ATM Program

On November 13, 2018, Spirit Realty Capital, Inc. (the "Company") filed with the Securities and Exchange Commission (the "SEC") a prospectus supplement, dated November 13, 2018, to its shelf registration statement on Form S-3 (Registration Nos. 333-220618 and 333-220618-01), which was filed with the SEC and became effective on September 25, 2017, pursuant to Rule 424(b) under the Securities Act of 1933, as amended, relating to the Company's previously disclosed at-the-market offering, pursuant to which the Company may offer and sell shares of the Company's common stock from time to time to or through Wells Fargo Securities, LLC, RBC Capital Markets, LLC, Scotia Capital (USA) Inc. and SunTrust Robinson Humphrey, Inc., as the Company's sales agents (the "Agents") pursuant to an equity distribution agreement, dated as of November 9, 2016, as amended, among the Company, Spirit Realty, L.P. and each of the Agents. An opinion of Ballard Spahr LLP with respect to the validity of shares of the Company's common stock that may be offered and sold pursuant to this prospectus supplement and the accompanying prospectus is filed herewith as Exhibit 5.1.

This Current Report shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of these securities in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state.

Reverse Stock Split

On November 13, 2018, the Company announced that its Board of Directors has approved a reverse stock split of the Company's outstanding shares of common stock at a ratio of one-for-five (the "Reverse Stock Split"). The Reverse Stock Split is scheduled to take effect at approximately 5:01 p.m. Eastern Time on December 12, 2018 (the "Effective Time"). At the Effective Time, every five issued and outstanding shares of common stock of the Company will be converted into one share of common stock of the Company, and as a result the Company's outstanding shares of common stock will decrease to approximately 85,695,310 from 428,476,552 (as of November 7, 2018). The par value of each share of common stock will be increased from \$0.01 per share to \$0.05 per share, but the number of the Company's authorized shares of common stock will remain unchanged. The shares are expected to begin trading on a split-adjusted basis at market open on December 13, 2018. Trading in the common stock will continue on the NYSE under the symbol "SRC" but the security will be assigned a new CUSIP number.

No fractional shares will be issued in connection with the Reverse Stock Split. Instead, each stockholder that otherwise would receive fractional shares will be entitled to receive, in lieu of such fractional shares, cash in an amount determined on the basis of the closing price of the Company's common stock on the NYSE on December 12, 2018. The Reverse Stock Split will apply to all of the Company's outstanding shares of common stock as of the Effective Time. Stockholders of record will be receiving information from American Stock Transfer & Trust Company, the Company's transfer agent, regarding their stock ownership following the Reverse Stock Split and cash in lieu of fractional share payments, if applicable. Stockholders who hold their shares in brokerage accounts or in street name are not required to take any action in connection with the Reverse Stock Split.

A copy of the press release issued by the Company is attached as Exhibit 99.1 hereto and is incorporated herein by reference.
