2018 ANNUAL MEETING OF STOCKHOLDERS

September 21, 2018

PROXY STATEMENT

GENERAL

This Proxy Statement and the accompanying proxy are furnished to stockholders of SigmaTron International, Inc. (the Company) in connection with the solicitation of proxies by the Company's Board of Directors for use at the 2018 Annual Meeting of Stockholders (sometimes referred to herein as the Meeting) to be held at SigmaTron International, Inc., located at 2201 Landmeier Road, Elk Grove Village, Illinois, 60007, at 10:00 a.m. local time, on Friday, September 21, 2018, for the purposes set forth in the accompanying Notice of Meeting. This Proxy Statement, the form of proxy included herewith, and the Company's Annual Report to Stockholders for the fiscal year ended April 30, 2018, are being mailed to stockholders on or about August 17, 2018.

Stockholders of record at the close of business on July 27, 2018, are entitled to notice of and to vote at the Meeting. On such date there were outstanding 4,230,008 shares of common stock, par value \$.01 per share. The presence, in person or by proxy, of the holders of a majority of the shares of common stock outstanding and entitled to vote at the Meeting is necessary to constitute a quorum. In deciding all questions, each holder of common stock shall be entitled to one vote, in person or by proxy, for each share held on the record date.

If you are a stockholder of record (that is, if you hold your shares in certificate form or if your shares are registered in your name on the books of the Company's transfer agent, American Stock Transfer and Trust Company, as of the close of business on July 27, 2018), and attend the Meeting, you may deliver your completed proxy card in person. However, if you hold your shares in street name (not registered in your name): (a) you must return your voting instructions to your broker or nominee so that the holder of record can be instructed how to vote those shares; or (b) if you wish to attend the Meeting and vote in person, you must obtain and bring to the Meeting a proxy signed by the record holder giving you the right to vote the shares on their behalf. (You may *not* use the voting instruction form provided by your broker or nominee to vote in person at the Meeting.) For directions to the meeting, please contact the Company at 847-956-8000.

Votes cast by proxy or in person at the Meeting will be tabulated by the election inspector appointed for the Meeting and will determine whether or not a quorum is present. The election inspector will treat abstentions as shares that are present and entitled to vote but as not voted for purposes of determining the approval of any matter submitted to the stockholders for a vote. Abstentions will have the same effect as negative votes on (i) the proposal to ratify the selection of the auditor, (ii) the proposal related to the advisory approval on the compensation of the Company's Named Executive Officers, and (iii) the proposal related to the advisory approval regarding the recommendation to select a frequency of future advisory votes on executive compensation. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter, or chooses not to exercise its authority (Broker Non-Votes), those shares will not be considered as present and entitled to vote with respect to that matter, unless it is a routine matter. Under NASDAQ rules, ratification of the appointment of the Company's independent auditors is a routine matter, while the election of directors and the advisory votes on executive compensation and the frequency of that rate are nonroutine matters.

Properly executed proxies will be voted in the manner directed by the stockholders. If no direction is indicated, such proxies will be voted (i) FOR the election of each nominee named under the caption Election of three Class I Directors as set forth therein as a Director of the Company, (ii) FOR the ratification of the selection of BDO USA, LLP as the Company's registered public accountants, (iii) FOR the advisory vote on the approval of the compensation of the Company's Named Executive Officers and (iv) FOR a three-year frequency of advisory votes on executive compensation. If a quorum is present at the Meeting, Directors will be elected by

a plurality of the votes cast. The ratification of the selection of auditors and the non-binding, advisory vote on the proposal related to the vote on the compensation of the Company's Named Executive Officers requires an affirmative vote by holders of a majority of the shares present at the Meeting in person or by proxy and entitled to vote. The non-binding, advisory recommendation of the stockholders regarding the frequency of holding future advisory votes on executive compensation will be that choice which receives a plurality of the votes cast. All other matters submitted for stockholder approval at the Meeting will be decided by the affirmative vote of a majority of the shares present, in person or by proxy, at the Meeting and entitled to vote on the subject matter. Any proxy may be revoked by the stockholder at any time prior to the voting thereof by notice in writing to the Secretary of the Company, either prior to the Meeting (at the above address) or at the Meeting if the stockholder attends in person. A later dated proxy will revoke a prior dated proxy.

All expenses incurred in the solicitation of proxies will be borne by the Company. In addition to the use of the mail, proxies may be solicited on behalf of the Company by Directors, Officers and Employees of the Company by telephone, e-mail or telecopy. The Company will reimburse brokers and others holding common stock as nominees for their expenses in sending proxy material to the beneficial owners of such common stock and obtaining their proxies.

Important Notice Regarding the Availability of Proxy Materials for the Stockholders Meeting to be held on September 21, 2018.

The Proxy Statement is available at <http://www.sigmatronintl.com>

As of the date of this Proxy Statement, the Board of Directors knows of no other business which will be presented for consideration at the Meeting. If other proper matters are presented at the Meeting, however, it is the intention of the proxy holders named in the enclosed form of proxy to take such actions as shall be in accordance with their best judgment.

The information contained in this Proxy Statement relating to the occupations and security holdings of Directors and Officers of the Company and their transactions with the Company is based upon information received from each individual as of July 27, 2018.

The Audit Committee pre-approved 100% of the services associated with the fees described above.

CORPORATE GOVERNANCE

Our Board of Directors determined that each of Messrs. Horek, Mantia, Plante, Rieck and Vyas are independent under the rules of Nasdaq. Accordingly, our Board of Directors currently has a majority of independent Directors under the rules of Nasdaq. Our Board of Directors has determined that our independent Directors shall have regularly scheduled meetings at which only the independent Directors are present. Generally, the independent Directors meet separately at each regularly scheduled Board meeting.

