### **Item 3.02. Unregistered Sales of Equity Securities**

On March 1, 2016, Pinnacle Financial Partners, Inc. (the Company) issued, as part of the consideration paid to BHG Founders, Inc., a Florida corporation (Founders Co.), in connection with the Investment (as defined below), 860,470 shares of Company common stock to Founders Co. at the closing of the Investment. The shares of Company common stock issued pursuant to the Purchase Agreement (as defined below) were issued in a private placement exempt from registration under Section 4(2) of the Securities Act of 1933, as amended (the Securities Act), and Rule 506 of Regulation D promulgated under the Securities Act. The Company has agreed, pursuant to the Purchase Agreement, to file with the Securities and Exchange Commission (the SEC), a registration statement on Form S-3 covering the resale as a secondary offering to be made on a continuous basis pursuant to Rule 415 of the Securities Act of the 860,470 shares of Company common stock issued in connection with the Investment.

As reported in the Company's Current Report on Form 8-K filed with the SEC on January 20, 2016, the Company previously agreed, pursuant to the Purchase Agreement, to issue 912,000 shares of Company common stock to Founders Co. at the closing of the Investment. However, pursuant to Amendment No. 1 (as defined below), the number of shares of Company common stock issued by the Company to Founders Co. as the Stock Consideration (as defined below) was reduced from 912,000 shares of Company common stock to 860,470 shares of Company common stock.

### **Item 8.01. Other Events.**

#### ***Closing of BHG Investment***

On March 1, 2016, the Company and Pinnacle Bank, the Company's wholly owned subsidiary (the Bank), consummated their investment (the Investment) in Bankers Healthcare Group, LLC (BHG) pursuant to the terms of the Membership Interest Purchase Agreement, dated January 19, 2016 (the Purchase Agreement), by and among the Company, the Bank, BHG, Founders Co., Albert Crawford, Eric Castro, Robert Castro, Barbara Castro and Sofia Castro, Tyler Crawford and Crawford & Castro, LLC, as amended pursuant to Amendment No. 1 to the Purchase Agreement, dated March 1, 2016 (Amendment No. 1). In connection with the Investment, the Company and the Bank acquired 8.55% and 10.45%, respectively, of the outstanding equity interests in BHG in exchange for an amount of cash equal to \$74,100,000 (with \$11,400,000 paid by the Company and \$62,700,000 paid by the Bank) and 860,470 shares of Company common stock (the Stock Consideration).

The Purchase Agreement previously provided that the Bank and the Company would collectively acquire 19% (with the Company to acquire 7.6% and the Bank to acquire 11.4%) of the equity interests of BHG for \$114,000,000 (the Purchase Price), payable in a combination of (I) cash paid by the Bank, the amount of which would equal the difference between (i) \$114,000,000 and (ii) the product of (A) 912,000 and (B) the closing price of the Company's common stock on the Nasdaq Global Select Market on the closing date of the Investment, and (II) 912,000 shares of Company common stock. Amendment No. 1 was entered into to modify the mix of the Purchase Price payable in cash and stock to the amounts described in the preceding paragraph.

At the closing of the Investment, the Company and the Bank entered into the Amended and Restated Limited Liability Company Agreement of BHG (the LLC Agreement) that provides for, among other things, the following terms: (i) the inability of any member of BHG to transfer its ownership interest in BHG without the consent of the other members of BHG for five years, other than transfers to family members, trusts or affiliates of the transferring member, in connection with the acquisition of the Company or the Bank or as a result of a change in applicable law that forces the Company and/or the Bank to divest their ownership interests in BHG; (ii) the inability of the board of management of BHG (of which the Company and the Bank shall have the right to designate two of the five members (the Pinnacle Managers)) to approve a sale of BHG without the consent of one of the Pinnacle Managers for four years; (iii) co-sale rights for the Company and the Bank in the event the other members of BHG decide to sell all or a portion of their

ownership interests after the above-described five-year limitation; and (iv) a right of first refusal for BHG and the other members of BHG in the event that the Company and/or the Bank decide to sell all or a portion of their ownership interests after the above-described five-year limitation, except in connection with a transfer of their ownership interests to an affiliate or in connection with the acquisition of the Company or the Bank.

The foregoing description does not purport to be a complete description of the parties' rights and obligations under the LLC Agreement. The above description is qualified in its entirety by reference to the LLC Agreement, which is filed as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

### ***Subordinated Notes***

On March 3, 2016, the Bank agreed to issue an additional \$70.0 million aggregate principal amount of its 4.875% Fixed to-Floating Rate Subordinated Notes due 2025 (the Notes), the closing of which is expected to occur on March 10, 2016, subject to satisfaction of customary closing conditions. The Bank initially issued \$60.0 million aggregate principal amount of the Notes on July 30, 2015. The Notes were priced at 99.023% of the principal amount per note, for an effective interest rate of 5.125%.

The Notes mature on July 30, 2025, and bear interest at a fixed rate per annum of 4.875%, payable semi-annually in arrears, until July 30, 2020. From and including July 30, 2020 through maturity or earlier redemption, the Notes bear interest at a floating rate per annum that resets quarterly equal to three-month LIBOR plus 3.128%, payable quarterly in arrears. The Notes are redeemable by the Bank, in whole or in part, on or after July 30, 2020 and on every interest payment date thereafter or, in whole but not in part, upon the occurrence of certain specified tax events, capital events or investment company events. Any redemption will be at a redemption price equal to 100% of the principal amount of the Notes being redeemed, plus accrued and unpaid interest. The Notes are not subject to redemption at the option of the holders.

The Notes are unsecured, subordinated obligations of the Bank and rank junior in right of payment to all of the Bank's then existing and future senior indebtedness, whether secured or unsecured, including claims of depositors and general creditors. The Notes are expected to qualify as Tier 2 capital for regulatory purposes. The Notes may be accelerated upon an event of default, which will only occur if the Bank is subject to any receivership, conservatorship, insolvency, liquidation or similar proceeding. The Notes are not savings accounts or deposits of any bank and are not insured by the Federal Deposit Insurance Corporation, and are not guaranteed by the Company or any of the Bank's subsidiaries or affiliates.

The Notes are being offered and sold only to a limited number of institutional investors in reliance upon an exemption from registration under Section 3(a)(2) of the Securities Act.
