Item 1.01 Entry into a Material Definitive Agreement.

On January 28, 2016, MGM National Harbor, LLC (the Company), a subsidiary of MGM Resorts International, entered into a credit agreement (the Credit Agreement), by and among the Company, certain lenders party thereto and Bank of America, N.A., as administrative agent. The Credit Agreement is comprised of a \$425 million term loan A facility and a \$100 million revolving facility. The revolving and term loan A facilities will initially bear interest at a LIBOR rate plus an additional rate ranging from 2.00% to 2.25% per annum (determined based on a consolidated total leverage ratio). The term loan A and revolving facilities are scheduled to mature in January 2021.

The Credit Agreement contains customary representations and warranties, events of default, affirmative covenants and negative covenants, which impose restrictions on, among other things, the ability of the Company and its restricted subsidiaries to make investments, pay dividends, sell assets, and to incur additional debt and additional liens. In addition, the Credit Agreement requires the Company and its restricted subsidiaries to maintain a maximum consolidated total leverage ratio and a minimum consolidated interest coverage ratio. In addition, borrowings under the Credit Agreement are subject to a customary in balance test (as defined in the Credit Agreement), which looks to the sufficiency of the Company's available resources to complete the MGM National Harbor casino resort.

The Credit Agreement is secured by a leasehold mortgage on MGM National Harbor and substantially all of the existing and future property of MGM National Harbor.

Mandatory prepayments of the Credit Agreement will be required upon the occurrence of certain events, including sales of certain assets, casualty events and the incurrence of certain additional indebtedness, subject to certain exceptions and reinvestment rights. In addition, to the extent the Company generates excess cash flow (as defined in the Credit Agreement), a percentage of such excess cash flow (ranging from 0% to 50% based on a consolidated total leverage ratio) will be required to prepay the Credit Agreement.

The representations, warranties and covenants contained in the Agreement were made only for purposes of the Credit Agreement and as of the specific date (or dates) set forth therein, and were solely for the benefit of the parties to the Credit Agreement and are subject to certain limitations as agreed upon by the contracting parties. In addition, the representations, warranties and covenants contained in the Credit Agreement may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors are not third-party beneficiaries of the Credit Agreement and should not rely on the representations, warranties and covenants contained therein, or any descriptions thereof, as characterizations of the actual state of facts or conditions of MGM Resorts International or the Company.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Item 1.01 is incorporated by reference into this Item 2.03.