Director Committees; Board Meetings

In accordance with the requirements of the Exchange Act and rules promulgated thereunder, the Board of Directors has established an Audit Committee, a Compensation Committee and a Nominating Committee. The Audit Committee Charter, Compensation Committee Charter and the Nominating Committee Charter are available on the Company's website at www.sigmatronintl.com. The Company believes that the composition of these committees meets the criteria for independence under, and the functioning of these committees complies with, the applicable requirements of the current listing standards of Nasdaq and the SEC's rules and regulations promulgated under the Sarbanes-Oxley Act of 2002 as set forth below.

The functions of the Audit Committee are to: (1) select and evaluate the performance of the independent accountants; (2) review the audits of the financial statements of the Company and the scope of the audit; (3) review with the independent accountants the corporate accounting and financial reporting practices and policies and recommend to whom reports should be submitted to within the Company; (4) review with the independent accountants their final report; (5) review with the internal and independent accountants overall accounting and financial controls; and (6) be available to the independent accountants and management for consultation purposes. The Audit Committee is currently comprised of three members: Messrs. Rieck (Chairman), Horek and Plante. The Board of Directors has determined that each of the members of the Audit Committee is independent under the rules of the SEC and Nasdaq. Mr. Rieck has been determined to be an Audit Committee financial expert as defined in Item 407 of Regulation S-K promulgated under the Exchange Act. The Board of Directors has adopted a written charter for the Audit Committee, which was revised and restated on May 22, 2018, and is available on the Company's website at www.sigmatronintl.com. The report of the Audit Committee to the Stockholders is included in this Proxy Statement under the heading Appendix A.

The functions of the Compensation Committee are: (1) to review and recommend to the Board of Directors annual salaries and bonuses for all Executive Officers of the Company; (2) to review and recommend to the Board of Directors compensation for the Directors; (3) to review and recommend to the Board of Directors the terms and conditions of all employee benefit plans or changes thereto; and (4) to administer the Company's stock option plans. While the Chief Executive Officer of the Company may make recommendations regarding such salaries, compensation and terms and conditions of employment, the Compensation Committee reviews any such recommendations independently and is responsible for making final recommendations to the full Board of Directors. Messrs. Mantia (Chairman), Plante, and Vyas are members of the Compensation Committee. The Board of Directors has determined that each of the members of the Compensation Committee is independent under the listing standards of Nasdaq. The Compensation Committee has authority to select and hire outside consultants and shall have full access to the Human Resources Department or other Company employees to assist in the evaluation of executive officer compensation and may approve the fees and other retention terms of any consultants hired by the Compensation Committee. The Compensation Committee may also obtain advice and assistance from legal, accounting or other advisors selected by the Compensation Committee. The Board of Directors has adopted a written charter for the Compensation Committee and is available on the Company's website at www.sigmatronintl.com.

The functions of the Nominating Committee are to: (1) review and recommend to the Board of Directors the size and composition of the Board of Directors and a slate of nominees for each election of members to the Board of Directors; (2) review and recommend changes to the number, classification and term of Directors; (3) identify and recommend to the Board of Directors candidates to fill appointments to Board committees; (4) develop, assess and make recommendations to the Board of Directors concerning appropriate corporate governance

policies; (5) identify and recommend to the Board of Directors candidates to fill a vacancy in the offices of President and Chief Executive Officer; and (6) review nominations by stockholders with regard to the nomination process and to establish the procedures by which stockholder candidates will be considered. The members of the Nominating Committee are Messrs. Vyas (Chairman), Horek and Rieck. The Board of Directors has determined that each of the members of the Nominating Committee is independent under the Nasdaq Stock Market, Inc. listing standards.

The Nominating Committee begins the process of identifying Director candidates by evaluating the current composition of the Board, the Company's operating requirements, and the long-term interests of the Company's stockholders. The Nominating Committee then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Nominating Committee conducts all appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board. In the case of incumbent Directors whose terms of office are set to expire, the Nominating Committee reviews such Directors' overall service during their term, including the number of meetings attended, level of participation, quality of performance, and any other relationships and transactions that might impair such Directors' independence. The Nominating Committee meets to discuss and consider each candidate's qualifications and then selects those it considers to be appropriate nominees by majority vote for recommendation to the Board. To date, the Nominating Committee has not paid a fee to any third party to assist in the process of identifying or evaluating Director candidates.

In evaluating and determining whether to recommend a person as a candidate for election as a Director, the Nominating Committee's criteria reflects the requirements of the Nasdaq rules with respect to independence as well as the following factors: the needs of the Company with respect to the particular talents and experience of its Directors; personal and professional integrity of the candidate; the level of education and/or business experience of the candidate; broad-based business acumen of the candidate; the candidate's level of understanding of the Company's business and the electronic manufacturing services industry; the candidate's abilities for strategic thinking and willingness to share ideas; and the Board of Directors' need for diversity of experiences, expertise and background. The Nominating Committee will use these criteria to evaluate all potential nominees.

The Company does not have a diversity policy with respect to its Directors. However, in considering whether to recommend any Director nominee, including candidates recommended by stockholders, the Nominating Committee will consider the factors above, including the candidate's diversity of experiences, expertise, ethnicity, gender and background. The Nominating Committee does not assign specific weights to particular criteria, and no particular criterion is necessarily applicable to all prospective nominees. The Company believes that the backgrounds and qualifications of the Directors, considered as a group, should provide a significant mix of experience, knowledge and abilities that will allow the Board of Directors to fulfill its responsibilities.

