It is expected that delivery of the Notes will be made to investors on or about July 28, 2017, which will be the seventh

business day following the date of pricing of the Notes (such settlement being referred to as T+7). Under Rule 15c6-1 under the Securities Exchange Act of 1934, as amended, trades in the secondary market are required to settle in three business days, unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade Notes prior to July 28, 2017 will be required, by virtue of the fact that the Notes initially settle in T+7, to specify an alternate settlement arrangement at the time of any such trade to prevent a failed settlement. Purchasers of the Notes who wish to trade the Notes prior to their date of delivery hereunder should consult their advisors.
