 15 days from the date of the hearing request, and will include a request to extend such stay until the hearing process has concluded. The Registrant's common stock will continue to trade on The NASDAQ Capital Market until the Panel issues a determination otherwise. At the hearing, the Registrant will request that the Panel grant a further extension to permit the Registrant time to file the Registrant's delinquent periodic reports with the SEC. The Panel has the authority to continue the Company's listing on The NASDAQ Capital Market, pursuant to an exception to NASDAQ's filing requirement, through as late as March 27, 2015.

As previously disclosed, the Registrant recently hired a new Chief Financial Officer (CFO). The CFO is working diligently with the Registrant's Chief Accounting Officer, the Registrant's employees, and other resources to review and address the previously disclosed accounting matters, complete the on-going re-audits of the 2011 and 2012 financial statements, and file any required restatements. The Registrant continues to re-assess the time required to finalize the re-audits and file any required restatements. However, the Registrant will continue to use its best efforts to comply with NASDAQ Listing rules by filing the delinquent periodic reports, as well as any subsequent periodic reports that come due, within the period of any extension granted by the Panel.

This report includes forward-looking statements within the meaning of Section 21E of the Securities Exchange Act of 1934, which provides a safe harbor for such statements in certain circumstances. The forward-looking statements include statements or expectations regarding the Registrant's ability to address certain accounting and other matters related to the Registrant's financial statements, file the delinquent periodic reports within an extended stay that may be granted by the Panel, if any, and maintain listing of the Registrant's common stock on the NASDAQ Capital Market. These statements are based on current expectations, estimates, projections, beliefs and assumptions of the Registrant's management. Such statements involve significant risks and uncertainties. Actual events or results could differ materially from those discussed in the forward-looking statements as a result of various factors, including but not limited to, changes in laws, regulations, accounting rules and their impact, loss of key personnel, determinations made by the Panel and other factors discussed in greater detail in the Registrant's filings with the SEC. You are cautioned not to place undue reliance on such statements and to consult the Registrant's SEC filings for additional risks and uncertainties that may apply to the Registrant's business and the ownership of the Registrant's securities. The Registrant's forward-looking statements are presented as of the date made, and the Registrant disclaims any duty to update such statements unless required by law to do so.