The Nominating Committee will consider proposed nominees whose names are submitted to it by stockholders. The Nominating Committee has not adopted a formal process for that purpose because it believes that the Nominating Committee's process for considering stockholder nominees has been and remains adequate. Historically, stockholders have not proposed any nominees. The Nominating Committee intends to review periodically whether a formal process should be adopted, including whether all stockholder nominations comply with the notice provisions of the Company's by-laws which generally require that such notice be received by the Secretary of the Company not less than 60 days and not more than 90 days prior to a regularly scheduled Annual Meeting of Stockholders, or within 10 days after receipt of notice of an Annual Meeting of Stockholders if the date of such meeting has not been publicly disclosed within 70 days prior to the meeting date.

Board Meetings

The Board of Directors held 18 meetings either in person or by telephone conference during the fiscal year ended April 30, 2018. The Compensation Committee held 4 meetings in person or by telephone conference and the Audit Committee held 9 meetings in person or by telephone conference during the fiscal year 2018. The Nominating Committee held 1 meeting during the fiscal year 2018. All Directors attended at least 75% of the

meetings of the Board and each of the committees of which they were members. In fact, all Directors attended at least 90% of the meetings of the Board and each of the committees of which they were members. The Company has a policy of encouraging all Directors to attend in person the Annual Meeting of Stockholders. All Directors attended the Company's 2017 Annual Meeting of Stockholders.

Board Leadership Structure and Role in Risk Oversight

The Company believes that the service of Gary R. Fairhead as both Chairman of the Board and Chief Executive Officer is in the best interest of the Company and its stockholders. Mr. Fairhead possesses detailed and in-depth knowledge of the opportunities and challenges facing the Company, and is thus best positioned to develop agendas that ensure that the Board's time and attention are focused on the most critical matters. The Board believes his role as Chairman of the Board and Chief Executive Officer promotes consistent leadership, engenders accountability, and enhances the Company's ability to communicate its message and strategy clearly and consistently to its stockholders, employees, and customers. The Company believes the Board's administration of its risk oversight function to date has had a positive effect on the Board's leadership structure.

Consistent with the Company's corporate governance guidelines and because Mr. Fairhead is the Chairman of the Board as well as Chief Executive Officer, the Board has designated one of its members to serve as a Lead Independent Director (Lead Independent Director). Dilip S. Vyas was appointed Lead Independent Director by all the Directors in September, 2011, and he continues to serve as Lead Independent Director. Mr. Vyas's responsibilities include the following roles:

1. to preside over executive sessions of the independent Directors;
2. to chair meetings of the Board of Directors in the absence of the Chairman of the Board;
3. to act as a liaison between the independent Directors and the Chairman of the Board;
4. to coordinate with the Chairman of the Board regarding meeting agendas and schedules;
5. to coordinate with the Chairman of the Board regarding information flow to the Board;
6. to be available for consultation and communication with stockholders, as appropriate; and
7. to call meetings of the independent Directors as appropriate.

The Company believes that it maintains strong corporate governance processes intended to ensure that its independent Directors will continue to effectively monitor management and provide leadership on key issues such as strategy, risk and integrity. The Board has primary responsibility for the oversight of risks to the Company and has assigned to its committees the oversight of risks applicable to their particular area. Each committee of the Board is comprised solely of independent Directors. Consequently, independent Directors oversee such critical matters as the integrity of financial statements; the compensation of Executive Officers, including the Chief Executive Officer; financial commitments for capital projects; the selection and evaluation of Directors and Executive Officers; and the development and implementation of corporate governance programs. Each Board committee and the independent Directors as a group routinely have independent sessions without management present.

Management, the Company's Corporate Counsel, and the Board of Directors discuss risks, both during and outside of Board meetings. These discussions identify Company risks which are prioritized and assigned to the appropriate Board committee or the full Board for oversight. Internal control and financial risks are overseen by the Audit Committee; compensation risks are overseen by the Compensation Committee; Chief Executive Officer succession planning is overseen by the Nominating Committee and reviewed by the independent Directors; compliance risks are typically referred to the full Board; and matters arising under the Company's Code of Conduct or Code of Ethics for Senior Financial Management are handled by Corporate Counsel. Management regularly reports on each risk to the relevant committee or the Board, and material risks identified by a relevant committee are then presented to the full Board. The Company's risk management program as a whole is reviewed

Edgar Filing: SIGMATRON INTERNATIONAL INC - Form DEF 14A

annually at a meeting of the Board. Additional review or reporting on Company risks is conducted as needed or as requested by the Board or Committee. Coordination of management's review of these risks is performed by the Company's Corporate Counsel.

Stockholder Communications with the Board of Directors

Stockholders can contact the Board of Directors or any of the individual Directors by contacting: Henry J. Underwood, Corporate Counsel, Howard & Howard Attorneys PLLC, by regular mail at 200 South Michigan Avenue, Suite 1100, Chicago, IL 60604. Inquiries will be reviewed, sorted and summarized by the Corporate Counsel before they will be forwarded to the Board of Directors or to an individual Director.

EXECUTIVE COMPENSATION

The Employee Plan:

On April 21, 2017, the Board of Directors adopted the SigmaTron International, Inc. Employee Bonus Plan for Fiscal Year 2018 (Employee Plan) applicable to all U.S. payroll non-union employees of the Company (Employee Participants), all full-time employees of the Company with a corporate position of vice president or higher (Officers) and all employees designated by the Company as an executive officer pursuant to the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder (Executive Officers).

The stated purpose of the Employee Plan is to align stockholder, employee and officer objectives, to motivate employees of the Company and to increase stockholder value. The Employee Plan is administered and interpreted by the Board and, in its entirety, is subject to amendment, suspension or termination by the Board.

