Item 1. Security and Issuer.

This Amendment No. 3 to Schedule 13D is being filed on behalf of the undersigned as an amendment to the Statement on Schedule 13D filed with the Securities and Exchange Commission (the Commission) on January 31, 2014 (the Schedule 13D), as amended by Amendment No. 1 to Schedule 13D filed with the Commission on March 20, 2014 and Amendment No. 2 to Schedule 13D filed with the Commission on January 14, 2016, relating to Common Shares, \$0.03 par value (the Common Shares), of Euroseas Ltd., a corporation organized under the laws of the Republic of the Marshall Islands (the Issuer). Terms defined in the Schedule 13D are used herein as so defined.

Item 4. Purpose of Transaction.

The information in Item 4 is hereby amended and supplemented as follows:

On March 3, 2016, the Reporting Person filed an Amended and Restated Statement of Designation of the Rights, Preferences and Privileges of Series B Convertible Perpetual Preferred Shares of Euroseas Ltd. (the Amended and Restated Statement of Designation) with the Registrar of Corporations of the Republic of the Marshall Islands. The following is a summary of the material terms that were amended in connection with the filing of the Amended and Restated Statement of Designation. The following descriptions do not purport to be complete and are qualified in their entirety by reference to the full text of the Amended and Restated Statement of Designation, which has been filed as Exhibit 1 hereto and is incorporated herein by reference.

Statement of DesignationConversion Rights

Optional Conversion. Each Series B Preferred Share is convertible at any time, at the election of the holder, into the number of Common Shares equal to the Conversion Rate.

Mandatory Conversion. After January 29, 2016, each Series B Preferred Share will automatically be converted into the number of Common Shares equal to the Conversion Rate if all of the following occur: (a) the Issuer completes an underwritten public offering of Common Shares at a public offering price of at least \$25.00 per Common Share resulting in gross proceeds of at least \$40 million (subject to adjustment in the event that the Reporting Person declines to participate in such offering by including Common Shares it beneficially owns in such offering); (b) the volume-weighted average trading price of the Common Shares is at least \$25.00 for 37 consecutive trading days prior to the announcement of such public offering; and (c) either there is an effective registration statement covering the resale of the Common Shares issuable upon such mandatory conversion or such Common Shares may be resold without restriction pursuant to Rule 144 under the Securities Act of 1933, as amended.

The Conversion Rate means (a) the Liquidation Preference divided by (b) the Conversion Price (as defined below) then in effect, subject to certain anti-dilution adjustments.

The Conversion Price means \$12.25 and is subject to adjustment, including in the event of (a) a stock split or subdivision of the Common Shares, (b) payment by the Issuer of a dividend in Common Shares to the holders of Common Shares or (c) a private offering of Common Shares by the Issuer at less than the then-applicable volume-weighted average trading price of the Common Shares. Further, in the event of a default in the payment of dividends on the Series B Preferred Shares, the Conversion Price shall equal (i) \$10.76 during the first six months during which such default exists

(subject to adjustment as described above), and (ii) \$9.25 if such default continues for more than six months (subject to adjustment as described above). If the Issuer cures any such dividend payment default, the Conversion Price shall thereafter remain at the level it was immediately prior to such cure (subject to adjustment as described above).

Item 7. Material to be Filed as Exhibits.

Exhibit 1 Amended and Restated Statement of Designation of the Rights, Preferences and Privileges of Series B Convertible Perpetual Preferred Shares of Euroseas Ltd. (incorporated by reference to Exhibit 99.1 to the Report on Form 6-K filed with the Commission by the Issuer on March 4, 2016).
