Introductory Note

On November 29, 2018, Sidewinder Merger Sub Inc., an Alabama corporation (*Merger Sub*), which is a wholly owned subsidiary of Diamondback Energy, Inc. (*Diamondback*), completed its previously announced merger with Energen Corporation, an Alabama corporation (*Energen*), pursuant to the Agreement and Plan of Merger, dated as of August 14, 2018 (the *Merger Agreement*), by and among Diamondback, Merger Sub and Energen. Pursuant to the Merger Agreement, Merger Sub merged with and into Energen (the *Merger*), with Energen continuing as the surviving corporation and as a wholly owned subsidiary of Diamondback. The events described in this Current Report on Form 8-K took place in connection with the completion of the Merger.

Item 1.01. Entry into a Material Definitive Agreement.

Amended Revolving Credit Facility

On November 29, 2018, Diamondback, as parent guarantor, Diamondback O&G LLC, as borrower (the *Borrower*), and certain other subsidiaries of Diamondback, as guarantors, entered into a ninth amendment (the *Ninth Amendment*) to the Second Amended and Restated Credit Agreement, dated as of November 1, 2013, with Wells Fargo Bank, National Association, as administrative agent, and the lenders party thereto (as amended, supplemented or otherwise modified to the date thereof, the *Amended Revolving Credit Facility*).

The Ninth Amendment permitted Diamondback to consummate the Merger and generally provided additional flexibility for Diamondback. Specifically, among other things, the Ninth Amendment (1) granted additional flexibility to Diamondback to consummate acquisitions of entities that are engaged in similar and related lines of business (including Energen), (2) increased the letter of credit commitment from \$100 million to \$150 million for letters of credit issued in connection with certain types of midstream assets and associated activities and from \$15 million to \$30 million for all other letters of credit, and (3) revised the calculation of the total debt to EBITDAX financial covenant (A) to remove the \$50 million cap on netting of unrestricted cash in the calculation of total debt when funds are drawn under the credit facility, (B) to increase the amount of expenses incurred in connection with acquisitions and certain other transactions that may be added back in the definition of EBITDAX from \$10 million to \$50 million per calendar year, and (C) to give effect to the Merger and the previously reported transaction with Ajax Resources, LLC as if each was consummated on October 1, 2018. Additionally, the Ninth Amendment reaffirmed the borrowing base at \$2.65 billion, and the aggregate elected commitment amount remained at \$2.0 billion.

Immediately after the effective time of the Merger, Diamondback had approximately \$1.4 billion in borrowings outstanding under the Amended Revolving Credit Facility, of which approximately \$560.3 million was used by Diamondback to repay in full all borrowings under Energen's credit facility outstanding immediately prior to the effective time of the Merger.

The preceding summary of the Ninth Amendment is qualified in its entirety by reference to the full text of such amendment, a copy of which is attached as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.

Energen Notes

At the effective time of the Merger, Energen (as a wholly owned subsidiary of Diamondback) remained the issuer of an aggregate principal amount of \$530 million in notes issued under an indenture dated September 1, 1996 with The Bank of New York as Trustee (the *Energen Indenture*). The notes (the *Energen Notes*) consist of: (1) \$400 million aggregate principal amount of 4.625% senior notes due on September 1, 2021, (2) \$100 million of 7-1/8% notes due on February 15, 2028, (3) \$20 million of 7.32% notes due on July 28, 2022, and (4) \$10 million of 7.35% notes due on July 28, 2027.

Edgar Filing: Diamondback Energy, Inc. - Form 8-K

The Energen Notes are the senior unsecured obligations of Energen, and post-Merger, Energen (as a wholly owned subsidiary of Diamondback) will continue to be the sole issuer and obligor under the Energen Notes. The Energen Notes will not be obligations of Diamondback or any of its other subsidiaries. The Energen Notes will rank equally in right of payment with all other senior unsecured indebtedness of Energen, including any unsecured guaranties by Energen of indebtedness of Diamondback, and will be effectively subordinated to Energen's senior secured indebtedness, including Energen's secured guaranty of all borrowings and other obligations under the Amended Revolving Credit Facility to the extent of the value of the collateral securing such indebtedness.

The Energen Indenture contains investment-grade style covenants, and does not include a restriction on the payment of dividends. Immediately prior to the effective time of the Merger, Energen was in compliance with the covenants in the Energen Indenture.

With respect to the outstanding Energen Notes, Diamondback may take no action, or Diamondback may seek to amend the terms of the Energen Indenture or engage in liability management transactions with respect to, repay or refinance any or all of the Energen Notes, with any repayment coming from cash on hand or borrowings, including under the Amended Revolving Credit Facility.

On November 29, 2018, Energen guaranteed Diamondback's Indebtedness (as defined in the Amended Revolving Credit Facility) and granted a lien on certain of its assets to secure such Indebtedness. As a result of such guarantee, the terms of the indentures governing Diamondback's 4.750% Senior Notes due 2024 (the 2024 Notes) and 5.375% Senior Notes due 2025 (the 2025 Notes) obligate Diamondback to cause Energen to also guarantee the 2024 Notes and the 2025 Notes. Diamondback expects to cause Energen to also guarantee the 2024 Notes and the 2025 Notes within the time periods permitted in the indentures governing the 2024 Notes and the 2025 Notes.

Item 2.01. Completion of Acquisition or Disposition of Assets.

As discussed in the Introductory Note above, on November 29, 2018, Diamondback completed its previously announced Merger with Energen. At the effective time of the Merger, each eligible share of common stock, par value \$0.01 per share, of Energen (Energen Common Stock), issued and outstanding immediately prior to the effective time of the Merger, was converted into the right to receive 0.6442 of a share of common stock, par value \$0.01 per share, of Diamondback (Diamondback Common Stock), plus cash in lieu of any fractional shares that otherwise would have been issued (the Merger Consideration).

At the effective time of the Merger, (1) each outstanding stock option of Energen was converted into a stock option of equivalent value relating to shares of Diamondback Common Stock on the terms set forth in the Merger Agreement, (2) each stock appreciation right in respect of Energen Common Stock was converted into a stock appreciation right of equivalent value relating to shares of Diamondback Common Stock on the terms set forth in the Merger Agreement, (3) each outstanding performance share award of Energen with a performance period that is scheduled to terminate on December 31, 2018 became fully vested and was converted into the Merger Consideration with respect to each share subject to such award and (4) each outstanding time-vesting restricted stock unit award of Energen and (other than as provided in clause (3)) each performance share award of Energen was converted into a time-vesting Diamondback restricted stock unit award of equivalent value on the terms set forth in the Merger Agreement. Performance goals applicable to Energen performance share awards were deemed satisfied at the greater of target and actual performance as of the date of the Merger, as determined in accordance with the Merger Agreement.

The foregoing description of the Merger Agreement and the transactions contemplated thereby is qualified in its entirety by reference to the full text of the Merger Agreement, which is attached as Exhibit 2.1 to Diamondback's Current Report on Form 8-K filed with the Securities and Exchange Commission (the SEC) on August 15, 2018 and is incorporated by reference herein.

The issuance of Diamondback Common Stock in connection with the Merger was registered under the Securities Act of 1933, as amended, pursuant to the Company's registration statement on Form S-4 (File No. 333-227328), as amended, declared effective by the SEC on October 24, 2018. The joint proxy statement/prospectus included in the registration statement contains additional information about the Merger.