Pursuant to the Employee Plan, a Bonus Pool, calculated as a percentage of Pre-Tax Income (as defined in the Employee Plan) pursuant to the scale set forth in the Employee Plan, was created. The Company's Chief Executive Officer submitted to the Compensation Committee a recommendation (i) of target objectives for each Executive Officer and (ii) for a specified percentage or dollar allocation of the Bonus Pool for each Executive Officer and Officer, individually, and all of the Employee Participants, in the aggregate. The Compensation Committee reviewed such submissions for recommendation to the Board. Awards to Executive Officers under the Employee Plan were based, in part, on the Executive Officer achieving the Executive Officer's specified target objectives and, in any event, were subject to the sole discretion of the Board. Awards to Employee Participants under the Employee Plan were contingent upon the Company being in compliance with all of the Company's covenants under its primary credit facility or having obtained a waiver thereof, at the end of the Company's 2018 fiscal year.

At the end of fiscal year 2018, the Company awarded no bonuses pursuant to the Employee Plan discussed above.

On May 22, 2018, the Compensation Committee recommended to the Board of Directors that the Company reserve a special bonus pool of \$352,516 available for grant to employees at the time salaries and bonuses for the 12 months commencing July 1, 2018 are reviewed. Subsequently, the Board of Directors adopted the Compensation Committee's recommendation but delayed any grants from the special bonus pool until after the Annual Stockholders Meeting to be held on September 21, 2018.

Employment Contracts, Termination of Employment and Change of Control Agreements

The Company adopted an Amended and Restated Change-in-Control Severance Payment Plan on March 11, 2014 (the "CIC Plan"), which covers Named Executive Officers and certain other Officers of the Company (each a "CIC Participant"). Under the terms of the CIC Plan, each CIC Participant is entitled to the payment of severance pay in the event such CIC Participant's employment with the Company is involuntarily terminated within twenty-four months of a change of control of the Company. The amount of severance pay to which a CIC Participant may be entitled under the CIC Plan is a function of the CIC Participant's average income paid by the Company to such CIC Participant for five calendar years ending immediately prior to the Change-in-Control.

Edgar Filing: SIGMATRON INTERNATIONAL INC - Form DEF 14A

In general, for purposes of the CIC Plan, a change of control will be deemed to have occurred when (a) the acquisition by an entity, person or group of beneficial ownership, as that term is defined in Rule 13d-3 under the Securities Exchange Act of 1934, of more than 20% in the aggregate of the outstanding capital stock of the Company entitled to vote for the election of directors, (b) as a result of, or in connection with, any cash tender or exchange offer, merger or other business combination, sale of assets or contested election, or any combination of the foregoing transactions, the persons who are directors of the Company before the transaction shall cease to constitute a majority of the board or the board of directors of any successor to the Company, (c) the Company becomes a party to a merger, consolidation or share exchange in which either (i) the Company will not be the surviving company or (ii) the Company will be the surviving company and any outstanding shares of common stock of the Company will be converted into shares of any other company (other than a reincorporation or the

establishment of a holding company involving no change of ownership of the Company) or other securities or cash or other property (excluding payments made solely for fractional shares), (d) more than 50% of the assets and business of the Company are sold, transferred or assigned to, or otherwise acquired by, any other unrelated entity or entities, or (e) all or substantially all of the assets and business of a CIC Participant's operation are sold, transferred or assigned to, or otherwise acquired by, any other unrelated entity or entities (Change-in-Control). In general, a CIC Participant's employment will be deemed to have been involuntarily terminated under the CIC Plan in the event of such employee's termination by the Company for a reason other than (w) for cause (as defined in the Plan), (x) death, (y) disability, or (z) that employee's voluntary retirement or resignation except on account of the reasons set forth in the CIC Plan (which in general would result in a constructive discharge).

The CIC Plan provides for automatic reduction of the amounts to be paid out under the CIC Plan in the event such amounts would constitute parachute payments under the Internal Revenue Code. Disputes concerning the CIC Plan and benefits under the CIC Plan are subject to arbitration.

Potential Severance Payments upon Change-In-Control

The following table describes approximate potential severance payments under the CIC Plan to which the Named Executive Officers would be entitled upon Change-In-Control of the Company, assuming that the Change-In-Control of the Company occurred on April 30, 2018 and all participants actually participated in the severance payment. The actual amount of payments can only be determined at the time of a Change-In-Control and will vary from the estimated amounts in the table below.

	Gary R. Fairhead	Rajesh B. Upadhyaya	Gregory A. Fairhead
Change-In-Control Payment	\$ 1,019,155	\$ 836,176	\$ 771,072

DEFINED CONTRIBUTION PLAN

The Company has established a tax-qualified defined contribution 401(k) retirement plan for U.S. employees, which includes Officers. The 401(k) Plan provides for Company matching of employee contributions up to \$300 per employee per year and the Company has historically made a plan contribution of 1% of an employee's compensation.

On February 1, 2014, the Company implemented the 2013 Employee Stock Purchase Plan (ESPP), which was approved by the stockholders at the Company's 2013 Annual Meeting of Stockholders. Under the ESPP, all eligible employees were entitled to purchase shares of the Company's common stock at three-month intervals at

85% of the lower of the fair market value of the Company's common stock on the first day or the last day of the offering period (calculated in the manner provided in the ESPP). Eligible participating employees purchase such stock using payroll deductions, which may not be less than 1% nor exceed 15% of their total cash compensation per year. Under the ESPP, shares of common stock were offered through a series of successive offering periods. The plan imposes certain limitations upon an employee's right to acquire common stock, including the following:

(i) termination of employment for any reason immediately terminates the employee's participation in the plan, (ii) no employee may be granted rights to purchase more than \$25,000 worth of common stock for any calendar year that such rights are at any time outstanding, and (iii) the maximum number of shares of common stock purchasable in total by all participants in the ESPP on any purchase date is limited to 500,000 shares. The number of shares of common stock reserved for issuance under the plan automatically increases on the first day of the Company's fiscal year by 25,000 shares. During fiscal year 2017, 1,658 shares were issued under the ESPP and the Company recorded \$3,559 in compensation expense. The ESPP was terminated on August 15, 2016.

