- .. Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

**Item 1.01 Entry into a Material Definitive Agreement.**

***Underwriting Agreement***

On May 12, 2015, Rice Energy Inc., a Delaware corporation (the *Company*) and NGP Rice Holdings LLC, a Delaware limited liability company (the *Selling Stockholder*), entered into an Underwriting Agreement (the *Underwriting Agreement*) with Goldman, Sachs & Co. and Citigroup Global Markets Inc. (together, the *Underwriters*), relating to the offer and sale of the *Company*'s common stock, par value \$0.01 per share (the *Common Stock*). The Underwriting Agreement provides for the offer and sale (the *Offering*) of 6,000,000 shares of Common Stock sold by the *Selling Stockholder*, at a price to the public of \$24.20 per share (\$23.99 per share net of underwriting discounts and commissions). Pursuant to the Underwriting Agreement, the *Selling Stockholder* granted the *Underwriters* a 30-day option to purchase up to an aggregate of 900,000 additional shares of Common Stock held by the *Selling Stockholder*. The material terms of the *Offering* are described in the prospectus, dated May 12, 2015 (the *Prospectus*), filed by the *Company* with the Securities and Exchange Commission (the *Commission*) on May 14, 2015, pursuant to Rule 424(b) under the Securities Act of 1933, as amended (the *Securities Act*). The *Offering* has been registered with the *Commission* pursuant to an automatic shelf Registration Statement on Form S-3 (File No. 333-202054) of the *Company*, filed and deemed automatically effective by the *Commission* on February 12, 2015.

The Underwriting Agreement contains customary representations and warranties, agreements and obligations, closing conditions and termination provisions. The *Company* and the *Selling Stockholder* have agreed to indemnify the *Underwriters* against certain liabilities, including liabilities under the *Securities Act*, and to contribute to payments the *Underwriters* may be required to make because of any of those liabilities.

The *Offering* closed on May 15, 2015. The *Company* did not receive any proceeds from the sale of shares of Common Stock by the *Selling Stockholder*.

The foregoing description is qualified in its entirety by reference to the full text of the Underwriting Agreement, which is attached as Exhibit 1.1 to this Current Report on Form 8-K and incorporated in this Item 1.01 by reference.

***Relationships***

As more fully described under the caption *Underwriting* in the *Prospectus*, certain of the *Underwriters* and their respective affiliates have in the past, and may in the future, perform investment banking, commercial banking, advisory and other services for the *Company* and its affiliates from time to time for which they have received, and may in the future receive, customary fees and expenses. In addition, affiliates of certain of the *Underwriters* are lenders under our revolving credit facility.

**Item 7.01 Regulation FD Disclosure.**

On May 12, 2015, the *Company* issued press releases announcing the launch and pricing of the *Offering*. Copies of the press releases are furnished as Exhibits 99.1 and 99.2 hereto, respectively. The information furnished pursuant to this Item 7.01, including Exhibits 99.1 and 99.2, shall not be deemed to be filed for the purposes of Section 18 of the Securities Exchange Act of 1934 and will not be incorporated by reference into any filing under the Securities Act unless specifically identified therein as being incorporated therein by reference.

**Item 8.01 Other Events.**

***Non-Cash Compensation Expense Related to Offering***

The completion of the Offering may result in certain distribution thresholds being met with respect to the incentive units in the Selling Stockholder held by members of the Company's management, which would in turn result in cash distributions by the Selling Stockholder to its members. As of March 31, 2015, the unrecognized non-cash compensation expense related to the Selling Stockholder incentive units was approximately \$42.7 million. In the event such distribution thresholds are met, the Company would recognize a portion of such non-cash compensation expense related to such distributions, which amount could be substantial. The Company will not make any of such cash distributions in respect of the Selling Stockholder incentive units and consequently the Company's liquidity will not be affected by these distributions.
