This Report of Foreign Private Issuer on Form 6-K is deemed filed for all purposes under the Securities Act of 1933, as amended, and the Securities Exchange Act of 1934, as amended.

On January 22, 2010, a consortium comprised of Korea Electric Power Corporation ( KEPCO ) and Samsung C&T Corporation ( Samsung ) had entered into a green energy investment agreement ( GEIA ) with the Government of Ontario, Canada to develop, construct and operate wind and solar-powered electricity generation units in Ontario (the Project ). However, due to changes in circumstances, including the Ontario government s decision to reduce the installed capacity for such generation units and other business considerations, KEPCO decided to withdraw itself as a member of the consortium.