COMPENSATION OF DIRECTORS

The Company pays non-employee Directors \$4,950 per month. The Chairman of the Audit and Compensation Committees are paid an additional \$550 and \$275 per month, respectively. The Lead Independent Director receives an additional \$275 per month. In accordance with Company policy, directors who are also employees of the Company do not receive the remuneration described in this paragraph.

- (2) Represents the aggregate grant date fair value of stock awards computed in accordance with FASB ASC Topic 718. At April 30, 2018, the aggregate number of shares of common stock of the Company granted pursuant to the Director Plan for each non-employee Director was as follows: Mr. Horek, 2,500 shares; Mr. Mantia, 2,500 shares; Mr. Plante, 2,500 shares; Mr. Rieck, 2,500 shares; Mr. Vyas, 2,500 shares.

3. PROPOSAL TO APPROVE THE 2018 NON-EMPLOYEE DIRECTOR RESTRICTED STOCK PLAN

General

On July 12, 2018, our Board of Directors unanimously approved the adoption of the 2018 Non-Employee Director Restricted Stock Plan (the "Director Plan"). The adoption of the Director Plan by our Board of Directors is subject to the approval of our stockholders. In this proposal, we are asking our stockholders to approve the Director Plan at the Annual Meeting.

The Director Plan will be administered by the Compensation Committee and the amount of restricted stock to be granted under the plan is determined by the Compensation Committee. Unlike cash fees, which are taxable

when received, the restricted stock, which is subject to a substantial risk of forfeiture, is not taxable to the recipients until the awarded shares become vested. The awarded restricted stock generally will become vested on the six-month anniversary of the date granted. The Board of Directors and the Compensation Committee believe that the Director Plan is a key part of the Company's director compensation program.

Shares to be Available

The number of shares of Common Stock to be reserved and available for awards under the Director Plan will be 50,000 shares. If any awarded shares are canceled, terminated or are forfeited, those shares shall again be available under the Director Plan.

Approval Required

Adoption of the Director Plan requires an affirmative vote by holders of a majority of the shares present at the Meeting in person or by proxy and entitled to vote on the matter. Abstentions will have the same effect as negative votes. Broker Non-Votes, while considered present at a meeting and included in the determination of whether a quorum exists, are not entitled to vote. Thus, Broker Non-Votes will have no effect.

The effectiveness of the Director Plan is conditioned upon stockholder approval of the Director Plan, and no shares shall be issued hereunder prior to the date on which the Company's stockholders approve the Board's adoption.

Description of the Director Plan

The following is a general description of the material features of the Director Plan. This description is qualified in its entirety by reference to the full text of the Director Plan, a copy of which is attached as Appendix B. To the extent that there is a conflict between this summary and the actual terms of the Director Plan, the terms of the Director Plan will govern. Unless defined herein, or the context otherwise clearly requires, capitalized terms used herein shall have the meaning as defined in the Director Plan. The Director Plan is included in this Proxy Statement under the heading Appendix B.

Purpose. The purpose of the Director Plan is to promote the success and interest of the Company and to enhance the stock ownership of the Directors of the Company by providing a method whereby Non-Employee Directors receive a portion of their annual compensation in restricted shares of the common stock of the Company. The Director Plan provides for payment of a portion of the Non-Employee Directors' annual compensation in shares of restricted Common Stock.

Eligibility. Under the Director Plan, only Non-Employee Directors (individuals who are members of the Board, but who are not employees of the Company or any of its subsidiaries) are eligible to receive an award of restricted shares of Common Stock (Award). A director who is an employee of the Company or any subsidiary of the Company who retires or resigns from employment, but remains a director of the Company, will become eligible to participate in the Director Plan at the time of such termination of employment.

Administration. The Compensation Committee shall be responsible for administering, and shall have all of the powers necessary to administer, the Director Plan. The Compensation Committee shall have the power to determine the terms and provisions of the Awards and related agreements thereto, and to make all determinations necessary or advisable for the plan's administration.

The Compensation Committee may also accelerate the vesting of all or any portion of any Award or provide for the lapsing of any conditions or restrictions on any outstanding Award, or portion thereof. The decisions of the Compensation Committee upon all matters within its scope of authority shall be final and conclusive on all persons, except to the extent otherwise provided by law.

Term. Unless sooner terminated in accordance with the provisions of the Director Plan, the term of the Director Plan shall be ten (10) years from the date the stockholders of the Company approve the Director Plan. No grants of Awards under the Director Plan may be made after the termination of the Director Plan. It is

anticipated that the shares of restricted common stock available for grant under the Plan will be granted by the Compensation Committee during the first three years that Awards are made following the Plan's approval by the stockholders.

Adjustments for Merger, Stock Dividends, Splits, etc. The Compensation Committee shall make appropriate adjustments to the number of shares of restricted common stock that are subject to the Director Plan and to any outstanding award to reflect stock dividends, stock splits, extraordinary cash dividends, issuances of stock rights, and similar events.

As of July 27, 2018, the record date, the closing price of the Common Stock of the Company on the Nasdaq Small-Cap Market, on which the Company's stock is listed, was \$7.06 per share.

Restricted Stock Awards. Pursuant to the Director Plan, Non-Employee Directors may be paid a portion of the annual compensation in shares of restricted common stock. The total amount of and terms of all Awards shall be determined by the Compensation Committee.

