## Item 8.01. Other Events.

On March 22, 2017, American Homes 4 Rent (the Company) and American Homes 4 Rent, L.P., the Company's operating partnership (the Operating Partnership), entered into an Underwriting Agreement (the Underwriting Agreement) with J.P. Morgan Securities LLC (the Underwriter), pursuant to which the Company agreed to offer and sell 11,000,000 of its Class A common shares of beneficial interest, par value \$0.01 per share (the Class A common shares), to the Underwriter at a price of \$22.65 per share. Pursuant to the terms of the Underwriting Agreement, the Company granted the Underwriter a 30-day option to purchase up to an additional 1,650,000 Class A common shares at a price of \$22.65 per share, which the Underwriter exercised on March 23, 2017. The Company estimates that the net proceeds from this offering, after deducting underwriting discounts and commissions and estimated offering expenses payable by the Company, will be approximately \$286.1 million. The offering is expected to close on March 28, 2017 subject to customary closing conditions.

The offering was made pursuant to an automatic shelf registration statement filed with the Securities and Exchange Commission on August 7, 2014 (File No. 333-197921), a base prospectus, dated August 7, 2014, included as part of the registration statement, and a prospectus supplement, dated March 22, 2017, filed with the Securities and Exchange Commission pursuant to Rule 424(b) under the Securities Act of 1933, as amended (the Securities Act).

Concurrently with the completion of the offering, the Company's Chairman of the Board of Trustees, B. Wayne Hughes, will purchase approximately \$50 million of the Company's Class A common shares in a private placement at the public offering price, bringing total expected net proceeds from the offering and the concurrent private placement to \$336.1 million.

The Company will contribute the net proceeds from the offering and the concurrent private placement to the Operating Partnership in exchange for Class A partnership units. The Operating Partnership intends to use the net proceeds received from the Company's contribution, together with cash on hand and other borrowings under its credit facilities, to repay in full the outstanding indebtedness of approximately \$456.1 million as of December 31, 2016 under the Company's 2014-SFR1 securitization loan.

The Company and the Operating Partnership made certain customary representations, warranties and covenants concerning the Company, the Operating Partnership and the registration statement in the Underwriting Agreement and also agreed to indemnify the Underwriter against certain liabilities, including liabilities under the Securities Act, or to contribute to payments the Underwriter may be required to make in respect of those liabilities.

The Underwriter has engaged in, and may in the future engage in, investment banking and other commercial dealings in the ordinary course of business with the Company or its affiliates. The Underwriter has received, and may in the future receive, customary fees and commissions for these transactions.

A copy of the Underwriting Agreement is attached to this report as Exhibit 1.1 and incorporated herein by reference. In addition, a copy of the share purchase agreement in connection with the concurrent private placement is attached to this report as Exhibit 10.1 and incorporated herein by reference. The summary set forth above is qualified in its entirety by reference to Exhibits 1.1 and 10.1.
