**Item 1.01 Entry into a Material Definitive Agreement.**

Item 3.03 below is incorporated herein by reference.

**Item 3.03 Material Modification to Rights of Security Holders.**

On April 9, 2018, the Board of Directors of Cracker Barrel Old Country Store, Inc., a Tennessee corporation (the Company), declared a dividend of one preferred share purchase right (a Right) for each outstanding share of common stock, par value \$0.01 per share, and adopted a shareholder rights plan, as set forth in the Rights Agreement dated as of April 9, 2018 (the Rights Agreement), by and between the Company and American Stock Transfer & Trust Company, LLC, as rights agent. The dividend is payable on April 19, 2018 to the shareholders of record on April 19, 2018.

The Rights Agreement is intended to replace the Company's previous rights plan adopted in 2015 (the 2015 Plan), and it became effective immediately following the expiration of the 2015 Plan at the close of business on April 9, 2018. The Board of Directors has adopted the Rights Agreement in response to the persistent threat that a third party could accumulate a substantial, and potentially controlling, position in the Company through market purchases that do not reflect a control premium offered to all shareholders. In general terms, the Rights Agreement implements the same features and protective measures of the 2015 Plan, imposing a significant penalty upon any person or group which acquires 20% or more of the outstanding common stock of the Company without the approval of the Board of Directors. The Rights Agreement will terminate unless approved by shareholders at the Company's 2018 annual meeting, and it includes a qualifying offer exception for all-cash, fully financed tender offers for all shares open for at least 60 business days. It is designed to assure that all of the Company's shareholders receive fair and equal treatment in the event of any proposed takeover of the Company and to guard against abusive tactics to gain control of the Company without paying all shareholders a premium for that control.

A summary of the Rights Agreement follows. This description is only a summary, and is not complete, and should be read together with the entire Rights Agreement, which has been filed as an exhibit to this Form 8-K. A copy of the Rights Agreement is available free of charge from the Company upon request.

*The Rights.* The Rights will initially trade with, and will be inseparable from, the common stock. The Rights are evidenced only by certificates that represent shares of common stock. New Rights will accompany any new shares of common stock the Company issues after April 19, 2018 until the Distribution Date described below.

*Exercise Price.* Each Right will allow its holder to purchase from the Company one one-hundredth of a share of Series A Junior Participating Preferred Stock (a Preferred Share) for \$600 (the Exercise Price), once the Rights become exercisable. This portion of a Preferred Share will give the shareholder approximately the same dividend and liquidation rights as would one share of common stock. Prior to exercise, the Right does not give its holder any dividend, voting, or liquidation rights.

*Exercisability.* The Rights will not be exercisable until 10 days after the public announcement that a person or group has become an Acquiring Person by obtaining beneficial ownership of 20% or more of the outstanding common stock.

Certain synthetic interests in securities created by derivative positions—whether or not such interests are considered to be ownership of the underlying common stock or are reportable for purposes of Regulation 13D of the Securities Exchange Act—are treated as beneficial ownership of the number of shares of the Company's common stock equivalent to the economic exposure created by the derivative position, to the extent actual shares of the Company's common stock are directly or indirectly held by counterparties to the derivatives contracts. Swaps dealers unassociated with any control intent or intent to evade the purposes of the Rights Plan are excepted from such imputed beneficial ownership.

The date when the Rights become exercisable is the Distribution Date. Until that date, the common stock certificates will also evidence the Rights, and any transfer of shares of common stock will constitute a transfer of Rights. After that date, the Rights will separate from the common stock and be evidenced by book-entry credits or by Rights certificates that the Company will mail to all eligible holders of common stock. Any Rights held by an Acquiring Person are void and may not be exercised.

Consequences of a Person or Group Becoming an Acquiring Person.

*Flip In.* If a person or group becomes an Acquiring Person, all holders of Rights except the Acquiring Person may, for \$600, purchase shares of the Company's common stock with a market value of \$1,200, based on the market price of the common stock prior to such acquisition.

*Flip Over.* If the Company is later acquired in a merger or similar transaction after the Distribution Date, all holders of Rights except the Acquiring Person may, for \$600, purchase shares of the acquiring corporation with a market value of \$1,200, based on the market price of the acquiring corporation's stock prior to such transaction.

*Notional Shares.* Shares held by affiliates and associates of an Acquiring Person, and Notional Common Shares (as defined in the Rights Agreement) held by counterparties to a Derivatives Contract (as defined in the Rights Agreement) with an Acquiring Person, will be deemed to be beneficially owned by the Acquiring Person.

Preferred Share Provisions.

Each one one-hundredth of a Preferred Share, if issued:

will not be redeemable;

will entitle its holder to quarterly dividend payments of \$0.01, or an amount equal to the dividend paid on one share of common stock, whichever is greater;

will entitle its holder upon liquidation either to receive \$1.00 or an amount equal to the payment made on one share of common stock, whichever is greater;

will have the same voting power as one share of common stock; and

if shares of the common stock of the Company are exchanged via merger, consolidation, or a similar transaction, will entitle holders to a per share payment equal to the payment made on one share of common stock.

The value of one one-hundredth interest in a Preferred Share should approximate the value of one share of common stock.

*Expiration.* If the Rights Agreement is approved by the shareholders at the 2018 annual meeting, the Rights will expire on April 9, 2021. If shareholders do not approve the Rights Agreement, it will expire immediately following certification of the vote at the 2018 annual meeting.

*Redemption.* The Board of Directors may redeem the Rights for \$0.01 per Right at any time before any person or group becomes an Acquiring Person. If the Board redeems any Rights, it must redeem all of the Rights. Once the Rights are redeemed, the only right of the holders of Rights will be to receive the redemption price of \$0.01 per Right. The redemption price will be adjusted if the Company has a stock split or issues stock dividends of its common stock.

*Qualifying Offer Provision.* The Rights would not interfere with all-cash, fully financed tender offers for all shares of common stock that remain open for a minimum of 60 business days, are subject to a minimum condition of a majority of the outstanding shares and provide for a 20 business day subsequent offering period after consummation (such offers are referred to as qualifying offers). In the event the Company receives a qualifying offer and the Board of Directors has not redeemed the Rights prior to the consummation of such offer, the consummation of the qualifying offer will not cause the offeror or its affiliates to become an Acquiring Person, and the Rights will immediately expire upon consummation of the qualifying offer.

*Exchange.* After a person or group becomes an Acquiring Person, but before an Acquiring Person owns 50% or more of the outstanding common stock of the Company, the Board of Directors may extinguish the Rights by exchanging one share of common stock or an equivalent security for each Right, other than Rights held by the Acquiring Person.

*Anti-Dilution Provisions.* The Board of Directors may adjust the purchase price of the Preferred Shares, the number of Preferred Shares issuable and the number of outstanding Rights to prevent dilution that may occur from a stock dividend, a stock split, or a reclassification of the Preferred Shares or common stock. No adjustments to the Exercise Price of less than 1% will be made.

*Amendments.* The terms of the Rights Agreement may be amended by the Board of Directors without the consent of the holders of the Rights. After a person or group becomes an Acquiring Person, the Board of Directors may not amend the Rights Agreement in a way that adversely affects holders of the Rights.

The Rights Agreement is attached hereto as Exhibit 4.1 and is incorporated herein by reference. The foregoing description of the Rights is qualified in its entirety by reference to such exhibit.