Except as otherwise provided in the Director Plan, stock awarded under the Director Plan will not vest until the six-month anniversary of the date of the Award. A Participant may not sell, transfer or otherwise dispose of any shares of restricted common stock until they become vested; however, the Participant will have the right to receive dividends with respect to the shares and to vote the shares prior to vesting.

Compliance with Law and Other Conditions. The Director Plan shall be administered according to the laws of the State of Delaware to the extent that such laws have not been preempted by any laws of the United States. No Award shall be issued under the Director Plan prior to compliance by the Company, to the satisfaction of its counsel, with all applicable laws. No Awards will be granted pursuant to the Director Plan until it is approved by the Company's stockholders. In addition, Awards are subject to the discretion of the Compensation Committee, and therefore amounts of stock that may be granted under the Director Plan are not determinable.

Amendment, Modification and Termination of the Director Plan. The Compensation Committee may amend, alter, or terminate the Director Plan; provided, however, that an amendment to the Director Plan may be conditioned on the approval of the Company's stockholders if stockholder approval is required.

Federal Income Tax Implications of the Director Plan

An award of restricted stock will not result in taxable income to the participant at the time of grant. Upon the lapse of the restrictions, the participant will recognize ordinary income in the amount of the fair market value of the shares of common stock at the time that the restriction lapses. Alternatively, within 30 days after receipt of the restricted stock, a participant may make an election under Section 83(b) of the Code, which would allow the participant to include in income in the year that the restricted common stock is awarded an amount equal to the fair market value of the restricted common stock on the date of such award determined as if the restricted common stock were not subject to restrictions.

The Company will generally be entitled to a tax deduction equal to the amount recognized as ordinary income in connection with the issuance of restricted stock under the Director Plan. The Company will generally be entitled to its tax deduction at the same time that the ordinary income is recognized by the grantee.

The foregoing provides only a general description of the application of federal income tax laws to Awards under the Director Plan. This discussion is intended for the information of stockholders considering how to vote at the Annual Meeting, and not as tax advice or guidance to the grantee in the Director Plan, as the consequences may vary depending upon specific circumstances. The summary does not address the effects of other federal taxes or taxes imposed under state, local or foreign tax laws.

The Board of Directors unanimously recommends that you vote in favor of the approval of the 2018 Non-Employee Director Restricted Stock Plan.

4. ADVISORY VOTE ON APPROVAL OF EXECUTIVE COMPENSATION

(SAY-ON-PAY PROPOSAL)

Pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act) and Section 14A of the Exchange Act, the Company is seeking stockholder approval, on an advisory, non-binding basis, for the compensation of the Company's Named Executive Officers (Say-on-Pay Proposal). This Say-on-Pay Proposal gives stockholders the opportunity to express their views on the Company's compensation of its Named Executive Officers disclosed in the executive compensation tables and Executive Compensation Section of this proxy statement. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Named Executive Officers. The timing of future votes will be determined by the Board, but will occur no less frequently than every three years.

The Company's compensation programs for Executive Officers are designed to attract, motivate and retain talented executives who are critical to the success of the Company. The Compensation Committee reviews and recommends to the Board of Directors compensation paid or awarded to the Company's Executive Officers. The Company is requesting its stockholders to indicate their support for compensation of its Named Executive Officers by approving the following resolution:

RESOLVED, that the stockholders of SigmaTron International, Inc. approve the compensation of the Company's Named Executive Officers, as disclosed pursuant to Item 402 of Regulation S-K, in the executive compensation tables and related narrative discussion set forth in the Company's 2018 Proxy Statement.

Assuming that a quorum is present, the non-binding, advisory resolution requires an affirmative vote by holders of a majority of the shares present at the Meeting in person or by proxy and entitled to vote on the matter.

Because your vote is advisory, it will not be binding upon the Board of Directors and may not be construed as overruling a decision or creating or implying any change to the fiduciary duties of the Board of Directors. However, the Board of Directors values the opinions of the Company's stockholders and will consider the outcome of the vote when reviewing and recommending future executive compensation arrangements.

The Board of Directors unanimously recommends that you vote For the resolution approving the Company's compensation for its Named Executive Officers.

5. ADVISORY VOTE ON THE FREQUENCY OF HOLDING AN ADVISORY

VOTE ON THE SAY-ON-PAY PROPOSAL

Pursuant to the Dodd-Frank Act and Section 14A of the Exchange Act, the Company is seeking stockholder recommendation, on an advisory, non-binding basis, regarding the frequency of holding stockholder advisory votes on the Say-on-Pay Proposal. In particular, the stockholders are asked to vote on whether a Say-on-Pay Proposal advisory vote should occur every year, every two years, or every three years or to abstain. The Board will seek this vote in future years no less frequently than once every six calendar years.

As a result of the advisory vote of the stockholders at the 2017 Annual Stockholders Meeting, the Board of Directors decided to hold at this year's Annual Stockholders Meeting an advisory vote on the compensation of the Company's Named Executive Officers. The Board of Directors believes that an advisory vote every three years on the Say-on-Pay Proposal would be most appropriate for the Company. This would give Company's stockholders sufficient opportunity to react to emerging trends in executive compensation. In addition, a triennial vote would provide the Compensation Committee and Board of Directors the time to thoughtfully evaluate stockholder reactions and implement any necessary changes to the executive compensation program and compensation decisions. The Company is requesting its stockholders to provide an advisory vote on the following resolution:

RESOLVED, that the stockholders of SigmaTron International, Inc. advise the Company to include a non-binding, advisory vote on the compensation of the Company's Named Executive Officers pursuant to Section 14A of the Securities Exchange Act of 1934, as amended, every:

one year;

two years; or

three years.

