Credit Agreement

Edgar Filing: Skyline Champion Corp - Form 8-K

On June 5, 2018, the Company and CHB entered into a credit agreement with Citizens Bank, N.A., as administrative agent and collateral agent, and the other financial institutions party thereto (the ***Credit Agreement***), providing for a \$100.0 million revolving credit facility (the ***Revolving Credit Facility***), including a \$45.0 million letter of credit sub-facility.

The initial borrowings under the Revolving Credit Facility were used to refinance CHB's existing \$46.9 million term loan facility and replace CHB's existing cash collateralized stand-alone letter of credit facility. The Revolving Credit Facility may be utilized for working capital, capital expenditures, permitted acquisitions, restricted payments and other general corporate purposes.

The Revolving Credit Facility matures on June 5, 2023, and has no scheduled amortization.

The interest rate under the Revolving Credit Facility adjusts based on the first lien net leverage ratio of the Company and its subsidiaries. For the first two full fiscal quarters following the closing of the Revolving Credit Facility, the annual interest rate will be LIBOR plus 1.75% or ABR plus 0.75%, at the election of CHB. Thereafter, the interest rate will adjust based on the first lien net leverage of the Company and its subsidiaries from a high of LIBOR plus 2.25% and ABR plus 1.25% when first lien net leverage is equal to or greater than 2.00:1.00, to a low of LIBOR plus 1.50% and ABR plus 0.50% when first lien net leverage is below 0.50:1.00. In addition, for the first two full fiscal quarters following the closing under the Revolving Credit Facility, the commitment fee rate will be 0.30%. Thereafter, CHB will be obligated to pay a commitment fee ranging between 0.40% and 0.25% (depending on first lien net leverage) in respect of unused commitments under the Revolving Credit Facility.

The Revolving Credit Facility is guaranteed, on a joint and several basis, by the Company and each of the Company's material wholly-owned U.S. subsidiaries other than CHB (subject to certain exceptions) (the **Subsidiary Guarantors**) and is secured by a first priority security interest in substantially all of the Company's, CHB's and the Subsidiary Guarantors' assets (subject to certain exceptions).

Optional prepayments under the Revolving Credit Facility are permitted, in whole or in part, with prior notice, without premium or penalty (except LIBOR breakage costs). The Revolving Credit Facility requires mandatory prepayments, without any corresponding permanent reduction in revolving commitments, (a) subject to the right of reinvestment and certain other exceptions, in amounts equal to 100% of the net cash proceeds from certain asset sales and casualty and condemnation events and (b) subject to certain exceptions, in amounts equal to 100% of the net cash proceeds of certain indebtedness, the incurrence of which was not permitted under the Revolving Credit Facility at the time incurred.

Subject to certain conditions and requirements set forth in the Revolving Credit Facility, CHB may request one or more incremental term loan facilities, one or more incremental revolving credit facility tranches and/or one or more increases in the commitments under the Revolving Credit Facility, respectively, in an aggregate amount up to (i) \$85.0 million (less the amount of incremental equivalent debt and certain other debt incurred under the foregoing fixed amount) plus (ii) the aggregate amount of certain voluntary prepayments of, and debt buybacks to the extent repaid and/or cancelled in connection therewith, with respect to incremental facilities that rank pari passu in right of security on the collateral with the obligations under the Revolving Credit Facility and certain prepayments of the Revolving Credit Facility to the extent accompanied by concurrent commitment reductions in respect thereof plus (iii) an unlimited additional amount if, on a pro forma basis after the incurrence of such amount (x) such incremental facility ranks pari passu in right of security on the collateral with the obligations under the Revolving Credit Facility, the first lien net leverage ratio as of the last day of the most recently ended test period does not exceed the level that is 0.25x below the first lien net leverage ratio required by the financial covenant as in effect for the most recent test period, (y) such incremental facility ranks junior in right of security on the collateral to the obligations under the Revolving Credit Facility, the secured net leverage ratio as of the last day of the most recently ended test period does not exceed 4.00:1.00 and (z) such incremental facility is unsecured or secured solely by assets not constituting collateral, the total net leverage ratio as of the last day of the most recently ended test period does not exceed 4.00:1.00.

The Credit Agreement contains customary representations and warranties, affirmative and negative covenants, including restrictions (subject to customary exceptions, qualifications and baskets) on the ability of the Company and its subsidiaries to incur additional indebtedness, issue certain types of stock, pay dividends or distributions on, redeem, repurchase or retire capital stock, make payments on, or redeem, repurchase or retire indebtedness, make investments, loans, advances or acquisitions, enter into sale and leaseback transactions, engage in transactions with affiliates, create liens, transfer or sell assets, guarantee indebtedness, create restrictions on the payment of dividends or other amounts from their subsidiaries, and consolidate, merge or transfer all or substantially all of their assets and the

assets of their subsidiaries, and events of default.

In addition, the Credit Agreement includes a maximum first lien net leverage ratio for the benefit of the revolving lenders set at a level of 3.00 to 1.00 through the first anniversary of the closing date, and 2.75 to 1.00 thereafter, subject to an upward adjustment to 3.00 to 1.00 for the subsequent four fiscal quarters upon the consummation of a material acquisition. Such financial covenant is subject to an equity cure.

Item 3.03 Material Modification to Rights of Security Holders.

Amended and Restated Articles of Incorporation and Amended and Restated Bylaws

The disclosure set forth below under Item 5.03 is incorporated herein by reference.

Item 4.01 Changes in Registrant's Certifying Accountant.

On June 4, 2018, the Audit Committee of the Board approved the engagement of Ernst & Young LLP (*E&Y*) as the Company's independent registered public accounting firm for fiscal year ending March 30, 2019, subject to completion of E&Y's standard client acceptance procedures and execution of an engagement letter. In connection with the selection of E&Y, also on June 4, 2018, Skyline informed Crowe Horwarth LLP (*Crowe*) that it was dismissed as the Company's independent registered public accounting firm as of the date thereof. E&Y has been engaged by Champion Holdings as its independent auditor since June 2006.

Prior to the appointment of E&Y, neither the Company nor anyone on its behalf had consulted with E&Y with respect to the application of accounting principles to a specified transaction, either completed or proposed, the type of audit opinion that might be rendered on the Company's financial statements or any other matter or reportable event listed in Items 304(a)(2)(i) and (ii) of Regulation S-K.

During the periods from June 1, 2015 through May 31, 2016, June 1, 2016 through May 31, 2017 and subsequently during the period from May 31, 2017 through the date of Crowe's dismissal, the Company had no disagreements with Crowe on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreement, had it not been resolved to the satisfaction of Crowe, would have caused Crowe to make reference thereto in its reports on the financial statements for such periods. During the same periods, there have been no reportable events, as that term is described in Item 304(a)(1)(v) of Regulation S-K.

Crowe's audit reports on the financial statements of the Company for the two most recent fiscal years ended May 31, 2017, and May 31, 2016 did not contain any adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles, except for the audit report on the financial statements of the Company as of and for the fiscal year ended May 31, 2017, which identified a material weakness in the Company's internal control over financial reporting as of May 31, 2017 as it relates to the accuracy and valuation of raw material and inventories.

The Company provided Crowe with a copy of the above disclosure and requested that Crowe furnish the Company with a letter addressed to the Securities and Exchange Commission stating whether or not it agrees with the statements made by the Company above. A copy of Crowe's letter dated June 5, 2018 is attached as Exhibit 16.1 to this Current Report on Form 8-K.