Assuming that a quorum is present, the non-binding, advisory recommendation of the stockholders for the frequency of holding future advisory votes on executive compensation will be that choice which receives a plurality of the votes cast.

Because your vote is advisory, it will not be binding on the Board of Directors and may not be construed as overruling a decision by or creating or implying any change to the fiduciary duties of the Board of Directors. However, the Compensation Committee and the Board of Directors value stockholder opinions and will consider the voting results when determining the frequency of future advisory votes on executive compensation.

The Board of Directors unanimously recommends that stockholders select three years on the proposal recommending the frequency of advisory votes on executive compensation.

As part of its job to foster open communication, the Committee should meet at least annually with the chief financial officer and the independent accountants to discuss any matters that the Committee or either of these groups believe should be discussed privately. In addition, the Committee or its Chair should meet in person or by telephone conference call with the independent accountants and management quarterly to review the Company's financials consistent with V.3 below.

V. RESPONSIBILITIES

The Audit Committee shall have the following responsibilities:

Documents/Reports Review

1. Review this Charter annually and update it as conditions dictate.
2. Review the Company's annual financial reports and other financial information submitted to the Securities and Exchange Commission (the SEC), or the public, including any certification, attestation, report, opinion or review rendered by the independent accountants, and the independent accountants' judgment as to the quality of the Company's accounting principles.
3. Review and discuss the Company's audited financial statements with management, including a review with the chief financial officer or his/her delegate and, if the Committee believes it to be advisable, the independent accountants, quarterly reports on Form 10-Q prior to its filing or prior to the release of earnings. The Chair of the Committee may represent the entire Committee for purposes of this review.
4. Issue a report to the Board disclosing whether (a) the Committee has reviewed and discussed the audited financial statements with management; (b) the Committee has discussed with the independent accountants the matters required to be discussed in accordance with professional standards; (c) the Committee has received the written disclosures and the letter from the independent accountants and has discussed with the accountants the accountants' independence; and (d) whether, based on the review and discussions referred to in (a) (c) above, the Committee recommended to the Board that the financial statements be included in the Annual Report on Form 10-K or 10-KSB for the last fiscal year for filing with the SEC. These disclosures shall appear over the printed names of each member of the Committee, and shall be included in the Company's proxy statement, if said proxy statement relates to an annual meeting of shareholders at which directors are to be elected (or special meeting or written consents in lieu of such meeting). The disclosures shall be made at least once a year.

Independent Accountants

5. Assume direct responsibility for the appointment, compensation, retention and oversight of the work of any independent accountant engaged by the Company (including resolution of disagreements between management and the independent accountants regarding financial reporting), each of whom must report directly to the Committee, for the purpose of preparing or issuing an audit report or performing other audit, review, or attest services for the Company. Where appropriate, the Committee shall replace the independent accountants, and, if appropriate, nominate the independent accountants to be proposed for shareholder ratification or approval in any proxy statement. The independent accountants must report directly to and are ultimately accountable to the Committee, which has the sole authority and responsibility to select, evaluate and, where appropriate, replace the independent accountants.
6. Pre-approve all audit and permitted non-audit services to be performed by the independent accountants (subject to the de minimis exceptions under applicable law, rules and regulations). However, the Committee may delegate to one or more designated members of the Committee the authority to grant such pre-approvals, and the decisions of any member to whom such authority is delegated shall be presented to the full Committee at its next regularly scheduled meeting. In determining whether to

pre-approve permitted non-audit services, the Committee (or the members with authority to pre-approve) shall consider whether the independent accountants' performance of such services is compatible with independence.

7. Approve the fees and other compensation to be paid to the independent accountants. On at least an annual basis, to determine the accountants' independence, the Committee shall ensure its receipt from the outside auditors of a formal written statement delineating all relationships between the auditor and the Company, in accordance with professional standards, and shall actively engage in a dialogue with the auditor with respect to any disclosed relationships or services that may impact the objectivity and independence of the auditor.
8. Review the performance of the independent accountants and discharge the independent accountants when circumstances warrant.
9. Receive copies of the annual comments from the independent accountants on accounting practices and policies and systems of control of the Company, and review with them any questions, comments or suggestions they may have relating thereto.
10. Oversee regular rotation of the lead audit partner, as required by applicable law, rules and regulations, and consider whether rotation of the independent accountants or their lead audit partner is necessary to ensure independence.
11. Ensure receipt of a formal written statement from independent accountants delineating all relationships between the independent accountants and the Company.
12. Actively engage in dialogue with the independent accountants with respect to any disclosed relationships or services that may impact the objectivity and independence of the accountants.
13. Take, or recommend the full board to take other appropriate action to oversee the independence of the independent accountants and outside auditor.

Financial Reporting Processes

14. Review with management and the independent accountants not less than annually the internal controls, disclosure controls and procedures, and accounting and audit activities of the Company.
15. Review with management and the independent accountants significant exposure risks and the plans to appropriately control such risks.
16. Consider and approve, if appropriate, major changes to the Company's auditing and accounting principles and practices as suggested by the independent accountants, management, or the internal accounting department.
17. Review with management and the independent accountants accounting policies which may be viewed as critical, and review significant changes in the accounting policies of the Company and accounting and financial reporting proposals that may have a significant impact on the Company's financial reports. Review with management accounting estimates in the event (a) an estimate requires the Company to make assumptions about matters that are highly uncertain at the time the accounting estimate is made, and (b) different estimates that the Company reasonably could have used in the current period, or changes in the accounting estimates that are reasonably likely to occur from period to period, would have a material impact on the presentation of the Company's financial condition, changes in financial condition or results of operations.

18. Make or cause to be made, from time to time, such other examinations or reviews as the Committee may deem advisable with respect to the adequacy of the systems of internal controls, accounting practices, internal audit procedures, and disclosure controls and procedures of the Company, taking into account current accounting and regulatory trends and developments, and take such action with respect thereto as may be deemed appropriate by the Committee. The Committee shall have the

authority to retain outside advisors to assist it in the conduct of any investigation, examination or review.

19. Review with management and the independent accountants any material financial or non-financial arrangements of the Company which do not appear on the financial statements of the Company.
20. Review communications required to be submitted by the independent accountants concerning (a) critical accounting policies and practices used, (b) alternative treatments of financial information within generally accepted accounting principles (GAAP) that have been discussed with management and the ramifications of such alternatives and the accounting treatment preferred by the independent accountants, and (c) any other material written communications with management.
21. Review with the independent accountants any problems encountered in the course of their audit, including any change in the scope of the planned audit work and any restrictions placed on the scope of such work and any management letter provided by the independent accountants and management's response to any such letter. The management letter should be separately communicated to the Chair of the Committee at the same time it is provided to management.

Foreign Corrupt Practices Act

22. In connection with its oversight responsibility for the Company's compliance with the FCPA, review the overall adequacy and effectiveness of the Company's Foreign Corrupt Practices Act Policy and Procedures (FCPA Policy) and recommend to the Board one or more senior executives, with appropriate authority and adequate autonomy from management, to be primarily responsible for day-to-day compliance with the FCPA Policy and conduct periodic cost and expense inquiries.

Internal Controls and Process Improvement

23. Evaluate whether senior management is setting the appropriate tone at the top by reviewing their communication with other personnel of the Company regarding the importance of internal controls and evaluate whether the members of senior management possess an understanding of their roles and responsibilities.
24. Establish a regular system of reporting to the Committee and internally within the Company by management, the independent accountants and the internal accounting department.
25. Review the scope of the audit to be performed, and the audit procedures to be used, by the independent accountants, as a part of the annual audit process.
26. Review and attempt to resolve disagreements between management and the independent accountants regarding financial reporting.
27. Review, at least annually, the then current and future programs of the internal accounting department, including the procedure for assuring implementation of accepted recommendations made by the independent accountants, and review the implementation of any accepted recommendations.
28. Consider and approve, upon the recommendation of management or upon its own motion, any non-audit services to be performed by providers other than the independent accountants relating to internal controls or current or future programs, functions, or services that are the responsibility of the internal accounting department.

Edgar Filing: SIGMATRON INTERNATIONAL INC - Form DEF 14A

29. Establish procedures in accordance with applicable law, rules and regulations for (a) receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and (b) the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.

Other Responsibilities

30. Review and make approval decisions regarding all related-party transactions, as required by applicable law, rules and regulations.
31. If appropriate, and if it determines necessary to carry out its duties, engage and obtain advice and assistance from independent legal, accounting or other advisors and determine the compensation to be paid for such advice and assistance which shall be paid by the Company.
32. If necessary, institute special investigations and, if appropriate, hire special counsel or experts to assist.
33. Perform any other activities consistent with this Charter, the Company's By-laws and governing law, rules or regulations as the Committee or the Board deems necessary or appropriate.
34. Determine the appropriate funding, to be provided by the Company, for the payment of ordinary administrative expenses of the Committee necessary or appropriate in carrying out its duties. However, a member of the Committee shall not accept any consulting, advisory, or other compensatory fee from the Company other than for board service.

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to prepare financial statements, plan or conduct audits or determine that the Company's financial statements are complete and accurate and are in accordance with GAAP. This is the responsibility of management and the independent accountants.

(c) **Rights with Respect to Awarded Stock.** Except as provided in Sections 6.2(b) and this 6.2(c) and the Award Agreement, the Grantee shall have, with respect to the Awarded Stock, all of the rights of a holder of Common Stock including the right to vote the Awarded Stock and, if granted by the Board, the right to receive any dividends.

(g) Each Award shall be confirmed by, and be subject to, the terms of an Award Agreement.

(h) The Committee may at any time accelerate the vesting of all or any portion of any Award or provide for the lapsing of any conditions or restrictions on any outstanding Award, or portion thereof.

SECTION 8

TERMINATION AND AMENDMENT

The Committee shall have the right and power at any time and from time to time to amend or alter the Plan, in whole or in part, and at any time to terminate the Plan, provided however, that an amendment to the Plan may be conditioned upon the approval of the stockholders of the Company if and to the extent the Committee determines that stockholder approval is necessary, appropriate, or required by law or agreement. Notwithstanding the foregoing, any termination, amendment, or modification of the Plan shall not, in any material way, adversely affect any Awarded Stock previously granted under the Plan without the written consent of the affected Grantee.

SECTION 9

NO WITHHOLDING

Each Grantee shall be responsible for the payment of any taxes required by law to be paid in respect of Awards under the Plan and the Company shall make no withholding with respect to any Award.

SECTION 10

NO RIGHT TO RE-ELECTION

Nothing in the Plan or in any Award granted pursuant to the Plan or any action taken under the Plan shall confer on any individual any right to continue as a Non-Employee Director or director of the Company or to be re-nominated by the Board or re-elected by the stockholders of the Company.

SECTION 11

TERM OF THE PLAN

The Plan shall become effective only upon approval by the stockholders of the Company and, unless earlier terminated in accordance with the provisions of the Plan, shall remain in effect for a term of ten (10) years from the date of such stockholder approval.

SECTION 12

GOVERNING LAW

To the extent that state laws shall not have been preempted by any laws of the United States, the Plan shall be construed, regulated, interpreted and administered according to the laws of the State of Delaware without regard to its conflict of laws rules.
